PROXY STATEMENT

This document, which constitutes a Proxy Statement for The National Security Group, Inc., (the Company) is being furnished to the holders of the common stock of the Company in connection with the solicitation of proxies by the Board of Directors of the Company for use at the Annual Meeting of Stockholders of the Company to be held at 10:00 a.m. (Central Time) on April 17, 2003 at the principal executive offices of the Company (the Annual Meeting). At the Annual Meeting, the Company's stockholders will vote (1) to elect three directors to serve three-year terms, and until their successors are duly elected and qualified, and (2) to ratify selection of independent accountants.

All costs in connection with the solicitation of the enclosed proxy will be paid by the Company.

The date of this Proxy Statement is March 17, 2003.

GENERAL

This Proxy Statement is being mailed to holders of the Company Common Stock on or about March 17, 2003, in connection with the solicitation by the Board of Directors of the Company of proxies to be used at the Annual Meeting to be held at the Company's principal executive offices, 661 East Davis Street, Elba, Alabama 36323, on Thursday, April 17, 2003, at 10:00 a.m. (Central Time).

At the Annual Meeting, the stockholders of the Company will vote on matters noted in the proxy. If the enclosed proxy is properly signed and returned, your shares will be voted on all matters that properly come before the Annual Meeting for a vote. If instructions are specified in your signed proxy with respect to matters being voted upon, your shares will be voted in accordance with your instructions. If no instructions are so specified, your shares will be voted **FOR** the election of the persons nominated as directors in the proxy statement, and **FOR** the ratification of selection of independent accountants. So far as is now known, there is no business to be acted upon at the Annual Meeting other than as set forth above, and it is not anticipated that other matters will be brought before the Annual Meeting. If, however, other appropriate matters are duly brought before the Annual Meeting, the persons appointed as proxy agents will have discretion to vote or act thereon according to their own judgment. A proxy may be revoked if written notice of such revocation is received by Mrs. Bette Ham, Secretary, The National Security Group, Inc., 661 East Davis Street, Elba, Alabama 36323, at any time before the taking of the vote at the Annual Meeting.

Whether or not you attend the Annual Meeting, your vote is important. Accordingly, you are asked to sign and return the accompanying proxy, regardless of the number of shares you own. Shares can be voted at the Annual Meeting only if the holder is present or represented by proxy. The Board of Directors has fixed the close of business on March 17, 2003, as the record date for the determination of stockholders who are entitled to notice of, and to vote at the Annual Meeting and any adjournments thereof. On the record date, the Company had outstanding 2,466,600 shares of Company Stock, the holders of which are entitled to one vote per share. No shares of any other class of Company stock are issued or outstanding.

2

A proxy may be revoked at any time prior to its exercise (i) by filing with the Secretary of the Company either an instrument revoking the proxy or a duly executed proxy bearing a later date or (ii) by attending the Annual Meeting and voting in person. Attendance at the Annual Meeting by itself will not revoke a proxy. Shares of Common Stock represented by a properly executed and returned proxy will be treated as present at the Annual Meeting for purposes of determining a quorum without regard to whether the proxy is marked as casting a vote for or against or abstaining with respect to a particular matter. In addition, shares of Common Stock represented by broker non-votes (i.e., shares of Common Stock held in record name by brokers or nominees as to which (i) instructions have not been received from the beneficial owners or persons entitled to vote, (ii) the broker or nominee does not have discretionary voting power or (iii) the record holder has indicated that it does not have authority to vote such shares on the matter) generally will be treated as present for the purposes of determining a quorum. The affirmative vote of the holders of a majority of the outstanding shares of Common Stock of the Company present in person or represented by proxy at the Annual Meeting and entitled to vote thereon is required for the election of the nominees to the Board of Directors. With respect to this matter, an abstention will have the same effect as a negative vote, but because shares held by brokers will not be considered entitled to vote on matters as to which brokers would hold authority, a broker non-vote will have no effect on the vote.

ELECTION OF DIRECTORS

The Bylaws of the Company provide that the Board of Directors shall be divided into three classes as nearly equal in number as possible. The term of each director is three years and the terms are staggered to provide for the election of one class of directors each year. A total of three Directors will be elected at the Annual Meeting. The Nominees have been nominated by the Board of Directors for election to serve three-year terms: Jack E. Brunson, Jack R. Brunson and Walter Wilkerson. All of the Nominees are currently serving as Directors of the Company.

Edgar Filing: NATIONAL SECURITY GROUP INC - Form DEF 14A

The persons named in the enclosed proxy intend to vote **FOR** the election of the Nominees unless the proxy is marked to indicate that such authorization is expressly withheld. Should any of the Nominees be unable to accept nomination or election (which the Board of Directors does not expect) or should any other vacancy have occurred in the Board, it is the intention of the persons named in the enclosed proxy to vote for the election of the person or persons whom the Board of Directors recommends.

The following tables set forth the names and certain information concerning the Nominees and each other Director who will continue to serve (the Continuing Directors) as a Director of the Company after the Annual Meeting:

Compensation Committee. The Compensation Committee, whose members have been appointed annually by the Board of Directors, is currently composed of James B. Saxon, Paul Wesch and L. Brunson White. The audit committee of The National Security Group, Inc is composed of four independent directors (pursuant to the applicable definition of independence of the NASD) and operates under a written charter adopted by the Board of Directors (Exhibit A). The committee recommends to the Board of Directors, subject to stockholder ratification, the selection of the Corporation's independent accountants.

In this context, the committee has met and held discussions with management and the independent accountants. Based upon the Committee's discussion with management and the independent accountants and the Committee's review of the representation of management and report of the independent accountants to the Committee, the Committee recommended that the Board of Directors include the audited consolidated financial statements in the Corporation's Annual Report on Form 10-K for the year ended December 31, 2002 filed with the Securities and Exchange Commission.

If a Director elects to defer the fees; such deferred amounts are treated as if they had been invested in shares of the Company's common stock. INDEPENDENT ACCOUNTANTS

The Audit Committee of the Board of Directors has selected Barfield, Murphy, Shank & Smith, PC as the Company's independent accountants for the fiscal year ending December 31, 2003 and has further directed that management submit the selection of independent accountants for ratification by the stockholders at the Annual Meeting. They have audited the Company's financial statements since 2000. Representatives of the firm are expected to be present at the Annual Meeting, will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Stockholder ratification of the selection of Barfield, Murphy, Shank & Smith, PC, as the Company's independent accountants is not required by the Company's Bylaws or otherwise. However, the Board is submitting the selection of Barfield, Murphy, Shank & Smith, PC to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee in their discretion may direct the appointment of a different independent accounting firm at any time during the year if they determine that such a change would be in the best interests of the Company and its stockholders.

The affirmative vote of a majority of the votes cast at the Annual Meeting at which a quorum representing a majority of all outstanding shares of Common Stock of the Company is present and voting, either in person or by proxy, is required for approval of this proposal. Abstentions and broker non-votes will each be counted as present for purposes of determining the presence of a quorum but will not have any effect on the outcome of the proposal.

DISCLOSURE OF AUDIT FEES

The following is a description of the fees billed to The National Security Group, Inc. by Barfield, Murphy, Shank & Smith during the year ended December 31, 2002:

Audit Fees: Audit fees paid by The Company to Barfield, Murphy, Shank, and Smith, PC in connection with the review and audit of The Company's annual financial statements for the year ended December 31, 2002 and the review of The Company's interim financial statements included in Quarterly Reports on Form 10-Q during the year ended December 31, 2002 totaled approximately \$69,980

Financial Information Systems Design and Implementation Fees: None

All Other Fees: The only other fees billed to The Corporation by Barfield, Murphy, Shank & Smith, PC during the year ended December 31, 2002 were for tax related services and totaled approximately \$10,000. The audit committee does not consider the tax related fees of \$10,000.00 to impair the auditor's independence.

REPORT OF COMPENSATION COMMITTEE

The Compensation Committee has oversight of the compensation paid to officers and employees of the Company and its subsidiaries, whether by salary or under the Company's bonus plan. This Committee also is responsible for recommending officers to the Board of Directors for full consideration and recommending directors' fees. The committee members receive director fees as described in this Proxy Statement and do not receive any other compensation from the Company. During 2002, the Committee held two meetings. The Committee, currently comprised of James B. Saxon, Paul C. Wesch, and L. Brunson White, all of whom are outside directors of the Company, has provided the following report:

It is the policy of the Compensation Committee to establish base salaries and award bonuses to executive officers as well as establish the total annual corporate compensation. This policy should be designed to attract, motivate, and retain talented executives responsible for the success of the Company. The compensation program should be developed and implemented within a competitive framework and should take into account the achievement of overall financial results and individual contributions.

The Committee establishes the base salary for the Chief Executive Officer and approves the base salaries for other executive management. The Committee also reviews and approves management's request for total corporate compensation on an annual basis. In setting compensation levels, the Committee and management reviewed independent insurance industry surveys in which the Company participates, other published regional surveys, and informal surveys of surrounding business and industry. The Committee believes that base salaries should be competitive as determined by geographic region, salaries within insurance companies of similar size or lines of business, and the type skills that a position requires. It is an objective of the policy that base salaries should be kept on the low to medium range of the scale, with compensation supplemented by cash bonuses when financial results warrant. The bonus plan for management and supervisory level employees is based on profits and growth, and requires as a precondition that Company results for a given year reach a threshold level of return on shareholders' equity. The threshold is determined by the Compensation Committee and takes into consideration a number of factors including current financial markets and historic patterns of Company operations.

The Committee is aware of the provisions of the Internal Revenue Code which restrict deductibility of executive compensation and can confirm that compensation has been and will continue to be tax-deductible as no executive officer will earn in excess of the dollar limitations imposed by such applicable provisions.

Bonuses awarded in a given year are based on the previous year's results. Bonuses awarded in 2002 were based on results for 2001. With results for 2002 below the established threshold, no bonuses will be awarded in 2003.

Contributions to executive officers under the Company's 401(K) Retirement Plan are made on the same basis as are contributions to all other participants in the Plan.

The Committee continues to review the Company's Compensation Policy in an effort to ensure that it continues to accomplish the intended objectives. While the Company has not and does not currently integrate long-term incentives in its structure, certain forms of long-term incentives are being considered and may be implemented in the future to continue to provide appropriate incentives for management to maximize the Company's long-term financial results for the benefit of the stockholders. The Committee believes that the Company's salary and incentive compensation programs are competitive and appropriate for National Security. James B. Saxon, Paul C. Wesch, L. Brunson White.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The Compensation Committee of the Board of Directors is currently comprised of James B. Saxon, L. Brunson White and Paul Wesch, all of whom are outside directors. The Committee members receive director fees as described in this Proxy Statement and do not receive any other compensation from the Company. During 2002, Mr. Saxon's Director compensation was \$7,000, Mr. L. Brunson White's Director compensation was \$6,010, and Mr. Wesch's Director compensation was \$6,010.

All full time employees who have completed 1,000 hours of service on either January 1, April 1, July 1 or October 1 are eligible to participate. EXHIBIT A

National Security Group, Inc. Board of Directors Audit Committee Charter

Organization

The audit committee shall be comprised of four independent directors. One committee appointment is permanent (Mr. Walter P. Wilkerson, CPA). The remaining three members serve a three-year staggered term. A replacement independent director is elected to committee membership at each spring meeting of the board of directors. The members of the committee will meet the independence and experience requirements of NASDAQ.

Statement of Policy

The audit committee shall provide assistance to the corporate directors in fulfilling their responsibility to the shareholders, potential shareholders, and investment community relating to corporate accounting, reporting practices of the corporation, and the quality and integrity of the financial reports of the corporation. In so doing, it is the responsibility of the audit committee to maintain free and open means of communication between the directors, the independent auditors and the financial management of the corporation. However, it is not the duty of the Audit Committee to determine that the company's financial statements are complete and accurate and are in accordance with GAAP. That is the responsibility of management and the independent auditors.

Responsibilities

In carrying out its responsibilities, the audit committee believes its policies and procedures should remain flexible, in order to best react to changing conditions and to ensure to the directors and shareholders that the corporate accounting and reporting practices of the corporation are in accordance with all requirements and are of the highest quality.

In carrying out these responsibilities, the audit committee will:

- o Confirm and assure the independence of the independent auditors.
- o Review and recommend to the directors the independent auditors to be selected to audit the financial statements of the corporation and its division and subsidiaries, approve compensation of the independent auditors, and approve termination of the independent auditors.
- o Meet with the independent auditors and financial management of the corporation to review the scope of the proposed audit for the current year and the audit procedures to be utilized, and at the conclusion thereof review such audit, including any comments of recommendations of the independent auditors.
