SELLING SECURITY HOLDERS

We originally sold the debentures to Morgan Stanley & Co. Incorporated on June 30, 2000 in a private placement. Morgan Stanley has advised us that it resold the debentures in transactions exempt from the registration requirements of the Securities Act of 1933 to "qualified institutional buyers" (as defined in Rule 144A under the Securities Act) in compliance with Rule 144A. These subsequent purchasers (and their respective donees and transferees for no consideration) may from time to time offer and sell any or all of the debentures or the common stock issuable on conversion of the debentures pursuant to this prospectus.

The debentures and the common stock to be offered and sold using this

Edgar Filing: WEATHERFORD INTERNATIONAL INC /NEW/ - Form 424B3

prospectus are being registered pursuant to a registration rights agreement between us and Morgan Stanley. In that agreement, we undertook to file a registration statement with regard to the debentures and common stock and, subject to certain exceptions, to keep that registration statement effective for up to two years. The registration statement to which this prospectus relates is intended to satisfy our obligations under that agreement.

The selling security holders named below have advised us that they currently intend to sell the debentures and common stock set forth below pursuant to this prospectus. Additional selling security holders may choose to sell debentures and common stock from time to time upon notice to us. See "Plan of Distribution".

Before a security holder may use this prospectus in connection with an offering of securities, this prospectus will be supplemented to include the name and amount of debentures and common stock beneficially owned by the selling security holder and the amount of debentures and common stock to be offered. Any prospectus supplement will also disclose whether any selling security holder selling in connection with that prospectus supplement has held any position, office or other material relationship with us or any of our predecessors or affiliates during the three years prior to the date of the prospectus supplement.

The following table is based solely on information provided by the selling security holders. This information represents the most current information provided to us by security holders. Some security holders may have reduced or increased their positions in the debentures from the amounts shown below and not yet informed us of the change. In that case, the amounts shown below may total more or less than \$910,000,000. To the extent the total of the amounts of debentures beneficially owned shown below is less than \$910,000,000, the shortfall represents amounts beneficially owned but not yet reported to us. To the extent such total exceeds \$910,000,000, such total includes duplicative amounts. In no case will more than \$910,000,000 aggregate principal amount at maturity of debentures be sold using this prospectus and all supplements to this prospectus.
