Televisa is the largest media company in the Spanish-speaking world based on its market capitalization and a major participant in the international entertainment business. It operates four broadcast channels in Mexico City, produces and distributes 24 pay-TV brands for distribution in Mexico and the rest of the world, and exports its programs and formats to the U.S. through Univision Communications Inc. In the United States, Televisa has equity and debentures that, upon conversion and subject to any necessary approval from the Federal Communications Commission (“FCC”) in the United States, would represent approximately 38% on a fully diluted, as-converted basis of the equity capital in Broadcasting Media Partners, Inc.
