Dear Fellow Stockholder,

You are cordially invited to attend the 2011 Annual Meeting of Stockholders of Invesco Mortgage Capital Inc., which will be held on Monday, May 9, 2011 at 3:00 p.m., Eastern Time, in the Appalachians Room, 18th Floor, at our headquarters, located at Two Peachtree Pointe, 1555 Peachtree Street N.E., Atlanta, Georgia 30309. Details of the business to be presented at the meeting can be found in the accompanying Notice of Annual Meeting and Proxy Statement.

We are pleased to again this year furnish proxy materials to our stockholders over the Internet. The e-proxy process expedites stockholders' receipt of proxy materials and lowers the costs and reduces the environmental impact of our Annual Meeting. On March 30, 2011, we mailed to our stockholders a Notice of Internet Availability of Proxy Materials ("Notice"). The Notice contained instructions on how to access our 2011 Proxy Statement, Annual Report on Form 10-K and other soliciting materials and how to vote. The Notice also contains instructions on how you can request a paper copy of the Proxy Statement and Annual Report if you so desire.

We hope you are planning to attend the meeting. Your vote is important and we encourage you to vote promptly. Whether or not you are able to attend the meeting in person, please follow the instructions contained in the Notice on how to vote via the Internet or via the toll-free telephone number, or request a paper proxy card to complete, sign and return by mail so that your shares may be voted.

On behalf of the Board of Directors, I extend our appreciation for your continued support.

Yours sincerely,
Neil Williams
Chairman

PROXY STATEMENT

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Invesco Mortgage Capital Inc. (“Board” or “Board of Directors”) for the Annual Meeting to be held on Monday, May 9, 2011, at 3:00 p.m. Eastern Time. In this Proxy Statement, except where the context suggests otherwise, the terms “company,” “we,” “us,” and “our” refer to Invesco Mortgage Capital Inc., together with its consolidated subsidiaries, including IAS Operating Partnership LP, which we refer to as “our operating partnership;” “our Manager” refers to Invesco Advisers, Inc., our external manager; “Invesco” refers to Invesco Ltd., together with its consolidated subsidiaries (other than us), the indirect parent company of our Manager.

Questions and Answers About Voting Your Common Stock

Why did I receive this Proxy Statement?

You have received these proxy materials because the company’s Board of Directors is soliciting your proxy to vote your shares at the Annual Meeting on May 9, 2011. This proxy statement includes information that is designed to assist you in voting your shares and information that we are required to provide to you under the rules of the Securities and Exchange Commission (“SEC”).

What is a proxy?

A “proxy” is a written authorization from you to another person that allows such person (the “proxy holder”) to vote your shares on your behalf. The Board of Directors is asking you to allow any of the following persons to vote your shares at the Annual Meeting: Neil Williams, Chairman of the Board of Directors; Richard J. King, President and Chief Executive Officer; John M. Anzalone, Chief Investment Officer, Donald R. Ramon, Chief Financial Officer and Robert H. Rigsby, Vice President and Secretary.

Why did I not receive my proxy materials in the mail?

As permitted by rules of the SEC, we are making this Proxy Statement and our Annual Report on Form 10-K for the fiscal year ended December 31, 2010 (“Annual Report”) available to our stockholders electronically via the Internet. The “e-proxy” process expedites stockholders’ receipt of proxy materials and lowers the costs and reduces the environmental impact of our Annual Meeting.

On March 30, 2011, we mailed to stockholders of record as of the close of business on March 25, 2011 (“Record Date”) a Notice of Internet Availability of Proxy Materials (“Notice”) containing instructions on how to access this Proxy Statement, our Annual Report and other soliciting materials via the Internet. If you received a Notice by mail, you will not receive a printed copy of the proxy materials in the mail. Instead, the Notice instructs you on how to access and review all of the important information contained in the Proxy Statement and Annual Report. The Notice also instructs you on how you may submit your proxy. If you received a Notice by mail and would like to receive a printed copy of our proxy materials, you should follow the instructions included in the Notice for requesting such materials.

Who is entitled to vote?

Each holder of record of company common stock on the Record Date for the Annual Meeting, is entitled to attend and vote at the Annual Meeting.

What is the difference between holding shares as a shareholder of record and as a “beneficial owner”?

· **Stockholders of Record.** You are a stockholder of record if at the close of business on the Record Date your shares were registered directly in your name with The Bank of New York Mellon, our transfer agent.

· **Beneficial Owner.** You are a beneficial owner if at the close of business on the Record Date your shares were held by a brokerage firm or other nominee and not in your name. Being a beneficial owner means that, like most of our stockholders, your shares are held in “street name.” As the beneficial owner, you have the right to direct your broker or nominee how to vote your shares by following the voting instructions your broker or other nominee provides. If you do not provide your broker or nominee with instructions on how to vote your shares, your broker or nominee will be able to vote your shares with respect to some of the proposals, but not all. Please see “What if I return a signed proxy or voting instruction card, but do not specify how my shares are to be voted?” for additional information.

· The company has requested banks, brokerage firms and other nominees who hold shares of our common stock on behalf of beneficial owners of the shares as of the close of business on the Record Date to forward the Notice to those beneficial owners. The company has agreed to pay the reasonable expenses of the banks, brokerage firms and other nominees for forwarding these materials.

How many votes do I have?

Every holder of a share of common stock on the Record Date will be entitled to one vote per share for each Director to be elected at the Annual Meeting and to one vote per share on each other matter presented at the Annual Meeting. On the Record Date, there are 69,303,908 shares of common stock outstanding and entitled to vote at the Annual Meeting. As this document was being finalized, however, we were conducting a follow-on common stock offering that is scheduled to close on the Record Date. In the event that the underwriters in such offering exercise their over-allotment option in full, the number of shares of common stock outstanding as of the Record Date will increase to 72,153,908.

What proposals are being presented at the Annual Meeting?

The company intends to present proposals numbered one through four for stockholder consideration and voting at the Annual Meeting. These proposals are for:

1. Election of five (5) members of the Board of Directors;
2. Advisory vote to approve executive compensation;
3. Advisory vote on the frequency of holding future advisory votes on executive compensation; and
4. Appointment of Grant Thornton LLP as the company's independent registered public accounting firm.

Other than the matters set forth in this Proxy Statement and matters incident to the conduct of the Annual Meeting, the company does not know of any business or proposals to be considered at the Annual Meeting. If any other business is proposed and properly presented at the Annual Meeting, the proxies received from our stockholders give the proxy holders the authority to vote on such matter in their discretion.

How does the Board of Directors recommend that I vote?
The Board of Directors recommends that you vote:

· FOR the election of the five (5) directors nominated by our Board and named in this proxy statement;

- FOR the approval, on an advisory basis, of the compensation of our named executive officers;
- FOR the approval, on an advisory basis, of an advisory vote on executive compensation once every three years; and
- FOR appointment of Grant Thornton LLP as the company's independent registered public accounting firm.

How do I attend the Annual General Meeting?

All stockholders are invited to attend the Annual Meeting. An admission ticket (or other proof of share ownership) and some form of government-issued photo identification (such as a valid driver's license or passport) will be required for admission to the Annual Meeting. Only stockholders who own company common stock as of the close of business on the Record Date and invited guests will be entitled to attend the meeting. An admission ticket will serve as verification of your ownership. Registration will begin at 2:00 p.m. Eastern Time and the Annual Meeting will begin at 3:00 p.m. Eastern Time.

- If your company shares are registered in your name and you received or accessed your proxy materials electronically via the Internet, click the appropriate box on the electronic proxy card or follow the telephone instructions when prompted and an admission ticket will be held for you at the check-in area at the Annual Meeting.

- If you received your proxy materials by mail and voted by completing your proxy card and checked the box indicating that you plan to attend the meeting, an admission ticket will be held for you at the check-in area at the Annual Meeting.

- If your company shares are held in a bank or brokerage account, contact your bank or broker to obtain a written legal proxy in order to vote your shares at the meeting. If you do not obtain a legal proxy from your bank or broker, you will not be entitled to vote your shares, but you can still attend the Annual Meeting if you bring a recent bank or brokerage statement showing that you owned our common stock on the Record Date. You should report to the check-in area for admission to the Annual Meeting.

How do I vote and what are the voting deadlines? You may vote your shares in person at the Annual Meeting or by proxy. There are three ways to vote by proxy:

- Via the Internet: You can submit a proxy via the Internet until 11:59 p.m. Eastern Time on May 8, 2011, by accessing the web site <http://www.proxyvoting.com/ivr> and following the instructions you will find on the web site. Internet proxy submission is available 24 hours a day. You will be given the opportunity to confirm that your instructions have been properly recorded.

- By Telephone: You can submit a proxy by telephone until 11:59 p.m. Eastern Time on May 8, 2011, by calling toll-free 1-866-540-5760 (from the U.S. and Canada) and following the instructions.

- By Mail: If you have received your proxy materials by mail, you can vote by marking, dating and signing your proxy card and returning it by mail in the enclosed postage-paid envelope. If you hold your common stock in an account with a bank or broker (i.e. in “street name”), you can vote by following the instructions on the voting instruction card provided to you by your bank or broker. Proxy cards returned by mail must be received no later than the close of business on May 8, 2011.

Even if you plan to be present at the Annual Meeting, we encourage you to vote your common stock by proxy using one of the methods

described above. Stockholders of record who attend the meeting may vote their common stock in person, even though they have sent in proxies.

May I change or revoke my vote?

Yes. You may change your vote in one of several ways at any time before it is exercised:

- Grant a subsequent proxy via the Internet or telephone;
- Submit another proxy card (or voting instruction card) with a date later than your previously delivered proxy card (or voting instruction card);
- Notify our Secretary in writing before the Annual Meeting that you are revoking your proxy or, if you hold your shares in “street name,” follow the instructions on the voting instruction card; or

- If you are a shareholder of record, or a beneficial owner with a proxy from the shareholder of record, vote in person at the Annual Meeting.

What will happen if I do not vote my shares? • **Shareholders of Record.** If you are the shareholder of record of your shares and you do not vote in person at the Annual Meeting, or by proxy via the Internet, by telephone, or by mail, your shares will not be voted at the Annual Meeting.

- **Beneficial Owners.** If you are the beneficial owner of your shares, your broker or nominee may vote your shares only on those proposals on which it has discretion to vote. Under the rules of the New York Stock Exchange (“NYSE”), your broker or nominee has discretion to vote your shares on routine matters, such as Proposal 4, but does not have discretion to vote your shares on non-routine matters, such as Proposals 1, 2 and 3. Therefore, if you do not instruct your broker as to how to vote your shares on Proposals 1, 2 or 3, this would be a “broker non-vote,” and your shares would not be counted as having been voted on the applicable proposal. We therefore strongly encourage you to instruct your broker or nominee on how you wish to vote your shares.

What is the effect of a broker non-vote or abstention? Under NYSE rules, brokers or other nominees who hold shares for a beneficial owner have the discretion to vote on a limited number of routine proposals when they have not received voting instructions from the beneficial owner at least ten days prior to the Annual Meeting. A “broker non-vote” occurs when a broker or other nominee does not receive such voting instructions and does not have the discretion to vote the shares. Pursuant to Maryland law, broker non-votes and abstentions are not included in the determination of the shares of common stock voting on such matter, but are counted for quorum purposes.

What if I return a signed proxy or voting instruction card, but do not specify how my shares are to be voted? • **Shareholders of Record.** If you are a shareholder of record and you submit a proxy, but you do not provide voting instructions, all of your shares will be voted FOR Proposals 1, 2, 3 and 4.

- **Beneficial Owners.** If you are a beneficial owner and you do not provide the broker or other nominee that holds your shares with voting instructions, the broker or other nominee will determine if it has the discretionary authority to vote on the particular matter. Under NYSE rules, brokers and other nominees have the discretion to vote on routine matters, such as Proposal 4, but do not have discretion to vote on non-routine matters, such as Proposals 1, 2 and 3. Therefore, if you do not provide voting instructions to your broker or other nominee, your broker or other nominee may only vote your shares on Proposal 4 and any other routine matters properly

presented for a vote at the Annual Meeting.

What does it mean if I
receive more than one Notice
of Internet Availability of
Proxy Materials?

It means you own company common stock in more than one account, such as individually and jointly with another person. Please vote all of your common stock. Beneficial owners sharing an address who are receiving multiple copies of the Notice or the proxy materials may contact their broker, bank or other nominee to request that only a single copy of such document(s) be mailed to all stockholders at the shared address in the future. In addition, if you are the beneficial owner, your broker, bank or other nominee may deliver only one copy of the Notice or the proxy materials to multiple stockholders who share an address unless that broker, bank or other nominee has received contrary instructions from one or more of the beneficial owners. We will deliver promptly, upon request, a separate copy of the Notice or other proxy materials to a stockholder at a shared address to which a single copy of such document(s) was delivered. Stockholders who wish to receive a separate written copy of such documents, now or in the future, should submit their request to our Secretary via e-mail to: company.secretary@invescomortgagecapital.com or by writing Invesco Mortgage Capital Inc., Attn: Office of the Secretary, 1555 Peachtree Street N.E., Atlanta, Georgia 30309.

What is a quorum?	A quorum is necessary to hold a valid meeting. The presence, in person or by proxy, of stockholders entitled to cast a majority of all the votes entitled to be cast at such meeting on any matter shall constitute a quorum for the conduct of business.
What vote is required in order to approve each proposal?	<p>For each proposal, other than Proposal 3, the affirmative vote of a majority of the votes cast on such proposal at the Annual Meeting is required. Votes “cast” include only votes cast with respect to shares present in person or represented by proxy and excludes abstentions and broker non-votes.</p> <p>For Proposal 3, the option of one year, two years or three years that receives the highest number of votes cast by shareholders (a “plurality”) will be the frequency for the advisory vote on executive compensation that has been selected by shareholders. However, because this vote is advisory and not binding on the Board of Directors, the Board may decide that it is in the best interests of our shareholders and the company to hold an advisory vote on executive compensation more or less frequently than the choice approved by a plurality of our shareholders.</p>
How will voting on any other business be conducted?	Other than the matters set forth in this Proxy Statement and matters incident to the conduct of the Annual Meeting, we do not know of any business or proposals to be considered at the Annual Meeting. If any other business is proposed and properly presented at the Annual Meeting, the persons named as proxies will vote on the matter in their discretion.
What happens if the Annual Meeting is adjourned or postponed?	Your proxy will still be effective and will be voted at the rescheduled Annual Meeting. You will still be able to change or revoke your proxy until it is voted.
Who will count the votes?	A representative of The Bank of New York Mellon, our transfer agent, will act as the inspector of election and will tabulate the votes.
How can I find the results of the Annual Meeting?	Preliminary results will be announced at the Annual Meeting. Final results will be published in a Current Report on Form 8-K that we will file with the SEC within four (4) business days after the Annual Meeting.
Who is paying for the costs of this proxy solicitation?	We will bear the expense of soliciting proxies. Proxies may also be solicited in person, by telephone or electronically by company personnel who will not receive additional compensation for such solicitation. Copies of proxy materials and our Annual Report will be supplied to brokers and other nominees for the purpose of soliciting proxies from beneficial owners, and we will reimburse

such brokers or other nominees for their reasonable expenses.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

GENERAL

Our Board of Directors currently has five directors, each of whom is serving a one-year term of office that continues until the Annual Meeting in 2011, or until such director's successor has been duly elected and qualified, or such director is removed from office or such director's office is otherwise earlier vacated.

The Board has nominated G. Mark Armour, James S. Balloun, John S. Day, Karen Dunn Kelley and Neil Williams for election as directors of the company for a term ending at the 2012 annual meeting. All of such nominees are current directors of the company. Each nominee has indicated to the company that he or she would serve if elected.

Under our Bylaws, at any general meeting held for the purpose of electing directors at which a quorum is present, each director nominee receiving a majority of the votes cast with respect to such nominee at the meeting will be elected as a director. If a nominee for director who is an incumbent director is not elected and no successor has been elected at the meeting, the director is required under our Bylaws to submit his or her resignation as a director. Our Nominating and Corporate Governance Committee would then make a recommendation to the full Board on whether to accept or reject the resignation. If the resignation is not accepted by the Board, the director will continue to serve until the next annual meeting and until his or her successor is duly elected, or his or her earlier resignation or removal. If the director's resignation is accepted by the Board, then the Board, in its sole discretion, may fill the vacancy or decrease the size of the Board. However, if the number of nominees exceeds the number of positions available for the election of directors, the directors so elected shall be those nominees who have received the greatest number of votes and at least a majority of the votes cast in person or by proxy.

For a director to be considered independent, the Board must affirmatively determine that the director does not have any material relationship with the company either directly or as a partner, stockholder or officer of an organization that has a relationship with the company. Such determinations are made and disclosed pursuant to applicable NYSE or other rules. A material relationship can include, but is not limited to, commercial, industrial, banking, consulting, legal, accounting, charitable and family relationships. In accordance with the rules of the NYSE, the Board has affirmatively determined that it is currently composed of a majority of independent directors, and that the following directors are independent and do not have a material relationship with the company: James S. Balloun, John S. Day and Neil Williams.

Director and Nominee Qualifications to Serve on our Board

As described in greater detail below, the Board believes that there are certain minimum qualifications that each director nominee must satisfy in order to be suitable for a position as a director. (See below under the caption “THE NOMINATING AND CORPORATE GOVERNANCE COMMITTEE.”) The Board believes that, consistent with these requirements, each member of our Board displays a high degree of personal and professional integrity, an ability to exercise sound business judgment on a broad range of issues, sufficient experience and background to have an appreciation of the issues facing our company, a willingness to devote the necessary time to Board duties, a commitment to representing the best interests of the company and its stockholders and a dedication to enhancing stockholder value. The Board does not consider individual directors to be responsible for particular areas of the Board’s focus or specific categories of issues that may come before it. Rather, the Board seeks to assemble a group of directors that, as a whole, represents a mix of experiences and skills that allows appropriate deliberation on all issues that the Board might be likely to consider. Set forth below is a brief description of the particular experience or skills of each director that led the Board to conclude that such person should serve as a director in light of our business and structure.

G. Mark Armour – Mr. Armour has spent over 26 years in the investment management industry, including as an investment professional, and in a series of executive management positions, such as managing investment professionals, risk committee oversight and as a former director of publicly listed companies. Through his decades of involvement in all aspects of investment management, he has gained an extensive understanding of many different facets of our organization, which give his participation in our Board’s deliberations significant weight.

James S. Balloun - Mr. Balloun has extensive experience as both a chairman and chief executive officer of public companies in a variety of industries. Prior to fulfilling these senior leadership roles, Mr. Balloun had counseled management at some of the world’s largest companies during his over thirty-year career at one of the world’s most respected business consulting firms. Mr. Balloun’s broad appreciation for international business issues garnered over this extraordinary career has made him a particularly valuable addition to our directors’ mix of skills.

John S. Day - Mr. Day has amassed extensive experience in finance and accounting, having served for nearly three decades at two of the world’s largest accounting firms. Board of Directors and Committees. Our business is managed by our Manager, subject to the supervision and oversight of our Board of Directors, which has established investment guidelines for our Manager to follow in its day-to-day management of our business. A majority of our Board of Directors is “independent,” as determined by the requirements of the NYSE and the regulations of the SEC. Our directors keep informed about our business by attending meetings of our Board of Directors and its committees and through supplemental reports and communications. Our independent directors meet regularly in executive sessions without the presence of our corporate officers or non-independent directors.

Our Board of Directors has formed an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee and has adopted charters for each of these committees. Each of these committees has three directors and is composed exclusively of independent directors, as defined by the listing standards of the NYSE. Moreover, the Compensation Committee is composed exclusively of individuals intended to be, to the extent provided by Rule 16b-3 of the Exchange Act, non-employee directors and will, at such

times as we are subject to Section 162(m) of the Internal Revenue Code, qualify as outside directors for purposes of Section 162(m) of the Internal Revenue Code.

Corporate Governance Guidelines. The Board has also adopted Corporate Governance Guidelines (“Guidelines”) which are available in the corporate governance section of the company’s Web site at www.invescomortgagecapital.com (the “company’s Web site”). The Corporate Governance Guidelines set forth the practices the Board follows with respect to, among other matters, the composition of the Board, director responsibilities, Board committees, director access to officers, employees and independent advisors, director compensation and performance evaluation of the Board.

Board Leadership Structure. As described in the Guidelines, the company’s business is conducted day-to-day by its officers and our external Manager, under the direction of the chief executive officer and the oversight of the Board, to enhance the long-term value of the company for its stockholders. The Board is elected by the stockholders to oversee the officers of the company and our external Manager and to assure that the long-term interests of the stockholders are being served. In light of these differences in the fundamental roles of the Board and management, the company has chosen to separate the chief executive officer and Board chairman positions. The separation of these roles: (i) allows the Board to more effectively monitor and objectively evaluate the performance of the chief executive officer, such that the chief executive officer is more likely to be held accountable for his performance, (ii) allows the non-executive chairman to control the Board’s agenda and information flow, and (iii) creates an atmosphere in which other directors are more likely to challenge the chief executive officer and other members of our senior management team. For these reasons, the company believes that this board leadership structure is currently the most appropriate structure for the company. Nevertheless, the Board may reassess the appropriateness of the existing structure at any time, including following changes in Board composition, in management, or in the character of the company’s business and operations.

Code of Conduct. Our Board of Directors has established a code of ethics that applies to our officers and directors and to our Manager’s officers, directors and personnel when such individuals are acting for or on our behalf (the “code of conduct”). Among other matters, our code of conduct is designed to deter wrongdoing and to promote:

- honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest between personal and professional relationships;
- full, fair, accurate, timely and understandable disclosure in our SEC reports and other public communications;
 - compliance with applicable governmental laws, rules and regulations;
- prompt internal reporting of violations of the code to appropriate persons identified in the code; and
 - accountability for adherence to the code.

Any waiver of the code of conduct for our executive officers or directors may be made only by our Board of Directors or one of our Board committees. The code of conduct is posted on our company’s Web site. We intend to satisfy the disclosure requirement regarding any amendment to, or a waiver of, a provision of the code of conduct by posting such information on our Web site.

Board’s Role in Risk Oversight. We believe that risk oversight responsibility rests with the full Board of Directors. Therefore, the Board has principal responsibility for oversight of the company’s risk management processes and for understanding the overall risk profile of the company. The Board has not delegated primary risk oversight responsibility to a committee of the Board, although Board committees routinely address specific risks and risk processes within their purview.

The company has in place an enterprise risk management committee consisting of executive and senior management. The committee meets regularly and maintains dialogue with the Board of Directors regarding the top risks of the

company and mitigating actions to address them. In addition, since the company is externally managed by our Manager, we rely upon the operational and investment risk oversight functions of our Manager and its Invesco affiliates. In that regard, Invesco's performance and risk professionals at its respective investment centers provide our Manager and its affiliates with investment oversight facilitation and periodic monitoring of investment risks, while Invesco's Corporate Risk Management Committee facilitates a focus on strategic, operational and all other business risks. Through regular and consistent risk communication, our Manager has reasonable assurance that all material operational and investment risks of the company are being addressed.

INFORMATION ABOUT THE BOARD AND ITS COMMITTEES

BOARD MEETINGS AND ANNUAL MEETING OF STOCKHOLDERS

During the calendar year ended December 31, 2010, the Board held seven meetings (not including committee meetings). Each director attended at least seventy-five percent (75%) of the aggregate of the total number of meetings held by the Board and the total number of meetings held by all committees of the Board on which he or she served during 2010. The Board does not have a formal policy regarding Board member attendance at stockholder meetings. The non-executive directors (those directors who are not officers or employees of the company) meet in executive session at least once per year during a regularly scheduled Board meeting without management. Neil Williams, a non-executive and independent director, presides at the executive sessions of the non-executive directors.

Below is a description of each committee of the Board. The Board has affirmatively determined that each committee consists entirely of independent directors pursuant to rules established by the NYSE and rules promulgated under the Securities Exchange Act of 1934, as amended (the “Exchange Act”).

THE AUDIT COMMITTEE

The Audit Committee is chaired by Mr. Day and consists additionally of Messrs. Balloun and Williams. The committee met five times during 2010. Under its charter, the committee:

- is comprised of at least three members of the Board, each of whom is “independent” of the company under the NYSE and SEC rules and is also “financially literate,” as defined under NYSE rules;
 - members are appointed and removed by the Board;
 - is required to meet at least quarterly;
- periodically meets with the independent auditor in separate executive sessions without members of senior management present;

- has the authority to retain independent advisors, at the company's expense, wherever it deems appropriate to fulfill its duties; and
 - reports to the Board regularly.

The committee's charter is available on the company's Web site. The charter sets forth the committee's responsibilities, which include:

- assisting the Board in fulfilling its responsibility to oversee the company's financial reporting, auditing and internal control activities, including the integrity of the company's financial statements;
 - compliance with legal and regulatory requirements;
- the independent auditor's qualifications and independence and the performance of the company's internal audit function and independent auditor;

- making recommendations to the shareholders regarding the appointment of the independent auditor and for pre-approval of its engagement to provide any audit or permitted non-audit services under agreed policies and procedures;
 - establishing hiring policies for current or former employees of its independent auditor;
- annually reviewing the independent auditor's report and evaluating its qualifications, performance and independence;
 - monitoring and reviewing the effectiveness of the company's internal audit function;
- reviewing and discussing with management and the independent auditor (i) the company's audited financial statements and related disclosures, (ii) its earnings press releases and periodic filings, (iii) its critical accounting policies, (iv) the quality and adequacy of its internal controls over financial reporting, disclosure controls and procedures, and accounting procedures, and (v) any audit problems or difficulties;
 - assisting the Board in overseeing the company's legal and regulatory compliance; and
- preparing the annual report of the Audit Committee presented in the company's proxy statement.

The committee has adopted policies and procedures for pre-approving all audit and non-audit services provided by our independent auditors. The policy is designed to ensure that the auditor's independence is not impaired. The policy provides that, before the company engages the independent auditor to render any service, the engagement must either be specifically approved by the Audit Committee or fall into one of the defined categories that have been pre-approved. (See the section of this Proxy Statement below entitled "Pre-Approval Process and Policy.")

The Board has determined that all committee members are financially literate under the NYSE listing standards. The Board has further determined that Mr. Day qualifies as an "audit committee financial expert" (as defined under the SEC's rules and regulations), that he has "accounting or related financial management expertise" and that he is "independent" of the company under SEC rules and the NYSE listing rules.

THE COMPENSATION COMMITTEE

The Compensation Committee is chaired by Mr. Balloun and consists additionally of Messrs. Day and Williams. The committee met three times during 2010. Under its charter, the committee:

- is comprised of at least three members of the Board, each of whom is "independent" of the company under the NYSE and SEC rules;
 - members are appointed and removed by the Board; and
- has the authority to retain independent advisors, at the company's expense, wherever it deems appropriate to fulfill its duties, including any compensation consulting firm.

The committee's charter is available on the company's Web site. The charter sets forth the committee's responsibilities, which include:

- annually overseeing the establishment of goals and objectives related to the chief executive officer's compensation, evaluating the performance of the chief executive officer and determining the amount of his compensation;
- reviewing and making recommendations to the Board concerning the company's overall compensation philosophy;
- annually approving the compensation structure for, and reviewing and approving the compensation of, senior officers, and overseeing the annual process for evaluating their performance;
 - overseeing the administration of the company's equity-based and other incentive compensation plans;
 - assisting the Board with executive succession planning;
- determining the compensation, including deferred compensation arrangements, for the company's non-executive directors;
 - preparing the annual report on executive officer compensation for the company's proxy statement;

- reviewing and discussing with management the proposed Compensation Discussion and Analysis disclosure; and
- determining whether to recommend the Compensation Discussion and Analysis disclosure to the Board for inclusion in the company's proxy statement.

The committee meets at least annually to review and make recommendations to the Board on the compensation of the company's non-executive directors. In reviewing and making recommendations on non-executive director compensation, the Committee considers, among other things, the following policies and principles:

- that the compensation should fairly pay the directors for the work, time commitment and efforts required by directors of an organization of the company's size and scope of business activities, including service on Board committees;
- that a component of the compensation should be designed to align the directors' interests with the long-term interests of the company's stockholders; and
- that directors' independence may be compromised or impaired for Board or committee purposes if director compensation exceeds customary levels.

No executive officer of the company is involved in determining or recommending non-executive director compensation levels. See the section of this Proxy Statement entitled “Director Compensation” below, for a more detailed discussion of compensation paid to the company’s non-executive directors during 2010.

THE NOMINATING AND CORPORATE GOVERNANCE COMMITTEE

The Nominating and Corporate Governance Committee is chaired by Mr. Williams and consists additionally of Messrs. Balloun and Day. The committee met three times during 2010. Under its charter, the committee:

- is comprised of at least three members of the Board, each of whom is “independent” of the company under the NYSE and SEC rules;
- members are appointed and removed by the Board; and
- has the authority to retain independent advisors, at the company’s expense, whenever it deems appropriate to fulfill its duties.

The committee’s charter is available on the company’s Web site. The charter sets forth the committee’s responsibilities, which include:

- establishing a policy setting forth the specific, minimum qualifications that the committee believes must be met by a nominee recommended for a position on the Board, and describing any specific qualities or skills that the committee believes are necessary for one or more of the directors to possess. Such qualifications include the requirements under NYSE and SEC rules, as well as consideration of the individual skills, experience and perspectives that will help create an effective Board;
- establishing procedures for identifying and evaluating potential nominees for director and for recommending to the Board potential nominees for election. Candidates for election to the Board are considered in light of their background and experience using the extensive personal knowledge of current directors or through the recommendations of various advisors to the company; and
- periodically reviewing and reassessing the adequacy of the Guidelines to determine whether any changes are appropriate and recommending any such changes to the Board for its approval.

The candidates proposed for election in Proposal No. 1 of this Proxy Statement were unanimously recommended by the committee to the Board.

The committee will consider candidates recommended for nomination to the Board by stockholders of the company. Stockholders may nominate candidates for election to the Board under Maryland law and our Bylaws. Our Bylaws provide that, with respect to an annual meeting of stockholders, nominations of individuals for election to our Board of Directors and the proposal of business to be considered by stockholders may be made only (1) pursuant to our notice of the meeting, (2) by or at the direction of our Board of Directors or (3) by a stockholder who is a stockholder of record both at the time of giving the notice required by our Bylaws and at the time of the meeting, who is entitled to vote at the meeting and who has complied with the advance notice provisions set forth in our Bylaws. Under our Bylaws, notice of such a proposal must generally be provided to the Secretary not earlier than the 150th day nor later than the 120th day prior to the first anniversary of the date of the proxy statement for the preceding year’s annual meeting. In addition, our Bylaws contain additional requirements applicable to any stockholder nomination, including a description of the information that must be included with any such proposal. For further information regarding deadlines for stockholder proposals, please see the section of this proxy statement below entitled “Stockholder Proposals for the 2012 Annual Meeting.” The manner in which the committee evaluates candidates recommended by

stockholders is generally the same as any other candidate. However, the committee will also seek and consider information concerning any relationship between a stockholder recommending a candidate and the candidate to determine if the candidate can represent the interests of all of the stockholders. The committee will not evaluate a candidate recommended by a stockholder unless the stockholder's proposal provides that the potential candidate has indicated a willingness to serve as a director, to comply with the expectations and requirements for Board service as publicly disclosed by the company and to provide all of the information necessary to conduct an evaluation.

The committee believes there are certain minimum qualifications that each director nominee must satisfy in order to be suitable for a position on the Board, including:

- a high degree of personal and professional integrity;
- ability to exercise sound business judgment on a broad range of issues;
- sufficient experience and professional or educational background to have an appreciation of the significant issues facing public companies that are comparable to the company;
- willingness to devote the necessary time to Board duties, including preparing for and attending meetings of the Board and its committees; and
- being prepared to represent the best interests of the company and its stockholders and being committed to enhancing stockholder value.

In considering candidates for director nominee, the committee generally assembles all information regarding a candidate's background and qualifications, evaluates a candidate's mix of skills and qualifications and determines the contribution that the candidate could be expected to make to the overall functioning of the Board, giving due consideration to the Board's balance of diversity of perspectives, backgrounds and experiences. While the committee routinely considers diversity as a part of its deliberations, it has no formal policy regarding diversity. With respect to current directors, the committee considers past participation in and contributions to the activities of the Board. The committee recommends director nominees to the Board based on its assessment of overall suitability to serve in accordance with the company's policy regarding nominations and qualifications of directors.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Our Compensation Discussion and Analysis describes our compensation program, objectives and policies for the executive officers named in this proxy statement and our executive officers generally.

Overview of Compensation Program and Philosophy

We have no employees. We are externally managed by Invesco Advisers, Inc., our Manager, pursuant to a management agreement between our Manager and us. Because the management agreement provides that our Manager is responsible for managing our affairs, our executive officers, all of whom are employees of our Manager, do not receive cash compensation from us. Instead, we pay our Manager a management fee and our Manager uses the proceeds from the management fee, in part, to pay compensation to its officers and personnel, including our executive officers. We have not paid, and do not intend to pay, any cash compensation to our named executive officers. We do not provide our named executive officers with pension benefits, perquisites or other personal benefits. We have no arrangements to make cash payments to our named executive officers upon their termination from service as our officers. While we do not pay our named executive officers any cash compensation, our Compensation Committee has granted, and may in the future grant, to our named executive officers equity awards intended to align their interests with our interests.

From the date of our organization through December 31, 2010, we reimbursed our Manager for the compensation expense of our chief financial officer in respect of the services he provided to us. Our chief financial officer is dedicated exclusively to us and, as a result, we are responsible for his total compensation. Consequently, we have reported the compensation of our chief financial officer in full for these periods in the tables set forth below.

Cash and Other Compensation

Our named executive officers and other personnel who conduct our business are employees of our Manager. Accordingly, we do not pay or accrue any salaries or bonuses to our officers.

Equity-Based Compensation - Past Practice

We adopted the Invesco Mortgage Capital Inc. 2009 Equity Incentive Plan (the “Equity Plan”) to provide incentive compensation to attract and retain qualified directors, officers, advisors, consultants and other personnel, including our Manager and its affiliates and personnel of our Manager. Our Equity Plan provides for grants of share options, restricted shares of common stock, phantom shares, dividend equivalent rights and other equity-based awards up to an aggregate of 6% of the issued and outstanding shares of our common stock (on a fully diluted basis) at the time of the award, subject to a ceiling of 40 million shares available for issuance under the plan. In making awards under the plan, our board of directors or the compensation committee, as applicable, may consider the recommendations of our Manager as to the personnel who should receive awards and the amounts of the awards.

In March 2010, we granted restricted stock units to each of our named executive officers as indicated in the tables below. Each restricted stock unit represents a contingent right to receive one share of our common stock. The restricted stock units vest in four equal annual installments beginning in March 2011. Other than with respect to awards granted to our chief financial officer, we were reimbursed for the value of these awards by means of a credit against the management fees we pay our Manager. These awards are designed to align the interests of our named executive officers with those of our stockholders by allowing our named executive officers to share in the creation of

value for our stockholders through dividends and stock appreciation. These equity awards are designed to promote the retention of management and to achieve strong performance for our company. The awards further provide flexibility to us in our ability to enable our Manager to attract, motivate and retain talented individuals at our Manager.

We believe our compensation policies are particularly appropriate since we are an externally managed real estate investment trust, or REIT. REIT regulations require us to pay at least 90% of our earnings to stockholders as dividends. As a result, we believe that our stockholders are principally interested in receiving attractive risk-adjusted dividends and growth in dividends and book value. Accordingly, we want to provide an incentive to our directors and management that rewards success in achieving these goals. We believe that equity-based awards serve to align the interests of our Manager's employees with the interests of our stockholders in receiving attractive risk-adjusted dividends and growth. We

believe that this alignment of interests provides an incentive to our Manager's employees to implement strategies that will enhance our long-term performance and promote growth in dividends and growth in book value.

Generally, in determining the specific amounts to be granted to an individual, the committee took into account factors such as the individual's position, his contribution to our company, market practices as well as the recommendations of our Manager. The committee does not use a specific formula to calculate the number of equity awards and other rights awarded to executives under our Equity Plan.

Equity-Based Compensation - Future Practice – Replacement of Previous Awards

Following further consideration of numerous alternatives for providing non-cash compensation to employees of our Manager who serve as our executive officers, including discussions with our executive officers regarding the potential forms of such compensation, our Manager has informed us that it will no longer seek for us to grant equity awards to our named executive officers (and be reimbursed for the same by our Manager by means of a credit against the management fee we pay our Manager). Rather, our Manager has determined that all future non-cash awards to employees of our Manager who serve as our executive officers should be made under the Short Term Incentive Plan ("STIP"), an incentive plan established by the parent company of our Manager, Invesco Ltd. Similar to the restricted stock units previously granted to our executive officers, such awards (the "STIP Awards") will vest in equal annual installments over a four year period. Each recipient of a STIP Award will have the option of investing the award balance into one or more investment choices determined from time to time by, or under authority delegated from, the compensation committee of Invesco Ltd. In making its decisions regarding future incentive compensation for employees of our Manager who serve as executive officers, our Manager determined that it was more appropriate for our Manager to be responsible for all of the components of compensation of its employees.

As a consequence of these determinations, in March 2011 the committee terminated the unvested portion (3/4ths) of the restricted stock units granted in March 2010 and held by our executive officers, and our Manager's parent replaced the unvested portion of such awards with new STIP Awards that would provide substantially equivalent value and be subject to substantially identical provisions regarding vesting and forfeiture. The STIP Awards granted to our named executive officers by our Manager's parent will vest in three equal annual installments in the same manner as the forfeited restricted stock units, with the initial vesting date scheduled for March 17, 2012 and the final vesting date scheduled for March 17, 2014.

Separately, in order to further encourage the alignment of interests between our executive officers and our stockholders, we intend to adopt an Executive Officer Stock Ownership Policy in May 2011. Such policy will require our executive officers to achieve a substantial ownership level in our common stock within a defined number of years. Until such ownership level is achieved, each executive officer will be required to retain 100% of the shares he acquires from any source whatsoever.

Compensation Committee Report

The compensation committee of the company has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with management and, based on such review and discussions, the committee recommended to the board that the Compensation Discussion and Analysis be included in this Proxy Statement.

Summary Compensation Table

Except for reimbursing our Manager for the compensation of our chief financial officer, as described above, we do not provide any of our executive officers with any cash compensation or bonus. Nor do we provide any executive officers with pension benefits or nonqualified deferred compensation plans. We granted restricted stock units to our named executive officers during the year ended December 31, 2010. We have not entered into any employment agreements with any persons and are not obligated to make any cash payments upon termination of employment or a change in control of us.

The following table sets forth (i) all annual compensation for our chief financial officer, and (ii) the compensation provided to our other named executive officers relating to equity awards received from us. As noted above, with the exception of our reimbursement of our Manager for the compensation of our chief financial officer, the only compensation that we have provided for named executive officers is long term equity compensation pursuant to our Equity Plan.

Grant date fair values were calculated in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification Topic 718 "Compensation – Stock Compensation." The grant date fair value was calculated by multiplying the number of shares granted by the closing price of the company's common shares on the date of grant.

The amounts disclosed do not reflect the value actually realized by the named executive officers.

As described above under the caption "Equity-Based Compensation - Future Practice – Replacement of Previous Awards," all of the unvested portion of the share awards identified in this table were cancelled in March 2011 and replaced by STIP Awards under the Invesco Ltd. Short Term Incentive Plan.

- (2) The following table reflects the items that are included in the All Other Compensation column for 2010.

All Other Compensation Table for 2010

Grants of Plan Based Awards in 2010

The following table presents information concerning plan-based awards granted to each of the named executive officers during 2010:

Name	Grant Date	Vesting (1)	All Other Share Awards (#)	Closing Market Price on Date of Grant (\$/Share)	Grant Date Fair Value of Share Awards (\$)(2)
Richard J. King	3/17/10	4-year ratable	1,762	22.70	39,997
Donald R. Ramon	3/17/10	4-year ratable	1,321	22.70	29,987
John M. Anzalone	3/17/10	4-year ratable	660	22.70	14,982

- (1) The 4-year ratable awards vest in four equal annual installments on each anniversary of the date of grant.
- (2) The grant date fair value is the total amount that the company will recognize as expense under applicable accounting requirements if the share awards fully vest. This amount is included in our Summary Compensation Table each year. Grant date fair values were calculated in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification Topic 718 “Compensation – Stock Compensation.” The grant date fair value is calculated by multiplying the number of shares granted by the closing price of our common shares on the day the award was granted.

As described above under the caption “Equity-Based Compensation - Future Practice – Replacement of Previous Awards,” all of the unvested portion of the share awards identified in this table were cancelled during March 2011 and replaced by STIP Awards under the Invesco Ltd. Short Term Incentive Plan, which will not be recognized as an expense of the company under U.S. GAAP.

Outstanding Equity Awards at Fiscal Year-End for 2010

The following table provides information about outstanding equity awards of our named executive officers as of December 31, 2010. The columns for “Option Awards” have been omitted because they are not applicable.

(2) Reflects fair value of unvested shares using December 31, 2010 closing price of \$21.84.

Options Exercised and Stock Vested for 2010

None of our named executive officers had any stock vest during the calendar year 2010. The company has not granted any options.

Pension Benefits

We do not provide any of our named executive officers with pension benefits.

Nonqualified Deferred Compensation

We do not provide any of our named executive officers with any nonqualified deferred compensation plans.

Potential Payments Upon Termination Of Employment

We do not have any employment agreements with any of our named executive officers and are not obligated to make any payments to them upon termination of employment.

Potential Post-Employment Payments and Payments on a Change in Control for 2010

None of our named executives has the right to terminate employment and receive severance payments from us and we are not required to make payments to an executive upon a change of control of us. However, all unvested restricted stock units we have granted under our equity incentive plan will vest immediately in the event of (i) death; (ii) disability; (iii) involuntary termination without cause; or (iv) termination without cause during the 24-month period following a change in control of Invesco Ltd, our Manager's parent. The following table presents the potential value our named executive officers would be entitled to in connection with such vesting and assumes that the triggering event took place on December 31, 2010. However, in accordance with SEC regulations, we do not report any amount to be provided to a named executive officer under any arrangement which does not discriminate in scope, terms or operation in favor of our named executive officers and which is available generally to all salaried employees of our Manager's parent.

Name	Benefit	Termination Without Cause Following Change in Control	Termination Without Cause (\$)	Death	Disability
		(\$)(1)	(1)	(\$)	(\$)
Richard J. King (2)	Share Awards (1)	38,482	38,482	38,482	38,482
Donald R. Ramon (2)	Share Awards (1)	28,851	28,851	28,851	28,851
John M. Anzalone (2)	Share Awards (1)	14,414	14,414	14,414	14,414

(1) In accordance with SEC regulations, this analysis assumes that the named executive officer's date of termination is December 31, 2010, and the price per share of our common shares on the date of

termination is the closing price of our common shares on the NYSE on that date, which was \$21.84. The hypothetical change of control event pertains to Invesco Ltd., our Manager's parent.

(2) Each of Messrs. King, Ramon and Anzalone is a party to an agreement that provides for a termination notice period of one, three or four months. Following any notice of termination, each such person would continue to receive salary and benefits compensation from our Manager's parent, and the vesting periods with respect to any outstanding share awards would continue to run, in the normal course until the date of termination. In accordance with SEC rules, the information presented in the above table assumes a termination date of December 31, 2010 and that the applicable notice had been given prior to such date.

PRE-APPROVAL PROCESS AND POLICY

The Audit Committee has adopted policies and procedures for pre-approving all audit and non-audit services provided by our independent auditors. The policy is designed to ensure that the auditor's independence is not impaired. The policy sets forth the Audit Committee's views on audit, audit-related, tax and other services. It provides that, before the company engages the independent auditor to render any service, the engagement must either be specifically approved

by the Audit Committee or fall into one of the defined categories that have been pre-approved. The policy defines the services and the estimated range of fees for such services that the committee has pre-approved. The term of any such categorical approval is 12 months, unless the committee specifically provides otherwise, and the policy requires the related fee levels to be set annually. Where actual invoices in respect of any service are materially in excess of the estimated range, the committee must approve such excess amount prior to payment. The policy also prohibits the company from engaging the auditors to provide certain defined non-audit services that are prohibited under SEC rules. Under the policy, the Audit Committee may delegate pre-approval authority to one or more of its members, but may not delegate such authority to the company's management. Under the policy, our management must inform the Audit Committee of each service performed by our independent auditor pursuant to the policy. Requests to the Audit Committee for separate approval must be submitted by both the independent auditor and our chief financial officer and the request must include a joint statement as to whether it is deemed consistent with the SEC's and PCAOB's rules on auditor independence.

All audit and non-audit services provided to the company and its subsidiaries by Grant Thornton during 2010 were either specifically approved or pre-approved under the policy.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Relationship to Our External Manager

In July 2009 we entered into a management agreement with Invesco Advisers, Inc., our Manager, pursuant to which our Manager provides the day-to-day management of our operations. The management agreement requires our Manager to manage our business affairs in conformity with the policies and the investment guidelines that are approved and monitored by our Board of Directors. The management agreement has an initial two-year term and will be renewed for one-year terms thereafter unless terminated by either us or our Manager. Our Manager is entitled to receive a termination fee from us, under certain circumstances. We are also obligated to reimburse certain expenses incurred by our Manager. Our Manager is entitled to receive from us a management fee.

Our executive officers are employees of Invesco. As a result, the terms of the management agreement between us and our Manager were negotiated between related parties, and the terms, including fees and other amounts payable, may not be as favorable to us as if they had been negotiated with an unaffiliated third party. With respect to 2010, we paid fees to our Manager in an aggregate amount of approximately \$8.1 million.

Grants of Equity Compensation to Our Manager, Its Personnel and Its Affiliates

Under our equity incentive plan, our Compensation Committee is authorized to approve grants of equity-based awards to, among others, our directors, officers, Manager and personnel of our Manager and its affiliates. We grant shares of restricted stock to each non-executive director as part of his compensation. Future equity awards may be made to our officers and to our Manager and its personnel and affiliates under our equity incentive plan.

Ownership of Common Stock by Affiliates

Invesco, through our Manager, beneficially owns 0.15% of our outstanding common stock. Invesco, through Invesco Investments (Bermuda) Ltd., beneficially owns 1,425,000 units of the partnership interests of our operating partnership, which is convertible into our common stock.

Registration Rights

We have entered into a registration rights agreement with regard to the common stock and OP units owned by our Manager and Invesco Investments (Bermuda) Ltd., respectively, and any shares of common stock that our Manager may elect to receive under the management agreement or otherwise. Pursuant to the registration rights agreement, we granted to our Manager and Invesco Investments (Bermuda) Ltd., respectively: (1) unlimited demand registration rights to have the shares purchased by our Manager or granted to it in the future and the shares that we may issue upon redemption of the OP units purchased by Invesco Investments (Bermuda) Ltd. registered for resale, and (2) in certain circumstances, the right to “piggy-back” these shares in registration statements we might file in connection with any future public offering so long as we retain our Manager as the manager under the management agreement.

RELATED PERSON TRANSACTION POLICY

The Board of Directors has adopted written Policies and Procedures with Respect to Related Person Transactions to address the review, approval, disapproval or ratification of related person transactions. “Related persons” include the company’s executive officers, directors, director nominees, holders of more than five percent (5%) of the company’s voting securities, immediate family members of the foregoing persons, and any entity in which any of the foregoing persons is employed, is a partner or is in a similar position, or in which such person has a 5% or greater ownership interest. A “related person transaction” means a transaction or series of transactions in which the company participates, the amount involved exceeds \$120,000, and a related person has a direct or indirect interest (with certain exceptions permitted by SEC rules). Examples might include sales, purchases and transfers of real or personal property, use of property and equipment by lease or otherwise, services received or furnished and borrowings and lendings, including guarantees.

Management is required to present for the approval or ratification of the Audit Committee all material information regarding an actual or potential related person transaction. The policy requires that, after reviewing such information, the disinterested members of the Audit Committee will approve or disapprove the transaction. Approval will be given only if the Audit Committee determines that such transaction is in, or is not inconsistent with, the best interests of the company and its stockholders. The policy further requires that in the event

management becomes aware of a related person transaction that has not been previously approved or ratified, it must be submitted to the Audit Committee promptly. The policy also permits the chairman of the Audit Committee to review and approve related person transactions in accordance with the terms of the policy between scheduled committee meetings. Any determination made pursuant to this delegated authority must be reported to the full Audit Committee at the next regularly-scheduled meeting.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires directors, officers and persons who beneficially own more than 10% of the company's common stock to file reports of ownership on Form 3 and reports of changes in ownership on Forms 4 or 5 with the SEC. The reporting directors, officers and 10% stockholders are also required by SEC rules to furnish the company with copies of all Section 16(a) reports they file.

Based solely on its review of copies of such reports, the company believes that all Section 16(a) filing requirements applicable to its directors, officers and 10% stockholders were complied with during 2010.

PROPOSAL NO. 2

ADVISORY VOTE ON EXECUTIVE COMPENSATION

GENERAL

The recently enacted Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the “Dodd-Frank Act”) enables our stockholders to vote to approve, on an advisory (nonbinding) basis, the compensation of our named executive officers as disclosed in this Proxy Statement in accordance with the SEC’s rules. We are asking our stockholders to indicate their support for our named executive officer compensation as described in this Proxy Statement. This proposal, commonly known as a “say-on-pay” proposal, gives our stockholders the opportunity to express their views on our named executive officers’ compensation. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the philosophy, policies and practices described in this Proxy Statement.

As described in detail under the heading “EXECUTIVE COMPENSATION – Compensation Discussion and Analysis,” we have no employees. We are externally managed by Invesco Advisers, Inc., our Manager, pursuant to a management agreement between our Manager and us. Because the management agreement provides that our Manager is responsible for managing our affairs, our executive officers, all of whom are employees of our Manager, do not receive cash compensation from us. Instead, we pay our Manager a management fee and our Manager uses the proceeds from the management fee, in part, to pay compensation to its officers and personnel, including our executive officers. We have not paid, and do not intend to pay, any cash compensation to our named executive officers. We do not provide our named executive officers with pension benefits, perquisites or other personal benefits. We have no arrangements to make cash payments to our named executive officers upon their termination from service as our officers.

Although we granted restricted stock units in 2010 under our Executive Incentive Plan to each of our named executive officers, all of the unvested portion of such share awards were cancelled during March 2011 and replaced by substantially equivalent awards under the Invesco Ltd. Short Term Incentive Plan. We do not intend to grant share awards to our named executive officers under our Executive Incentive Plan in the future. (See the section of this proxy statement entitled “Equity-Based Compensation - Future Practice – Replacement of Previous Awards.”)

Accordingly, we will ask our stockholders to vote “FOR” the following resolution at the Annual Meeting:

“RESOLVED, that the Company’s stockholders approve, on an advisory (non-binding) basis, the compensation of the named executive officers, as disclosed in the Company’s Proxy Statement for the 2011 Annual Meeting of Stockholders pursuant to the Securities and Exchange Commission’s compensation disclosure rules, including the Compensation Discussion and Analysis, the compensation tables and related narrative discussion.”

The say-on-pay vote is advisory, and therefore not binding on the company, our Board of Directors or the Compensation Committee. Our Board of Directors and our Compensation Committee value the opinions of our stockholders and to the extent there is any significant vote against the named executive officer compensation as disclosed in this Proxy Statement, we will consider our stockholders’ concerns and the Compensation Committee will evaluate whether any actions are necessary to address those concerns.

RECOMMENDATION OF THE BOARD

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE “FOR” THE APPROVAL OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS, AS DISCLOSED IN THIS PROXY

STATEMENT PURSUANT TO THE COMPENSATION DISCLOSURE RULES OF THE SECURITIES AND EXCHANGE COMMISSION. The voting requirements for this proposal are described in the “Questions and Answers About Voting Your Common Stock” section above.

PROPOSAL NO. 3

ADVISORY VOTE ON THE FREQUENCY OF FUTURE ADVISORY VOTES ON EXECUTIVE
COMPENSATION

GENERAL

The Dodd-Frank Act also enables our stockholders to indicate, on an advisory (non-binding) basis, how frequently we should seek an advisory vote on the compensation of our named executive officers, as we do above in Proposal 2. By voting on this Proposal 3, stockholders may indicate whether they would prefer an advisory vote on named executive officer compensation once every one, two, or three years.

After careful consideration of this Proposal, our Board of Directors has determined that an advisory vote on executive compensation that occurs every three years is the most appropriate alternative for the company, and therefore our Board of Directors recommends that you vote for a three-year interval for the advisory vote on executive compensation.

In formulating its recommendation, our Board of Directors considered how an advisory vote at this frequency will provide our stockholders with sufficient time to evaluate the effectiveness of our overall compensation philosophy, policies and practices in the context of our long-term business results for the corresponding period, while avoiding over-emphasis on short term variations in compensation and business results. An advisory vote occurring once every three years will also permit our stockholders to observe and evaluate the impact of any changes to our executive compensation policies and practices which have occurred since the last advisory vote on executive compensation, including changes made in response to the outcome of a prior advisory vote on executive compensation. We also believe this frequency is appropriate because, as described above, we do not intend in the future to provide either cash or non-cash compensation to our named executive officers, whose compensation will be provided henceforth exclusively by our Manager.

You may cast your vote on your preferred voting frequency by choosing the option of one year, two years, three years or abstain from voting when you vote in response to the resolution set forth below.

“RESOLVED, that the option of once every one year, two years, or three years that receives the highest number of votes cast for this resolution will be determined to be the preferred frequency with which the Company is to hold a stockholder vote to approve the compensation of the named executive officers, as disclosed pursuant to the Securities and Exchange Commission’s compensation disclosure rules (which disclosure shall include the Compensation Discussion and Analysis, the Summary Compensation Table, and the other related tables and disclosure).”

The option of one year, two years or three years that receives the highest number of votes cast by stockholders will be the frequency for the advisory vote on executive compensation that has been selected by stockholders. However, because this vote is advisory and not binding on the Board of Directors or the company, the Board may decide that it is in the best interests of our stockholders and the company to hold an advisory vote on executive compensation more or less frequently than the option approved by our stockholders.

RECOMMENDATION OF THE BOARD

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR THE OPTION OF ONCE EVERY THREE YEARS AS THE FREQUENCY WITH WHICH STOCKHOLDERS ARE PROVIDED AN ADVISORY VOTE ON EXECUTIVE COMPENSATION, AS DISCLOSED PURSUANT TO THE COMPENSATION DISCLOSURE RULES OF THE SECURITIES AND EXCHANGE COMMISSION. The voting

requirements for this proposal are described in the “Questions and Answers About Voting Your Common Stock” section of this Proxy Statement.

Householding of Proxy Materials

The SEC has adopted rules that permit companies and intermediaries (such as banks and brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement and annual report addressed to those stockholders. This process, which is commonly referred to as “householding,” potentially means extra convenience for stockholders and cost savings for companies.

A number of banks and brokers with account holders who are beneficial holders of the company’s common stock will be householding the company’s proxy materials or the Notice. Accordingly, a single copy of the proxy materials or Notice will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your bank or broker that it will be householding communications to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive separate proxy materials or copies of the Notice, please notify your bank or broker, or contact our Secretary at: company.secretary@invescomortgagecapital.com, or by mail to Invesco Mortgage Capital Inc., Attn: Office of the Secretary, Two Peachtree Pointe, 1555 Peachtree Street N.E., Atlanta, Georgia 30309, or by telephone to 404-892-0896. The company undertakes, upon oral or written request to the address or telephone number above, to deliver promptly a separate copy of the company’s proxy materials or the Notice to a stockholder at a shared address to which a single copy of the applicable document was delivered. Stockholders who currently receive multiple copies of the proxy materials or the Notice at their address and would like to request householding of their communications should contact their bank or broker or the company’s Investor Relations Department at the contact address and telephone number provided above.
