ITEM 5. OTHER EVENTS

In a series of related transactions on September 26, 2003, Apache Corporation (the Company) repurchased and retired preferred interests issued by three of its subsidiaries for approximately \$444 million. The transactions involved the purchase of preferred stock issued by two of the Company's subsidiaries for approximately \$82 million and the retirement of a limited partnership interest in a partnership controlled by a subsidiary of the Company for approximately \$362 million. The amounts included accrued and unpaid dividends on the preferred stock, accrued and unpaid return on capital for the limited partnership interest, and reimbursement for costs incurred by the holders of the preferred interests in connection with the repurchase and retirement. The Company funded the transactions with available cash on hand and by issuing commercial paper under its existing commercial paper facilities.
