Lloyds Banking Group plc Extends Exchange Offer for Its 4.582% Subordinated Debt Securities due 2025 and Its 5.300% Subordinated Debt Securities due 2045

November 7, 2016 – Lloyds Banking Group plc (“LBG”) announced today that it has extended its previously announced exchange offer for its 4.582% Subordinated Debt Securities due 2025 and its 5.300% Subordinated Debt Securities due 2045, which have been registered under the Securities Act of 1933, as amended, for all outstanding 4.582% Subordinated Debt Securities due 2025 (CUSIP 539439 AH2 and G5533W BU0; ISIN US539439AH25 and USG5533WBU02) (the “2025 Old Notes”) and 5.300% Subordinated Debt Securities due 2045 (CUSIP 539439 AJ8 and G5533W BV8; ISIN US539439AJ80 and USG5533WBV84) (the “2045 Old Notes” and, together with the 2025 Old Notes, the “Old Notes”) that were issued by LBG in December 2015.

The exchange offer, previously scheduled to expire at 11:59 p.m., New York City time, on November 4, 2016, will now expire at 11:59 p.m., New York City time, on November 9, 2016 (the “Revised Expiration Deadline”). Old Notes tendered in the exchange offer are expected to be accepted for exchange on November 14, 2016.

Approximately \$1,327.1 million in aggregate principal amount, or 98.06%, of the outstanding 2025 Old Notes and approximately \$824.0 million in aggregate principal amount, or 99.99%, of the outstanding 2045 Old Notes were tendered in the exchange offer as of 11:59 p.m., New York City time, on November 4, 2016. The extension is intended to allow additional time for holders of the remaining outstanding Old Notes to tender their Old Notes in the exchange offer. Old Notes previously tendered pursuant to the exchange offer may be withdrawn at any time prior to the Revised Expiration Deadline.

The terms of the exchange offer are set forth in a prospectus dated November 4, 2016. FORWARD-LOOKING STATEMENTS

Certain statements included in this announcement are forward-looking statements. We may make forward-looking statements in other documents filed with the SEC that are incorporated by reference into the prospectus. Forward-looking statements can be identified by the use of forward-looking terminology such as words "expect", "estimate", "project", "anticipate", "believes", "should", "could", "intend", "plan", "probability", "risk", "target", "goal", "objective", "may", "endeavour", "outlook", "optimistic", "prospects" or by the use of similar expressions or variations on such expressions, or by the discussion of strategy or objectives. Forward-looking statements are based on current plans, estimates and projections, and are subject to inherent risks, uncertainties and other factors which could cause actual results to differ materially from the future results expressed or implied by such forward-looking statements.

In particular, this announcement and certain documents incorporated by reference into the prospectus include forward-looking statements relating, but not limited to, projections or expectations of LBG's future financial position including profit attributable to shareholders, provisions, economic profit, dividends, capital structure, portfolios, net interest margin, capital ratios, liquidity, risk-weighted assets (RWAs), expenditures or any other financial items or ratios; litigation, regulatory and governmental investigations; LBG's future financial performance; the level and extent of future impairments and write-downs; statements of plans, objectives or goals of LBG or its management including in respect of statements about the future business and economic environments in the U.K. and elsewhere including, but not limited to, future trends in interest rates, foreign exchange rates, credit and equity market levels and demographic developments; statements about competition, regulation, disposals and consolidation or technological developments in the financial services industry; and statements of assumptions underlying such statements. Such statements are subject to risks, uncertainties and other factors which could cause actual results to differ materially from the future results expressed or implied by such forward-looking statements. For example, certain of the market risk disclosures are dependent on choices about key model characteristics, assumptions and estimates, and are subject to various limitations. By their nature, certain of the market risk disclosures are only estimates and, as a result, actual future gains and losses could differ materially from those that have been estimated.

Other factors could also adversely affect our results or the accuracy of forward-looking statements in this announcement, and you should not consider the factors discussed here or in the Annual Report or other documents incorporated by reference into the prospectus to be a complete set of all potential risks or uncertainties. We have economic, financial market, credit, legal and other specialists who monitor economic and market conditions and government policies and actions. However, because it is difficult to predict with accuracy any changes in economic or market conditions or in governmental policies and actions, it is difficult for us to anticipate the effects that such changes could have on our financial performance and business operations.

The forward-looking statements made in this announcement speak only as of the date of this announcement. We do not intend to publicly update or revise these forward-looking statements to reflect events or circumstances after the date of this announcement and we do not assume any responsibility to do so, except as required by applicable law.
