Selling Securityholders

The following information supplements and updates the table of selling securityholders contained on pages 65 through 71 of the prospectus, as such table has been previously supplemented and updated by previous prospectus supplements. Where the name of a selling securityholder identified in the table below also appears in the table in the prospectus, or an earlier prospectus supplement, the information set forth in the table below regarding that selling securityholder supersedes and replaces the information regarding such selling securityholder in the prospectus or such earlier prospectus supplement.

The information below, which has been prepared based on information furnished to us by or on behalf of the selling securityholders named therein, sets forth the name of each selling securityholder, the principal amount of notes that each selling securityholder owns and may offer pursuant to the prospectus, as amended or supplemented, and the number of common shares into which those notes are convertible.
