**QUESTIONS AND ANSWERS ABOUT THE PROXY MATERIALS AND
THE ANNUAL MEETING**

How was Price Legacy formed and how does the information presented in this proxy statement relate to Price Enterprises, Inc. and Excel Legacy Corporation?

Price Legacy was formed in September 2001 from the merger of Price Enterprises, Inc. and Excel Legacy Corporation. Price Enterprises began operations in 1994 and became a self-administered, self-managed real estate investment trust (REIT) in 1997. Excel Legacy began operations in 1997 to pursue a variety of real estate opportunities including acquiring, developing and managing mixed-use and retail properties and real estate related operating companies throughout the United States and Canada. In connection with the merger, Excel Legacy became a wholly owned subsidiary of Price Enterprises, and Price Enterprises changed its name to Price Legacy Corporation. Price Legacy continues to operate as a REIT focused on open-air retail properties throughout the United States. Its current property portfolio primarily consists of shopping centers leased to major retail tenants. Following the merger, Excel Legacy transferred its non-REIT assets to Excel Legacy Holdings, Inc., and Excel Legacy Holdings elected to be treated as a taxable REIT subsidiary.

Except as noted, information in this proxy statement referring to 1999, 2000 and 2001 (prior to the merger) relates to the operations of Price Enterprises. Information in this proxy statement referring to any time after the merger relates to the operations of Price Legacy Corporation as a combined entity.

Why am I receiving this proxy statement?

You have received this proxy statement and the enclosed proxy from Price Legacy because you hold shares of Price Legacy's common stock, Series A preferred stock and/or Series B preferred stock. The Board of Directors of Price Legacy is soliciting your proxy to vote at the annual meeting. As a stockholder, you are invited to attend the annual meeting and are entitled to and requested to vote on the proposals described in this proxy statement.

What information is contained in this proxy statement?

The information included in this proxy statement relates to the proposals to be voted on at the annual meeting, the Board of Directors' recommendations regarding the proposals, procedures for voting at the annual meeting, compensation of Price Legacy's directors and its most highly paid executive officers and other information required by federal securities laws. Price Legacy's Annual Report for 2001 is also provided with this proxy statement.

Where and when is the annual meeting being held?

The annual meeting will be held at the Rancho Bernardo Inn, 17550 Bernardo Oaks Drive, San Diego, California, on Thursday, June 13, 2002, at 9:00 a.m., Pacific time.

What is the purpose of the annual meeting?

The annual meeting is being held to consider and vote upon (1) the election of eight directors for a one-year term and until their successors have been duly elected and qualified and (2) such other business as may properly come before the meeting or any adjournment or postponement

Edgar Filing: PRICE LEGACY CORP - Form DEF 14A

thereof. Price Legacy's Board of Directors knows of no other business that will be presented for consideration at the annual meeting.

At the conclusion of the annual meeting, Price Legacy's management will report on Price Legacy's performance in 2001 and respond to questions from stockholders.

How will the directors be elected?

Pursuant to the terms of Price Legacy's charter, holders of Price Legacy's Series A preferred stock, voting separately, have the right to elect four directors, holders of Price Legacy's common stock and Series A preferred stock, voting together as a single class, have the right to elect two directors and Warburg, Pincus Equity Partners, L.P. and some of its affiliated entities (collectively, the Warburg Entities) have the right to elect two directors for so long as the Warburg Entities beneficially own securities representing at least 10% of Price Legacy's outstanding common stock, on an as-converted basis.

Who is entitled to vote at the annual meeting?

All holders of record of shares of Price Legacy's common stock, Series A preferred stock and/or Series B preferred stock as of the close of business on April 19, 2002, the record date fixed by the Board of Directors (Record Date), will be entitled to receive notice of and to vote at the annual meeting.

As of the Record Date, there were 40,726,191 shares of Price Legacy's common stock issued, outstanding and entitled to be voted at the annual meeting held by approximately 1,169 stockholders of record, there were 27,413,467 shares of Price Legacy's Series A preferred stock issued, outstanding and entitled to be voted at the annual meeting held by approximately 527 stockholders of record and there were 19,666,754 shares of Price Legacy's Series B preferred stock issued, outstanding and entitled to be voted at the annual meeting held by approximately five stockholders of record.

How many votes do I have?

Each share of Price Legacy's common stock is entitled to one vote, each share of Price Legacy's Series A preferred stock is entitled to one-tenth (1/10th) of one vote and each share of Price Legacy's Series B preferred stock is entitled to a number of votes equal to the number of shares of common stock into which a share of Series B preferred stock is then convertible, currently one vote, on all matters on which such classes of stock are entitled to vote at the annual meeting.

2

How do I vote by proxy?

If you complete and properly sign the accompanying proxy card and return it to Price Legacy, and if it is received in time and not revoked, it will be voted at the annual meeting in accordance with the instructions indicated in such proxy. If you are a registered stockholder and attend the meeting, you may deliver your completed proxy card at that time or vote in person. If your shares of Price Legacy stock are held in "street name" and you wish to vote at the meeting, you must obtain a proxy card from the broker, bank or other nominee that holds your shares. **If no instructions are indicated on a proxy card returned to Price Legacy, the shares represented by that proxy will be voted "FOR" the election, as directors of Price Legacy, of the eight nominees named in this proxy statement.**

Can I vote in person at the annual meeting?

If you plan to attend the annual meeting and vote in person, you will receive a ballot when you arrive. If your shares are held in the name of a broker, bank or other nominee, you must follow instructions received from that broker, bank or nominee with this proxy statement in order to vote at the annual meeting or to change your vote.

Can I revoke my vote after I return my proxy card?

Yes. After you have given a proxy, you may revoke it at any time prior to its exercise at the annual meeting by:

filing with the corporate secretary of Price Legacy, at or before the taking of the vote at the annual meeting, a written notice of revocation bearing a later date than the proxy being revoked;

duly executing a later-dated proxy relating to the same shares and delivering it to the corporate secretary of Price Legacy before the taking of the vote at the annual meeting; or

attending and voting in person at the annual meeting.

All written notices of revocation or other communications with respect to revocation of proxies should be sent to Price Legacy Corporation, 17140 Bernardo Center Drive, Suite 300, San Diego, California 92128, Attention: Secretary, or hand delivered to the corporate secretary of Price Legacy at or before the taking of the vote at the annual meeting. If your shares are held in the name of a broker, bank or other nominee, you must follow instructions received from such broker, bank or nominee with this proxy statement in order to revoke your vote or to vote at the annual meeting.

What constitutes a quorum?

The presence, in person or by proxy, of holders of a majority of the combined voting power of Price Legacy's common stock, Series A preferred stock and Series B preferred stock will constitute a quorum to conduct business at the annual meeting, except that the presence in person or by proxy of holders of a majority of the voting power of Price Legacy's Series A preferred stock will constitute a quorum for purposes of electing the Series A Preferred Stock Nominees, as described in this proxy statement. Proxies received but marked as abstentions or "broker non-votes" (which occur when shares held by brokers or nominees for beneficial owners are voted on some matters but not on others) will be included in the calculation of the number of shares present and entitled to vote at the annual meeting for purposes of determining whether a quorum exists.

What vote is required to elect the directors?

Directors are elected by a plurality of the votes of the shares present in person or represented by proxy at the annual meeting and entitled to vote on the election of directors. Holders of Price Legacy's common stock and Series A preferred stock, voting together as a single class, will vote for the election

3

of the Series A Preferred Stock and Common Stock Nominees, holders of Price Legacy's Series A preferred stock, voting as a separate class, will vote for the election of the Series A Preferred Stock Nominees and the Warburg Entities will vote for the election of the Warburg Nominees. With respect to the election of directors, each stockholder may (1) vote "for" all nominees elected by holders of the class of stock held by such stockholder, (2) "withhold" authority to vote for all nominees or (3) withhold authority to vote for any individual nominee or nominees but vote for all other nominees. Because directors are elected by a plurality of the votes cast, votes to withhold authority with respect to one or more nominees and any "broker non-votes" will have no effect on the outcome of the election.

What are the Board's recommendations?

The Board recommends that you vote **FOR** election of the eight directors named in this proxy statement to serve for a term of one year and until their successors have been duly elected and qualified.

What does it mean if I get more than one proxy card?

You should vote on each proxy card you receive. You will receive separate proxy cards for all shares you hold in different ways, such as jointly with another person or in trust, or in different brokerage accounts. If you hold shares in a stock brokerage account, you will receive a proxy card or information about other methods of voting from each broker, and you must send your vote to your broker according to the broker's instructions.

Who will count the votes?

Mellon Investor Services LLC, Price Legacy's transfer agent, will act as inspector of election for the annual meeting and tabulate the votes.

How will the costs of soliciting proxies be paid and in what manner will proxies be solicited?

Edgar Filing: PRICE LEGACY CORP - Form DEF 14A

Price Legacy will pay all of the costs associated with soliciting the proxies, including the cost of preparing, assembling and mailing the Notice of Annual Meeting, Proxy Statement and proxy. In addition to soliciting proxies by mail, Price Legacy's officers, directors and other regular employees, without additional compensation, may solicit proxies personally or by other appropriate means. It is anticipated that banks, brokers, fiduciaries, other custodians and nominees will forward proxy soliciting materials to their principals. Price Legacy will reimburse such persons' out-of-pocket expenses.

How can I as a stockholder arrange for a proposal to be included in next year's proxy statement and considered at next year's annual meeting?

For your proposal to be considered for inclusion in Price Legacy's proxy statement for the next annual meeting of stockholders and form of proxy, it must be received at Price Legacy's principal executive offices not later than January 3, 2003. If you are eligible to submit the proposal, and if it is an appropriate proposal under proxy rules of the Securities and Exchange Commission (SEC) and Price Legacy's Bylaws, it will be included. In addition, pursuant to a rule of the SEC, if Price Legacy has not received notice by April 14, 2003 of any matter a stockholder intends to propose for a vote at the next annual meeting of stockholders, then a proxy solicited by the Board may be voted on the matter in the discretion of the proxy holder, without discussion of the matter in the proxy statement soliciting such proxy and without the matter appearing as a separate item on the proxy card.

Employment Agreements

In May 1999, Excel Legacy entered into employment agreements with each of the officers listed below, each with an initial term of 43 months. Each of the employment agreements was assumed by Price Legacy in the merger. Pursuant to their terms, on January 1, 2004, and on each anniversary date thereafter, the employment period will automatically be extended for one additional year unless either

15

party gives written notice at least six months before the anniversary date. Each agreement provides for a current annual base salary as set forth in the table below and a maximum bonus of up to 100% of the officer's annual base salary based upon, among other things, the performance of Price Legacy. Under each agreement, the officer is eligible to participate in Price Legacy's stock option plan. Each agreement provides that in the event the officer's employment is terminated by Price Legacy without "Cause" or by the officer for "Good Reason," including, without limitation, a "Change of Control" (as these terms are defined in each agreement), the officer is entitled to a payment of 200% of his annual base salary and 200% of the average total additional compensation for the two preceding fiscal years of Price Legacy.

Compensation Plans

Price Legacy Stock Option Plan. The Amended and Restated Price Legacy Corporation 2001 Stock Option and Incentive Plan (Stock Option Plan) provides for the grant to executive officers, other key employees, consultants and directors of Price Legacy of a broad variety of stock-based compensation alternatives such as nonqualified stock options, incentive stock options, restricted stock, dividend equivalent awards, deferred stock awards, stock payment awards, stock appreciation rights and performance awards. The Stock Option Plan currently provides for aggregate award grants of up to 3,300,000 shares of common stock. This aggregate limit automatically increases on January 1 of each calendar year by 10% of the aggregate limit in effect for the immediately preceding calendar year, up to a maximum of 5,000,000 shares of common stock. As of April 19, 2002, options to purchase an aggregate of 3,110,505 shares of common stock at prices ranging from \$3.10 to \$6.94 were outstanding under the Stock Option Plan.

401(k) Retirement Plan and Trust. Price Legacy has established a tax-qualified employee savings and retirement plan (401(k) Plan) covering all employees who have been employed by Price Legacy for at least six months and who are at least 21 years of age. Pursuant to the 401(k) Plan, eligible employees may elect to reduce their current compensation by up to the maximum amount determined by the federal government each year and have the amount of such reduction contributed to the 401(k) Plan. Price Legacy contributes three percent of each eligible employee's base salary to the 401(k) Plan. The 401(k) Plan permits, but does not require, additional cash contributions to the 401(k) Plan by Price Legacy. The 401(k) Plan is intended to qualify under the Internal Revenue Code so that contributions to the 401(k) Plan, and income earned on plan contributions, are not taxable to employees until withdrawn, and so that contributions by Price Legacy are deductible by Price Legacy when made for income tax purposes.

16

Compensation Committee Interlocks and Insider Participation

During 2001, prior to the merger, Price Legacy had a Compensation and Audit Committee comprised of Messrs. Cahill, McGrory and Galinson. After the merger, Price Legacy created a Compensation Committee comprised of Messrs. Cahill, Galinson and Leibowitz. No interlocking relationship exists between any member of the Compensation Committee and any member of any other company's Board of Directors or compensation committee.

COMPENSATION COMMITTEE REPORT

Set forth below in full is the Report of Price Legacy's Compensation Committee regarding the compensation paid by Price Legacy to its executive officers during 2001:

The philosophy of Price Legacy's compensation program is to employ, retain and reward executives capable of leading Price Legacy in achieving its business objectives. These objectives include enhancing stockholder value, maximizing financial performance, preserving a strong financial posture, increasing Price Legacy's assets and positioning its assets and business in geographic markets offering long-term growth opportunities. The accomplishment of these objectives is measured against the conditions characterizing the industry within which Price Legacy operates.

Components of Executive Compensation

Base Salary. Base salary is established by Price Legacy's Compensation Committee based on each executive's job responsibilities, level of experience, individual performance and contribution to the business, with reference to the competitive marketplace for executive officers at other similar companies. The Compensation Committee believes that the base salaries paid to executive officers of Price Legacy are at competitive levels relative to the various markets from which Price Legacy attracts its executive talent.

Edgar Filing: PRICE LEGACY CORP - Form DEF 14A

Annual Cash Incentive Bonus. Annual cash incentive bonuses are established by the Compensation Committee at the end of the fiscal year and are based on Price Legacy's performance, individual performance and compensation surveys. Bonuses awarded in prior years are also taken into consideration. Executive officers of Price Legacy with employment agreements may receive up to 100% of their base salary in the form of a bonus pursuant to the terms of their employment agreements.

Long-Term Incentives. Long-term incentives include awards of stock options. The objective for the awards is to closely align executive interests with the longer term interests of stockholders. These awards, which are at risk and dependent on the creation of incremental stockholder value or the attainment of cumulative financial targets over several years, represent a portion of the total compensation opportunity provided for the executive officers. Award sizes are based on individual performance, level of responsibility, the individual's potential to make significant contributions to Price Legacy and award levels at other similar companies.

Annual Stock Grants. Annual stock grants include annual grants of Price Legacy's common stock to employees based on contributions to Price Legacy and individual job performance.

17

Compensation of Chief Executive Officer

Since the merger in September 2001, Price Legacy's Chief Executive Officer, Mr. Gary B. Sabin, received a base salary of \$75,000 (based upon an annualized salary of \$300,000), and a bonus of \$150,000 from Price Legacy. Prior to the merger, Excel Legacy provided Mr. Sabin's compensation and Price Legacy reimbursed Excel Legacy for the services of Mr. Sabin and its other executive officers based on Price Legacy's historical costs for similar expenses. With respect to long-term incentives, Mr. Sabin was awarded options in September 2001 to purchase 693,333 shares of Price Legacy's common stock, 50% of which are immediately exercisable and 50% of which vest on an annual basis through December 31, 2003. Mr. Sabin was also awarded options in December 2001 to purchase 69,000 shares of Price Legacy's common stock, all of which vest on an annual basis over four years. The Compensation Committee reviewed Price Legacy's actual performance in 2001 and determined that most of Price Legacy's goals and objectives were accomplished and, in some instances, exceeded. Mr. Sabin's bonus and his award of stock options took into consideration his performance and contribution to achieving Price Legacy's objectives in 2001 and the options Mr. Sabin historically owned in Excel Legacy. In 2002, the Compensation Committee decided to increase Mr. Sabin's annual base salary to \$325,000.

Tax Considerations

Section 162(m) of the Internal Revenue Code generally limits the tax deductions a public corporation may take for compensation paid to its Chief Executive Officer and its other four most highly compensated executive officers to \$1 million per executive per year. Price Legacy does not presently anticipate that any of its executive officers will exceed the non-performance based compensation threshold of Section 162(m). The Compensation Committee intends to evaluate Price Legacy's executive compensation policies and benefit plans during the coming year to determine whether any actions to maintain the tax deductibility of executive compensation are in the best interest of Price Legacy's stockholders.

The foregoing report has been furnished by the Compensation Committee.

PERFORMANCE GRAPH

The following performance graph compares the performance of Price Legacy's common stock to the Nasdaq Combined Composite Index and to the published National Association of Real Estate Investment Trust's All Equity Total Return Index, or the NAREIT Equity Index, in each case for the period commencing December 31, 1996 through December 31, 2001. The NAREIT Equity Index includes all tax qualified REITs listed on the New York Stock Exchange, the American Stock Exchange and the Nasdaq National Market. The graph assumes that the value of the investment in Price Legacy's common stock and each index was \$100 at December 31, 1996 and that all dividends were reinvested. The

stock price performance shown on the graph is not necessarily indicative of future price performance.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Business Relationships

Prior to the merger, Excel Legacy owned 91.3% of Price Legacy's common stock. On September 18, 2001, Excel Legacy merged with a wholly owned subsidiary of Price Legacy and survived the merger as a wholly owned subsidiary of Price Legacy. In the merger, Excel Legacy transferred its non-REIT assets to Excel Legacy Holdings, and Excel Legacy Holdings elected to be treated as a taxable REIT subsidiary.

Concurrently with the merger, Price Legacy issued to the Warburg Entities, for an aggregate purchase price of \$100 million, 17,985,612 shares of Price Legacy's Series B preferred stock, and a warrant to purchase an aggregate of 2,500,000 shares of Price Legacy's common stock at an exercise price of \$8.25 per share.

At the same time, Sol Price, a significant stockholder of Price Legacy through various trusts, converted an existing Excel Legacy loan payable to a trust controlled by Sol Price of approximately \$9.3 million into 1,681,142 shares of Price Legacy's Series B preferred stock and a warrant to purchase 233,679 shares of Price Legacy's common stock at an exercise price of \$8.25 per share.

Pursuant to a registration rights agreement, the Warburg Entities have the right to request two registrations of the shares of Price Legacy's common stock they hold, provided that the anticipated public offering price of the common stock being sold is not less than \$10 million, and unlimited registrations on Form S-3, provided that the anticipated public offering price is not less than \$5 million. If the Warburg Entities request that Price Legacy register their common stock, The Price Group will have the right to participate in the offering and sell shares of common stock. In addition, the Warburg Entities and The Price Group are entitled to have their shares of common stock included in an unlimited number of registrations initiated by Price Legacy, subject to customary restrictions.

In May 2001, Price Enterprises master leased its existing four self storage properties to some of its officers, including Kelly D. Burt, Price Enterprises' Executive Vice President Development, and William J. Hamilton, Price Enterprises' Senior Vice President Self Storage. Effective as of the date of the agreement, the officers ceased being employees of Price Enterprises. The initial rent paid under this agreement is \$5.1 million per year. As part of the agreement, Price Legacy has the right to require the lessees to purchase the properties from it at a price based upon the properties' net operating income as defined by the agreement. In addition, Price Legacy intends to develop three additional self storage properties that the lessees will have the right to acquire from Price Legacy upon completion and stabilization of the properties.

Indebtedness of Management

In 1998, Excel Legacy loaned to some of its officers an aggregate amount of approximately \$10.9 million representing approximately 50% of the purchase price of shares of Excel Legacy common stock purchased by the officers at that time. Price Legacy assumed the loans receivable from these officers in the merger. The loans bear interest at the rate of 7.0% per annum and mature in 2003. The

RELATIONSHIP WITH INDEPENDENT ACCOUNTANTS

Price Legacy's financial statements for 2001 have been audited by PricewaterhouseCoopers LLP. Representatives of PricewaterhouseCoopers LLP are expected to be available at the annual meeting to respond to appropriate questions and to make a statement if they desire to do so. Price Legacy's Board of Directors will select independent accountants for the current year sometime after the annual meeting.

AUDIT COMMITTEE REPORT

The Audit Committee of Price Legacy's Board of Directors is comprised of two independent directors as required by the listing standards of the Nasdaq National Market and the American Stock Exchange. Although Mr. McGrory does not currently qualify as an independent director due to his employment as President and Chief Executive Officer of Price Enterprises through November 1999, given Mr. McGrory's experience in financial matters, extensive history with Price Legacy and the short period of time until he qualifies as an independent director under applicable stock exchange rules (November 2002), Price Legacy's Board of Directors has determined, in accordance with Nasdaq Rule 4350(d)(2)(B) and Section 121(b)(ii) of the American Stock Exchange Guide, that the appointment of Mr. McGrory to the Audit Committee is in the best interests of Price Legacy and its stockholders.

Edgar Filing: PRICE LEGACY CORP - Form DEF 14A

The role of the Audit Committee is to oversee Price Legacy's financial reporting process on behalf of the Board of Directors. Price Legacy's management has the primary responsibility for its financial statements as well as Price Legacy's financial reporting process, principles and internal controls. The independent auditors are responsible for performing an audit of Price Legacy's financial statements and expressing an opinion as to the conformity of such financial statements with accounting principles generally accepted in the United States.

In this context, the Audit Committee has reviewed and discussed the audited financial statements of Price Legacy as of and for the year ended December 31, 2001 with management and the independent auditors. The Audit Committee has discussed with the independent auditors the matters required to be discussed under auditing standards generally accepted in the United States, including those matters set forth in Statement on Auditing Standards No. 61 (Communication with Audit Committees), as currently in effect. In addition, the Audit Committee has received the written

21

disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), as currently in effect, and it has discussed with the auditors their independence from Price Legacy. The Audit Committee has also considered whether the independent auditor's provision of non-audit services to Price Legacy is compatible with maintaining the auditor's independence.

Based on the reports and discussions described above, the Audit Committee recommended to Price Legacy's Board of Directors that the audited financial statements be included in Price Legacy's Annual Report on Form 10-K for the year ended December 31, 2001, for filing with the SEC.

Submitted on March 20, 2002 by the members of the Audit Committee of Price Legacy's Board of Directors.

During 2001, in connection with the audit of its 2001 financial statements, Price Legacy received audit and non-audit related services from PricewaterhouseCoopers LLP and Ernst & Young LLP.

Audit Fees

The aggregate fees for professional services rendered by PricewaterhouseCoopers for the audit of Price Legacy's annual financial statements for the 2001 fiscal year, the review of the financial statements included in Price Legacy's Quarterly Report on Form 10-Q, as amended, filed with the SEC on November 14, 2001 and procedures performed to provide consents to the reference of these documents were \$137,000. The aggregate fees for professional services rendered by Ernst & Young for the review of Price Legacy's financial statements included in Price Legacy's Quarterly Reports on Form 10-Q, as amended, filed with the SEC on May 15, 2001 and August 14, 2001 and procedures performed to provide consents to the reference of these documents were \$15,878.

Financial Information Systems Design and Implementation Fees

Neither PricewaterhouseCoopers nor Ernst & Young rendered any professional services to Price Legacy of the type described in Rule 2-01(c)(4)(ii) of Regulation S-X during the 2001 fiscal year.

All Other Fees

The aggregate fees billed for services rendered by PricewaterhouseCoopers, other than fees or services referenced under the caption "Audit Fees," during the 2001 fiscal year were \$4,000. The aggregate fees billed for services rendered by Ernst & Young, other than fees or services referenced under the caption "Audit Fees," during the 2001 fiscal year were \$263,473.

Changes in Independent Auditors

Effective October 25, 2001, Price Legacy engaged PricewaterhouseCoopers as Price Legacy's independent certifying accountant for the year ending December 31, 2001 and notified Ernst & Young of its dismissal. The Audit Committee of Price Legacy's Board of Directors approved this decision.

Edgar Filing: PRICE LEGACY CORP - Form DEF 14A

Ernst & Young's reports for Price Legacy's 1999 and 2000 fiscal years contained no adverse opinion or disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope or accounting principles. There have been no disagreements with Ernst & Young on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, and there have been no "reportable events" (as defined in paragraph (a)(1)(v) of Item 304 of Regulation S-K as promulgated by the SEC) at any time preceding Ernst & Young's replacement.

22

At no time during Price Legacy's 1999 or 2000 fiscal years, or during the interim period subsequent to the year ended December 31, 2000 prior to PricewaterhouseCoopers' appointment, did Price Legacy consult with PricewaterhouseCoopers regarding the application of accounting principles to any transaction, the type of audit opinion that might be rendered on Price Legacy's financial statements, or any disagreement or reportable event.

Price Legacy requested that Ernst & Young furnish it with a letter addressed to the SEC stating whether or not it agrees with the above statements. A copy of the letter provided by Ernst & Young, dated October 29, 2001, was filed with Price Legacy's Current Report on Form 8-K filed with the SEC on October 31, 2001.

COMPLIANCE WITH SECTION 16(A) OF THE EXCHANGE ACT

Under Section 16(a) of the Securities Exchange Act of 1934, as amended, directors, executive officers and beneficial owners of ten percent or more of Price Legacy's common stock (Reporting Persons) are required to report to the SEC on a timely basis the initiation of their status as a Reporting Person and any changes with respect to their beneficial ownership of the common stock. Regulations promulgated by the SEC require Price Legacy to disclose in this proxy statement any reporting violations in 2001 that came to Price Legacy's attention based on a review of the applicable filings required by the SEC of each Reporting Person or such changes in beneficial ownership as submitted to Price Legacy. Based solely on its review of the forms received by it, Price Legacy believes that all filing requirements applicable to its executive officers, directors and beneficial owners of more than ten percent of the common stock were complied with during 2001.

OTHER BUSINESS

No other matters are to be presented for action at the annual meeting other than as set forth in this proxy statement. If other matters should properly come before the annual meeting, however, the persons named in the accompanying proxy will vote all proxies in accordance with their best judgment.
