The joint venture transaction was consummated with an enterprise value of the French business of EUR 300 million. The unaudited pro forma consolidated statement of operations and balance sheet have been prepared on the basis of preliminary estimates, which are subject to possible adjustment. - (4) Represents indemnifications and other representations and warranties assumed by the Company upon completion of the transaction.
- (5) Represents the deferred tax impact related to the recognition of gains and losses on hedges of the Company's net foreign investment in the French funeral operations and previously unrecognized foreign exchange rate gains and losses on hedging activities.
