PROPOSAL

ELECTION OF TRUSTEES

General

Holders of the shares of each fund are entitled to elect three Trustees at this meeting. Stanley Martin, John A. Moore and John G. Vrysen have been designated as subject to election by holders of the shares of each fund.

Each Board of Trustees is divided into three staggered term classes, with the term of one class expiring each year, and no term continuing for longer than three years after the applicable election. Should a Trustee in a class wish to serve an additional term, he or she must stand for re-election. Classifying the Trustees in this manner may prevent replacement of a majority of the Trustees for a period of up to two years. Effective December 31, 2011, Charles L. Ladner, a Trustee of each fund, will retire from each Board. Effective on that date, each fund's Board of Trustees will consist of ten members. In addition, the three staggered term classes will then include two classes composed of three Trustees each and one class composed of four Trustees.

As of the date of this proxy, each nominee for election currently serves as a Trustee of each fund. Using the enclosed proxy card, a shareholder may authorize the proxies to vote his or her shares for the nominees, or the shareholder may withhold from the proxies authority to vote his or her shares for one or more of the nominees. If no contrary instructions are given, the proxies will vote FOR the nominees. Each of the nominees has consented to his nomination and has agreed to serve if elected. If, for any reason, any nominee should not be available for election or able to serve as a Trustee, the proxies will exercise their voting power in favor of such substitute nominee, if any, as the funds Trustees may designate. The funds have no reason to believe that it will be necessary to designate a substitute nominee.

Proposal

For each fund, Messrs. Martin, Moore and Vrysen are the current nominees for election by the shareholders.

Vote Required for the Proposal

The vote of a plurality of the votes cast by the shares of a fund is sufficient to elect each nominee to serve as a Trustee of that fund.

Each Board recommends that shareholders of each fund vote FOR each of the three nominees in the Proposal.

Information Concerning Nominees and Trustees

The following table sets forth certain information regarding the nominees for election to the Boards. The table also shows each nominee's principal occupation or employment and other directorships during the past five years and the number of John Hancock funds overseen by the current Trustees. Following Charles L. Ladner's retirement on December 31, 2011, the Board of each fund will consist of ten Trustees, eight of whom are not interested persons (as defined in the Investment Company Act of 1940, as amended (the "1940 Act")) of the funds ("Independent Trustees"). The table also lists the Trustees who are not currently standing for election. No information is provided with respect to Charles L. Ladner, a Trustee of each fund, because his term of office will end on December 31, 2011. The address of each nominee is 601 Congress Street, Boston, Massachusetts 02210.

Additional Information About the Nominees and Trustees

In addition to the description of each nominee's and Trustee's Principal Occupation(s) and Other Directorships set forth above, the following provides further information about each nominee's and Trustee's specific experience, qualifications, attributes or skills. The information in this section should not be understood to mean that any of the nominees or Trustees is an "expert" within the meaning of the federal securities laws.

Although the Board's Nominating, Governance and Administration Committee has general criteria that guides its choice of candidates to serve on the Board (as discussed below under Board Committees), there are no specific required qualifications for Board membership. In considering nominees, although this Committee does not have a formal policy to consider diversity when identifying candidates for the position of Independent Trustee, as a matter of practice, this Committee considers the overall diversity of the Board with respect to backgrounds, professional experience, education, skill, and viewpoint. In addition, as part of its annual self-evaluation, the Board has an opportunity to consider the diversity of its members, including specifically whether the Board's members have the right mix of characteristics, experiences and skills. The results of the self-evaluation are considered by the Nominating, Governance and Administration Committee in its decision-making process with respect to candidates for the position of Independent Trustee. The Board believes that the different perspectives, viewpoints, professional experience, education, and individual qualities of each nominee and trustee represent a diversity of experiences and a variety of complementary skills. Each nominee and Trustee has experience as a Trustee of each fund, as well as experience as a Trustee of other John Hancock funds. It is the Trustees' belief that this allows the Board, as a whole, to oversee the business of each fund in a manner consistent with the best interests of the fund's shareholders. When considering potential nominees to fill vacancies on the Board, and as part of its annual self-evaluation, the Board reviews the mix of skills and other relevant experiences of the Trustees.

James F. Carlin As a senior officer of a scientific testing laboratory, insurance companies and management companies, Mr. Carlin has experience in the management of operating and finance companies. He also has experience as a board member of other entities.

William H. Cunningham Mr. Cunningham has management and operational oversight experience as a former Chancellor and President of a major university. Mr. Cunningham has expertise in corporate governance as a Professor of business ethics. He also has oversight and corporate governance experience as a current and former director of a number of operating companies, including an insurance company.

Deborah C. Jackson Ms. Jackson has management and operational oversight experience as the president of a college and as the former chief executive officer of a major charitable organization. She also has oversight and corporate governance experience as a current and former director of various corporate organizations, including a bank, an insurance company and a regional stock exchange, and nonprofit entities.

Stanley Martin As a certified public accountant and former partner in a major independent certified public accounting firm, Mr. Martin has accounting and executive experience. Mr. Martin also has experience as a former senior officer of a federal government-sponsored entity and of two major banks.

Hugh McHaffie Through his positions as a senior executive of Manulife Financial Corporation's U.S. Wealth Management division, his prior position as a senior executive of MetLife, and membership in the Society of Actuaries and American Academy of Actuaries, Mr. McHaffie has experience in the development and management of registered investment companies, variable annuities and retirement products, enabling him to provide management input to the Board.

Patti McGill Peterson Ms. McGill Peterson has planning and management advisory experience as principal of a consulting firm. She also has management and operational oversight experience as a former college and university president. She also has oversight and corporate governance experience as a current and former director of various corporate organizations, including a bank and an insurance company, and nonprofit entities.

John A. Moore Dr. Moore has management and operational oversight experience from his current and former positions as a senior executive of scientific research organizations and as a senior administrator of the Environmental Protection Agency. He also has oversight and corporate governance experience as a director of a scientific research

organization.

Steven R. Pruchansky Mr. Pruchansky has entrepreneurial, executive and financial experience as a chief executive officer of an operating services company and a current and former director of real estate and banking companies. Mr. Pruchansky, an Independent Trustee, serves as the Board's Chairman.

Gregory A. Russo As a certified public accountant and former partner in a major independent registered public accounting firm, Mr. Russo has accounting and executive experience.

John G. Vrysen Through his positions as Director, Executive Vice President and Chief Operating Officer of the adviser, position as a senior executive of Manulife Financial Corporation, the adviser's parent company, positions with other affiliates of the adviser, and current and former memberships in the Society of Actuaries, Canadian Institute of Actuaries and American Academy of Actuaries, Mr. Vrysen has experience in the development and management of registered investment companies, variable annuities and retirement products, enabling him to provide management input to the Board.

Duties of Trustees; Board Meetings and Board Committees

Each fund is organized as a Massachusetts business trust. Under the funds' Declarations of Trust, the Trustees are responsible for managing the affairs of the funds, including the appointment of advisers and subadvisers. Each Trustee has the experience, skills, attributes or qualifications described above (see Principal Occupation(s) and Other Directorships and Additional Information About the Nominees and Trustees above). The Board appoints officers who assist in managing the day-to-day affairs of the funds. With respect to Preferred Income and Preferred Income II, each Board met seven times during the fiscal year ended July 31, 2011. With respect to Preferred Income III, the Board met ten times during the fiscal year ended July 31, 2011. With respect to Bank and Thrift and Tax-Advantaged Global, each Board met six times during the fiscal year ended October 31, 2011. The Board of Premium Dividend met eight times during the fiscal year ended October 31, 2011, and the Board of Tax-Advantaged Dividend met nine times during the fiscal year ended October 31, 2011. No Trustee attended fewer than 75% of the aggregate of: (1) the total number of Board meetings; and (2) the total number of meetings held by all committees on which he or she served. The funds hold joint meetings of the Trustees and all committees. One Trustee attended the joint 2011 annual meeting of shareholders of the funds that was held on January 21, 2011.

The Board has appointed an Independent Trustee as Chairman. The Chairman presides at meetings of the Trustees and may call meetings of the Board and any Board committee whenever he deems it necessary. The Chairman participates in the preparation of the agenda for meetings of the Board and the identification of information to be presented to the Board with respect to matters to be acted upon by the Board. The Chairman also acts as a liaison with the funds management, officers, attorneys, and other Trustees generally between meetings. The Chairman may perform such other functions as may be requested by the Board from time to time. The Board has also designated a Vice Chairman to serve in the absence of the Chairman. Except for any duties specified pursuant to each Trust's Declaration of Trust or By-Laws, or as assigned by the Board, the designation of a Trustee as Chairman or Vice Chairman does not impose on that Trustee any duties, obligations or liability that are greater than the duties, obligations or liability imposed on any other Trustee, generally. The Board has designated a number of standing committees as further described below, each of which has a Chairman. The Board also designates working groups or ad hoc committees as it deems appropriate.

The Board believes that this leadership structure is appropriate because it allows the Board to exercise informed and independent judgment over matters under its purview, and it allocates areas of responsibility among committees or working groups of Trustees and the full Board in a manner that enhances effective oversight. The Board considers leadership by an Independent Trustee as Chairman to be integral to promoting effective independent oversight of the funds' operations and meaningful representation of the shareholders' interests, given the amount of assets that these funds represent. The Board also believes that having a super-majority of Independent Trustees is appropriate and in the best interest of the funds' shareholders. Nevertheless, the Board also believes that having interested persons serve on the Board brings corporate and financial viewpoints that are, in the Board's view, crucial elements in its decision-making process. In addition, the Board believes that Mr. McHaffie and Mr. Vrysen, each of whom is a senior executive of the adviser, Manulife Financial Corporation (the adviser's parent company), and of other affiliates of the

adviser, provide the Board with the adviser's perspective in managing and sponsoring the funds. The leadership structure of the Board may be changed, at any time and in the discretion of the Board, including in response to changes in circumstances or the characteristics of each fund.

Board Committees

Each Board has five standing committees: the Audit Committee; the Compliance Committee; the Nominating, Governance and Administration Committee; the Investment Performance Committee A; and the Contracts/Operations Committee.

The current membership of each committee is set forth below. As Chairman of the Board, Mr. Pruchansky is considered an *ex officio* member of each committee and, therefore, he is able to attend and participate in any committee meeting, as appropriate. As Chairman for the two-year period ended December 31, 2010, Ms. McGill Peterson was an *ex officio* member of each committee.

Ms. McGill Peterson	Ms. Jackson		Mr. Martin	
			Ms. McGill	
Mr. Moore	Mr. Russo		Peterson	
			Mr. Vrysen	

(1) Mr. Ladner will retire as a Trustee of each fund on December 31, 2011.

Audit Committee. The Board has an Audit Committee in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the Exchange Act), which is comprised of all of the Independent Trustees as defined in the rules of the New York Stock Exchange and Section 2(a)(19) of the 1940 Act. Each Audit Committee member is financially literate, with at least one having accounting or financial management expertise. The Board has adopted a written charter for the Committee. This Committee recommends to the full Board independent registered public accounting firms for each fund, oversees the work of the independent registered public accounting firm in connection with each fund's audit, communicates with the independent registered public accounting firm on a regular basis and provides a forum for the independent registered public accounting firm to report and discuss any matters it deems appropriate at any time. Mr. Martin serves as Chairman of this Committee. The Audit Committee held seven meetings during the fiscal year ended July 31, 2011 and eight meetings during the fiscal year ended October 31, 2011. The written charter of the Audit Committee is included as Attachment 1 to this proxy statement.

The Audit Committee reports that it has: (1) reviewed and discussed each fund's audited financial statements with management; (2) discussed with the independent registered public accounting firm the matters required to be discussed pursuant to Public Company Accounting Oversight Board Auditing Standards, AU Section 380; (3) received written disclosures and a letter from the independent registered public accounting firm required by applicable requirements of the Public Company Accounting Oversight Board regarding communications concerning independence and discussed with the independent registered public accounting firm the firm's independence; and (4) based on these discussions, recommended to the Board that each fund's financial statements be included in each fund's annual report for the last fiscal year. The written report of the Audit Committee immediately follows the Audit Committee Charter, which is included as Attachment 1 to this proxy statement.

Compliance Committee. The primary role of this Committee is to oversee the activities of each fund's Chief Compliance Officer (CCO); the implementation and enforcement of each fund's compliance policies and procedures; and compliance with each fund's and the Independent Trustees' Codes of Ethics. Mr. Russo serves as Chairman of this Committee. This Committee held four meetings during the fiscal year ended July 31, 2011 and four meetings during the fiscal year ended October 31, 2011.

Nominating, Governance and Administration Committee. This Committee is comprised of all of the Independent Trustees as defined in the rules of the New York Stock Exchange and Section 2(a)(19) of the 1940 Act. The purpose of this Committee is to make determinations and recommendations to the Board on issues related to the composition and operation of the Board, corporate governance matters applicable to the Independent Trustees, and issues related to complex-wide matters and practices designed to facilitate uniformity and

administration of the Board's oversight of the funds. This Committee is solely responsible for the selection and recommendation to the Board of Independent Trustee candidates. Mr. Pruchansky serves as Chairman of this Committee. This Committee held three meetings during the fiscal year ended July 31, 2011 and three meetings during the fiscal year ended October 31, 2011. Each fund's Board has adopted a written charter for the Nominating, Governance and Administration Committee. A copy of the Charter is included as Attachment 2 to this proxy statement.

In reviewing a potential nominee and in evaluating the renomination of current Independent Trustees, this Committee will generally apply the following criteria: (i) the nominee's reputation for integrity, honesty and adherence to high ethical standards; (ii) the nominee's business acumen, experience and ability to exercise sound judgments; (iii) a commitment to understand the funds and the responsibilities of a trustee of an investment company; (iv) a commitment to regularly attend and participate in meetings of the Board and its committees; (v) the ability to understand potential conflicts of interest involving management of the funds and to act in the interests of all shareholders; and (vi) the absence of a real or apparent conflict of interest that would impair the nominee's ability to represent the interests of all the shareholders and to fulfill the responsibilities of an Independent Trustee. This Committee does not necessarily place the same emphasis on each criteria and each nominee may not have each of these qualities.

As long as a current Independent Trustee continues, in the opinion of this Committee, to satisfy these criteria, each fund anticipates that the Committee would favor the renomination of a current Independent Trustee rather than a new candidate. Consequently, while this Committee will consider nominees recommended by shareholders to serve as Independent Trustees, the Committee may act upon such recommendations only if there is a vacancy on the Board or the Committee determines that the selection of a new or additional Independent Trustee is in the best interests of a fund.

While the Committee is solely responsible for the selection and recommendation to the Board of Independent Trustee candidates, the Committee may consider nominees recommended by any source, including fund shareholders, management and Committee members, as it deems appropriate. Any such recommendations from shareholders shall be directed to the Secretary of the relevant fund at such address as is set forth in the fund's disclosure documents. Recommendations from management may be submitted to the Committee Chairman. All recommendations shall include all information relating to such person that is required to be disclosed in solicitations of proxies for the election of Board members and as specified in the relevant fund's By-Laws, and must be accompanied by a written consent of the proposed candidate to stand for election if nominated for the Board and to serve if elected by shareholders. The Committee's process for identifying and evaluating nominees to serve as Independent Trustees of the funds is set forth in Annex A to the Committee's Charter.

Investment Performance Committee A. This Committee monitors and analyzes the performance of the funds generally, consults with the adviser as necessary if a fund requires special attention, and reviews peer groups and other comparative standards as necessary. Mr. Ladner serves as Chairman of Investment Performance Committee A. As indicated above, Mr. Ladner will retire as a Trustee of each fund on December 31, 2011. This Committee held seven meetings during the fiscal year ended July 31, 2011 and seven meetings during the fiscal year ended October 31, 2011.

Contracts/Operations Committee. This Committee is composed of all of the Independent Trustees and oversees the initiation, operation, and renewal of the various contracts between the funds and other entities. These contracts include advisory and subadvisory agreements, custodial and transfer agency agreements and arrangements with other service providers. Dr. Moore serves as Chairman of this Committee. This Committee held four meetings during the fiscal year ended July 31, 2011 and three meetings during the fiscal year ended October 31, 2011.

Annually, the Board evaluates its performance and that of its Committees, including the effectiveness of the Board's Committee structure.

Risk Oversight

As registered investment companies, the funds are subject to a variety of risks, including investment risks, financial risks, compliance risks, and operational risks. As part of its overall activities, the Board oversees the management of the funds' risk management structure by various departments of the adviser, including: Investment Management Services Group (which oversees the funds' subadvisers and investment management operations) (IMS), Fund Administration, Legal, the Product Group (which oversees new product development and marketplace positioning), and Internal Audit, as well as by the funds' CCO. The responsibility to manage the funds' risk management structure on a day-to-day basis is subsumed within the adviser's overall investment management responsibilities. The adviser has its own, independent interest in risk management. The adviser's risk management program is part of the overall risk management program of Manulife Financial Corporation, the adviser's parent company.

The Board recognizes that it is not possible to identify all of the risks that may affect the funds or to develop processes and controls to eliminate or mitigate their occurrence or effects. The Board discharges risk oversight as part of its overall activities, with the assistance of its Investment Performance, Audit, Compliance, and Contracts/Operations Committees. In addressing issues regarding each fund's risk management between meetings, appropriate representatives of the adviser communicate with the Chairman of the Board, the relevant Committee Chair or the fund's CCO, who is directly accountable to the Board. As appropriate, the Chairman of the Board and the Committee Chairs confer among themselves, with the fund's CCO, the adviser, other service providers, external fund counsel, and counsel to the Independent Trustees, to identify and review risk management issues that may be placed on the full Board's agenda and/or that of an appropriate Committee for review and discussion with management.

The Audit Committee assists the Board in reviewing with the independent auditors, at various times throughout the year, matters relating to financial reporting matters. In addition, this Committee oversees the process of each fund's valuation of its portfolio securities, with day-to-day responsibility for valuation determinations having been delegated to the funds' Pricing Committee (comprised of officers of the funds).

Investment Performance Committee A assists the Board in overseeing the significant investment policies of each fund. The adviser monitors these policies and may recommend changes to this Committee in response to subadviser requests or other circumstances. On a quarterly basis, this Committee reviews reports from IMS and the Product Group regarding each fund's investment performance, which include information about investment risks and how they are managed.

The Compliance Committee assists the Board in overseeing the activities of the funds' CCO with respect to the compliance programs of each fund, the adviser, the subadviser, and certain of the funds' other service providers. This Committee and the Board receive and consider the CCO's annual written report, which, among other things, summarizes material compliance issues that arose during the previous year and any remedial action taken to address these issues, as well as any material changes to the compliance programs. This Committee and the Board also receive and consider reports from the funds' CCO throughout the year. As part of its oversight responsibilities, the Board has approved various compliance policies and procedures.

Each of the above Board Committees meets at least quarterly. Each Committee presents reports to the Board, which may prompt further discussion of issues concerning the oversight of the funds' risk management. The Board also may discuss particular risks that are not addressed in the Committee process.

The Contracts/Operations Committee assists the Board in overseeing the adviser's management of each fund's operational risks, particularly as it regards vendor management and the quality of services provided by various service providers. This Committee periodically reviews reports from Fund Administration on these issues and discusses its

findings with the Board. Among other things, in its annual review of each fund's advisory and subadvisory agreements, this Committee and the Board receive and review information provided by the adviser and the subadviser relating to their operational capabilities, financial condition and resources.

The Board also has a Nominating, Governance and Administration Committee that, among other matters, periodically reviews the Board's committee structure and the charters of the Board's committees, and recommends to the Board such changes as it deems appropriate. This Committee also coordinates and

administers an annual self-evaluation of the Board that includes a review of its effectiveness in overseeing the number of funds in the fund complex and the effectiveness of its committee structure. The Board may, at any time and in its discretion, change the manner in which it conducts its risk oversight role.

The adviser also has its own, independent interest in risk management. In this regard, the adviser has appointed a Risk and Investment Operations Committee, consisting of senior personnel from each of the adviser's functional departments. This Committee reports periodically to the Board on risk management matters. The adviser's risk management program is part of the overall risk management program of John Hancock, the adviser's parent company. John Hancock's Chief Risk Officer supports the adviser's risk management program, and at the Board's request will report on risk management matters.

- (1) Trustee share ownership is provided as of October 31, 2011. The amounts reflect the aggregate dollar range of equity securities beneficially owned by the Trustees in the funds and in all John Hancock funds overseen by each Trustee. For each Trustee, the amounts reflected include share equivalents of certain John Hancock funds in which the Trustee is deemed to be invested pursuant to the Deferred Compensation Plan for Independent Trustees, as more fully described under Remuneration of Trustees and Officers. The information as to beneficial ownership is based on statements furnished to the funds by the Trustees. Each of the Trustees has all voting and investment powers with respect to the shares indicated. None of the Trustees beneficially owned individually, and the Trustees and executive officers of the funds as a group did not beneficially own, in excess of one percent of the outstanding shares of any fund.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires a fund's executive officers, Trustees and persons who own more than 10% of a fund's shares (the 10% Shareholders) to file reports of ownership and changes in ownership with the Securities and Exchange Commission (SEC). Executive officers, Trustees and 10% Shareholders are also required by SEC regulations to furnish each fund with copies of all Section 16(a) forms they file. Based solely on a review of the copies of these reports furnished to the funds and representations that no other reports were required to be filed, each fund believes that, during the past fiscal year, its executive officers, Trustees and 10% Shareholders complied with all applicable Section 16(a) filing requirements.

Remuneration of Trustees and Officers

The following table provides information regarding the compensation earned by the Independent Trustees from the funds and the other investment companies in the John Hancock Fund Complex for their services for each fund's most recently completed fiscal year. No information is provided with respect to Charles L. Ladner, a Trustee of each fund, because his term of office will end on December 31, 2011. The Non-Independent Trustees, and each of the officers of the funds who are interested persons of the adviser, are compensated by the adviser and/or its affiliates and receive no compensation from the funds for their services.

determined based upon the performance of such investments. Deferral of Trustees' fees does not obligate any fund to retain the services of any Trustee or obligate a fund to pay any particular level of compensation to the Trustee.

(3) Includes \$21,500 of deferred compensation.

Legal Proceedings

There have been no legal proceedings that are material to an evaluation of the ability or integrity of any Trustee or executive officer of the funds within the past ten years.

On August 24, 2010, a shareholder derivative complaint was filed in the Superior Court of The Commonwealth of Massachusetts, Suffolk County, by a law firm on behalf of a purported shareholder of Preferred Income III against the adviser, the adviser's parent company, Manulife Financial Corporation, and certain of the current and former interested Trustees, executive officers and portfolio managers of the fund. On August 30, 2010, a substantially similar derivative complaint was filed in the Superior Court of The Commonwealth of Massachusetts, Suffolk County, on behalf of a purported shareholder of Tax-Advantaged Dividend.

A Joint Motion To Dismiss With Prejudice with respect to these two complaints was filed on February 28, 2011 in the Business Litigation Session of the Superior Court of The Commonwealth of Massachusetts, Suffolk County. On March 1, 2011, the Court granted the Motion to Dismiss with Prejudice.

Independent Registered Public Accounting Firm

The Trustees of each fund, including a majority of each fund's Independent Trustees, have selected PricewaterhouseCoopers LLP (PwC), 125 High Street, Boston, Massachusetts 02110, to act as independent registered public accounting firm.

Representatives of PwC are not expected to be present at the meeting, but have been given the opportunity to make a statement, if they desire to do so, and will be available should any matter arise requiring their participation.

The following tables set forth the aggregate fees billed by PwC for the funds' two most recently completed fiscal years for professional services rendered for: (i) the audit of the fund's annual financial statements and the review of financial statements included in the fund's reports to shareholders, (ii) assurance and related services that are reasonably related to the performance of the audit or review of the fund's financial statements, (iii) tax compliance, tax advice or tax planning and (iv) all other services provided by PwC other than (i), (ii) and (iii). None of the services described below were approved by the Audit Committee pursuant to the de minimis exception from the pre-approval requirement set forth in Rule 2-01(c)(7)(i)(C).

Each fund's Audit Committee has adopted procedures that require the pre-approval of audit and non-audit services provided by the fund's independent registered public accounting firm to the fund, the adviser and any entity controlling, controlled by or under common control with the adviser that provide services to the funds (the Adviser Affiliates) and that relate directly to the funds' operations and financial reporting. In addition, these procedures identify certain types of audit and non-audit services that are anticipated to be provided by PwC during a calendar year and, provided the services are within the scope and value standards set forth in the procedures, such services are deemed to be pre-approved by the Audit Committee. The scope and value criteria are reviewed annually. Unless a service is pre-approved under the procedures, it must be specifically pre-approved by the Audit Committee.

In recommending PwC as the fund's independent registered public accounting firm, the Audit Committee has considered the compensation paid to PwC for audit and non-audit services to the adviser and the Adviser Affiliates, and has determined that such compensation is not incompatible with maintaining PwC's independence.

The following table sets forth the aggregate non-audit fees billed by PwC for services rendered to each fund for the two most recently completed fiscal years.

MISCELLANEOUS

Voting; Quorum; Adjournment

The following votes are required to approve the proposal:

Proposal

Vote Required

Election of Trustees

A plurality of all votes cast, assuming a quorum exists.* A plurality means that the three nominees up for election receiving the greatest number of votes will be elected as Trustees, regardless of the number of votes cast.

* In order for a quorum to exist, a majority of the shares outstanding and entitled to vote must be present at the meeting, either in person or by proxy, determined in accordance with the table below.

Because the proposal described in this proxy statement is considered a routine matter, brokers holding shares in street name may vote without instruction under the rules of the New York Stock Exchange, on which the funds' shares are listed.

The following table summarizes how the quorum and voting requirements are determined.

Shares	Quorum	Voting
In General	All shares present in person or by proxy are counted in determining whether a quorum exists.	Shares present in person will be voted in person by the shareholder at the meeting. Shares present by proxy will be voted by the proxy holder in accordance with instructions specified in the proxy.
Broker Non-Vote	Considered present at meeting.	Not voted. Same effect as a vote against the proposal.
Proxy with No Voting Instruction	Considered present for determining whether a quorum exists.	Will be voted for the proposal by the proxy holder.
Vote to Abstain	Considered present for determining whether a quorum exists.	Same effect as a vote against the proposal.

If a quorum is not present, the persons named as proxies may vote their proxies to adjourn the meeting to a later date. If a quorum is present, but there are insufficient votes to approve the proposal, the persons named as proxies may propose one or more adjournments of the meeting to permit further solicitation. Shareholder action may be taken on the proposal prior to such adjournment. Any adjournment will require the affirmative vote of a majority of those shares present at the Annual Meeting in person or by proxy.

Expenses and Methods of Solicitation

The costs of the meeting, and the expense of preparing, printing and mailing the proxy materials (other than the cost of the solicitor) will be allocated on a pro rata basis based on each fund's assets. The cost of the solicitor will be borne equally by each fund. Persons holding shares as nominees will be reimbursed by the relevant fund, upon request, for their reasonable expenses in sending soliciting material to the principals of the accounts. In addition to the solicitation of proxies by mail, Trustees, officers and employees of the funds or of the adviser may solicit proxies in person, by facsimile, by e-mail or by telephone. Mellon Investor Services, LLC has been retained to assist in the solicitation of proxies at a cost of approximately \$1,680.00 per fund plus reasonable expenses (including the cost of maintaining an Internet Web site where the proxy materials are posted).

Telephone Voting

The funds may arrange to have votes recorded by telephone by officers and employees of the funds or by the personnel of the adviser, the transfer agent or solicitor. The telephone voting procedure is designed to verify a shareholder's identity, to allow a shareholder to authorize the voting of shares in accordance with the shareholder's instructions and to confirm that the voting instructions have been properly recorded.

A shareholder will be called on a recorded line at the telephone number in the fund's account records and will be asked to provide certain identifying information.

The shareholder will then be given an opportunity to authorize proxies to vote his or her shares at the meeting in accordance with the shareholder's instructions.

Alternatively, a shareholder may call the funds' Voice Response Unit and follow these steps to vote:

Read the proxy statement and have the proxy card at hand.

Call the toll-free number located on the proxy card.

Follow recorded instructions.

With both methods of telephone voting, to ensure that the shareholder's instructions have been recorded correctly, the shareholder will receive a confirmation of the voting instructions.

If the shareholder decides after voting by telephone to attend the meeting, the shareholder can revoke the proxy at that time and vote the shares at the meeting.

Internet Voting

Shareholders also have the opportunity to submit their voting instructions via the Internet by utilizing a program provided through a vendor. Voting via the Internet will not affect shareholders' right to vote in person if they decide to attend the meeting. Shareholders should not mail the proxy card if they are voting via the Internet. To vote via the Internet, shareholders will need the information on their proxy cards. The Internet voting procedures are designed to authenticate shareholder identities, to allow shareholders to give their voting instructions and to confirm that shareholders' instructions have been recorded properly. Shareholders voting via the Internet should understand that there may be costs associated with electronic access (which the shareholders must bear), such as usage charges from Internet access providers and telephone companies.

To vote via the Internet, shareholders should:

Read the proxy statement and have the proxy card on hand.

Go to the Web site listed on the proxy card.

Follow the directions on the Web site. Shareholders should call 1-800-852-0218 to report any problems.

To ensure that voting instructions have been recorded correctly, shareholders will receive confirmation of their voting instructions immediately after submission.

The Funds Adviser, Administrator and Subadvisers

John Hancock Advisers, LLC serves as each fund's investment adviser and administrator. An affiliate of the adviser, John Hancock Asset Management a division of Manulife Asset Management (US) LLC, 101 Huntington Avenue, Boston, Massachusetts 02199, serves as each fund's subadviser, except for Tax-Advantaged Global. Analytic Investors, LLC, 555 West Fifth Street, 50th Floor, Los Angeles, California 90013, serves as a subadviser to Tax-Advantaged Dividend and Tax-Advantaged Global. Epoch Investment Partners, Inc., 640 Fifth Avenue, 18th Floor, New York, New York 10019, serves as one of two subadvisers to Tax-Advantaged Global.

Other Matters

The management of the funds knows of no business to be brought before the meeting, except as described in this proxy statement. If, however, any other matters were properly to come before the meeting, the persons named in the enclosed form of proxy intend to vote on such matters in accordance with their best judgment. If any shareholders desire additional information about the matters proposed for action, the management of the funds will provide further information.

The meeting is scheduled as a joint meeting of the respective shareholders of the funds because the shareholders of the funds generally are expected to consider and vote on similar matters. The Boards of Trustees of the funds have determined that the use of this joint proxy statement for the meetings is in the best interest of each fund's shareholders. In the event that any shareholder present at the meetings objects to the holding of a joint meeting and moves for an adjournment of the annual meeting with respect to his or her fund to a time immediately after the annual meetings so that his or her fund's meeting may be held separately, the persons named as proxies will vote in favor of such adjournment.

The shareholders of each fund will vote separately on the proposal, and voting by shareholders of one fund will have no effect on the outcome of voting by shareholders of the other funds.

SHAREHOLDER PROPOSALS

Shareholder proposals, including nominees for Trustee, intended to be presented at a fund's 2013 annual meeting, in accordance with Rule 14a-8 under the Exchange Act, must be received by that fund at its offices at 601 Congress Street, Boston, Massachusetts 02210, by no later than the close of business on July 31, 2012, for inclusion in that fund's proxy statement and form of proxy relating to that meeting (subject to certain exceptions). Written notice of a shareholder proposal submitted outside of the processes of Rule 14a-8 must be delivered to the Secretary of the relevant fund at 601 Congress Street, Boston, Massachusetts 02210 generally by no later than the close of business on August 30, 2012 and no earlier than July 31, 2012. In order to be included in a fund's proxy statement and form of proxy, a shareholder proposal must comply with all applicable legal requirements. Timely submission of a proposal does not guarantee that such proposal will be included.

JOHN HANCOCK FUNDS AUDIT COMMITTEE CHARTER

A. *Composition.* The Audit Committee (the Committee) shall be composed exclusively of Trustees who are not interested persons as defined in the Investment Company Act of 1940 of any of the Funds, or of any Fund's investment adviser, subadviser or principal underwriter (the Independent Trustees). The Committee shall be composed of at least three Independent Trustees who are designated for membership from time to time by the Board of Trustees. Unless otherwise determined by the Board, no member of the Committee may serve on the audit committee of more than two other public companies (other than another John Hancock Fund). Except as otherwise permitted by the applicable rules of the New York Stock Exchange, each member of the Committee shall be independent as defined by such rules and Rule 10A-3(b)(1) of the Securities Exchange Act of 1934. No member of the Committee may receive, directly or indirectly, any consulting, advisory or other compensatory fee from a Fund, other than fees paid in his or her capacity as a member or chair of the Board of Trustees or of a committee of the Board of Trustees. Each member of the Committee must be financially literate, as such qualification is interpreted by the Board of Trustees in its business judgment, or must become financially literate within a reasonable period of time after his or her appointment to the Committee. At least one member of the Committee must have accounting or related financial management expertise, as the Board of Trustees interprets such qualification in its business judgment.

At least annually the Audit Committee shall consider whether one or more of its members qualifies to be designated by the Board of Trustees as an audit committee financial expert, as such term is defined by the Securities and Exchange Commission. The Audit Committee shall report the results of its deliberations to the Board of Trustees for further action as appropriate, including, but not limited to, a determination by the Board of Trustees that the Audit Committee membership includes or does not include one or more audit committee financial experts and any related disclosure to be made concerning this matter.

B. *Overview.* The Committee's purpose is to:

1. assist the Board in fulfilling its oversight responsibilities of (1) the integrity of the Funds' financial statements, (2) the Funds' compliance with legal and regulatory requirements (except to the extent such responsibility is delegated to another committee), (3) the independent auditor's qualifications and independence, and (4) the performance of the Funds' independent auditors;
2. act as a liaison between the Funds' independent auditors and the Board of Trustees; and
3. oversee the preparation of an Audit Committee Report as required by the Securities and Exchange Commission (the SEC) to the extent required to be included in the closed-end Funds' annual proxy statement.

The Committee shall discharge its responsibilities, and shall access the information provided by the Funds' management and independent auditors, in accordance with its business judgment. Management is responsible for the preparation of the Funds' financial statements and the maintenance of appropriate systems for accounting and internal controls over financial reporting. The independent auditors are responsible for planning and carrying out proper audits and reviews in accordance with generally accepted auditing standards. In fulfilling their responsibilities hereunder, it is recognized that it is not the duty or responsibility of the Committee or its members to conduct field work or other types of auditing or accounting reviews or procedures or to set auditor independence standards. Accordingly, the Committee's oversight role does not provide any expert or special assurance as to the financial statements and other financial information provided by a Fund to its shareholders and others. The authority and responsibilities set forth in

this charter recognize that the Committee members are not acting as accountants or auditors and this charter does not reflect or create any duty or obligation of the Committee to plan or conduct any audit, to determine or certify that any Fund's financial statements are complete, accurate, fairly presented, or in accordance with generally accepted accounting principles or applicable law, or to guarantee any independent auditor's report.

Each member of the Committee shall be entitled to rely on (i) the integrity of those persons and organizations within and outside the Fund from which it receives information, (ii) the accuracy of the financial

and other information provided to the Committee by such persons and organizations absent actual knowledge to the contrary (which shall be promptly reported to the Fund's Board) and (iii) statements made by the officers and employees of the Fund, the adviser or other third parties as to any information technology, internal audit and other non-audit services provided by the independent auditors to the Fund. In addition, the evaluation of the Fund's financial statements by the Committee is not of the same scope as, and does involve the extent of detail as, audits performed by the independent auditors, nor does the Committee's evaluation substitute for the responsibilities of the Fund's management for preparing, or the independent auditors for auditing, the financial statements.

C. Oversight. The independent auditors shall report directly to the Committee, and the Committee shall be responsible for oversight of the work of the independent auditors, including resolution of any disagreements between any Fund's management and the independent auditors regarding financial reporting matters. In connection with its oversight role, the Committee should also review with the independent auditors, from time to time as appropriate: significant risks and uncertainties with respect to the quality, accuracy or fairness of presentation of a Fund's financial statements; accounting for unusual transactions; adjustments arising from audits that could have a significant impact on the Funds financial reporting process; and any recent SEC comments on the Funds' SEC reports, including, in particular, any accounting or disclosure compliance comments. The Committee should inquire of the independent auditor concerning the quality, not just the acceptability, of the Funds' accounting determinations and other judgmental areas.

D. Specific Responsibilities. The Committee shall have the following duties and powers, to be exercised at such times and in such manner as the Committee shall determine:

1. To approve, and recommend to the Board of Trustees for its ratification and approval in accord with applicable law, the selection, appointment and retention of an independent auditor for each Fund (or any other public accounting firm engaged for the purpose of performing other audit, review or attest services for a Fund) prior to the engagement of such independent auditor and, at an appropriate time, its compensation, and to approve the termination of the independent auditor. The Committee should meet with the independent auditor prior to the audit to discuss the planning and staffing of the audit. The Committee should periodically consider whether there should be a regular rotation of the independent audit firm.
2. To periodically review and evaluate the lead partner and other senior members of the independent auditor's team and confirm the regular rotation of the lead audit partner and reviewing partner as required by Section 203 of the Sarbanes-Oxley Act.
3. To pre-approve all non-audit services provided by the independent auditor to the Fund or to the Fund's investment adviser and any entity controlling, controlled by, or under common control with the investment adviser that provides ongoing services to the Fund, if the engagement relates directly to the operations and financial reporting of the Fund.
4. The Committee is authorized to delegate, to the extent permitted by law, pre-approval responsibilities for non-audit services to one or more members of the Committee who shall report to the Committee regarding approved services at the Committee's next regularly scheduled meeting. The Committee is also authorized to adopt policies and procedures which govern the pre-approval of audit, audit-related, tax and other services provided by the independent accountants to the Funds or to a service provider as referenced in Paragraph 3, provided however, that any such policies and procedures are detailed as to particular services, the Committee is informed of each service, and any such policies and procedures do not include the delegation of the Committee's responsibilities under the Securities Exchange Act of 1934 or applicable rules or listing requirements.
- 5.

To meet periodically, including separately, with independent auditors, with management's internal auditors, and with the Funds' senior management to, as appropriate: (i) review the arrangements for and scope of the annual audit and any special audits; (ii) review, to the extent required by applicable law or regulation, the form and substance of the closed-end Funds' financial statements and reports, including each closed-end Fund's disclosures under Management's Discussion of Fund Performance and to discuss any matters of importance relating to the Funds' financial statements, including any adjustments to such statements recorded by management or recommended by the independent

auditors, or other results of an audit; (iii) consider the independent auditors' comments with respect to the Funds' financial policies, procedures and internal accounting controls and management's responses thereto; (iv) review the resolution of any disagreements between the independent auditors and management regarding the Funds' financial reporting; (v) obtain annually in writing from the independent auditors their letter as to the adequacy of such controls as required by form N-SAR; (vi) review the form of opinion on financial statements that the independent accountants propose to render to the Board and shareholders and (vii) discuss with management any comments raised by regulators with respect to financial statement reporting and disclosure. The Committee will periodically discuss with the independent auditors their assessment of management's capabilities in areas that could impact the financial statements, and shall review reports provided by management's internal auditors regarding matters that could affect the Funds' financial statements or related services provided by management to the Funds. If any Fund establishes an internal audit function, the Committee shall assist the Board in fulfilling its oversight responsibilities over the performance thereof.

6. With respect to any Fund listed on a securities exchange, to consider whether it will recommend to the Board of Trustees that the audited financial statements be included in a Fund's annual report. The Board delegates to the Committee the authority to release the Funds' financial statements for publication in the annual and semi-annual report, subject to the Board's right to review and ratify such financial statements following publication. With respect to each Fund, to review and discuss with each Fund's management and independent auditor the Funds' audited financial statements and the matters about which Statement on Auditing Standards No. 114, as amended, requires discussion. With respect to any listed Fund, the Committee shall prepare an annual committee report for inclusion where necessary in the proxy statement of a Fund relating to its annual meeting of security holders or in any other filing required by the SEC's rules.
7. To receive and consider reports on the audit functions of the independent auditors and the extent and quality of their auditing programs.
8. To obtain and review, at least annually, a report by the independent auditor describing: the firm's internal quality-control procedures; any material issues raised by the most recent internal quality-control review, or peer review, of the firm, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the firm, and any steps taken to deal with any such issues; and all relationships between the independent auditor and each Fund, including the disclosures required by any applicable Independence Standards Board Standard or the Public Company Accounting Oversight Board. The Committee shall engage in an active dialogue with each independent auditor concerning any disclosed relationships or services that might impact the objectivity and independence of the auditor.
9. To review with the independent auditor any problems that may be reported to it arising out of a Fund's accounting, auditing or financial reporting functions and management's response, including any restrictions on the scope of the auditor's activities or on access to requested information, and any significant disagreements with management, and to receive and consider reports on critical accounting policies and practices and alternative treatments discussed with management.
10. To review securities pricing procedures and review their implementation with management, independent auditors and others as may be required, except with respect to the Funds' Rule 2a-7 policies and procedures.
11. To establish procedures for the receipt, retention, and treatment of complaints received by a Fund regarding accounting, internal accounting controls, or auditing matters, and the confidential, anonymous submission by employees of the investment adviser, administrator, principal underwriter or any other provider of

accounting-related services for a listed Fund, as well as employees of the Fund, if any, regarding questionable accounting or auditing matters, as and when required by applicable rules or listing requirements.

12. With respect to any listed Fund, to discuss guidelines and policies to govern the process by which financial risk assessment and financial risk management is undertaken. The Committee is not the primary body responsible for oversight of risk assessment and risk management, which is primarily the role of management.
13. With respect to any listed Fund, to set clear hiring policies for employees or former employees of the independent auditors.
14. To report regularly to the Board of Trustees, including providing the Committee's conclusions and/or recommendations with respect to the independent auditor and the Funds' financial statements and accounting controls.
15. For listed Funds, to discuss generally the types of information to be disclosed in press releases concerning dividends, as well as financial information provided to analysts and rating agencies (if any), and the type of presentation to be made.
16. To consider the effect upon a Fund of significant changes in accounting principles, practices, controls or procedures proposed or contemplated by management or the independent auditors.

E. Subcommittees. The Committee may, to the extent permitted by applicable law, form and delegate authority to one or more subcommittees (including a subcommittee consisting of a single member), as it deems appropriate from time to time under the circumstances. Any decision of a subcommittee to preapprove audit or non-audit services shall be presented to the full Committee at its next meeting.

F. Additional Responsibilities. The Committee shall perform other tasks assigned to it from time to time by the Board of Trustees, and will report findings and recommendations to the Board of Trustees, as appropriate.

G. Funding. Each Fund shall provide for appropriate funding, as determined by the Committee for payment of:

1. Compensation to any registered public accounting firm engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Fund.
2. Compensation to any counsel, advisers, experts or consultants engaged by the Committee under Paragraph J of this charter.
3. Ordinary administrative expenses of the Committee that are necessary or appropriate in carrying out its duties.
4. Public Company Accounting Oversight Board fees.

H. Governance. One member of the Committee shall be appointed as chair by the Board of Trustees. The chair shall be responsible for leadership of the Committee, including scheduling meetings or reviewing and approving the schedule for them, preparing agendas or reviewing and approving them before meetings, presiding over meetings, and making reports to the Board of Trustees, as appropriate. The designation of a person as an audit committee financial expert, within the meaning of the rules under Section 407 of the Sarbanes-Oxley Act of 2002, shall not impose any greater responsibility or liability on that person than the responsibility and liability imposed on such person as a member of the Committee, nor shall it decrease the duties and obligations of other Committee members or the Board of Trustees.

I. *Evaluation.* At least annually, the Committee shall evaluate its own performance consistent with the requirements of this charter and report the results to the Board of Trustees.

J. *Miscellaneous.* The Committee shall meet as often as it deems appropriate, with or without management, as circumstances require. The Committee shall have the resources and authority appropriate to discharge its responsibilities, including the authority to retain special counsel and other advisers, experts or consultants, at the Funds' expense, as it determines necessary to carry out its duties. The Committee shall have direct access to such officers of and service providers to the Funds as it deems desirable.

K. *Review.* The Committee shall review this charter periodically and shall recommend such changes to the Board of Trustees as it deems desirable.

Last revised: June 7, 2011

AUDIT COMMITTEE REPORT

The information contained in this report shall not be deemed to be soliciting material or filed or incorporated by reference in future filings with the Securities and Exchange Commission (the SEC), or subject to the liabilities of Section 18 of the Securities Exchange Act of 1934, except to the extent that we specifically incorporate it by reference into a document filed under the Securities Act of 1933 or the Securities Exchange Act of 1934.

The Audit Committee has reviewed and discussed with the Funds' management of the investment companies listed below (the Funds) and PricewaterhouseCoopers (PwC) the audited financial statements of the Funds contained in the Annual Reports on Form N-CSR for the most recent fiscal year.* The Audit Committee also has discussed with PwC the matters required to be discussed pursuant to Public Company Accounting Oversight Board Auditing Standards, AU Section 380, which includes, among other items, matters related to the conduct of the audit of the Funds' financial statements.

The Audit Committee has received and reviewed the written disclosures and the letter from PwC required by applicable requirements of the Public Company Accounting Oversight Board regarding PwC's communications with the Audit Committee concerning independence and has discussed with PwC its independence from the Funds.

Based on the review and discussions referred to above, the Audit Committee recommended to the Board of Trustees that the audited financial statements be included in each Fund's Annual Report on Form N-CSR for filing with the SEC.

To consider, evaluate and make recommendations and necessary findings regarding independent legal counsel and any other advisers, experts or consultants that may be engaged by the Board of Trustees, by the Trustees who are not interested persons as defined in the Investment Company Act of 1940 of any of the Funds or any Fund's investment adviser, subadviser or principal underwriter, or by the Committee, from time to time, other than as may be engaged directly by another Committee.

9. To make a recommendation to the Board of Trustees concerning the annual consideration of the agreements relating to legal services.
10. To periodically review the Board's committee structure and, in collaboration with the Chairs of the various Committees, the charters of the Board's committees, and recommend to the Board of Trustees changes to the committee structure and charters as it deems appropriate.
11. To coordinate and administer an annual self-evaluation of the Board, which will include, at a minimum, a review of its effectiveness in overseeing the number of Funds in the Fund complex and the effectiveness of its committee structure.
12. To retain and terminate any firm(s) to be used to identify or evaluate or assist in identifying or evaluating potential Independent Board nominees, subject to the Board's sole authority to approve the firm's fees and other retention terms.
13. To report its activities to Board of Trustees and to make such recommendations with respect to the matters described above and other matters as the Committee may deem necessary or appropriate.

D. Additional Responsibilities. The Committee will also perform other tasks assigned to it from time to time by the Chairman of the Board or by the Board of Trustees, and will report findings and recommendations to the Board of Trustees, as appropriate.

E. Governance. One member of the Committee shall be appointed as chair. The chair shall be responsible for leadership of the Committee, including scheduling meetings or reviewing and approving the schedule for them, preparing agendas or reviewing and approving them before meetings, and making reports to the Board of Trustees, as appropriate.

F. Miscellaneous. The Committee shall meet as often as it deems appropriate, with or without management, as circumstances require. The Committee shall have the resources and authority appropriate to discharge its responsibilities, including the authority to retain special counsel and other advisers, experts or consultants, at the Funds' expense, as it determines necessary to carry out its duties. The Committee shall have direct access to such officers of and service providers to the Funds as it deems desirable.

G. Evaluation. At least annually, the Committee shall evaluate its performance consistent with the requirements of this charter and report the results to the Board of Trustees.

H. Review. The Committee shall review this charter periodically and shall recommend changes to the Board of Trustees, as it deems desirable.

ANNEX A

General Criteria

1. Nominees should have a reputation for integrity, honesty and adherence to high ethical standards.
2. Nominees should have demonstrated business acumen, experience and ability to exercise sound judgments in matters that relate to the current and long-term objectives of the Funds and should be willing and able to contribute positively to the decision-making process of the Funds.
3. Nominees should have a commitment to understand the Funds, and the responsibilities of a trustee/director of an investment company and to regularly attend and participate in meetings of the Board and its committees.
4. Nominees should have the ability to understand the sometimes conflicting interests of the various constituencies of the Funds, including shareholders and the management company, and to act in the interests of all shareholders.
5. Nominees should not have, nor appear to have, a conflict of interest that would impair their ability to represent the interests of all the shareholders and to fulfill the responsibilities of a director/trustee.

Application of Criteria to Current Trustees

The renomination of current Trustees should not be viewed as automatic, but should be based on continuing qualification under the criteria set forth above based on, among other things, the current Trustees' contribution to the Board and any committee.

Review of Nominations

1. The Committee believes that it is in the best interests of the Fund and its shareholders to obtain highly-qualified candidates to serve as members of the Board.
2. In nominating candidates who would be Independent Trustees, the Committee believes that no particular qualities or skills nor any specific minimum qualifications or disqualifications are controlling or paramount. The Committee shall take into consideration any such factors as it deems appropriate. These factors may include (but are not limited to) the person's character, integrity, judgment, skill, diversity and experience with investment companies and other organizations of comparable purpose, complexity and size and subject to similar legal restrictions and oversight; the interplay of the candidate's experience with the experience of other Board members; and the extent to which the candidate would be a desirable addition to the Board and any Committees thereof. Other factors that the Committee may take into consideration include a person's availability and commitment to attend meetings and perform his or her responsibilities; whether or not the person had any relationships that might impair or appear to impair his or her independence, such as any business, financial or family relationships with Fund management, the investment adviser and/or subadviser of the Fund, as applicable, Fund service providers, or their affiliates or with Fund shareholders.
3. While the Committee is solely responsible for the selection and recommendation to the Board of Independent Board candidates, the Committee may consider nominees recommended by any source, including Fund shareholders, management and Committee members, as it deems appropriate. Any such recommendations from shareholders shall be directed to the Secretary of the relevant Fund at such address as is set forth in the

Fund's disclosure documents. Recommendations from management may be submitted to the Committee Chairperson. All recommendations shall include all information relating to such person that is required to be disclosed in solicitations of proxies for the election of Board members and as specified in the relevant Fund's By-Laws, and must be accompanied by a written consent of the proposed candidate to stand for election if nominated for the Board and to serve if elected by shareholders.

4. The Committee may from time to time establish specific requirements and/or additional factors to be considered for Independent Board candidates as it deems necessary or appropriate.
5. After its consideration of relevant factors, the Committee shall present its recommendation(s) to the full Board for its consideration.

As long as a current Independent Trustee continues, in the opinion of the Committee, to satisfy the criteria listed above, the Committee generally would favor the re-nomination of a current Trustee rather than a new candidate. Consequently, while the Committee will consider nominees recommended by shareholders to serve as trustees, the Committee may only act upon such recommendations if there is a vacancy on the Board, or the Committee determines that the selection of a new or additional Trustee is in the best interests of the Fund.
