PROXY STATEMENT
For
ANNUAL MEETING OF STOCKHOLDERS
To Be Held On June 20, 2002

GENERAL QUESTIONS AND ANSWERS

Q:
When is the Proxy Statement being mailed?

A:
This Proxy Statement is first being mailed on or about May 6, 2002 to our stockholders by our Board of Directors to solicit proxies for use at the Annual Meeting.

Q:
When is the Annual Meeting and where will it be held?

A:
The Annual Meeting will be held on Thursday, June 20, 2002, at 10:30 a.m., central daylight savings time, at the Four Seasons Resort and Club, 4150 North MacArthur Boulevard, Irving, Texas.

Q:
Who may attend the Annual Meeting?

A:
All of our stockholders may attend the Annual Meeting.

Q:
Who is entitled to vote?

A:
Stockholders as of the close of business on April 26, 2002 are entitled to vote at the Annual Meeting. Each share of our common stock is entitled to one vote.

Q:
On what am I voting?

A:
You will be voting on:

The election of six members to our Board of Directors to serve until the next annual meeting of stockholders; and

Such other business as may properly come before the Annual Meeting or any adjournments thereof.

Q:
How do I vote?

A:
You may vote by either attending the Annual Meeting or signing and dating each proxy card you receive and returning it in the enclosed prepaid envelope. We encourage you to complete and send in your proxy card.

All shares represented by valid proxies, unless the stockholder otherwise specifies, will be voted:

Edgar Filing: MICHAELS STORES INC - Form DEF 14A

"FOR" the election of each of the persons identified in "Proposal For Election of Directors" as nominees for election as directors; and

At the discretion of the proxy holders with regard to any other matter that may properly come before the Annual Meeting.

If you properly specify how your proxy is to be voted, your proxy will be voted accordingly. If you sign and send in your proxy but do not indicate how you want to vote, your proxy will be counted as a vote for each of the nominees for election as directors.

Q:

If I abstain from voting or withhold authority to vote for any director nominee, will my shares be counted in the vote?

A:

If you abstain from voting or elect to withhold authority to vote for any director nominee, your shares will not be counted in the vote for that nominee.

Q:

If my shares are held in "street name" by my broker, will my broker vote my shares for me?

A:

Your broker has limited discretion to vote street name shares without your instructions. For example, your broker could vote your shares without your instructions on the proposal for election of directors. To be sure your shares are voted, you should instruct your broker to vote your shares using the instructions provided by your broker. If you do not instruct your broker on how to vote your shares, your shares may not be counted in the vote on the proposal for election of directors.

Q:

Can I change my vote after I mail my proxy?

A:

Yes. You can change your vote at any time before your proxy is voted at the Annual Meeting. You may revoke your proxy by:

delivering, no later than 5:00 p.m., central daylight savings time, on June 19, 2002, written notice of revocation to Computershare Investor Services, L.L.C., 1601 Elm Street, Suite 4340, Dallas, Texas 75201; or

attending the Annual Meeting and voting in person. Your attendance alone will not revoke your proxy. You must also vote in person at the Annual Meeting.

If you instruct a broker to vote your shares, you must follow your broker's directions for changing those instructions.

Q:

What does it mean if I receive more than one proxy card?

A:

If you receive more than one proxy card, it is because your shares are in more than one account. You will need to sign and return all proxy cards to ensure that all your shares are voted.

Q:

Who will count the vote?

A:

Representatives of Computershare Investor Services, L.L.C., our transfer agent, will tabulate the votes and act as inspectors of election.

Q:

What constitutes a quorum?

A:

Edgar Filing: MICHAELS STORES INC - Form DEF 14A

As of April 26, 2002, the record date, 66,279,212 shares of our common stock were issued and outstanding. A majority of the issued and outstanding shares, present or represented by proxy, will constitute a quorum for the transaction of business at the Annual Meeting. If you submit a properly executed proxy card, then your shares will be counted as part of the quorum. Votes that are withheld and broker non-votes will be counted towards a quorum but will be excluded from any vote.

Q:
What is the required vote for election of each director?

A:
The required vote for election of each director is a plurality of the votes of the shares of common stock having voting power present or represented by proxy at the Annual Meeting.

2

Q:
How much did this proxy solicitation cost?

A:
We have hired Morrow & Co., Inc. to assist us in the distribution of proxy materials and solicitation of votes at a cost of approximately \$7,500, plus out-of-pocket expenses. We will reimburse brokerage firms and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy and solicitation materials to the owners of our common stock. Our officers and regular employees may also solicit proxies, but they will not be specifically compensated for these services.

3

PROPOSAL FOR ELECTION OF DIRECTORS

Our Board of Directors has six members, a majority of whom are independent directors. Each director serves until the next annual meeting of stockholders and until his or her successor is duly elected and qualified or until the earlier of his or her resignation, death or removal. The nominees have indicated their willingness to serve as members of the Board if elected; however, in case any nominee becomes unavailable for election to the Board for any reason not presently known or contemplated, the proxy holders have discretionary authority to vote the proxy for a substitute nominee or nominees. Proxies cannot be voted for more than six nominees. Set forth below is information as to the nominees for election at the Annual Meeting, including their ages, present principal occupations, other business experiences during the last five years, membership on committees of the Board and directorships in other publicly-held companies.

The potential realizable value portion of the foregoing table illustrates value that might be realized upon exercise of the options immediately prior to the expiration of their term, assuming the specified compounded rates of appreciation on our common stock over the term of the options. These numbers do not take into account provisions of certain options providing for termination of the options following termination of employment, nontransferability or vesting over periods. The use of the assumed 5% and 10% returns is established by the Securities and Exchange Commission and is not intended by Michaels to forecast possible future appreciation of the price of our common stock.

(2)

Options to acquire shares of common stock. Stock options will become exercisable with respect to $\frac{1}{3}$ of the shares covered thereby on each of July 31, 2002, July 31, 2003 and July 31, 2004. The number of shares has been adjusted to retroactively reflect a two-for-one stock split effected in the form of a stock dividend to stockholders of record as of the close of business on November 12, 2001.

(3)

The option exercise price may be paid in shares of common stock owned by the Named Executives, in cash, or in any other form of valid consideration or a combination of any of the foregoing, in some cases as determined by the Board of Directors or the committee of the Board of Directors that administers the plan under which the options were granted in their discretion. The exercise price of each option was equal to the fair market value of the common stock on the date of grant.

Compensation of Directors

Effective July 26, 2001, Michaels paid Charles J. Wyly, Jr. \$37,500 per month for serving as Chairman of the Board and Sam Wyly \$18,750 per month for serving as Vice Chairman of the Board. Prior to July 26, 2001, Sam Wyly was paid \$37,500 per month for serving as Chairman of the Board and Charles J. Wyly, Jr. was paid \$18,750 per month for serving as Vice Chairman of the Board.

Messrs. Hanlon and Marcus and Mmes. Minyard and VanStory each receive an annual fee of \$24,000 as members of the Board and a fee of \$1,000 for attendance at each regular or special Board meeting. Messrs. Hanlon and Marcus and Ms. VanStory each receive a fee of \$1,000 for attendance at each meeting of the Audit Committee.

Employment, Severance and Change of Control Agreements

In March 2001, Michaels entered into a new employment agreement with R. Michael Rouleau, the President and Chief Executive Officer of Michaels. The employment agreement is for a term expiring on January 31, 2006 with provisions for annual automatic one-year extensions unless Michaels gives notice of non-extension 120 days prior to any expiration date. Under the employment agreement, Mr. Rouleau is entitled to receive an annual base salary of \$675,000, or such higher amount as the Board of Directors or Compensation Committee shall determine, and standard executive officer benefits. Additionally, he is allowed to participate in a bonus plan in any year in which a bonus plan is established. For fiscal 2001, Mr. Rouleau received a bonus of \$390,000 pursuant to a bonus plan based upon the attainment by Michaels of certain performance goals. Upon a change of control of Michaels or if Michaels terminates Mr. Rouleau's employment (other than for cause) prior to the expiration of the employment agreement, Mr. Rouleau is entitled to continue to receive his base salary and other benefits until January 31, 2006. If Mr. Rouleau's employment is terminated for any reason, at any time, all unvested options then held by him will immediately become fully exercisable and Mr. Rouleau will be entitled to the value of any unvested interest he may have in our 401(k) Plan.

Michaels has an agreement with Douglas B. Sullivan, an executive officer of Michaels, which provides for his employment by Michaels to age 65 upon a change of control of Michaels for a salary not less than his annual salary immediately preceding the change of control and allows him to participate in bonuses with other key

management personnel of Michaels. This agreement (i) is currently for a term expiring on April 5, 2005 with provisions for annual automatic one-year extensions unless Michaels gives notice of non-extension six months prior to any extension date and, upon a change of control, an additional extension of twelve months and (ii) requires Michaels to pay to Mr. Sullivan, if his employment is terminated on or prior to his 65th birthday and within one year of a change of control, a sum equal to his salary and bonus during the twelve-month period immediately preceding termination.

Compensation and Stock Option Committee Interlocks and Insider Participation

REPORT OF THE COMPENSATION COMMITTEE

What is our compensation philosophy?

The objectives of our executive compensation program are to:

attract and retain highly qualified and productive people;

motivate employees to high levels of performance;

differentiate individual pay based on performance;

ensure external competitiveness and internal equity; and

align company, employee and stockholder interests.

We do not believe in "bargain rate" executive compensation. Instead, we believe that outstanding executives should be compensated generously, both in cash compensation in amounts sufficient to preempt other opportunities for such executives and in stock option awards which align such executives' interests with the interests of the stockholders and stimulate focus on long-term stockholder value enhancement.

How is compensation determined?

In determining base pay, the Compensation Committee considers an individual's experience and prior performance as well as our operating performance and the attainment of planned financial and strategic initiatives. The experience, performance and attainment of initiatives are evaluated by the Compensation Committee on a subjective basis and no particular weight is given to any particular factor.

In determining executive bonuses, the Compensation Committee provides financial incentives to those members of management who can make an important contribution to our success by tying the bonuses to the attainment of certain financial objectives which may be different from individual to individual. Each participating executive is entitled to a bonus equal to a certain percentage of that executive's salary based upon the attainment of such objectives.

In determining compensation through stock option awards, the committee of the Board administering each of our stock option plans (or the Board as a whole) makes discretionary grants, based upon the level of responsibility and performance of the individual grantee.

How are our incentive compensation programs used to focus management on increasing stockholder value?

Edgar Filing: MICHAELS STORES INC - Form DEF 14A

We maintain stock option plans for our executive officers, directors and key employees. We believe that the grant of options aligns executive and stockholder long-term interests by creating a strong and direct link between executive compensation and stockholder return. The grant of options also allows executives to develop and maintain a long-term ownership position in our common stock.

How have we responded to the IRS limits on deductibility of compensation?

Options granted under our 1997 Stock Option Plan and 2001 General Stock Option Plan are intended to meet the performance based compensation exception to the annual \$1,000,000 limitation on the tax deduction we may claim for compensation of certain executives. However, our executive bonus program does not meet the exception to the IRS deduction limitation.

13

How is the CEO compensated?

As our Chief Executive Officer, Mr. Rouleau received a base salary of \$670,193 during fiscal year 2001. Mr. Rouleau's incentive compensation for fiscal year 2001, in the form of a bonus, was based upon the attainment of specified financial objectives. With respect to fiscal year 2001, Mr. Rouleau received \$390,000 in a cash bonus. Mr. Rouleau also received stock options for 200,000 shares of common stock.

How are the other executive officers compensated?

Our other executive officers usually receive base salaries, annual cash bonuses, long-term incentive compensation in the form of stock options and various benefits. As described above, the Compensation Committee annually reviews the compensation for our executive officers and determines the compensation for each executive based upon the executive's performance, our attainment of certain financial and strategic objectives and other factors. The Compensation Committee, in administering the 1997 Stock Option Plan and the 2001 General Stock Option Plan, also evaluates the executive officers' performance in determining whether to grant any stock options to the executives.

This report is submitted by the members of the Compensation Committee, which, since October 5, 2001, has performed the additional duties of administering the 1997 Stock Option Plan, the 2001 Employee Stock Option Plan and the 2001 General Stock Option Plan:

In each case, we assumed an initial investment of \$100 on January 31, 1997. Dates on the following chart represent the last trading day of the indicated fiscal year. INDEPENDENT AUDITORS

We have engaged Ernst & Young LLP as independent auditors to audit and report to our stockholders on our financial statements for fiscal 2002. During fiscal 2001, there were no disagreements with Ernst & Young LLP on any matter of accounting principle or practice, financial statement disclosure or auditing scope or procedure, which, if not resolved to the satisfaction of Ernst & Young LLP, would have caused them to make a reference to the subject matter of the disagreement in connection with its reports.

Representatives of Ernst & Young LLP are expected to be present at the Annual Meeting and will have the opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions.

FISCAL 2001 INDEPENDENT AUDITORS' FEES

Audit Fees

We paid Ernst & Young LLP \$448,000 in aggregate fees for the audit of our fiscal 2001 annual financial statements and reviews of our financial statements included in our reports on Form 10-Q for that year.

Financial Information Systems Design and Implementation Fees

We did not pay any fees to Ernst & Young LLP for professional services rendered in fiscal 2001 with respect to financial information systems design and implementation.

All Other Fees

We paid Ernst & Young LLP \$339,000 in aggregate fees for all other services rendered by it during fiscal year 2001, including audit-related services of \$175,000 and non-audit-related services of \$164,000. Audit-related services generally include fees for pension and statutory audits and registration statements filed with the Securities and Exchange Commission.

AUDIT COMMITTEE REPORT

The Audit Committee Charter requires our Audit Committee to undertake a variety of activities designed to assist our Board in fulfilling its oversight role regarding our auditors' independence, our financial reporting process, our systems of internal control and our compliance with applicable laws, rules and regulations. The Charter also makes it clear that the independent auditors are ultimately accountable to the Board and the Audit Committee, not management.

The internal accountants of Michaels prepare its consolidated financial statements and Michaels' independent auditors are responsible for auditing those financial statements. The Audit Committee monitors and reviews the financial reporting processes implemented by management, but does not conduct any auditing or accounting reviews. The members of the Audit Committee are not employees of Michaels and do not represent themselves as experts in the field of accounting or auditing. Instead, the Audit Committee relies, without independent verification, on management's representation that the financial statements have been prepared in conformity with generally accepted accounting principles and on the representations of our independent auditors included in their report on our financial statements. The Audit Committee's oversight does not provide them with an independent basis for determining whether management has maintained appropriate accounting and financial reporting principles or policies or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's discussions with management and its auditors do not insure that the financial statements are presented in accordance with generally accepted accounting principles, that the audit of the financial statements has been carried out in accordance with generally accepted auditing standards or that the independent accountants are in fact "independent."

The Audit Committee is currently composed of three outside directors who are not officers or employees of Michaels. All members of the Audit Committee are independent as defined by the listing standards of the New York Stock Exchange.

The Audit Committee has reviewed and discussed with our management and Ernst & Young LLP, our independent auditors, the audited financial statements of Michaels contained in our Annual Report on Form 10-K for the fiscal year ended February 2, 2002. The Audit Committee has also discussed with our independent auditors the matters required to be discussed pursuant to SAS No. 61 and SAS No. 90 (Codification of Statements on Auditing Standards, *Communication with Audit Committees*).

The Audit Committee has also received and reviewed the written disclosures and the letter from Ernst & Young LLP required by Independence Standards Board Standard No. 1 ("Independence Discussions with Audit Committees") and has discussed with Ernst & Young LLP their independence.

Based on the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended February 2, 2002, as filed with the Securities and Exchange Commission.

The Audit Committee considered whether, and concluded that, the provision by Ernst & Young LLP of the services referred to under "All Other Fees" is compatible with maintaining the independence of Ernst & Young LLP.
