**Item 1.01. Entry into a Material Definitive Agreement.**

On March 13, 2011, The Lubrizol Corporation, an Ohio corporation (the Company), Berkshire Hathaway Inc., a Delaware corporation (Parent), and Ohio Merger Sub, Inc., a wholly owned subsidiary of Parent and an Ohio corporation (Merger Sub), entered into an Agreement and Plan of Merger (the Merger Agreement). The Merger Agreement provides that, upon the terms and subject to the conditions set forth in the Merger Agreement, Merger Sub will merge with and into the Company (the Merger), with the Company continuing as the surviving corporation and as a wholly owned subsidiary of Parent.

At the effective time and as a result of the Merger, each outstanding share of the Company common stock will be converted into the right to receive \$135.00 in cash, without interest (the Merger Consideration) payable to the holder of such share. All outstanding options to purchase shares of Company common stock issued under the Company's equity based compensation plans, whether vested or unvested, will be cancelled in exchange for a cash payment equal to the excess, if any, of the Merger Consideration over the applicable exercise price of the option. Outstanding equity awards granted under international equity plans, whether vested or unvested, will be cancelled and settled in cash in accordance with the terms of the applicable plans. Outstanding performance share units will be cancelled in exchange for a cash payment equal to the Merger Consideration multiplied by a number of shares of Company common stock determined under the applicable equity plan based on performance as of the closing. Outstanding time-based vesting restricted share units will be cancelled in exchange for a cash payment equal to the Merger Consideration multiplied by the number of shares of common stock underlying the restricted share units. Account balances, whether vested or unvested, under any employee benefit plan that provides for the deferral of compensation and represents amounts notionally invested in a number of share of Company common stock will be cancelled in exchange for a cash payment equal to the number of such notionally invested shares multiplied by the Merger Consideration.

Consummation of the Merger is subject to the satisfaction or waiver of certain closing conditions, including (1) adoption of the Merger Agreement by the shareholders of the Company, (2) expiration or termination of any applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, and any foreign merger controls to the extent deemed necessary by Parent and the Company, (3) the absence of any law or order prohibiting the consummation of the Merger, (4) subject to certain exceptions, the accuracy of representations and warranties of the Company, Parent and Merger Sub and (5) the performance or compliance by the Company, Parent and Merger Sub with their respective covenants and agreements.

Each of the Company, Parent and Merger Sub has made customary representations and warranties in the Merger Agreement. Each of the Company, Parent and Merger Sub has agreed to use reasonable best efforts to cause the Merger to be consummated. The Company has also agreed to various covenants in the Merger Agreement, including, among other things, (i) to conduct its business in the ordinary course consistent with past practice during the period between the execution of the Merger Agreement and the closing of the Merger, (ii) to call a special meeting of the shareholders to adopt the Merger Agreement, and (iii) not to solicit alternative acquisition proposals.

The Merger Agreement contains specified termination rights for the parties. The Company has the right to terminate the Merger Agreement if it enters into a definitive agreement for an alternative transaction that constitutes a Superior Proposal (as defined in the Merger Agreement), provided that the Company complies with certain notice and other requirements set forth in the Merger Agreement, including paying a termination fee to Parent equal to \$200,000,000. The Company is also required to pay Parent a termination fee of \$200,000,000, if (i) Parent terminates the Merger Agreement because the board of directors of the Company withdraws or modifies its approval or recommendation of the Merger or approves or recommends a Takeover Proposal (as defined in the Merger Agreement); or (ii)

if (a) the Merger Agreement is terminated by either party on the Outside Date (as defined in the Merger Agreement), the Merger Agreement is terminated by either party because the shareholders of the Company do not adopt the Merger Agreement, or because a final, non-appealable order of a governmental entity that is based on the existence of a Takeover Proposal is issued that prohibits consummation of the Merger Agreement; (b) prior to such termination a Takeover Proposal has been made and (c) within one year following such termination, the Company consummates a Takeover Proposal.

The foregoing description of the Merger and Merger Agreement is qualified in its entirety by reference to the Merger Agreement, a copy of which is attached hereto as Exhibit 2.1 and is incorporated herein by reference.
