PROXY STATEMENT

This proxy statement is furnished in connection with the solicitation by the Board of Directors of Programmer's Paradise, Inc. (the "Company") of proxies to be voted at the Annual Meeting of Stockholders ("the Meeting") to be held at the corporate headquarters, 1157 Shrewsbury Ave, Shrewsbury, New Jersey, on June 14, 2006 at 10:00 AM, local time, and at any adjournments or postponements thereof, for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders. Any stockholder giving such a proxy may revoke it at any time before it is exercised by written notice to the Corporate Secretary of the Company at the above-stated address or by giving a later dated proxy. Attendance at the Meeting will not have the effect of revoking the proxy unless such written notice is given, or unless the stockholder votes by ballot at the Meeting.

The approximate date on which this proxy statement and the accompanying form of proxy will first be sent or given to the Company's stockholders is April 28, 2006.

VOTING SECURITIES

Only holders of shares of the Company's Common Stock, \$.01 par value per share ("Common Stock"), of record at the close of business on April 25, 2006 are entitled to vote at the Meeting. On April 25, 2006 (the "Record Date"), 4,143,262 shares of Common Stock were issued and outstanding. In addition, on that date, 1,138,738 shares were held in Treasury by the Company and deemed issued but not outstanding. Each outstanding share of Common Stock is entitled to one vote upon all matters to be acted upon at the Meeting. A majority in interest of the outstanding Common Stock represented at the Meeting in person or by proxy shall constitute a quorum. The affirmative vote of a plurality of the shares present in person or represented by proxy at the Meeting and entitled to vote is necessary to elect the nominees for election as Directors. Accordingly, shares not voted in the election of Directors (including shares covered by a proxy as to which authority is withheld to vote for all nominees) and shares not voted for any particular nominee (including shares covered by a proxy as to which authority is withheld to vote for only one or less than all of the identified nominees) will not prevent the election of any of the nominees for Director. For all other matters submitted to stockholders at the Meeting, if a quorum is present, the affirmative vote of a majority of the shares represented at the Meeting and entitled to vote is required for approval. As a result, abstention votes will have the effect of a vote against such matters. Abstentions and broker non-votes are counted for purposes of determining the presence or absence of a quorum for the transaction of business. Broker non-votes are not counted for any purpose in determining whether a matter has been approved.

If the enclosed proxy is properly executed and returned, the Common Stock represented thereby will be voted in accordance with the instructions thereon. If no instructions are indicated, the Common Stock represented thereby will be voted FOR the election of each of the nominees set forth under the caption "Election of Directors", FOR the amendment to the Company's Amended and Restated Certificate of Incorporation, FOR the approval of the 2006 Stock Incentive Plan and FOR the ratification of the Company's independent public accountants, and in the discretion of the persons named in the proxies as proxy appointees as to any

Edgar Filing: PROGRAMMERS PARADISE INC - Form DEF 14A

other matter that may properly come before the Meeting.

Your vote is important. Accordingly, you are urged to fill in, sign, date and return the accompanying proxy card whether or not you plan to attend the Meeting. If you do attend, you may vote by ballot at the Meeting, thereby canceling any proxy previously given.

2

In accordance with the General Corporation Law of the State of Delaware and our certificate of incorporation and bylaws, our business, property and affairs are managed under the direction of the Board of Directors. Although our non-employee Directors are not involved in our day-to-day operating details, they are kept informed of our business through written reports and documents provided to them regularly, as well as by operating, financial and other reports presented by our officers at meetings of the Board of Directors and committees of the Board of Directors.

Meetings of the Board of Directors

Stockholders may communicate with a member or members of the Board of Directors by addressing their correspondence to the Board member or members c/o the Corporate Secretary, Programmer's Paradise, Inc., 1157 Shrewsbury Avenue, Shrewsbury, NJ 07702. Our Corporate Secretary has the authority to discard or disregard any inappropriate communications or to take other appropriate actions with respect to any such inappropriate communications.

Director Nominations

The Nominating and Governance Committee will consider recommendations for directorships submitted by our stockholders. Stockholders who wish the Nominating and Governance Committee to consider their recommendations for nominees for the position of Director should submit their recommendations, in accordance with the procedures set forth below, in writing to: Corporate Secretary, Programmer's Paradise, Inc., 1157 Shrewsbury Avenue, Shrewsbury, NJ 07702. In order to be considered for inclusion in the proxy statement and form of proxy for the annual meeting of stockholders to be held in 2007, the stockholder's notice must be received by our Company not less than 120 days nor more than 150 days before the first anniversary of the date of this proxy statement.

For nominations, such stockholder's notice shall set forth: (i) as to each person whom the stockholder proposes to nominate for election as a Director, (A) the name, age, business address and residential address of such person, (B) the principal occupation or employment of such person, (C) the class and number of shares of stock of our Company that are beneficially owned by such person, (D) any other information relating to such person that is required to be disclosed in solicitations of proxies for election of Directors or is otherwise required by the rules and regulations of the SEC promulgated under the Securities Exchange Act of 1934, as amended (the "Exchange Act") and (E) the written consent of the nominee to be named in the proxy statement as a nominee and to serve as a Director if elected and (ii) as to the stockholder giving the notice, (A) the name, and business address and residential address, as they appear on our stock transfer books, of the nominating stockholder, (B) a representation that the nominating stockholder is a stockholder of record and intends to appear in person or by proxy at the meeting to nominate the person or persons specified in the notice, (C) the class and number of shares of stock of our Company beneficially owned by the nominating stockholder and (D) a description of all arrangements or understandings between the nominating stockholder and each nominee and any other person or persons (naming such person or persons) pursuant to which the nomination or nominations are to be made by the nominating stockholder.

In its assessment of each potential candidate, the Nominating and Governance committee will review the nominee's professional ethics, integrity and values, judgment, experience, independence, commitment to representing the long-term interests of the stockholders, understanding of our Company's or other related industries and such other factors the Nominating and Governance Committee determines are pertinent in light of the current needs of the Board of Directors. The Nominating and Governance Committee seeks to identify candidates representing diverse experiences at policy-making levels in business, management, marketing, finance, human resources, communications and in other areas that are relevant to our activities. The Nominating and Governance Committee will also take into account the ability of a Director to devote the time and effort necessary to fulfill his or her responsibilities to our Company. After full consideration, the stockholder proponent will be notified of the decision of the Nominating and Governance Committee.

Nominees may also be recommended by Directors, members of management, or, in some cases, by a third party firm. In identifying and considering candidates for nomination to the Board, the Nominating and Governance Committee considers, in addition to the requirements described above and set out in its charter, quality of experience, our needs and the range of knowledge, experience and diversity represented on the Board. Each Director candidate will be evaluated by the Nominating and Governance Committee based on the same criteria and in the same manner, regardless of whether the candidate was recommended by a company stockholder or by others. The Nominating and Governance Committee will conduct

Edgar Filing: PROGRAMMERS PARADISE INC - Form DEF 14A

the appropriate and necessary inquiries with respect to the backgrounds and qualifications of all Director nominees. The Nominating and Governance Committee will also review the independence of each candidate and other qualifications of all Director candidates, as well as consider questions of possible conflicts of interest between Director nominees and our Company. After the nominating and governance committee has completed its review of a nominee's qualifications and conducted the appropriate inquiries, the Nominating and Governance Committee will make a determination whether to recommend the nominee for approval by the Board of Directors. If the Nominating and Governance Committee decides to recommend the director nominee

6

for nomination by the Board of Directors and such recommendation is accepted by the Board, the form of our proxy solicited will include the name of the director nominee.

PROPOSAL 2

TO APPROVE AN AMENDMENT TO THE COMPANY'S AMENDED AND RESTATED CERTIFICATE OF INCORPORATION TO CHANGE OUR CORPORATE NAME TO WAYSIDE TECHNOLOGY GROUP, INC.

The Board of Directors has determined that it is advisable to change the name of the Company from Programmer's Paradise, Inc. to Wayside Technology Group, Inc. and has voted to recommend that the stockholders adopt an amendment to our amended and restated certificate of incorporation effecting the proposed name change.

We have expanded our service offerings beyond the niche of serving programmers. This change in our company name signals to the market our identity as a unified and integrated technology company. The name Wayside Technology Group, Inc. will provide our subsidiaries with a flexible corporate structure and gives us the flexibility to build on our strong brands and start new divisions focused on consultancy and additional services. We have started to report our financial information per segment and this new corporate structure is a logical step towards an expanding technology company.

Our customers from our operating subsidiaries Lifeboat Distribution and Programmers Paradise will not see any change in the name of our powerful brands - Lifeboat Distribution and Programmer's Paradise. We have no intentions to sunset any of our brands.

Having a stronger, clearer identity will enhance our competitive advantage. It will offer clarity and simplicity in the marketplace. While the Programmer's Paradise brand has strong brand recognition, Wayside Technology Group provides the structure many software vendors, customers, key upstream partners and stockholders would like to see.

8

Upon approval we will change our stock ticker symbol to "WSTG". Since this will only affect our corporate name we believe that this name change can be cost-effectively implemented in a timely manner.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE "FOR" THE PROPOSAL TO CHANGE OUR CORPORATE NAME.

PROPOSAL 3

APPROVAL OF THE 2006 STOCK INCENTIVE PLAN

The board of directors adopted the 2006 Stock Incentive Plan (the "2006 Plan") on April 12, 2006 subject to stockholder approval at the 2006 Annual meeting. The board believes that it is in the best interests of the Company to adopt the 2006 Plan so that the Company can continue to attract and retain services of those persons essential to the Company's growth and financial success.

The following is a summary of the principal features of the 2006 plan. The summary does not purport to be a complete description of all the provisions of the 2006 Plan and is qualified by its entirety by reference to the 2006 Plan document, a copy of which has been filed with the Securities and Exchange

Edgar Filing: PROGRAMMERS PARADISE INC - Form DEF 14A

Commission and as Exhibit A to this proxy statement. Capitalized terms not otherwise defined in this summary have the meanings given to them in the 2006 Plan. Any stockholder of the Company who wishes to obtain a copy of the actual 2006 Plan may do so upon written request to the Corporate Secretary at the Company's principal executive offices in Shrewsbury, New Jersey.

General. The 2006 Plan will authorize the grant of Stock Units, Options, Stock Appreciation Rights, Restricted Stock, Deferred Stock, Stock Bonuses, and other equity-based awards (collectively, "Awards"). Options granted under the 2006 Plan may be either "incentive stock options" as defined in section 422 of the Internal Revenue Code of 1986, as amended (the "Code"), or nonqualified stock options, as determined by the Compensation Committee of our Board (the "Committee").

Number of Shares Authorized. The number of shares of Common Stock initially available for award under the 2006 Plan is 800,000 shares. If any Award is forfeited, or if any Option terminates, expires or lapses without being exercised, shares of Common Stock subject to such Award will again be available for future grant. In addition, any shares under the 2006 Plan that are used to satisfy award obligations under the plan of another entity that is acquired by the Company will not count against the remaining number of shares available. Finally, if there is any change in the Company's corporate capitalization, the Committee in its sole discretion may cancel and make substitutions of Awards or may adjust the number of shares available for award under the 2006 Plan, the number and kind of shares covered by Awards then outstanding under the 2006 Plan and the exercise price of outstanding Options and Stock Appreciation Rights.

Administration. The Committee will administer the 2006 Plan. Subject to the other provisions of the 2006 Plan, the Committee has the authority to:

- o interpret the 2006 Plan;
- o establish and amend rules and regulations relating to the 2006 Plan;
- o select the participants and determine the type of Awards to be made to participants, the number of shares subject to Awards and the terms, conditions, restrictions and limitations of Awards; provided, however, that the Company's Nominating and Corporate Governance Committee shall recommend to the Board, and the Board, not the Committee, shall have the sole and absolute authority to grant Awards to non-employee directors; and
- o make all other determinations it deems necessary or advisable for the administration of the 2006 Plan.

Eligibility. The 2006 Plan provides that Awards may be granted to employees, non-employee directors and

9

consultants of the Company or its subsidiaries. Incentive stock options may be granted only to employees. The maximum number of shares that may be awarded to a participant in the form of Options or SARs, any calendar year shall not exceed 300,000 in the aggregate. The maximum payment to an individual based on the achievement of performance goals applicable to Awards of Deferred Stock, Restricted Stock, Stock Bonuses and/or Stock Units may not exceed \$1,500,000 for any performance period.

Each Award granted under the 2006 Plan will be evidenced by a written award

Edgar Filing: PROGRAMMERS PARADISE INC - Form DEF 14A

agreement between the participant and the Company, which will describe the Award and state the terms and conditions applicable to such Award. The principal terms and conditions of each particular type of Award are described below.

Performance Goals

The Award agreements may provide for vesting or earning the Award based on achievement of performance goals. Performance goals may be established on a Company-wide basis; with respect to one or more subsidiary corporations, business units, divisions, department, or functions, and in either absolute terms or relative to the performance of one or more comparable companies or an index covering multiple companies. Performance goals, the number of shares or units to which they pertain, the time and manner of payment of the Award shall be specified in the Award agreement.

Except in the case of Awards intended to meet the requirements of Section 162(m) of the Code applicable to qualified performance-based compensation ("Qualified Performance-Based Awards"), the Committee may modify performance goals in whole or in part, during the performance period, as it deems appropriate and equitable. In the case of Qualified Performance-Based Awards, the applicable performance goals are limited to one or more of the following:

- o the price of Common Stock;
- o the market share of the Company and any subsidiary (or any business unit thereof);
- o sales by the Company or any subsidiary (or any business unit thereof);
- o earnings per share of Common Stock;
- o return on stockholder equity of the Company;
- o costs of the Company or any subsidiary (or any business unit thereof);
- o cash flow of the Company (or any business unit thereof);
- o return on total assets of the Company or any subsidiary (or any business unit thereof);
- o return on invested capital of the Company or any subsidiary (or any business unit thereof);
- o return on net assets of the Company or any subsidiary (or any business unit thereof);
- o operating income of the Company or any subsidiary (or any business unit thereof); and
- o net income of the Company or any subsidiary (or any business unit thereof).

Stock Units and Stock Bonuses

Awards of Stock Units may be made under the 2006 Plan. A Stock Unit is a book-entry unit with a value equal to one share of Common Stock. A grant of Stock Units will vest and become payable to the participant upon termination of employment or other service or upon other future events, including the achievement during a specified performance period of performance goals established by the Committee. Payment of Stock Units shall be made in cash equal to the fair market value of the shares of Common Stock to which the Award relates multiplied by the number of Stock Units granted.

Edgar Filing: PROGRAMMERS PARADISE INC - Form DEF 14A

Stock Bonuses may be granted to participants entitling them to payment of a specified number of shares of Common Stock, which shares may (but need not) be payable at a future date and subject to such conditions as the Committee shall determine appropriate, including achievement of performance goals specified at the time of grant.

Options

An Option is the right to purchase shares of Common Stock for a specified period of time at a fixed price (the

10

"exercise price"). As of April 12, 2006, the closing price per share for our Common Stock was \$12.75. Each Option agreement will specify the exercise price, the type of Option, the term of the Option, the date when the Option will become exercisable and any applicable performance goals. Incentive stock options may only be granted to employees, shall only be transferable by will or under the laws of descent and distribution, and, during the participant's lifetime, may only be exercised by the participant. No Award of incentive stock options may permit the fair market value of any such Options becoming first exercisable in any calendar year to exceed \$100,000.

Exercise Price. The Committee will determine the exercise price of an Option at the time the Option is granted. The exercise price under an incentive stock option or non-qualified stock option will not be less than 100% of the fair market value of Common Stock on the date the Option is granted. However, any optionee who owns more than 10% of the combined voting power of all classes of the Company's outstanding Common Stock (a "10% Stockholder") will not be eligible for the grant of an incentive stock option unless the exercise price of the incentive stock option is at least 110% of the fair market value of the Common Stock on the date of grant.

Consideration. The means of payment for shares issued upon exercise of an Option will be specified in each Option agreement and generally may be made by the participant in cash, in a cash payment through a broker or bank from the proceeds of the sale of the shares purchased through the exercise of the Option (a "cashless exercise"), with the Committee's consent, in whole or in part with shares of Common Stock owned by the participant for at least six months, or a combination of the foregoing methods. The Committee may also permit a non-qualified Option to be exercised with Restricted Stock that has not yet vested, in which case the shares received upon exercise of the Option will, unless otherwise determined by the Committee, be subject to the same restrictions as the Restricted Stock.

Term of the Option. The term of an Option granted under the 2006 Plan will be no longer than ten years from the date of grant. In the case of an Option granted to a 10% Stockholder, the term of an incentive stock option will be for no more than five years from the date of grant.

Stock Appreciation Rights

A stock appreciation right ("SAR") entitles the recipient to receive, upon exercise of the SAR, the increase in the fair market value of a specified number of shares of Common Stock from the date of the grant of the SAR to the date of exercise, payable in cash, shares of Common Stock, shares of Deferred Stock, shares of Restricted Stock or any combination thereof. An SAR may be granted in tandem with an Option or separately (a "free-standing SAR"). The Committee shall set the exercise price of an SAR which shall not be less than the Fair Market

Edgar Filing: PROGRAMMERS PARADISE INC - Form DEF 14A

Value of the underlying Common Stock on the date of the grant. Any grant may specify a waiting period or periods before the SAR may become exercisable and permissible dates or periods on or during which the SAR shall be exercisable. No SAR may be exercised more than ten years from the grant date.

Restricted and Deferred Shares

An Award of Restricted Stock is a grant to the recipient of a specified number of shares of Common Stock which are subject to forfeiture upon specified events during the restriction period. Each grant of Restricted Stock will specify the length of the restriction period and will include restrictions on transfer to third parties during the restriction period.

An Award of Deferred Stock is an agreement by the Company to deliver to the recipient a specified number of shares of Common Stock at the end of a specified deferral period, subject to the fulfillment of any conditions specified by the Committee.

General Provisions

Vesting. Each grant of Stock Units and Stock Bonuses shall specify the conditions, including performance goals, if applicable, that must be satisfied in order for payment to be made. Each grant of Options or SARs shall specify the length of service and/or any applicable performance goals that must be achieved before it becomes exercisable. Each

11

grant of Restricted Stock shall specify the duration of the restriction period and any other conditions that under which the Restricted Stock would be forfeitable to the Company, including any applicable performance goals. Each grant of Deferred Stock shall specify the deferral period and any other conditions to which future delivery of shares to the recipient is subject, including any applicable performance goals. Each grant may provide for the early exercise rights or termination of a restriction or deferral period in the event of a Change in Control or similar transaction or event.

Dividends/Ownership Rights. Unless otherwise provided by the Committee, an Award of Bonus Stock or Restricted Stock entitles the participant to dividend, voting and other ownership rights during the restriction period. An Award of Deferred Stock does not entitle the participant to any transfer, voting or any other ownership rights with respect to the Deferred Shares. Any grant of Deferred Stock may provide for the payment of dividend equivalents in cash or additional shares.

Nontransferability of Awards. In general, during a participant's lifetime, his or her Awards shall be exercisable only by the participant and shall not be transferable other than by will or laws of descent and distribution. However, the Committee may provide for limited lifetime transfers of Awards, other than incentive stock options, to certain family members. In addition, an Award grant may provide for additional transfer restrictions on vested shares received upon exercise, delivery, or payment of an Award, including restrictions relating to minimum share ownership requirements applicable to any participant.

Termination of Employment, Consulting Services, or Other Services. The Committee may take actions which it believes equitable under the circumstances or in the best interests of the Company with respect to Awards that are not fully vested in the event of termination of employment or service by reason of death, disability, normal retirement, early retirement with the consent of the Committee, other termination or a leave of absence that is approved by the

Edgar Filing: PROGRAMMERS PARADISE INC - Form DEF 14A

Committee, or in the event of hardship or other special circumstances that are approved by the Committee. Unless otherwise determined by the Committee, upon a participant's termination for Cause, all outstanding Options or SARs shall expire and all shares of Restricted Stock still subject to a restriction period and Deferred Stock still subject to a deferral period shall be forfeited.

Award Deferrals. An Award Agreement may provide for the deferral of any Award, dividend or dividend equivalent until a specified time and under such terms as established by the Committee.

Change in Control

Unless otherwise determined by the Committee, in the event of a Change in Control (as defined in the 2006 Plan), all Awards that have not vested or been cancelled or forfeited shall become fully vested and exercisable immediately upon such event, provided the Award has not been forfeited and the participant has remained employed by, or otherwise in the service of, the Company at the date of such event. Alternatively, the Committee may cancel and cash out outstanding Awards or arrange for the substitution of outstanding Awards with new awards of equal value. If a Change of Control occurs during one or more performance periods for which the Committee has not yet made a determination as to whether the applicable performance objectives were met, the performance period shall immediately terminate and it shall be assumed that the applicable performance objectives have been attained at a level of one hundred percent (100%). A participant shall be considered to have earned, and therefore be entitled to receive, payment of a prorated portion of the performance Awards that he or she would have received for the whole performance period, based on the portion of the performance period completed before the Change in Control. In addition, any Award deferred by a participant may be payable in connection with such Change in Control.

Effective Date, Amendments, and Termination of the 2006 Plan. The 2006 Plan will be effective upon its approval by Company stockholders. The Board of Directors has the authority to amend or terminate the 2006 Plan at any time; provided, however, that stockholder approval is required for any amendment which (i) materially increases the number of shares available for Awards under the 2006 Plan (other than to reflect a change in the Company's capital structure), (ii) materially increases the maximum number of shares allowed for grants to any participant, (iii) materially changes the class of persons eligible to receive grants of Awards or the types of Awards available under the 2006 Plan, (iv)

12

materially increases the benefits to participants under the 2006 Plan, or (v) as otherwise required by applicable law or the NASDAQ rules. Further, no Award may be repriced, replaced, regranted through cancellation, or modified without stockholder approval. Finally, the 2006 Plan will terminate automatically ten years after it is approved by stockholders.

Certain Federal Income Tax Considerations

The following discussion is a summary of certain federal income tax considerations that may be relevant to participants in the 2006 Plan. The discussion is for general informational purposes only and does not purport to address specific federal income tax considerations that may apply to a participant based on his or her particular circumstances, nor does it address state or local income tax or other tax considerations that may be relevant to a participant.

Stock Units and Stock Bonuses

Edgar Filing: PROGRAMMERS PARADISE INC - Form DEF 14A

A participant realizes no taxable income and the Company is not entitled to a deduction when Stock Units or Stock Bonuses payable in the future and subject to conditions such as the achievement of performance goals (a "Conditional Stock Bonus") are awarded. Stock Bonuses not subject to future conditions constitute taxable income to the participant when granted and the Company is entitled to a corresponding deduction. When the Stock Units or Conditional Stock Bonuses vest and become payable as a result of the satisfaction of the terms and conditions on such Award, including, if applicable, achievement of performance goals, the participant will realize ordinary income equal to the amount of cash received or the fair market value of the shares received minus any amount paid for the shares, and, subject to Section 162(m) of the Code, the Company will be entitled to a corresponding deduction.

A participant's tax basis in shares of Common Stock received upon payment will be equal to the fair market value of such shares when the participant receives them. Upon a sale of the shares, the participant will realize short-term or long-term capital gain or loss, depending upon whether the shares have been held for more than one year at the time of sale. Such gain or loss will be equal to the difference between the amount realized upon the sale of the shares and the tax basis of the shares in the participant's hands.

Deferred Stock

A participant realizes no taxable income and the Company is not entitled to a deduction when Deferred Stock is awarded. When the deferral period for the Award ends and the participant receives shares of Common Stock, the participant will realize ordinary income equal to the fair market value of the shares at that time, and, subject to Section 162(m) of the Code, the Company will be entitled to a corresponding deduction. A participant's tax basis in shares of Common Stock received at the end of a deferral period will be equal to the fair market value of such shares when the participant receives them. Upon sale of the shares, the participant will realize short-term or long-term capital gain or loss, depending upon whether the shares have been held for more than one year at the time of sale. Such gain or loss will be equal to the difference between the amount realized upon the sale of the shares and the tax basis of the shares in the participant's hands.

Restricted Stock

Restricted Stock received pursuant to Awards will be considered subject to a substantial risk of forfeiture for federal income tax purposes. If a participant who receives such Restricted Stock does not make the election described below, the participant realizes no taxable income upon the receipt of Restricted Stock and the Company is not entitled to a deduction at such time. When the forfeiture restrictions with respect to the Restricted Stock lapse, the participant will realize ordinary income equal to the fair market value of the shares at that time, and, subject to Section 162(m) of the Code, the Company will be entitled to a corresponding deduction. A participant's tax basis in Restricted Stock will be equal to their fair market value when the forfeiture restrictions lapse, and the participant's holding period for the shares will begin when the forfeiture restrictions lapse. Upon sale of the shares, the participant will realize short-term or long-term gain or loss, depending upon whether the shares have been held for more than one year at the time of

sale. Such gain or loss will be equal to the difference between the amount realized upon the sale of the shares and the tax basis of the shares in the participant's hands.

Edgar Filing: PROGRAMMERS PARADISE INC - Form DEF 14A

Participants receiving Restricted Stock may make an election under Section 83(b) of the Code with respect to the shares. By making a Section 83(b) election, the participant elects to realize compensation income with respect to the shares when the shares are received rather than at the time the forfeiture restrictions lapse. The amount of such compensation income will be equal to the fair market value of the shares when the participant receives them (valued without taking the restrictions into account), and the Company will be entitled to a corresponding deduction at that time. By making a Section 83(b) election, the participant will realize no additional compensation income with respect to the shares when the forfeiture restrictions lapse, and will instead recognize gain or loss with respect to the shares when they are sold. The participant's tax basis in the shares with respect to which a Section 83(b) election is made will be equal to their fair market value when received by the participant, and the participant's holding period for such shares begins at that time. If, however, the shares are subsequently forfeited to the Company, the participant will not be entitled to claim a loss with respect to the shares to the extent of the income realized by the participant upon the making of the Section 83(b) election. To make a Section 83(b) election, a participant must file an appropriate form of election with the Internal Revenue Service and with his or her employer, each within 30 days after shares of restricted stock are received, and the participant must also attach a copy of his or her election to his or her federal income tax return for the year in which the shares are received.

Generally, during the restriction period, dividends and distributions paid with respect to Restricted Stock will be treated as compensation income (not dividend income) received by the participant. Dividend payments received with respect to shares of restricted stock for which a Section 83(b) election has been made will be treated as dividend income, assuming the Company has adequate current or accumulated earnings and profits.

Non-Qualified Options

A participant realizes no taxable income and the Company is not entitled to a deduction when a non-qualified option is granted. Upon exercise of a non-qualified option, a participant will realize ordinary income equal to the excess of the fair market value of the shares received over the exercise price of the non-qualified option, and, subject to Section 162(m) of the Code, the Company will be entitled to a corresponding deduction. A participant's tax basis in the shares of Common Stock received upon exercise of a non-qualified option will be equal to the fair market value of such shares on the exercise date, and the participant's holding period for such shares will begin at that time. Upon sale of the shares of Common Stock received upon exercise of a non-qualified option, the participant will realize short-term or long-term capital gain or loss, depending upon whether the shares have been held for more than one year. The amount of such gain or loss will be equal to the difference between the amount realized in connection with the sale of the shares, and the participant's tax basis in such shares. Under the 2006 Plan, non-qualified options may, with the consent of the Committee, be exercised in whole or in part with shares of Common Stock or Restricted Stock held by the participant. Payment in Common Stock or Restricted Stock will be treated as a tax-free exchange of the shares surrendered for an equivalent number of shares of Common Stock received, and the equivalent number of shares received will have a tax basis equal to the tax basis of the surrendered shares. In the case of payment in Restricted Stock, however, the equivalent number of shares of Common Stock received shall be subject to the same risks of forfeiture or restrictions on transfer as those that applied to the Restricted Stock surrendered. The fair market value of shares of Common Stock received in excess of the number of shares surrendered will be treated as ordinary income and such shares have a tax basis equal to their fair market value on the date of the exercise of the non-qualified option.

Incentive Stock Options

Edgar Filing: PROGRAMMERS PARADISE INC - Form DEF 14A

A participant realizes no taxable income and the Company is not entitled to a deduction when an incentive stock option is granted or exercised. Provided the participant meets the applicable holding period requirements for the shares received upon exercise of an incentive stock option (two years from the date of grant and one year from the date of exercise), gain or loss realized by a participant upon sale of the shares received upon exercise will be long-term capital gain or loss, and the Company will not be entitled to a deduction. If, however, the participant disposes of

14

the shares before meeting the applicable holding period requirements (a "disqualifying disposition"), the participant will realize ordinary income at that time equal to the excess of the fair market value of the shares on the exercise date over the exercise price of the incentive stock option. Any amount realized upon a disqualifying disposition in excess of the fair market value of the shares on the exercise date of the incentive stock option will be treated as capital gain and will be treated as long-term capital gain if the shares have been held for more than one year. If the sales price is less than the sum of the exercise price of the incentive stock option and the amount included in ordinary income due to the disqualifying disposition, this amount will be treated as a short-term or long-term capital loss, depending upon whether the shares have been held for more than one year. Notwithstanding the above, individuals who are subject to Alternative Minimum Tax may recognize ordinary income upon exercise of an incentive stock option. Under the 2006 Plan, incentive stock options may, with the consent of the Committee, be exercised in whole or in part with shares of Common Stock held by the participant. Such an exercise will be treated as a tax-free exchange of the shares of Common Stock surrendered (assuming the surrender of the previously-owned shares does not constitute a disqualifying disposition of those shares) for an equivalent number of shares of Common Stock received, and the equivalent number of shares received will have a tax basis equal to the tax basis of the surrendered shares. Shares of Common Stock received in excess of the number of shares surrendered will have a tax basis of zero.

SARs

A participant realizes no taxable income and the Company is not entitled to a deduction when a SAR is granted. Upon exercising a SAR, a participant will realize ordinary income in an amount equal to the cash or the fair market value of the shares received minus any amount paid for the shares, and, subject to Section 162(m) of the Code, the Company will be entitled to a corresponding deduction. A participant's tax basis in the shares of Common Stock received upon exercise of a SAR will be equal to the fair market value of such shares on the exercise date, and the participant's holding period for such shares will begin at that time. Upon a sale of the shares of Common Stock received upon exercise of a SAR, the participant will realize short-term or long-term capital gain or loss, depending upon whether the shares have been held for more than one year. The amount of such gain or loss will be equal to the difference between the amount realized in connection with the sale of the shares, and the participant's tax basis in such shares.

Deferral Elections

Generally, Awards deferred by recipients are not taxable until the Awards are paid to the recipient. At that time, the amounts will be includible in income and the Company will be entitled to a deduction

Section 162(m) Limitations

Edgar Filing: PROGRAMMERS PARADISE INC - Form DEF 14A

Section 162(m) of the Code limits the deductibility of compensation paid to certain executive officers, unless the compensation is "performance-based compensation" and meets certain other requirements outlined in Code Section 162(m) and related regulations ("Qualified Performance-Based Awards"). If Awards to such persons are intended to qualify as Qualified Performance-Based Awards, the 2006 Plan requires that the maximum fair market value of any performance-based Award or Awards that may be granted to the recipient during any one performance period is \$1,000,000.

Withholding

The Company is entitled to deduct from the payment of any Award (whether made in stock or in cash) all applicable income and employment taxes required by federal, state, local or foreign law to be withheld, or may require the participant to pay such withholding taxes to the Company as a condition of receiving payment of the Award. The Committee may allow a participant to satisfy his or her withholding obligations by directing the Company to retain the number of shares necessary to satisfy the withholding obligation, or by delivering shares held by the participant to the Company in an amount necessary to satisfy the withholding obligation.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) under the Exchange Act requires the Company's officers and Directors and holders of more than ten percent of the Company's outstanding shares of Common Stock to file reports of ownership and changes in ownership with the Securities and Exchange Commission and to furnish the Company with copies of these reports. Based solely upon a review of such forms, or on written representations from certain reporting persons that no reports were required for such persons, the Company believes that during 2005 all required events of its officers, Directors and 10% stockholders required to be so reported, were timely filed.

EMPLOYEE BENEFIT PLANS

The Company provides all employees, including executive officers, with group medical, dental and disability insurance on a non-discriminatory basis. Employees are required to contribute 20% of the premium costs of such policies. The Company has a 401(k) savings and investment plan intended to qualify under Section 401(a) of the Code, for our domestic employees, which permits employee

Edgar Filing: PROGRAMMERS PARADISE INC - Form DEF 14A

salary reductions for tax-deferred savings purposes pursuant to Section 401(k) of the Code. The Company matches 50% of domestic employee contributions up to the first 6% of compensation. The Company's total contributions for 2005 were approximately \$121,000.

The Company maintains a performance bonus plan for our senior executives which provides for a bonus of up to 120% of the executive's base salary in the event certain performance targets, based upon revenue and operating profitability, are achieved and also provides for additional incentive bonuses based upon pre-established metrics (the "Performance Bonus Plan"). The Performance Bonus Plan also provides for an increase in the available bonus pool for performance in excess of a specified net income after tax performance target (the "over target bonus"). Subject to approval by its Board of Directors, the Company anticipates that a similar type of bonus plan will continue in effect for 2006 and subsequent fiscal years and that bonuses under this plan in the 2006 fiscal year and thereafter will be based on the Company meeting or exceeding profitability targets established by the Compensation Committee.

STOCK OPTION PLANS

1995 Stock Plan. The purpose of the Company's 1995 Stock Plan (the "1995 Stock Plan") is to provide incentives to officers, Directors, employees and consultants of the Company. Under the 1995 Stock Plan, officers and employees of the Company and any present or future subsidiary are provided with opportunities to purchase shares of Common Stock of the Company pursuant to options which may qualify as ISOs, or which do not qualify as ISOs ("Non-Qualified Options") and, in addition, such persons may be granted awards of stock in the Company ("Awards") and opportunities to make direct purchases of stock in the Company ("Purchases"). Both ISOs and Non-Qualified Options are referred to hereafter individually as an "Option" and collectively as "Options." Options, Awards and Purchases are referred to hereafter collectively as "Stock Rights." The 1995 Stock Plan contains terms and conditions relating to ISOs necessary to comply with the provisions of Section 422 of the Code.

The 1995 Stock Plan authorized the grant of Stock Rights to acquire up to 1,137,500 shares of Common Stock. As of April 25, 2006, a total of 663,463 shares of Common Stock are subject to outstanding Options under the 1995 Stock Plan at exercise prices ranging from \$2.01 to \$12.85 per share. The 1995 Stock Plan expired and terminated on April 21, 2005 (except as to Options outstanding on that date) and no more grants may be made under the 1995 Stock Plan.

The 1995 Stock Plan requires that each Option shall expire on the date specified by the Compensation Committee, but not more than ten years from its date of grant in the case of ISOs and ten years and one day in the case of Non-Qualified Options. However, in the case of any ISO granted to an employee or officer owning more than 10% of the total combined voting power of all classes of stock of the Company or any present or future subsidiary, the ISO expires no more than five years from its date of grant.

1995 Non-Employee Director Plan. The purpose of the Company's 1995 Non-Employee Director Plan (the "1995 Director Plan") is to promote the interests of the Company by providing an inducement to obtain and retain the services of

qualified persons who are not employees or officers of the Company to serve as members of its Board of Directors ("Outside Directors"). The 1995 Director Plan authorized the grant of options for up to 187,500 shares of Common Stock and provides for automatic grants of nonqualified stock options to Outside Directors.

Edgar Filing: PROGRAMMERS PARADISE INC - Form DEF 14A

Under the 1995 Option Plan, each current Outside Director has received, and each Outside Director who first joined the Board after April 1995 automatically received at that time, options to purchase 18,750 shares of Common Stock. As of April 25, 2006, a total of 81,000 shares of Common Stock are subject to outstanding Options under the 1995 Non-Employee Director Stock Plan at exercise prices ranging from \$2.13 to \$7.50 per share. All options granted to Outside Directors have an exercise price equal to 100% of the fair market value on the date of grant. The 1995 Director Plan requires that options granted thereunder will expire on the date which is ten years from the date of grant. Each option granted under the 1995 Director Plan becomes exercisable over a five-year period, and vests in an installment of 20% of the total option grant upon the expiration of one year from the date of the option grant, and thereafter vests in equal quarterly installments of 5%. The 1995 Director Plan expired and was terminated on April 21, 2005 (except as to Options outstanding on that date) and no more grants may be made under the 1995 Director Plan.

(2) Includes 50,000 stock appreciation rights granted to Mr. Willett as part of his employment agreement. If there shall be a change in control, as defined in Mr. Willett's employment agreement, prior to the termination of the employment period, the Company will be required to pay to Mr. Willett a bonus equal to the amount, if any, by which the value per share received by stockholders in connection with the change of control exceeds the exercise price of the stock appreciation rights.

EMPLOYMENT AND SEVERANCE AGREEMENTS

Each of the Named Executive Officers has entered into an agreement that includes a covenant not-to-compete and a confidentiality provision. The covenant not-to-compete prohibits the executive for a period of one year after termination from engaging in a competing business. Such covenant also prohibits the executive from directly or indirectly soliciting the Company's customers or employees.

On January 9, 2006, the company appointed Simon Nynens President and Chief Executive Officer and entered into an employment agreement which expires June 30, 2007. The agreement provides for a base salary of \$250,000 and a bonus, if certain targets are met. Additionally, should the stockholders of the company approve a long-term incentive plan consisting of stock options, restricted stock and/or other equity-based compensation (a "LTIP"), Mr. Nynens will be eligible to participate in the LTIP based upon and consistent with the Company's participation for a President and Chief Executive Officer. Such level of Mr. Nynens' participation will be at least equal to options exercisable for 200,000 shares of Common Stock (or equivalent awards).

If a LTIP is approved and there is a price increase of the Common Stock of the Company prior to the grant of such options under the LTIP, Mr. Nynens will be entitled to a performance bonus equal to the increase (if any) in the closing share price from January 12, 2006 to the date of the grant of the options multiplied by 200,000. If there shall be a change of control in the Company prior to the grant of such options under the LTIP, Mr. Nynens will be entitled to a bonus equal to the increase in the closing share price from January 12, 2006 to the date of the change of control multiplied by 200,000.

In the event that Mr. Nynens' employment is terminated without cause or by the rendering of a non-renewal notification, he is entitled to receive severance payments equal to twelve months salary and immediate vesting of all outstanding stock awards. Additionally, in the event that a change of control of the Company occurs (as described in the employment agreement), Mr. Nynens' outstanding stock awards become immediately vested and he is entitled to the pro-rata performance bonus based upon stock price at the date of such change in control.

On January 9, 2006, William Willett resigned as President and Chief Executive Officer. In connection with the resignation, the Company entered into a Consulting Agreement with Mr. Willett. Under terms of the Consulting Agreement, Mr. Willett will remain Chairman of the Board until the 2006 Annual Meeting of Shareholders. Mr. Willett's termination of employment will be treated as a voluntary termination under the Employment Agreement between Mr. Willett and the Company dated July 15, 2002 (the "Willett Employment Agreement"). The Willett

Edgar Filing: PROGRAMMERS PARADISE INC - Form DEF 14A

Employment Agreement is amended such that only the non-competition provisions will survive and be extended for a period of time equal to that of the Consulting Agreement. Mr. Willett will provide consulting services to the Company for a one-year period beginning in July 2006. The total compensation to Mr. Willett for these consulting services will be \$250,000, and Mr. Willett will be obligated to perform up to 200 hours to assist the Chief Executive Officer of the Company.

The Company has entered into a severance agreement with Mr. Legrottaglie, Vice President of Information Systems, under which Mr. Legrottaglie is entitled to severance payments for six months at the then applicable annual base salary if the Company terminates his employment for any reason other than for cause.

CERTAIN TRANSACTIONS

The Company has adopted a policy whereby all transactions between the Company and its principal officers, Directors and affiliates must be on terms no less favorable to the Company than could be obtained from unrelated third parties and require pre-approval by a majority of the disinterested members of the Company's Board of Directors. There were no such transactions in 2005.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Edwin H. Morgens, F. Duffield Meyercord and Allan Weingarten served as members of the Compensation Committee during the last completed fiscal year. None of Messrs. Morgens, Meyercord and Weingarten (i) was, during the last completed fiscal year, an officer or employee of the Company or any of its subsidiaries, (ii) was formerly an officer of the Company or any of its subsidiaries, or (iii) had any relationship requiring disclosure by the Company under any paragraph of Item 404 of Regulation S-K. Furthermore, no member of the Compensation Committee had a relationship that requires disclosure under Item 402(j)(3) of Regulation S-K.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

The report of the Compensation Committee shall not be deemed incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933, as amended, or the Exchange Act, except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed filed under such Acts.

In evaluating the reasonableness of compensation paid to the Company's executive officers, the Compensation Committee takes into account, among other factors, how compensation compares to compensation paid by competing companies, individual contributions and the Company's performance. Base salary is determined based upon individual performance, competitive compensation trends and a review of salaries for like jobs at similar companies.

The Company also maintains the Performance Bonus Plan for its senior executives which provides for a bonus of up to 120% of the executive's base salary in the event certain performance targets, based upon revenue and operating profitability, are achieved. The Performance Bonus Plan also provides for an increase in the available bonus pool for performance in excess of a specified

Edgar Filing: PROGRAMMERS PARADISE INC - Form DEF 14A

net income after tax performance target. For a further discussion of the Performance Bonus Plan see the discussion under "Employee Benefit Plans."

It is the Company's policy that the compensation of executive officers also be based, in part, on the grant of stock options as an incentive to enhance the Company's performance. Stock options are granted based upon a review of such executive's responsibilities and relative position in the Company, such executive's overall job performance and such executive's existing stock option position. On April 21, 2005, the Company granted 60,640 options at an option price of \$12.85 per share to officers and key-employees of the Company. The options granted vested immediately on April 21, 2005. The Company granted options to purchase 14,320 shares to William H. Willett, the Company's then President and Chief Executive Officer; options to purchase 14,320 shares to Simon Nynens, the Company's then Executive Vice President and Chief Financial Officer; options to purchase 5,000 shares to Jeffrey Largiader, the Company's Vice President Sales & Marketing; options to purchase 5,000 shares to Vito Legrottaglie, the Company's Vice President and Chief Information Officer; options to purchase 5,000 shares to Dan Jamieson, General Manager of the Company's Lifeboat division; and options to purchase 5,000 shares to Steve McNamara, the Vice President and General Manager of Programmer's Paradise Canada. Each non-employee Director of the Company received options to purchase 3,000 shares of the Company's Common Stock at an option price of \$12.85 per share.

The compensation of the Company's Chief Executive Officer in 2005 consisted of a base salary, an automobile allowance, a performance bonus as well as options exercisable for 14,320 shares of Common Stock. The total compensation package was established considering base salaries of peer Chief Executive Officers with similar executive responsibilities.
