Forward-Looking Statements

This document may include a number of "forward-looking statements" as that term is defined in Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. These statements reflect management's current views with respect to future events and financial performance and include statements regarding management's intent, belief or current expectations, which are based upon assumptions about future conditions that may prove to be inaccurate. Prospective investors are cautioned that any such forward-looking statements are not guarantees of future performance, involve risk and uncertainties, and that as a result, actual results may differ materially from those contemplated by such forward-looking statements. Such risks include, among other things, the volatile and competitive markets in which we operate, our limited operating history, our limited financial resources, our ability to manage our growth and the lack of an established trading market for our securities. When considering forward-looking statements, readers are urged to carefully review and consider the various disclosures, including risk factors and their cautionary statements, made by us in this document and in our reports filed with the Securities and Exchange Commission.
