Press Release

CVRD Sells its Last Pulp and Paper Assets

Rio de Janeiro, June 10, 2002 - Companhia Vale do Rio Doce (CVRD), and its wholly owned subsidiary, Florestas Rio Doce S.A (FRDSA), have signed a letter of intent with Aracruz Celulose S.A. (Aracruz) and Bahia Sul Celulose S.A. (Bahia Sul) establishing general guidelines and conditions for the purchase and sale of assets (land and eucalyptus forests) owned by FRDSA in the Sao Mateus region of Espirito Santo state in Brazil.

The assets consist of approximately 100,000 acres of land and the eucalyptus forests thereon. The transaction, valued at some R\$ 137,000,000.00 (one hundred and thirty-seven million Reais), is subject to the variations inherent in such operations.

The closing of the deal is subject to the completion of a forest, legal and financial audit being conducted by Aracruz and Bahia Sul, as well as the negotiation and execution of all contracts and documents required to finalize the transaction.

The divestiture of these assets is an integral part of CVRD's strategy of positioning itself as a global, diversified mining company, with associated businesses in logistics and power generation.

This press release may contain statements that express management's expectations about future events or results rather than historical facts. These forward-looking statements involve risks and uncertainties that could cause actual results to differ materially from those projected in forward-looking statements, and CVRD cannot give assurance that such statements will prove correct. These risks and uncertainties include factors: relating to the Brazilian economy and securities markets, which exhibit volatility and can be
