4.1 Representations and Warranties of the Sellers. Each Seller, severally, and not jointly with any other Seller, represents and warrants to the Purchaser, only with respect to the Shares owned by such Seller, that:

(a) Capacity of the Seller; Authorization; Execution of Agreements. Each Seller has all requisite power, authority and capacity to enter into this Agreement and to perform the transactions and obligations to be performed by it hereunder. With respect to any Seller that is organized as a limited liability company or corporation, the execution and delivery of this Agreement by such Seller, and the performance by such Seller of the transactions and obligations contemplated hereby, including, without limitation, the sale of their respective Shares to the Purchaser hereunder, have been duly authorized by all requisite action of such Seller. This Agreement constitutes a valid and legally binding agreement of each Seller, enforceable in accordance with its terms, except as enforcement thereof may be limited by bankruptcy, insolvency, reorganization, moratorium or other similar laws of the United States (both state and federal), affecting the enforcement of creditors' rights or remedies in general from time to time in effect and the exercise by courts of equity powers or their application of principles of public policy. Except as set forth in Section 3.2(d) hereof, no corporate proceedings or other action on the part of any Seller that is organized as a limited liability company or corporation (including the approval of such Seller's board of directors, managers, shareholders or members) are necessary to authorize this Agreement or to consummate the transactions contemplated hereby.

No Seller has granted any person a proxy with respect to the Shares owned by such Seller that has not expired or been validly withdrawn. The sale and delivery by the Sellers of the Shares to the Purchaser pursuant to this Agreement will vest in the Purchaser legal and valid title to the Shares, free and clear of all Liens, security interests, adverse claims or other encumbrances of any character whatsoever, other than encumbrances created by the Purchaser and restrictions on the resale of the Shares under applicable securities laws ("Encumbrances").

(c) Brokers, Finders, and Agents. No Seller is, directly or indirectly, obligated to anyone acting as broker, finder or in any other similar capacity in connection with this Agreement or the transactions contemplated hereby. No Person has or, immediately following the consummation of the transactions contemplated by this Agreement, will have, any right, interest or valid claim against the Company, the Sellers or the Purchaser for any commission, fee or other compensation as a finder or broker in connection with the transactions contemplated by this Agreement, nor are there any brokers' or finders' fees or any payments or promises of payment of similar nature, however characterized, that have been paid or that are or may become payable in connection with the transactions contemplated by this Agreement, as a result of any agreement or arrangement made by the Sellers.

(d) Disclosure. Each Seller acknowledges and agrees that the Purchaser does not make and has not made (i) any representations or warranties with respect to the transactions contemplated hereby other than those specifically set forth in Section 4.3, or (ii) any statement, commitment or promise to the Sellers or any of their representatives which is or was an inducement to the Sellers to enter into this Agreement, other than as set forth in this Agreement.

4.2 Representations and Warranties of the Primary Sellers. Subject to the limitations and qualifications contained in Section 4.2(p) hereof, the Primary Sellers jointly and severally represent and warrant to the Purchaser, with respect to the Company, that:

(a) Organization and Standing. The Company is duly incorporated and validly existing under the laws of the State of Delaware, and has all requisite corporate power and authority to own or lease its properties and assets and to conduct its business as it is presently being conducted. The Company does not own any equity interest, directly or indirectly, in any other Person or business enterprise. The Company is qualified to do business and is in good standing in each jurisdiction in which the failure to so qualify could reasonably be expected to have a Material Adverse Effect upon its assets, properties, financial condition, results of operations or business. The Company has no subsidiaries. Except as set forth in Section 3.3(b) hereof, no corporate proceedings on the part of the Company (including the approval of the Company's Board of Directors or shareholders) are necessary to authorize this Agreement or to consummate the transactions contemplated hereby.

There are no preemptive or similar rights granted by the Company with respect to the Company's capital stock. There are no anti-dilution or price adjustment provisions contained in any security issued by the Company. Except as set forth on Schedule 4.2(b) hereto, the Company is not a party to, and, to the Knowledge of the Primary Sellers, without inquiry, no Stockholder is a party to, any registration rights agreements, voting agreements, voting trusts, proxies or any other agreements, instruments or understandings with respect to the voting of any shares of the capital stock of the Company, or any agreement with respect to the transferability, purchase or redemption of any shares of the capital stock of the Company. The sale of the Shares to the Purchaser does not obligate the Company to issue any shares of capital stock or other securities to any Person (other than the Purchaser) and will not result in a right of any holder of Company securities, by agreement with the Company, to adjust the exercise, conversion, exchange or reset price under such securities. The outstanding Common Stock is all duly and validly authorized and issued, fully paid and nonassessable. The Primary Sellers will cause the Company not to issue, or resolve or agree to issue, any securities to any party, other than the Purchaser, prior to the Closing. The Shares represent 89.16% of the outstanding Common Stock of the Company, on a Fully-Diluted Basis.

(d) Conflicts; Defaults. The execution and delivery of this Agreement by the Sellers and the performance by the Sellers of the transactions and obligations contemplated hereby and thereby to be performed by it do not (i) violate, conflict with, or constitute a default under any of the terms or provisions of, the Certificate of Incorporation, as amended, the Bylaws, or any

provisions of, or result in the acceleration of any obligation under, any contract, note, debt instrument, security agreement or other instrument to which the Company is a party or by which the Company, or any of the Company's assets, is bound; (ii) result in the creation or imposition of any Encumbrances or claims upon the Company's assets or upon any of the shares of capital stock of the Company; (iii) constitute a violation of any law, statute, judgment, decree, order, rule, or regulation of a Governmental Authority applicable to the Company; or (iv) constitute an event which, after notice or lapse of time or both, would result in any of the foregoing.

All material agreements to which the Company is a party or to which the property or assets of the Company are subject and which are required to be disclosed pursuant to the 1934 Act are included as part of or specifically identified in the SEC Filings.

(g) Material Changes. Since the date of the latest audited financial statements included within the SEC Filings, except as specifically disclosed in the SEC Filings, (i) there has been no event that could result in a Material Adverse Effect, (ii) the Company has not incurred any liabilities (contingent or otherwise) other than (A) trade payables and accrued expenses incurred in the ordinary course of the business of a shell corporation consistent with past practice, and (B) liabilities not required to be reflected in the Company's financial statements pursuant to GAAP as required to be disclosed in filings made with the SEC, (iii) the Company has not altered its method of accounting or the identity of its auditors, except as disclosed in its SEC Filings, (iv) the Company has not declared or made any dividend or distribution of cash or other property to its stockholders or purchased, redeemed or made any agreements to purchase or redeem any shares of its capital stock, and (v) the Company has not issued any equity securities ("Material Changes").

(i) Brokers, Finders, and Agents. The Company is not, directly or indirectly, obligated to anyone acting as broker, finder or in any other similar capacity in connection with this Agreement or the transactions contemplated hereby. No Person has or, immediately following the consummation of the transactions contemplated by this Agreement, will have, any right, interest or valid claim against the Company, the Sellers or the Purchaser for any commission, fee or other compensation as a finder or broker in connection with the transactions contemplated by this Agreement, nor are there any brokers' or

finders' fees or any payments or promises of payment of similar nature, however characterized, that have been paid or that are or may become payable in connection with the transactions contemplated by this Agreement, as a result of

any agreement or arrangement made by the Company. Notwithstanding the foregoing, the Assumed Obligations to be paid by the Purchaser at Closing (as specifically set forth on Schedule 4.2(j) hereof) are payable to certain payees that have provided consulting services to the Company in connection with the transactions contemplated hereunder.

(j) Absence of Businesses and Liabilities. The Company is not engaged in any business and is currently a "shell company" as defined under SEC rules. The Company has no liabilities or obligations of any kind or nature, except as set forth on: (i) Schedule 4.2(j) hereto, as may be updated and supplemented by the Primary Sellers at any time prior to the Closing ("Company Closing Obligations"), and (ii) the other schedules to this Agreement. As of the date of this Agreement, the Company's only assets consist of cash and cash equivalents and, at Closing, the Company shall have no assets.

(k) No Agreements. Except as set forth on Schedule 4.2(k) hereto, the Company is not a party to any agreement, commitment or instrument, whether oral or written, which imposes any obligations or liabilities on the Company after the Closing.

(l) Taxes.

The Company has paid all Taxes shown to be due on such Returns.

(ii) All Taxes that the Company is required by law to withhold or collect have been duly withheld or collected, and have been timely paid over to the proper governmental authorities to the extent due and payable.

(iii) The Company has no material Tax deficiency outstanding, proposed or assessed against the Company, and the Company has not executed any unexpired waiver of any statute of limitations on or extending the period for the assessment or collection of any Tax.

(iv) No audit or other examination of any Returns of the Company by any Tax authority is known by the Company to be presently in progress, nor has the Company been notified of any request for such an audit or other examination.

(v) No adjustment relating to any Returns filed by the Company has been proposed in writing, formally or informally, by any Tax authority to the Company or any representative thereof.

(vi) The Company has no liability for any Taxes for its current fiscal year, whether or not such Taxes are currently due and payable.

(m) OTC Bulletin Board Quotation. The Common Stock is quoted on the Over-the-Counter Bulletin Board (the "OTCBB"). There is no known action or known proceeding pending or threatened in writing against the Company by the Nasdaq or

Copies of such Corporate Records of the Company and the Minute Books currently in the possession of the Company, have been heretofore delivered to the Purchaser; the original Corporate Records and Minute Books, to the extent such original Corporate Records and Minute Books exist, will be delivered to the Purchaser at Closing pursuant to Section 3.3(c).

(p) Knowledge Qualification. All representations and warranties by the Primary Sellers contained in this Section 4.2 are hereby qualified and limited by, and are hereby made subject to, the Knowledge of the Primary Sellers to the extent such representations and warranties cover or relate to liabilities, obligations, claims, losses, expenses, damages, actions, liens and deficiencies of the Company or its Affiliates due to or arising out of actions or inactions of the Company or its Affiliates taken prior to August 23, 2007; provided, however, the Primary Sellers had used commercially reasonable efforts in obtaining such Knowledge.

4.3 Representations and Warranties of the Purchaser. The Purchaser hereby represents and warrants to the Sellers that:

The execution and delivery of this Agreement by the Purchaser, and the performance by the Purchaser of the transactions and obligations contemplated hereby, including, without limitation, the purchase of the Shares from the Sellers hereunder, have been duly authorized by all requisite corporate action of the Purchaser. (c) Investment Intent. The Shares being purchased hereunder by the Purchaser are being purchased for its own account and are not being purchased with the view to, or for resale in connection with, any distribution or public offering thereof within the meaning of the 1933 Act. The Purchaser has had an opportunity to review the SEC Filings of the Company.

(f) Brokers, Finders, and Agents. The Purchaser is not, directly or indirectly, obligated to anyone acting as broker, finder, or in any other similar capacity in connection with this Agreement or the transactions contemplated hereby. No Person has or, immediately following the consummation of the transactions contemplated by this Agreement, will have, any right, interest or valid claim against the Company, the Sellers or the Purchaser for any commission, fee or other compensation as a finder or broker in connection with the transactions contemplated by this Agreement, nor are there any brokers' or finders' fees or any payments or promises of payment of similar nature, however characterized, that have been paid or that are or may become payable in connection with the transactions contemplated by this Agreement, as a result of any agreement or arrangement made by the Purchaser.

Edgar Filing: CATALYST LIGHTING GROUP INC - Form SC 13D/A

(g) Disclosure. The Purchaser acknowledges and agrees that the representations and warranties by the Purchaser in this Section 4.3 are true and

complete in all material respects and do not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements contained therein not misleading, under the circumstance under which they were made. The Purchaser acknowledges and agrees that the Sellers do not make and have not made (i) any representations or warranties with respect to the transactions contemplated hereby other than those specifically set forth in Sections 4.1 and 4.2, or (ii) any statement, commitment or promise to the Purchaser or any of its representatives which is or was an inducement to the Purchaser to enter into this Agreement, other than as set forth in this Agreement.

4.4 Rule 144. The Purchaser acknowledges that the Shares it will be purchasing must be held indefinitely unless subsequently registered under the 1933 Act or unless an exemption from such registration is available. The Purchaser is aware of the provisions of Rule 144 promulgated under the 1933 Act which permit limited resale of shares purchased in a private placement subject to the satisfaction of certain conditions, including, among other things, the availability of certain current public information about the Company, the resale occurring not less than six months after a party has purchased and paid for the security to be sold, the sale being effected through a "broker's transaction" or in transactions directly with a "market maker" and the number of shares being sold during any three-month period not exceeding specified limitations. The Purchaser further acknowledges and agrees that: (i) the Company is currently a "shell company" as defined under SEC rules, (ii) the Shares being acquired by the Purchaser were originally issued by the Company to the Sellers when the Company was a "shell company," and (iii) the resale of the Shares are subject to the satisfaction of additional conditions and requirements under Rule 144(i)(2) applicable to the shares of "shell companies" and "former shell companies."

Subject to the terms and conditions hereof, each party shall use commercially reasonable efforts to take, or cause to be taken, all actions and to do, or cause to be done, all things necessary, proper or advisable under applicable laws and regulations to consummate the transactions contemplated by this Agreement as promptly as practicable after the date hereof, including (i) preparing and filing as promptly as practicable all documentation to effect all necessary SEC filings and other documents and to obtain as promptly as practicable all consents, waivers, licenses, orders, registrations, approvals, permits and authorizations necessary or advisable to be obtained from any Person and/or any Governmental Authority in order to consummate any of the transactions contemplated by this Agreement, (ii) executing and delivering such other documents, instruments and agreements as any party hereto shall reasonably request, and (iii) taking all reasonable steps as may be necessary to obtain all such material consents, waivers, licenses, orders, registrations, approvals, permits and authorizations. Notwithstanding the foregoing, in no event shall any party have any obligation, in order to consummate the transactions contemplated hereby, to: (i) take any action(s) that would result in Material Adverse Changes in the benefits to the Sellers on the one hand or to the Purchaser on the other of this Agreement, or (ii) dispose of any material assets or make any material change in its business other than as contemplated by this Agreement, or (iii) expend any material amount of funds or otherwise incur any material burden other than those contemplated by this Agreement.

Each party shall permit the other

party to review any communication given by it to, and shall consult with each other in advance of any meeting or conference with, any Governmental Authority or, in connection with any proceeding by a private party, with any other Person, and to the extent permitted by the applicable Governmental Authority or other Person, give the other party the opportunity to attend and participate in such meetings and conferences, in each case in connection with the transactions contemplated hereby.

(b) The Primary Sellers shall use their commercially reasonable efforts to cause the Company to timely file all reports required to be filed by it pursuant to Section 13 of the 1934 Act and all other documents required to be filed by it with the SEC under the 1933 Act or the 1934 Act from the date of this Agreement to the Closing; provided, however, that the Purchaser shall cause the Company to file the Post-Closing 8-K as set forth in Section 5.10 hereof.

5.4 Access to Information; Notification of Certain Matters.

(a) From the date hereof to the Closing and subject to applicable law, the Primary Sellers shall (i) give to the Purchaser or its counsel reasonable access to the books and records of the Company, and (ii) furnish or make available to the Purchaser and its counsel such financial and operating data and other information about the Company as such Persons may reasonably request.

(b) Each party hereto shall give notice to each other party hereto, as promptly as practicable after the event giving rise to the requirement of such notice, of:

During the period from the date of this Agreement to the Closing, the Primary Sellers shall cause the Company to conduct its business only in the ordinary course of business consistent with past practice, except to the extent otherwise necessary to comply with the

provisions hereof and with applicable laws and regulations. Additionally, during the period from the date of this Agreement to the Closing, except as required hereby in connection with this Agreement, the Primary Sellers shall not permit the Company to do any of the following without the prior consent of the Purchaser: (i) amend or otherwise change its Certificate of Incorporation or Bylaws, (ii) issue, sell or authorize for issuance or sale (including, but not limited to, by way of stock split or dividend), shares of any class of its securities or enter into any agreements or commitments of any character obligating it to issue such securities, other than in connection with the exercise of outstanding warrants or outstanding stock options granted to directors, officers or employees of the Company prior to the date of this Agreement; (iii) declare, set aside, make or pay any dividend or other distribution (whether in cash, stock or property) with respect to its common stock, (iv) redeem, purchase or otherwise acquire, directly or indirectly, any of its capital stock, (v) enter into any material contract or agreement or material transaction or make any material capital expenditure other than those relating to the transactions contemplated by this Agreement, (vi) create, incur, assume, maintain or permit to exist any indebtedness except as otherwise incurred in the ordinary course of business, consistent with past practice, or except for the Company Closing Obligations, (vii) pay, discharge or satisfy claims or liabilities (absolute, accrued, contingent or otherwise) other than in the ordinary course of business consistent with past practice, or except for the Company Closing Obligations, (viii) cancel any material debts or waive any material claims or rights, (ix) make any loans, advances or capital contributions to, or investments in financial instruments of any Person, (x) assume, guarantee, endorse or otherwise become responsible for the liabilities or other commitments of any other Person, (xi) alter in any material way the manner of keeping the books, accounts or records of the Company or the accounting practices therein reflected other than alterations or changes required by GAAP or applicable law, (xii) enter into any indemnification, contribution or similar contract pursuant to which the Company may be required to indemnify any other Person or make contributions to any other Person, (xiii) amend or terminate any existing contracts in any manner that would result in any material liability to the Company for or on account of such amendment or termination, or (xiv) change any existing or adopt any new tax accounting principle, method of accounting or tax election except as provided herein or agreed to in writing by the Purchaser.

5.7 Indemnification. KI hereby agrees to indemnify and hold harmless the Purchaser and the Company (the "Indemnified Parties") from and against any and all liabilities, obligations, claims, losses, expenses, damages, actions, liens and deficiencies (including reasonable attorneys' fees) which exist, or which

Edgar Filing: CATALYST LIGHTING GROUP INC - Form SC 13D/A

may be imposed on, incurred by or asserted against the Indemnified Parties due to or arising out of any breach or inaccuracy of any representation or warranty of any Primary Seller under Section 4.2 hereof, or any covenant, agreement or obligation of any Primary Seller hereunder or in any other certificate, instrument or document contemplated hereby or thereby ("Damages"), for a period of six (6) months from the Closing Date (the "Indemnification," and the period herein is referred to as the "Indemnification Period"). KI shall not be obligated to pay to the Indemnified Parties any amounts for Indemnification for Damages in excess of US\$50,000 ("Cap"). KI shall not be obligated to make any payment for Indemnification in respect of any claims for Damages that are made by the Indemnified Parties after the expiration of the Indemnification Period; provided, however, that the obligations of KI under the Indemnification shall remain in full force and effect, subject to the Cap, in respect of any claims for Damages which are made prior to, and remain pending at, the expiration of the Indemnification Period. In addition, KI covenants that it shall have no liquidation, dissolution, winding up or any other similar action of itself within the Indemnification Period. For the abundance of clarity, Lionsridge, Keating, Laurus and GFI are not responsible for any indemnification to the Indemnified Parties for any Damages. The indemnification provided by this Section 5.7 shall be the sole remedy of the Indemnified Parties for any Damages; provided, however, that no remedies of the Indemnified Parties for any breach by any of the Sellers of the representations and warranties contained in Section 4.1 shall be limited in any way by this Section 5.7.

Effective as of the Closing, each of the Sellers hereby assigns and transfers to the Purchaser all of its rights under those certain Registration Rights Agreements to which each Seller is party as listed on Schedule 4.2(b), with respect to the Shares being sold to the Purchaser hereunder, and the Purchaser hereby accepts such assignment. The Purchaser shall become, and is hereby made, a party to each such Registration Rights Agreement as a Holder (as such term is defined in the Registration Rights Agreement) and shall, and hereby agrees to, be bound by all of the terms and conditions set forth in the Registration Rights Agreement applicable to it as a Holder, with respect to the Shares being acquired by it hereunder.

5.14 Deposit. The Purchaser and the Primary Sellers acknowledge that \$25,000 ("Deposit") was deposited into an escrow account ("Escrow Account") by the Purchaser pursuant to an Escrow Agreement between the Purchaser, the Primary Sellers and Escrow, LLC ("Escrow Agent") dated December 18, 2009. The Deposit shall be disbursed from the Escrow Account and paid: (i) to the Primary Sellers, if the transactions contemplated by this Agreement fail to close due to a material breach of any representation, warranty, covenant, agreement or obligation of the Purchaser hereunder or in any other certificate, instrument or document contemplated hereby or thereby by the Purchaser ("Purchaser's Breach"), (ii) to the Purchaser, if the transactions contemplated by this Agreement fail to close for any reason other than the Purchaser's Breach, or (iii) to the Sellers as partial payment of the Purchase Price, if the transactions contemplated by this Agreement close.
