See Item 2.02.

Item 8.01

Other Events.

Within the next several weeks, Kohl's intends to enter into an agreement to repurchase \$1.0 billion of its common stock on an accelerated basis. These shares would be purchased under the \$2.5 billion share repurchase program announced in September 2007, pursuant to which \$1.9 billion of authorization remains. Kohl's entry into this repurchase agreement is contingent on, among other things, market conditions and on Kohl's not possessing material non-public information on the commencement date.

Cautionary Statement Regarding Forward-Looking Information

Kohl's intends forward-looking terminology such as believes, expects, may, will, should, anticipate

plans, or similar expressions to identify forward-looking statements. Such statements are subject to certain risks and uncertainties, which could cause Kohl's actual results to differ materially from those anticipated by the forward-looking statements. These risks and uncertainties include, but are not limited to those described on Exhibit 99.1 to Kohl's annual report on Form 10-K, which is expressly incorporated herein by reference, and other factors as may periodically be described in Kohl's filings with the SEC.
