PROSPECTUS SUPPLEMENT NO. 2

(to prospectus dated September 30, 2004)

\$115,000,000

TITAN INTERNATIONAL, INC.

5 1/4% SENIOR CONVERTIBLE NOTES DUE 2009

This prospectus supplement no. 2 supplements and amends the prospectus dated September 30, 2004 of Titan International, Inc. relating to the resale by certain selling securityholders of up to \$115,000,000 aggregate principal amount of our $5\frac{1}{4}\%$ senior convertible notes due 2009 and shares of our common stock into which the notes are convertible.

You should read this prospectus supplement no. 2 in conjunction with the prospectus. This prospectus supplement no. 2 is qualified by reference to the prospectus, except to the extent the information in this prospectus supplement no. 2 supersedes the information contained in the prospectus, as amended and supplemented.

The prospectus dated September 30, 2004, as amended and supplemented by this prospectus supplement no. 2 dated March 22, 2005 constitutes the prospectus required to be delivered by Section 5(b) of the Securities Act of 1933, as amended, with respect to the offer and sale of the notes and shares of our common stock into which the notes are convertible. All references in the prospectus to "this prospectus" are hereby amended to read "this prospectus (as supplemented and amended)".

Our common stock is traded on the New York Stock Exchange under the symbol "TWI." On March 21, 2005, the last reported sale price for our common stock was \$14.26 per share.

INVESTING IN THE NOTES INVOLVES RISKS. SEE "RISK FACTORS" BEGINNING ON PAGE 4 OF THE PROSPECTUS.

NEITHER THE SECURITIES AND EXCHANGE COMMISSION NOR ANY STATE SECURITIES COMMISSION HAS APPROVED OR DISAPPROVED OF THESE SECURITIES OR DETERMINED IF THIS SUPPLEMENT IS TRUTHFUL OR COMPLETE. ANY REPRESENTATION TO THE CONTRARY IS A CRIMINAL OFFENSE.

The date of this prospectus supplement no. 2 is March 22, 2005

SELLING SECURITYHOLDERS

The notes were originally issued by us and sold to Merrill Lynch, Pierce, Fenner & Smith Incorporated, LaSalle Debt Capital Markets, A Division of ABN AMRO Financial Services, Inc., and Harris Nesbitt Corp., as the initial purchasers in a private placement. The initial purchasers resold the notes to persons reasonably believed by them to be "qualified institutional buyers," as defined by Rule 144A under the Securities Act, in transactions exempt from the registration requirements of the federal securities laws. The selling securityholders, which term includes their transferees, pledges, donees or successors, may from time to time offer and sell pursuant to the prospectus any or all of the notes and the shares of common stock issuable upon conversion of the notes.

The table below supersedes the table of selling securityholders contained on pages 31 through 33 of the prospectus, as previously amended and supplemented. The information below is based on information provided to us by or on behalf of the selling securityholders on or prior to March 21, 2005. Because the selling securityholders identified below may have sold, transferred or otherwise disposed of all or a portion of their notes at any time without notifying us, the table below may not reflect the exact value of notes held by each selling securityholder on the date of this prospectus supplement no. 2. Information about the selling securityholders may change from time to time. Any changed information will be set forth in prospectus supplements, post-effective amendments or in other documents that we may file from time to time with the SEC, if and when necessary. Unless set forth below, none of the selling securityholders has had within the past three years any material relationship with us or any of our predecessors or affiliates.

Because the selling securityholders may offer all or some portion of the notes or the common stock into which the notes are convertible, we cannot estimate the amount of notes or common stock that may be held by the selling securityholders upon the completion of any sales. For information on the procedure for sales by selling securityholders, read the disclosure on pages 33 and 34 of the prospectus under the heading "Plan of Distribution".
