Hillson is principally engaged in the business of investing in stocks, bonds and other financial instruments. HFM is principally engaged in the business of managing investments in securities. Investments is not actively engaged in any business, other than serving as a general partner of Hillson.

During the past five years, none of the Reporting Persons has been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or was a party to a civil proceeding of a judicial or administrative body of competent jurisdiction as a result of which such person was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws, or finding any violation with respect to such laws.

Item 3. Source and Amount of Funds or Other Consideration.

The aggregate purchase price for the 263,000 shares of Common Stock acquired by Hillson was \$1,656,900. Such funds were provided by Hillson's working capital. The aggregate purchase price for the 12,000 shares of Common Stock acquired by the Trust (as defined in Item 5, below) was \$75,600. Such funds were provided by the Trust's working capital.

Item 4. Purpose of Transaction.

The shares of Common Stock were acquired for investment purposes. As of the date hereof, none of the Reporting Persons has any plans or proposals which relate to or would result in: (a) the acquisition by any person of additional securities of the Issuer, or the disposition of securities of the Issuer; (b) an extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving the Issuer or any of its subsidiaries; (c) a sale or transfer of a material amount of assets of the Issuer or any of its subsidiaries; (d) any change in the present Board of Directors or management of the Issuer, including any plans or proposals to change the number or term of directors or to fill any existing vacancies on the Board; (e) any material change in the present capitalization or dividend policy of the Issuer; (f) any other material change in the Issuer's business or corporate structure; (g) any changes in the Issuer's charter or by-laws or other actions which may impede the acquisition or control of the Issuer by any person; (h) causing a class of securities of the Issuer to be delisted from a national securities exchange or cease to be authorized to be quoted in an interdealer quotation system of a registered national securities association; (i) causing a class of equity securities of the Issuer to become eligible for termination of registration pursuant to Section 12(g)(4) of the Exchange Act; or (j) any action similar to those enumerated above.

Notwithstanding the foregoing, the Reporting Persons may determine to change their investment intent with respect to the Issuer at any time in the future. In determining from time to time whether to sell their shares of the Common Stock (and in what amounts) or to retain such shares, the Reporting Persons will take into consideration such factors as they deem relevant, including the business and prospects of the Issuer, anticipated future developments concerning the Issuer, existing and anticipated market conditions from time to time, general economic conditions, regulatory matters, and other opportunities available to the Reporting Persons. The Reporting Persons reserve the right to acquire additional securities of the Issuer in the open market, in privately negotiated transactions (which may be with the Issuer or with third parties) or otherwise, to dispose of all or a portion of their holdings of securities of the Issuer or to change their intention with respect to any or all of the matters referred to in this Item 4.

Item 5. Interest in Securities of the Issuer.

As of the date hereof, Hillson, HFM and Investments may each be deemed to be the beneficial owner of 263,000 shares of Common Stock, or approximately 6.7% of the Common Stock outstanding, and also may be deemed to have shared power to vote or direct the vote of, and shared power to dispose or direct the disposition of, such shares (all of which shares are held directly by Hillson).

As of the date hereof, Abramowitz may be deemed to be the beneficial owner of 275,000 shares of Common Stock, or approximately 7.0% of the Common Stock outstanding, and also may be deemed to have shared power to vote or direct the vote of 263,000 of such shares, and to have sole power to dispose or direct the disposition of 12,000 of such shares. This number consists of 263,000 shares held directly by Hillson and 12,000 shares held directly by a trust (the Trust) with respect to which Abramowitz has sole power to dispose or direct the disposition of securities owned by it.

Except as described in the preceding two paragraphs, the filing of this statement by HFM, Investments and Abramowitz shall not be construed as an admission that any of such parties is, for the purpose of Section 13(d) or 13(g) of the Exchange Act, the beneficial owner of any of the shares of Common Stock described in this statement.

All of the percentages calculated in this statement are based upon an aggregate of 3,921,019 shares of Common Stock outstanding as of November 18, 2005, as set forth in the Form 10-Q filed by the Issuer with respect to the quarterly period ended October 28, 2005.

Except for the transactions described in this statement (including those described in Item 6, which information is incorporated herein by reference), there have been no other transactions in the securities of the Issuer by the Reporting Persons in the last 60 days.

Item 6. Contracts, Arrangements, Understandings or Relationships With Respect to Securities of the Issuer.
