ITEM 5. OTHER EVENTS.

On June 18, 2002, the Board of Directors authorized certain amendments to the Pharmacia executive officer employment agreements to eliminate any noncompete restrictions imposed on the executive upon termination within two years of a change in control. On December 17, 2002, the Pharmacia Board of Directors approved further amendments to twenty of the Pharmacia executive officer employment agreements to confirm and clarify the Board's decision at its meeting on June 18, 2002 that it intended to waive any potential forfeiture of compensation or benefits in the event of competition after a termination within two years after a change in control as well as waive the direct noncompete provisions of the employment agreements as well as any other plans or agreements covering the executives which contain noncompete provisions.

On December 17, 2002, the Board also approved, consistent with the other executive officer employment agreements and its June 18th resolution, an amendment to the Chief Executive Officer's employment agreement with Pharmacia to provide that if he is terminated within two years following a change in control, the noncompete provisions in the employment agreement or any other plans or agreements cease to apply including any potential forfeiture of compensation or benefits in the event of competition after a change in control.

Mr. Hassan's employment agreement with Pfizer, which was executed on July 13, 2002 and filed with the SEC, provides he will be subject to a noncompete provision during his term with Pfizer and for one year thereafter if he assumes his duties as Vice-Chairman of Pfizer following the effective date of
