**PROXY STATEMENT**  
**for**  
**ANNUAL MEETING OF STOCKHOLDERS**  
**To be held on May 8, 2006**

This Proxy Statement with the accompanying proxy card is being mailed or given to stockholders commencing on or about April 7, 2006, in connection with the solicitation of proxies by the Board of Directors of HearUSA, Inc. (the Company) to be used at the 2006 Annual Meeting of Stockholders of the Company to be held at The Crowne Plaza, 1601 Belvedere Road, West Palm Beach, Florida, on Monday, May 8, 2006 at 9:00 a.m. local time and any adjournments thereof.

The Company's principal executive offices are located at 1250 Northpoint Parkway, West Palm Beach, Florida 33407.

**Voting at Meeting**

The record date for the Annual Meeting is March 24, 2006. Holders of shares of the Company's common stock, par value \$.10 per share (Common Stock), and holders of exchangeable shares (Exchangeable Shares) of HEARx Canada, Inc., a subsidiary of the Company, as of the close of business on the record date, are entitled to notice of, and to vote at, the Annual Meeting or any adjournments thereof. Each holder of Common Stock is entitled to one vote for each share held on the record date, and Computershare Trust Company of Canada (the Trustee), the holder of the Company's Special Voting Preferred Stock, is entitled to one vote for each Exchangeable Share outstanding as of the record date. Votes cast with respect to the Exchangeable Shares will be voted through the Special Voting Preferred Stock by the Trustee as directed by the holders of Exchangeable Shares, except votes cast with respect to Exchangeable Shares whose holders request to vote directly in person as proxy for the Trustee at the Annual Meeting.

As of the record date, there were issued and outstanding 31,379,538 shares of Common Stock, one share of the Company's Special Voting Preferred Stock and 780,358 Exchangeable Shares (excluding Exchangeable Shares owned by the Company and its subsidiaries). Each Exchangeable Share is exchangeable at any time, at the option of the holder, for one share of the Company's Common Stock. The holders of a majority of the shares of Common Stock and Exchangeable Shares entitled to vote as of the record date present in person or by proxy will constitute a quorum at the meeting. Under the Delaware General Corporation Law, any stockholder who submits a proxy and abstains from voting on a particular matter described herein will still be counted for purposes of determining a quorum. Broker non-votes will be treated as not represented at the meeting as to any matter for which a non-vote is indicated on the broker's proxy.

**Proxy Procedure**

Stockholders of record (stockholders who hold their shares in their own name) can vote any one of three ways:

- (1) **By Mail:** If the enclosed proxy card is properly executed and returned prior to the meeting, the shares represented thereby will be voted in accordance with the stockholder's directions or, if no directions are indicated, the shares will be voted in accordance with the recommendations of the Board of Directors as specified in this proxy statement. The Board of Directors does not know of any other business to be brought before the meeting, but it is intended that, as to any such other business, a vote may be cast pursuant to the proxy in accordance with the judgment of the person or persons acting thereunder.
-

- (2) By Telephone: Call the toll-free number on your proxy card to vote by phone. You will need to follow the instructions on your proxy card and the voice prompts.
- (3) By Internet: Go to the web site listed on your proxy card to vote through the Internet. You will need to follow the instructions on your proxy card and the web site. If you vote through the Internet, you may incur telephone and Internet access charges.

If you vote by telephone or the Internet, your electronic vote authorizes the named proxies in the same manner as if you signed, dated and returned your proxy card. **IF YOU VOTE BY TELEPHONE OR THE INTERNET, YOU SHOULD NOT RETURN YOUR PROXY CARD.**

If your shares are held in the name of a bank, broker or other holder of record, you will receive instructions from the holder of record that you must follow in order for your shares to be voted in accordance with your instructions. Telephone and Internet voting also will be offered to stockholders owning shares through most banks and brokers.

Any stockholder voting by written proxy by mail may revoke that proxy at any time prior to the voting thereof either by delivering written notice to the Secretary of the Company or by voting in person at the meeting. If you voted by telephone or the Internet, you may also change your vote with a timely and valid later telephone or Internet vote, as the case may be. Attendance at the meeting will not have the effect of revoking a proxy unless you give proper written notice of revocation to the Secretary before the proxy is exercised or you vote by written ballot at the meeting.

If you hold Exchangeable Shares and you wish to direct the Trustee to cast the votes represented by your Exchangeable Shares attached to the Special Voting Preferred Stock on your behalf, you should follow carefully the instructions provided by the Trustee, which accompany this Proxy Statement. The procedure for instructing the Trustee differs in certain respects from the procedure for delivering a proxy, including the place for depositing the instructions and the manner of revoking the proxy.

#### **Proxy Solicitation**

All costs of the solicitation of proxies will be borne by the Company. In addition to the solicitation of proxies by use of the mails, the Company may utilize the services of some of the officers and regular employees of the Company (who will receive no compensation therefore in addition to their regular salaries) to solicit proxies personally and by telephone. The Company will request banks, brokers, custodians, nominees and fiduciaries to forward copies of the proxy solicitation materials to beneficial owners and to request authority for the execution of proxies. The Company will reimburse such persons or entities for their expenses in doing so.

#### **ELECTION OF DIRECTORS**

Seven directors of the Company are to be elected at the meeting, each to hold office until the next Annual Meeting of Stockholders and until his successor is elected and qualified, or as otherwise provided by the Company's Amended and Restated Bylaws or by Delaware law.

The Board of Directors has nominated the seven persons named below for election as directors, all of whom are presently serving as such. It is intended that the shares represented by the enclosed proxy will be voted for the election of these seven nominees (unless such authority is withheld by a stockholder). In the event that any of the nominees should become unable or unwilling to serve as a director (which is not anticipated), it is intended that the proxy will be voted for the election of such person or persons, if any, who shall be designated by the Board of Directors.

##### **Board of Directors**

The Board of Directors has determined that the following directors, constituting a majority of the Board, are independent as defined by the American Stock Exchange listing standards: Messrs. Archibald, McLachlan, Gitterman, Labadie and Bagni.

The standing committees of the Board of Directors are the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee. The charters for the Audit, Compensation and Nominating and Corporate Governance Committees are posted on the Company's web site at [www.hearusa.com](http://www.hearusa.com) (select Investors then the desired committee charter). All committee members are appointed by the Board of Directors. The membership and the function of each committee are described below.

There were seven meetings of the Board of Directors during the fiscal year ended December 31, 2005. All of the directors attended at least 75% of the aggregate number of the meetings held by the Board of Directors and its respective committees on which they served during the fiscal year. Directors are encouraged, but not required to attend annual meetings of stockholders. Two of the Company's directors attended the 2005 Annual Meeting of Stockholders.

During 2005, the Company paid each non-employee director a meeting fee of \$1,000 for each in person meeting of the Board that they attended and a fee of \$500 for each telephonic Board or special committee meeting in which they participated. For each committee meeting the Company pays \$500 (\$250 if held by telephone). Each committee chair is paid an annual amount of \$3,000 except that the Audit Committee Chairman is paid an amount of \$4,000. In addition, the Company paid each non-employee director an annual retainer fee of \$15,000 upon re-election to the Board. During 2006, the Company will pay each non-employee director an annual retainer of \$17,500, \$1,300 for each Board meeting attended and \$650 for each committee meeting attended. The committee chair annual amounts will not change from 2005. The Company reimburses directors for their out-of-pocket expenses for attendance at meetings of the Board.

Stockholders may send communications directly to the Board of Directors by mail to the attention of Presiding Director of the Board's non-management directors HearUSA, Inc., 1250 Northpoint Parkway, West Palm Beach, Florida 33407, or by e-mail to [PresidingDirector@hearusa.com](mailto:PresidingDirector@hearusa.com). Currently Mr. McLachlan is serving as the Presiding Director.

#### **Audit Committee**

During 2005, the Audit Committee was comprised of Messrs. Archibald, Gitterman, Labadie, McLachlan and Bagni, all of whom are independent as defined by the American Stock Exchange listing standards and Rule 10A-3 under the Securities Exchange Act of 1934, as amended. In addition, the Board of Directors has determined that each member of the Audit Committee is financially literate and Mr. McLachlan is an audit committee financial expert within the meaning of the rules and regulations adopted by the Securities and Exchange Commission. The Audit Committee met four times during fiscal 2005.

The principal functions of the Audit Committee are to oversee the audit of the Company's financial statements provided to the Securities and Exchange Commission, the Company's shareholders and the general public; the Company's internal financial accounting processes and controls; the Company's disclosure controls and procedures; and the independent audit process.

#### **Compensation Committee**

During 2005, the Compensation Committee was comprised of Messrs. Archibald, Gitterman, Labadie, McLachlan and Bagni, all of whom are independent as defined by the American Stock Exchange listing standards. The Compensation Committee met five times during the 2005 fiscal year. The primary function of the Compensation Committee is to assist the Board in fulfilling its oversight responsibilities relating to officer and director compensation. Its primary duties and responsibilities are the overall design, approval and implementation of the executive compensation plans, policies and programs for directors, officers and other key executives of the Company.

#### **Nominating and Corporate Governance Committee**

During 2005, the Nominating and Corporate Governance Committee was comprised of Messrs. Archibald, Gitterman, Labadie, McLachlan and Bagni, all of whom are independent as defined by the American Stock Exchange listing standards. The Nominating and Corporate Governance Committee met twice during fiscal year 2005. The principal functions of the Nominating and Corporate Governance Committee are to recommend to the Board of Directors the director nominees for the next annual meeting of stockholders, candidates to fill vacancies on the Board and directors to be appointed to Board committees. In addition, the Nominating and Governance

Committee develops and recommends to the Board a set of corporate governance guidelines applicable to the Board and the Company and oversees the effectiveness of the Company's corporate governance in accordance with these guidelines. This Committee also oversees the process of evaluations of the Board, its committees and executive management of the Company.

#### **Director Nominating Process**

The Nominating and Corporate Governance Committee is responsible for identifying individuals qualified to become Board members and recommending to the Board director nominees for the next annual meeting of shareholders and candidates to fill vacancies on the Board.

The Nominating and Corporate Governance Committee considers candidates for Board membership suggested by its members and other Board members. The Committee may also use outside consultants to identify potential directors. Additionally, in selecting nominees for directors, the Committee will review candidates recommended by stockholders using the same general criteria as other candidates. Any stockholder wishing to recommend a candidate for consideration by the committee as a nominee for director should follow the procedures set forth below.

Once the Nominating and Corporate Governance Committee has identified a prospective nominee, the Committee makes an initial determination as to whether to conduct a full evaluation of the candidate. This initial determination is based on the information provided to the Committee with the recommendation of the prospective candidate, as well as the Committee's own knowledge of the prospective candidate, which may be supplemented by inquiries of the person making the recommendation or others. The preliminary determination is based primarily on the need for additional Board members to fill vacancies or expand the size of the Board and the likelihood that the prospective nominee can satisfy the evaluation factors described below. The Committee then evaluates the prospective nominee against the standards and qualifications set out in the Company's Corporate Governance Guidelines, which include among others things, considerations of judgment, specific business experience, independence (for purposes of the American Stock Exchange and SEC rules) and skills (such as understanding of technology, finance and marketing and healthcare), all in the context of an assessment of the perceived needs of the Board at the time.

Upon completion of this evaluation and interview process, the Committee makes a recommendation to the full Board as to whether the candidate should be nominated by the Board and the Board determines whether to approve the nominee after considering the recommendation and report to the Committee.

Stockholders may recommend director nominee candidates by sending the following information to Nominating Committee Chairman, HearUSA, Inc., 1250 Northpoint Parkway, West Palm Beach, Florida, 33407: stockholder's name, number of shares owned, length of period held, and proof of ownership; name, age and address of candidate; candidate's detailed resume; description of any arrangements or understandings between the stockholder and the candidate; and signed statement from the candidate confirming his or her willingness to serve on the Board of Directors.

If a stockholder seeks to nominate a candidate for election at the 2007 annual meeting of stockholders, the stockholder must follow the procedures described under the "Stockholder Proposals" below.

#### **Code of Ethics**

The Board of Directors has adopted a Code of Ethics applicable to all the Company's directors, officers and employees, a copy of which is available on the Company's website at [www.hearusa.com](http://www.hearusa.com).

**Audit Committee Report**

We have met and held discussions with the Company's management and with the Company's independent accountants, BDO Seidman, LLP. We have reviewed and discussed the audited consolidated financial statements of HearUSA, Inc. for the 2005 fiscal year with the Company's management. BDO Seidman, LLP also provided to us the written disclosures regarding their independence required by Independence Standards Board Standard No. 1, and we discussed with BDO Seidman, LLP their independence.

The agreements contemplate severance payments in the event of termination without cause, non-renewal at the end of the term or termination by the executive for good reason after a change in control. The severance payments in the case of Dr. Brown and Mr. Hansbrough are in an amount equal to three times base salary and in the case of Mr. Chouinard and Mr. Schofield in an amount equal to two times base salary. Chouinard and Schofield.

In the event of the executive's death or termination because of disability, all then outstanding options and similar rights shall become fully vested and the executive or his legal representatives may exercise such rights for a one year period following the executive's death or termination for disability.

The agreements provide for gross up payments to the executive to cover the executive's incremental tax liabilities in the event payments made under the agreements are subject to the excise tax imposed by Section 4999 of the Internal Revenue Code.

### **Report of the Compensation Committee**

The Compensation Committee is comprised entirely of independent directors and has the responsibility for reviewing and approving changes to the Company's executive compensation programs. The Compensation Committee approves all compensation payments to the Chief Executive Officer and other named executive officers.

The Compensation Committee uses salary and bonus compensation to reward current and past performance while using stock options to provide incentives for long-term performance. In 2005, no bonus compensation was awarded because the financial objectives set by the Compensation Committee for such bonuses were not met. To establish compensation for the Company's executive officers in 2005, including the CEO, the Compensation Committee used subjective performance evaluations, compensation statistics of similar sized health care organizations and, with respect to executive officers other than Mr. Hansbrough, the salary recommendations of Mr. Hansbrough. The Compensation Committee will continue to review the base salaries of the named executive officers to ensure salaries continue to reflect market practices and take into account performance, experience and retention value.

The Common Stock is traded on the American Stock Exchange. The closing price of the Common Stock at December 31, 2005 was \$1.36 per share. As part of the executive compensation information presented in the proxy statement, the Securities and Exchange Commission requires a five-year comparison of the stock performance for the Company with stock performance of other companies. For comparison purposes the Company has selected each of the AMEX Market Value (U.S.) Index and a Peer Group. The graph below reflects all comparison indexes and depicts a comparison of five-year cumulative total returns for each of the Company, the AMEX Market Value (U.S.) and a Peer Group. The Peer Group was prepared by Research Data Group, Inc. and is composed of approximately 76 companies that were former members of the JP Morgan H&Q Healthcare (excluding biotechnology) Index.
