Item 1.01 Entry into a Material Definitive Agreement.

The Compensation Committee of the Board of Directors (the Committee) of Oceaneering International, Inc. (the Company) has considered the transition of executive management and corporate leadership and the current status of anticipated additional guidance from the Internal Revenue Service on Section 409A of the Internal Revenue Code regarding nonqualified deferred compensation arrangements. In order to facilitate the transition and permit additional time for the Company to consider such anticipated guidance and timely modifications to provisions of the Service Agreement entered into with Mr. John Huff, dated August 15, 2001 and as modified thereafter by agreement dated May 11, 2006 (collectively, the Service Agreement), the Committee approved a second modification to the Service Agreement, reflecting that Mr. Huff s employment with the Company will continue through December 31, 2006, and this extension will not affect the benefits that will otherwise become due under the Service Agreement.

The modification to the Service Agreement described above is filed as Exhibit 10.1 to this report and is incorporated by reference herein. The foregoing summary does not purport to be complete and is qualified in its entirety by reference to the applicable agreement
