Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On January 27, 2015, the Compensation Committee of the Board of Directors of National Instruments Corporation (“NI”) approved a bonus arrangement for Eric Starkloff, NI’s Executive Vice President, Global Sales and Marketing. Under this arrangement, Mr. Starkloff is eligible to receive a cash bonus of \$12,500 per quarter if NI’s quarterly revenue equals 100% of the targeted amount for such quarter. If NI’s revenue for a quarter is less than the targeted amount, the total bonus amount for that quarter will decrease provided that no bonus amount is payable for the quarter unless NI’s revenue for the quarter exceeds the minimum threshold amount for such quarter. If NI’s revenue for a quarter exceeds the targeted amount for that quarter, the total bonus amount for the quarter will increase up to a maximum of \$25,000 per quarter. NI is not disclosing the specific targets or threshold amounts with respect to such bonus arrangement at this time because such information represents confidential trade secrets or confidential commercial or financial information, the disclosure of which would cause NI competitive harm. The targeted revenue amounts were set to be a moderately difficult stretch goal, but not unachievable. The actual amount of the bonus payments, if any, will be determined following the completion of each quarter.
