(7) any other Event of Default provided with respect to Securities of that series."

Section 2.06 Limitation on Suits. For new series of Securities, Section 507(3) of the Original Indenture shall be replaced with the following:

and the following new Section 603(12) shall be added to the Original Indenture:

"(12) in no event shall the Trustee be responsible or liable for special, indirect, or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action."

Section 2.08 Company May Consolidate, Etc. on Certain Terms. For new series of Securities, Section 801(b) of the Original Indenture shall be deleted in its entirety, along with any reference to such Section 801(b) in the Original Indenture.

Section 2.09 Supplemental Indentures with consent of Holders. Section 902 of the Original Indenture shall be replaced with the following:

"(a) Subject to Section 902(c), this Section 902(a) shall apply to series of Securities originally issued prior to November 20, 2012, including any later issued Securities added to, and forming part of, the original series for voting purposes. With the consent of the Holders of not less than 66 2/3% in principal amount of the Outstanding Securities of each series affected by such supplemental indenture, by Act of said Holders delivered to the Company and the Trustee, the Company, when authorized by a Board Resolution, and the Trustee may enter into an indenture or indentures supplemental hereto for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Indenture or of modifying in any manner the rights of the Holders of Securities of such series under this Indenture.

(b) Subject to Section 902(c), this Section 902(b) shall apply to series of Securities originally issued on or after November 20, 2012, including any later issued Securities added to, and forming part of, the original series for voting purposes. With the consent of the Holders of not less than a majority in principal amount of the Outstanding Securities of each series affected by such supplemental indenture, by Act of said Holders delivered to the Company and the Trustee, the Company, when authorized by a Board Resolution, and the Trustee may enter into an indenture or indentures supplemental hereto for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Indenture or of modifying in any manner the rights of the Holders of Securities of such series under this Indenture.

(c) No supplemental indenture entered into under Section 902(a) or (b) shall, without the consent of the Holder of each Outstanding Security affected thereby:

(1) extend the Stated Maturity of the principal of, or any instalment of principal of or interest on, any Security, or reduce the principal amount thereof or the rate of interest thereon or any premium payable upon the redemption thereof, or reduce the amount of the principal of an Original Issue Discount Security or any other Security which would be due and payable upon a declaration of acceleration of the Maturity thereof pursuant to Section 502, or change any Place of Payment where, or the coin or currency in which, any Security or any premium or interest thereon is payable, or impair the right to institute suit for the enforcement of any such payment on or after the Stated Maturity thereof (or, in the case of redemption, on or after the Redemption Date), or

(3) modify any of the provisions of this Section, Section 513 or Section 1008, except to increase any such percentage or to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of the Holder of each Outstanding Security affected thereby; provided that this clause shall not be deemed to require the consent of any Holder with respect to changes in the references to “the Trustee” and concomitant changes in this Section and Section 1008, or the deletion of this proviso, in accordance with the requirements of Sections 611 and 901(8).

(d) A supplemental indenture which changes or eliminates any covenant or other provision of this Indenture which has expressly been included solely for the benefit of one or more particular series of Securities, or which modifies the rights of the Holders of Securities of such series with respect to such covenant or other provision, shall be deemed not to affect the rights under this Indenture of the Holders of Securities of any other series.

(e) It shall not be necessary for any Act of Holders under this Section to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such Act shall approve the substance thereof."

Section 2.10 Restrictions on Secured Debt. For new series of Securities, Section 1006 of the Original Indenture shall be replaced with the following:

"The Company will not at any time create, issue, incur, assume or guarantee, and will not cause, or permit a Subsidiary to create, issue, incur, assume or guarantee, any Secured Debt without first making effective provision (and the Company covenants that in such case it will first make or cause to be made effective provision) whereby the Securities of any series then outstanding and which may subsequently be outstanding pursuant to this Indenture shall be secured by the Mortgage securing such Secured Debt equally and ratably with any and all other obligations and indebtedness thereby secured, so long as any such obligations and indebtedness shall be so secured unless, after giving effect to such creation, issuance, incurrence, assumption or guarantee, the sum of the aggregate amount of all outstanding Secured Debt of the Company and its Subsidiaries would not exceed an amount equal to 10% of the Consolidated Net Tangible Assets. For Secured Debt that provides for an amount less than the principal amount thereof to be due and payable upon the acceleration of its final maturity, the principal amount of the Secured Debt at any time its principal amount is measured shall be the principal amount due and payable on the Secured Debt if the Secured Debt were to be accelerated at that time.

This section shall not apply to, and there shall be excluded from Secured Debt in any computation pursuant hereto:

(a) (i) Any Mortgage on any Railway Properties acquired after November 20, 2012 or constructed by the Company or a Subsidiary and created contemporaneously with, or within 180 days after, such acquisition or the completion of such construction and commencement of full operation of such Properties, whichever is later, to secure or provide for the payment of any part of the purchase or construction price of such Properties, (ii) the acquisition by the Company or a Subsidiary of Railway Properties subject to any Mortgage upon such Properties existing at the time of acquisition thereof, whether or not assumed by the Company or such Subsidiary, (iii) any conditional sales agreement or other title retention agreement with respect to any Railway Properties acquired after November 20, 2012, (iv) any Mortgage existing on Railway Properties or on the outstanding shares or indebtedness of a corporation at the time such corporation shall become a Subsidiary, (v) any Mortgage on Railway Properties or the outstanding shares or indebtedness of a Subsidiary existing as at November 20, 2012, and (vi) any Mortgage on Railway Properties of a corporation existing at the time such corporation shall be merged into or consolidated with the Company or a Subsidiary or at the time of sale, lease or other disposition of the properties of a corporation or firm as an entirety or substantially as an entirety to the Company or a Subsidiary; provided that the lien of any such Mortgage or agreement does not spread to other Railway Properties except unimproved real property previously owned upon which

any new construction has taken place and subsequent additions to such acquired or constructed property.

(b) Any Mortgage extending, renewing or refunding, in whole or part, any Secured Debt or Mortgage permitted by paragraphs (a) and (b) of this Section 1006 or outstanding as an obligation of the Company or any Subsidiary on November 20, 2012; provided that the principal amount of indebtedness secured thereby shall not exceed the principal amount of indebtedness so secured at the time of such extension, renewal or refunding and that such extension, renewal or refunding of any Secured Debt or Mortgage shall be limited to all or that part of the same property which at such time secured the Secured Debt or Mortgage, extended, renewed or refunded."

Section 2.11 Waiver of certain covenants. For new series of Securities, Section 1008 of the Original Indenture shall be replaced with the following:

"Except as otherwise specified as contemplated by Section 301 for Securities of such series, the Company may, with respect to the Securities of any series, omit in any particular instance to comply with any term, provision or condition set forth in any covenant provided pursuant to Section 301(18), 901(2) or 901(7) for the benefit of the Holders of such series or in Section 1006, if before the time for such compliance, the Holders of at least a majority in principal amount of the Outstanding Securities of such series shall, by Act of such Holders, either waive such compliance in such instance or generally waive compliance with such term, provision or condition, but no such waiver shall extend to or affect such term, provision or condition except to the extent so expressly waived, and, until such waiver shall become effective, the obligations of the Company and the duties of the Trustee in respect of any such term, provision or condition shall remain in full force and effect."

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Securities of each series to be affected under the Indenture at any time by the Company and the Trustee with the consent of the Holders of specified thresholds in principal amount of the Securities at the time Outstanding of each series to be affected. The Indenture also contains provisions permitting the Holders of specified thresholds in principal amount of the Securities of each series at the time Outstanding, on behalf of the Holders of all Securities of such series, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Security shall be conclusive and binding upon such Holder and upon all future Holders of this Security and of any Security issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Security.

As provided in and subject to the provisions of the Indenture, the Holder of this Security shall not have the right to institute any proceeding with respect to the Indenture or for the appointment of a receiver or trustee or for any other remedy thereunder, unless such Holder shall have previously given the Trustee written notice of a continuing Event of Default with respect to the Securities of this series, the Holders of not less than 25% in principal amount of the Securities of this series at the time Outstanding shall have made written request to the Trustee to institute proceedings in respect of such Event of Default as Trustee and offered the Trustee indemnity satisfactory to the Trustee, and the Trustee shall not have received from the Holders of a majority in principal amount of Securities of this series at the time Outstanding a direction inconsistent with such request, and shall have failed to institute any such proceeding, for 60 days after receipt of such notice, request and offer of indemnity. The foregoing shall not

apply to any suit instituted by the Holder of this Security for the enforcement of any payment of principal hereof or any premium or interest hereon on or after the respective due dates expressed herein.

No reference herein to the Indenture and no provision of this Security or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of (and premium, if any) and interest on this Security at the times, place and rate, and in the coin or currency, herein prescribed.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Security is registrable in the Security Register, upon surrender of this Security for registration of transfer at the office or agency of the Company in any place where the principal of and any premium and interest on this Security are payable, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Security Registrar duly executed by, the Holder hereof or his attorney duly authorized in writing, and thereupon one or more new Securities of this series and of like tenor, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

The Securities of this series are issuable only in registered form without coupons in denominations of \$..... and any integral multiple thereof. As provided in the Indenture and subject to certain limitations therein set forth, Securities of this series are exchangeable for a like aggregate principal amount of Securities of this series and of like tenor of a different authorized denomination, as requested by the Holder surrendering the same.

No service charge shall be made for any such registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Notwithstanding any provision of the Indenture or this Security, no Global Security representing the Securities of this series may be exchanged in whole or in part for the Securities of this series, and no transfer of a Global Security representing the Securities of this series in whole or in part may be registered in the name of any Person other than the Depository for such Global Security or any nominee of the Depository, unless (i) the Depository has notified the Company that it is unwilling or unable to continue as Depository for the Global Security representing the Securities of this series or has ceased to be qualified to act as such as required pursuant to the Indenture or (ii) there shall have occurred and be continuing an Event of Default with respect to the Securities of this series represented by such Global Security. All Securities of this series issued in exchange for a Global Security or any portion thereof will be registered in such names as the Depository may direct.

Prior to due presentment of this Security for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name this Security is registered as the owner hereof for all purposes, including the making of any payment in respect hereof, whether or not this Security be overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

The Company may from time to time, without notice to or the consent of any registered Holders of the Securities of this series, create and issue further Securities ranking equally and ratably with the Securities of this series. These further Securities will be consolidated with and form a single series with the Securities of this series, as the case may be, and will have the same terms (except for the issue date, the issue price and, if applicable, the initial interest payment date) as to status, redemption or otherwise.
