**Item 1.01 Entry into a Material Definitive Agreement.**

On July 30, 2010, Industrial Services of America, Inc. (the "Company") entered into a Credit Agreement (the "Credit Agreement") with Fifth Third Bank (the "Bank") pursuant to which the Bank agreed to provide the Company a revolving credit facility in the amount of \$40,000,000 for the purpose of replacing the Company's existing \$20,000,000 senior revolving credit facility with Branch Banking and Trust Company ("BB&T") and for payment of the \$5,000,000 note payable to BB&T (collectively, the "Prior Obligations"). Proceeds of the new revolving credit facility in the amount of \$33,355,003 were used to repay the outstanding principal balance of the Prior Obligations. In addition, the Company entered into a term loan agreement with the Bank in the amount of \$8,800,000 for the purpose of replacing the \$6,000,000 note payable secured by the Company's shredder system, the \$3,000,000 note payable secured by the Company's rental fleet equipment, and the \$609,900 note payable secured by certain other equipment by the Company.

With respect to the revolving credit facility, the interest rate is one month LIBOR plus two hundred fifty basis points (2.50%) per annum, adjusted monthly on the first day of each month. The revolving credit facility expires on July 31, 2013. Under the revolving credit facility, the Company is permitted to borrow the lesser of \$40,000,000 or the borrowing base, consisting of the sum of 80% of eligible accounts plus 60% of eligible inventory up to \$15,000,000. Eligible accounts are generally those receivables that are less than 90 days from the invoice date. As security for the revolving credit facility, the Company provided the Bank a first priority security interest in the accounts receivable from most of its customers and in its inventory. The Company also cross collateralized the revolving line of credit with the \$8,800,000 term loan.

The \$8,800,000 term loan provides for an interest rate that is the same as the interest rate for the revolving credit facility. Principal and interest is payable monthly in consecutive equal installments of \$105,000, with the first such

payment commencing September 1, 2010 and the final payment of the then-unpaid balance due and payable in full on July 31, 2013. In addition, beginning April 30, 2011 (or, if earlier, upon completion of the Company's financial statements for the fiscal year ending December 31, 2010), the Company will make an annual payment equal to 25% of (i) the Company's adjusted earnings before interest, taxes, depreciation and amortization ("EBITDA"), minus (ii) the Company's aggregate cash payments of interest expense and scheduled payments of principal (including any prepayments of the term loan), minus (iii) any non-financed capital expenditures, in each case for the Company's prior fiscal year. Any such payments will be applied to remaining installments of principal under the term loan in the inverse order of maturity, and to accrued but unpaid interest thereon. As security for the term loan, the Company provided the Bank a first priority security interest in all equipment other than the rental fleet that the Company owns.

In addition, the Company provided a first mortgage on the property at the following locations: 3409 Campground Road, 6709, 7023, 7025, 7101, 7103, 7110, 7124, 7200 and 7210 Grade Lane, Louisville Kentucky, 1565 East Fourth Street, Seymour, Indiana and 1617 State Road 111, New Albany, Indiana. The Company also cross collateralized the term loan with the revolving credit facility and all other existing debt the Company owes to the Bank.

In the Loan Agreement, the Company agreed to certain covenants, including (i) maintenance of a ratio of debt to adjusted EBITDA for the preceding 12 months of not more than 3.5 to 1 (or, if measured as of December 31 of any fiscal year, 4.0 to 1), (ii) maintenance of a ratio of adjusted EBITDA for the preceding twelve months to aggregate cash payments of interest expense and scheduled payment of principal in the preceding 12 months of not less than 1.20 to 1, and (iii) a limitation on capital expenditures of \$4,000,000 in any fiscal year.
