CALCULATION OF REGISTRATION FEE

Title of Securities to be Registered	Amount to be Registered(1)	Proposed Maximum Offering Price Per Share	Proposed Maximum Aggregate Offering Price	Amount of Registration Fee
Common Stock, par value \$0.001 per share Common Stock Rights (4)	1,577,836(2)	\$26.88(3)	\$42,412,232(3)	\$4,928.30

(1) Pursuant to Rule 416(a) under the Securities Act of 1933, as amended (the “Securities Act”), this Registration Statement also covers any additional shares of the Common Stock (the “Common Stock”) of Masimo Corporation (the “Registrant”) that may be offered or issued under the plan to prevent dilution resulting from stock splits, stock dividends or similar transactions.

(2) Represents 1,577,836 additional shares of Common Stock reserved for awards available for future grant under the Masimo Corporation 2007 Stock Incentive Plan (the “2007 Plan”) on January 3, 2015. Unless otherwise provided by the Registrant’s board of directors or compensation committee, the 2007 Plan provides that an additional number of shares will automatically be added annually to the shares authorized for issuance under the 2007 Plan on the first day of each fiscal year beginning with fiscal year 2008 and continuing through fiscal year 2017. The number of shares added each year will be equal to three percent of the aggregate number of shares of Common Stock outstanding at the close of business on the last day of the immediately preceding fiscal year. Estimated solely for the purpose of calculating the amount of the registration fee pursuant to Rule 457(c) and Rule 457(h) of the Securities Act. The proposed maximum offering price per share and the proposed maximum aggregate offering price with respect to the shares are calculated based on \$26.88 per share, the average of the high and low prices of the Common Stock, as reported on the NASDAQ Global Select Market on February 10, 2015, a date within five business days prior to the filing of this Registration Statement.

(3) Comprised of associated rights to purchase shares of the Registrant’s Series A Junior Participating Preferred Stock, par value \$0.001 per share (the “Preferred Share Purchase Rights”). The Preferred Share Purchase Rights are attached to shares of the Common Stock in accordance with the Rights Agreement, dated as of November 9, 2007, as amended from time to time, by and between the Registrant and Computershare Trust Company, N.A., as Rights Agent (the “Rights Agreement”). The Preferred Share Purchase Rights are not exercisable until the occurrence of certain events specified in the Rights Agreement, are evidenced by the stock certificates representing the Common Stock and are transferable solely with the Common Stock. The value attributable to the Preferred Share Purchase Rights, if any, is reflected in the value of the Common Stock.

ITEM 9. UNDERTAKINGS.

(a) The Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement;

Provided, however, that:

(A) paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(h) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
