PROXY STATEMENT

FOR
ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON WEDNESDAY, MAY 12, 2004

This proxy statement and the accompanying proxy are first being mailed on or about April 12, 2004. The accompanying proxy is solicited by the board of directors of the Company.

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING

1. **Q: Who is entitled to vote?**
A: Stockholders of record at the close of business on Friday, March 26, 2004, the record date, are entitled to vote at the annual meeting.
-
2. **Q: What may I vote on?**
A: You may vote on:
(1) the election of one nominee to serve on the board of directors for three years;
(2) a proposal to amend the Company's Second Restated Certificate of Incorporation; and
(3) any other business properly presented at the meeting.
-
3. **Q: How do I vote?**
A: Sign and date each proxy card you receive and return it in the prepaid envelope. If you return your signed proxy card but do not mark the boxes showing how you wish to vote, your shares will be voted FOR the election of the nominee for director and FOR the proposal to amend the Second Restated Certificate of Incorporation. Abstentions, broker non-votes and proxies directing that the shares are not to be voted will not be counted as a vote in favor of the nominee or in favor of the proposal to amend the Second Restated Certificate of Incorporation.
-
4. **Q: How can I revoke my proxy?**
A: You have the right to revoke your proxy at any time by:
(1) notifying our corporate secretary in writing before the meeting;
(2) voting in person; or
(3) returning a later-dated proxy card before the meeting.
Attending the meeting is not sufficient to revoke your proxy unless you also take one of the actions above.
-
-

5. **Q: How does the board of directors recommend I vote on the proposal to elect the nominee for director?**

A: Your board of directors recommends that you vote FOR the nominee for director.

6. **Q: Why does the Company want to amend its Second Restated Certificate of Incorporation?**

A: The Company's Second Restated Certificate of Incorporation contains a provision that limits the amount of stock that may be held by a stockholder, without the approval of the Board of Directors, to 4.75% of the Company's outstanding common stock. The purpose of the limitation was to protect the Company's unutilized federal income tax loss carryovers. The board of directors has determined that such a limitation is no longer necessary for these tax reasons and because the restrictions could limit the Company's flexibility in entering into significant corporate transactions.

7. **Q: How does the board of directors recommend I vote on the proposal to amend the Company's Second Restated Certificate of Incorporation?**

A: Your board of directors recommends that you vote FOR the proposal to amend the Company's Second Restated Certificate of Incorporation.

8. **Q: How many shares can vote at the annual meeting?**

A: As of the record date, there were 1,326,343 shares of common stock outstanding and entitled to vote at the annual meeting. You are entitled to one vote for each share of common stock you hold.

9. **Q: What is a quorum?**

A: A quorum is a majority of the outstanding shares. A quorum may be present at the meeting or represented by proxy. There must be a quorum for the meeting to be valid. If you submit a properly executed proxy card, even if you abstain from voting, you will be considered part of the quorum. In addition, broker non-votes will be counted toward determining the presence of a quorum.

10. **Q: What vote is required to approve the proposals?**

A: A plurality of the votes cast at the annual meeting is necessary to elect the nominee for director. The affirmative vote of the holders of a majority of the Company's common stock is necessary to approve the proposal to amend the Company's Second Restated Certificate of Incorporation. Abstentions and shares held by brokers that have been designated as not voted will be counted for purposes of determining a quorum, but will not be counted as votes cast in favor of either of the proposals.

SOLICITATION OF PROXIES

The cost of preparing, assembling, printing and mailing this proxy statement and the enclosed proxy form and the cost of soliciting proxies related to the annual meeting will be borne by the Company. The Company will request banks and brokers to solicit their customers who are beneficial owners of shares of common stock listed of record in names of nominees, and will reimburse those banks and brokers for the reasonable out-of-pocket expenses of the solicitation. The original solicitation of proxies by mail may be supplemented by telephone, telegram and personal solicitation by officers and other regular employees of the Company and its subsidiaries, but no additional compensation will be paid to those individuals on account of their activities. In addition, the Company has retained Morrow & Co., Inc. to assist in the solicitation of proxies, for which it will be paid a fee of \$2,500 plus reimbursement of reasonable out-of-pocket expenses. We estimate that total costs of the proxy solicitation will be approximately \$4,000.

PROPOSAL NO. 1

ELECTION OF DIRECTOR

The Company's board of directors is divided into three classes serving staggered three-year terms. At the annual meeting, you will elect one director to serve for three years.

The individuals named on the enclosed proxy card intend to vote for the election of the nominee listed below, unless you direct them to withhold your vote. The nominee has indicated that he is able and willing to serve as director. However, if for some reason the nominee is unable to stand for election, the individuals named as proxies may substitute some other person for the nominee and may vote for that nominee. The nominee for director must be elected by a plurality of the votes cast at the annual meeting.

Below are the names and ages of the nominee and of the directors whose terms of office will continue after the annual meeting, the year in which each director was first elected as a director of the Company, their principal occupations or employment for at least the past five years, and other directorships they hold.

He has also served as President and Chief Operating Officer since December 1999. He also served as Chairman of the Board and Chief Executive Officer of Hallwood Energy Corporation (Old HEC) and its predecessors from 1987 until Old HEC was sold in May 2001, as a director of Hallwood Holdings, S.A. (HHS A) since 1984 and has served as a director of Hallwood Realty, LLC, the general partner of Hallwood Realty Partners, L.P. (HRP) and its predecessor since 1990. Mr. Gumbiner is a director and officer of New HEC and Hallwood Exploration. Mr. Gumbiner is also a solicitor of the Supreme Court of Judicature of England.

Except as indicated above, neither the nominee nor the continuing directors hold a directorship in any company with a class of securities registered under Section 12 of the Securities Exchange Act of 1934, as amended, or subject to the requirements of Section 15(d) of the Securities Exchange Act or any company registered as an investment company under the Investment Company Act of 1940, as amended.

No family relationships exist between the nominee, the directors and the executive officers.

The board of directors unanimously recommends a vote FOR the election of the individual nominated for election as director.

Committees and Meetings of the Board of Directors

Messrs. Talbot (Chairman), Crocco and Gumbiner served as members of the Company s audit committee during the year ended December 31, 2003. The audit committee met five times during this period and was charged with the responsibility of reviewing the annual audit report and the Company s accounting practices and procedures, and recommending to the board of directors the firm of independent public accountants to be engaged for the following year.

The board of directors does not have a standing nominating or compensation committee. Because Mr. Gumbiner owns more than 50% of the Company s voting power, it is a controlled company under the rules of the American Stock Exchange and is not required to have separate nominating and compensation committees.

During the year ended December 31, 2003, the board of directors held six meetings. Each director attended at least 75% of (1) the total number of meetings held by the board of directors, and (2) the total number of meetings held by all committees of the board of directors on which he served.

The Company does not have a policy with respect to attendance by the directors at annual meetings of stockholders. Last year all members of the Board of Directors attended the annual meeting. Each member of the Board of Directors had indicated his intent to attend the 2004 Annual Meeting.

Communication With Directors

The Board of Directors does not provide a formal process by which stockholders may send communications to the Board of Directors. The Company is small and 64% of its voting securities are owned by a single stockholder. Consequently, the Board of Directors does not believe it is necessary to formalize such a communication process. However, stockholders may communicate with the Company or request information at any time by contacting Ms. Mary Doyle, Vice President Investor Relations at 800.225.0135.

Code of Ethics for Financial Officers

The Board of Directors has adopted a Code of Business Conduct and Ethics that applies to all employees, including those officers responsible for financial matters. The Code of Business Conduct and Ethics may be accessed through the Company's website at www.hallwood.com. Any amendments to or waivers of the Code of Ethics will be promptly disclosed on the Company's website. Any stockholder may request a printed copy of the Code of Business Conduct and Ethics by contacting Ms. Mary Doyle, Vice President - Investor Relations at 800.225.0135.

Messrs. Gumbiner and Guzzetti each also hold a 4% profits interest in Hallwood Exploration.

Compensation by the Company

The Company's board of directors, acting in its capacity as the compensation committee, annually determines the compensation of the Company's executive officers and bases the amount of compensation on the board of directors' determination of the reasonable compensation for that officer. The members of the board of directors, through their business experience, are generally aware of prevailing compensation practices and regularly review and remain informed about the recent financial and operating experience of the Company. Based on this experience and review, the board of directors establishes compensation that it believes to be appropriate for each officer. Substantially all of the executive officers' compensation is paid as salary, although from time to time the Company has awarded substantial bonuses upon completion of significant transactions that provide material benefits to the Company.

Hallwood Realty, LLC has contracted with HCRE to manage the properties controlled by Hallwood Realty, LLC. Mr. Guzzetti is the president and is primarily responsible for the operations of HCRE. HCRE's Executive Incentive Plan authorizes HCRE to pay annual cash bonuses in an amount up to 10% of HCRE's net operating income for the prior year. The actual amount to be paid and the allocation of the total amount to individual employees is recommended by Mr. Gumbiner, the chief executive officer of HCRE, and is approved by the board of directors of HCRE, which consists of Messrs. Gumbiner and Guzzetti. Any amount to be paid to an executive officer of the Company is subject to the approval of the board of directors. For 2003, the board of directors of the Company approved the payment of bonuses under the HCRE Executive Incentive Plan to HSC Financial of \$33,000 and to Mr. Guzzetti of \$145,000.

Compensation by Hallwood Realty, LLC

The compensation paid by Hallwood Realty, LLC to HSC Financial and Mr. Guzzetti is authorized by the entire board of directors of Hallwood Realty, LLC with the approval of the audit committee of the board of directors. The compensation paid by Hallwood Realty, LLC consists of a salary for Mr. Guzzetti, and to the extent that Hallwood Realty, LLC's board of directors determines it to be appropriate, bonuses to Mr. Guzzetti and HSC Financial based on their determination that Hallwood Realty, LLC or HRP have experienced favorable operating results or completed transactions that benefit Hallwood Realty, LLC or HRP. For 2003, the board of directors did not consider any changes in Mr. Guzzetti's salary. In recognition of the benefits provided to HRP through their efforts during the year, Hallwood Realty, LLC's board of directors determined that it was appropriate to award a bonus of \$150,000 to HSC Financial and a bonus of \$24,000 to Mr. Guzzetti.

Report of the Audit Committee

The audit committee is composed of three directors and operates under an Amended and Restated Audit Committee Charter, adopted by the board of directors according to the rules and regulations of the SEC and the American Stock Exchange, a copy of which is attached to this Proxy Statement as Annex A. The audit committee members are J. Thomas Talbot, chairman of the audit committee, Charles A. Crocco, Jr. and Anthony J. Gumbiner. The board of directors has determined that Messrs. Talbot and Crocco are independent, as defined by the American Stock Exchange's Listed Company Guide. The board of directors has determined that Mr. Talbot is an audit committee financial expert, as defined by the SEC. Mr. Gumbiner, although not independent for purposes of the rules and regulations of the American Stock Exchange, possesses certain experience and qualifications appropriate for service on the audit committee and, by virtue of his personal interest in the success of the Company, is considered to be a valuable member of the audit committee and provides an objective review of the functions and reports of the Company's independent auditors.

Management is responsible for the Company's internal controls and the financial reporting process. Deloitte & Touche LLP (D&T), the Company's independent auditor, is responsible for performing an independent audit of the Company's consolidated financial statements with auditing standards generally accepted in the United States of America. The audit committee's responsibility is to monitor and oversee these processes. The audit committee also recommends to the board of directors the selection of the Company's independent auditors.

In this context, the audit committee reviewed and discussed the audited financial statements with both management and D&T. Specifically, the audit committee has discussed with D&T matters required to be discussed by Statement on Auditing Standards No. 61.

The audit committee received from D&T the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committee), and has discussed with D&T the issue of its independence from the Company.

Management is responsible for the Company's financial reporting process, including its system of internal controls, and for the preparation of consolidated financial statements in accordance with generally accepted accounting principles. The Company's independent auditors are responsible for auditing those financial statements. The audit committee's responsibility is to monitor and review these processes. It is not the audit committee's duty or its responsibility to conduct auditing or accounting reviews or procedures. Therefore, the audit committee has relied, without independent verification, on management's representation that the financial statements have been prepared with integrity and objectivity and in conformity with accounting

principles generally accepted in the United States of America and on the representations of the independent auditors included in their report on the Company's financial statements. The audit committee's oversight does not provide it with an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies, or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the audit committee's considerations and discussions with management and the independent auditors do not assure that the Company's financial statements are presented in accordance with generally accepted accounting principles, that the audit of the Company's financial statements has been carried out in accordance with generally accepted auditing standards or that the Company's independent accountants are in fact independent.

Based on the audit committee's review of the audited financial statements and its discussions with management and D&T noted above and the report of the independent auditors to the audit committee, the audit committee recommended to the board of directors that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2003.

PROCEDURES FOR DIRECTOR NOMINATIONS

The members of the Board of Directors have each served in that capacity for 23 years. No replacement of these directors is contemplated. As discussed above, as a controlled company under the rules of the American Stock Exchange, the Company is not required to have a standing nominating committee or a written charter governing the nomination process. If the need arises, the full board of directors, of which two members are independent, would serve that function.

The Company's bylaws provide that a stockholder may nominate a person for election as a director at an annual meeting if written notice of the stockholder's intent to make the nomination has been given to the Secretary of the Company at least 90 days in advance of the meeting or, if later, the tenth day following the first public announcement of the date of the meeting. Such notices must comply with the provisions of the bylaws.

In the event that a stockholder meeting the requirements and following the procedures of the bylaws were to propose a nominee, or if a vacancy occurs as a result of an increase in the number of directors, the board of directors will identify candidates with superior qualifications and personally interview them, and if, appropriate, arrange to have members of management interview such candidates. Preferred candidates would display the highest personal and professional character and integrity and have outstanding records of accomplishment in diverse fields of endeavor. Candidates should have demonstrated exceptional ability and judgment and have substantial expertise in their particular fields. Candidates with experience relevant to the Company's business would be preferred. The board of directors, upon evaluation and review of the candidates, would determine who to recommend to the stockholders for approval or to fill any vacancy. The board of directors would use the same criteria for evaluating nominees recommended by stockholders as for those referred by management or any director. The Company does not pay and does not anticipate paying any fees to third parties for identifying or evaluating candidates for director.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Effective January 1997, the Company entered into an agreement with HSC Financial under which HSC Financial agreed to provide international consulting and advisory services to the Company and its affiliates for an annual fee of \$825,000 and reimbursement for out-of-pocket and other reasonable expenses of HSC Financial. The agreement was amended to change the annual fee to \$795,000 in May 2001, and to \$954,000 in March 2004.

Mr. Crocco, a director of the Company, was of counsel to the law firm Crocco & De Maio, P.C. The firm occasionally provided legal services to the Company. In 2003, the total of such fees was \$462.

AUDITORS

D&T served as the Company's independent auditors for the years ended December 31, 2003, 2002 and 2001 and has been selected to serve in that capacity again for the year ending December 31, 2004. A representative of D&T will be available at the annual meeting to respond to appropriate questions and will be given an opportunity to make a statement if desired.

AUDIT FEES

All services rendered by D&T are pre-approved by the audit committee. D&T has or is expected to provide services to the Company in the following categories and amounts:

	Calendar Years	
	2003	2002
Audit fees(1)	\$ 326,255	\$ 251,800
Audit related fees(2)	\$ 10,638	\$ 8,543
Tax fees(3)	\$ 80,423	\$ 73,123
All other fees(4)	\$	\$

- (1) **Audit Fees** These are fees for professional services performed by D&T for the audit of the Company's annual financial statements and review of financial statements included in the Company's 10-Q filings, and services that are normally provided in connection with statutory regulatory filings or engagements.
- (2) **Audit Related Fees** These are fees for assurance and related services performed by D&T that are reasonably related to the performance of the audit or review of the Company's financial statements. This includes: employee benefit and compensation plan audits; attestations by D&T that are not required by statute and consulting on financial accounting/reporting standards.
- (3) **Tax Fees** These are fees for professional services performed by D&T with respect to tax compliance, tax advice and tax planning. This includes preparation of original and amended tax returns for the Company and its consolidated subsidiaries; refund claims; payment planning; tax audit assistance; and tax work stemming from Audit-Related items.
- (4) **All Other Fees** These are fees for other permissible work performed by D&T that does not meet the above category descriptions.

Pre-Approval Policy

The audit committee's pre-approval guidelines with respect to pre-approval of audit and non-audit services are summarized below.

General

The audit committee is required to pre-approve the audit and non-audit services performed by the independent auditor in order to assure that the provision of such services does not impair the auditor's independence. Unless a type of service to be provided by the independent auditor has received general pre-

approval, it will require specific pre-approval by the audit committee. Any proposed services exceeding pre-approved cost levels requires specific pre-approval by the audit committee.

The audit committee may delegate pre-approval authority to one or more of its members. The member or members to whom such authority is delegated must report any pre-approval decisions to the audit committee at its next scheduled meeting. The audit committee may delegate its responsibilities to pre-approve services performed by the independent auditor to management.

Audit Services

The annual audit services engagement terms and fees are subject to the specific pre-approval of the audit committee. The audit committee approves, if necessary, any changes in terms, conditions and fees resulting from changes in audit scope, company structure or other matters. In addition to the annual audit services engagement specifically approved by the audit committee, the audit committee may grant general pre-approval for other audit services, which are those services that only the independent auditor reasonably can provide.

Audit-related Services

Audit-related services are assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements and that are traditionally performed by the independent auditor. The audit committee believes that the provision of audit-related services does not impair the independence of the auditor.

Tax Services

The audit committee believes that the independent auditor can provide tax services to the Company, such as tax compliance, tax planning and tax advice without impairing the auditor's independence. However, the audit committee will not permit the retention of the independent auditor in connection with a transaction initially recommended by the independent auditor, the purpose of which may be tax avoidance and the tax treatment of which may not be supported in the Internal Revenue Code and related regulations.

All Other Services

The audit committee may grant pre-approval to those permissible non-audit services classified as all other services that it believes are routine and recurring services, and would not impair the independence of the auditor.

Pre-Approval Fee Levels

Pre-approval fee levels for all services to be provided by the independent auditor are established periodically by the audit committee. Any proposed services exceeding these levels requires specific pre-approval by the audit committee.

PROPOSAL NO. 2

APPROVAL OF THE PROPOSAL TO AMEND THE

SECOND RESTATED CERTIFICATE OF INCORPORATION

The Company's Second Restated Certificate of Incorporation contains a provision that limits the amount of stock that may be held by a stockholder, without the approval of the board of directors, to 4.75% of the Company's outstanding common stock. The purpose of the limitation was to protect the Company's unutilized federal income tax loss carryovers. The provision reduces the risk of an ownership change, within the meaning of the Internal Revenue Code and its regulations, that would result in a disallowance or limitation of the Company's use of the carryforwards and the associated tax advantages. The board of directors has

determined that such a limitation is no longer necessary for these tax reasons and because the restrictions could limit the Company's flexibility in entering into significant corporate transactions.

The amendment to the Second Restated Certificate of Incorporation would delete this provision. A copy of the proposed amendment is attached to this proxy statement as Annex B.

The affirmative vote of the holders of a majority of the Company's common stock is required to approve the amendment. If approved at the annual meeting, the amendment will be effective upon the filing of the amendment with the Secretary of State of Delaware.

STOCKHOLDER PROPOSALS

If a stockholder intends to present a proposal for action at the 2005 annual meeting and wishes to have the proposal considered for inclusion in the Company's proxy materials in reliance on Rule 14a-8 under the Securities Exchange Act, the proposal must be submitted in writing to the Secretary of The Hallwood Group Incorporated, at 3710 Rawlins, Suite 1500, Dallas, Texas 75219 by December 24, 2004. Such proposals must also meet the other requirements of the rules of the SEC relating to stockholder proposals.

The Company's bylaws establish an advance notice procedure with regard to certain matters, including stockholder proposals and nominations of individuals for election to the board of directors. In general, notice of a stockholder proposal or a director nomination for an annual meeting must be received by the Company ninety (90) days or more before the date of the annual meeting and must contain specified information and conform to certain requirements, as set forth in the bylaws.

If you wish to submit a proposal at the annual meeting, other than through inclusion in the proxy statement, you must notify the Company no later than February 12, 2005. If you do not notify the Company of your proposal by that date, the Company will exercise its discretionary voting power on that proposal.

In addition, if you submit a proposal outside of Rule 14a-8 of the Securities Exchange Act for the 2005 annual meeting, and the proposal fails to comply with the advance notice procedure prescribed by the bylaws, then the Company's proxy or proxies may confer discretionary authority on the persons being appointed as proxies on behalf of management to vote on the proposal.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act requires the Company's officers and directors, and persons who own more than 10% of a registered class of the Company's securities, to file reports of ownership and changes of ownership with the SEC and the American Stock Exchange. Officers, directors and 10% stockholders of the Company are required by SEC regulation to furnish the Company with copies of all Section 16(a) forms filed by them.

Based solely on review of copies of the forms received, the Company believes that, during the last fiscal year, all filing requirements under Section 16(a) applicable to its officers, directors and 10% stockholders were timely.

OTHER BUSINESS

The Company is not aware of any other business to be presented at the annual meeting. All shares represented by proxies will be voted in favor of the nominee for director set forth in this proxy statement and for the proposal to amend the Second Restated Certificate of Incorporation, unless otherwise indicated on the form of proxy. If any other matters properly come before the meeting, the Company's proxy holders will vote on those matters according to their best judgment.

Please note, however, that if your shares of common stock are voted against the nominee for director or against the proposal to amend the Second Restated Certificate of Incorporation, the proxy holders will not use their discretion to vote your shares in favor of any adjournment or postponement of the annual meeting.

THE HALLWOOD GROUP INCORPORATED

AMENDED AND RESTATED AUDIT COMMITTEE CHARTER

General

The role of the Audit Committee is to assist the Board of Directors (the Board) in fulfilling its oversight responsibilities by:

Serving as an independent and objective party to monitor the Corporation's accounting and financial reporting processes, internal control system and audits.

Reviewing and appraising the audit efforts of the Corporation's independent accountants.

Providing an open avenue of communication among the independent accountants, financial and senior management and the Board.

Composition

The Audit Committee shall consist of three or more directors as determined by the Board, each of whom shall be independent directors; provided, however, that until May 12, 2004 one member of the Audit Committee need not be independent if the Board, under exceptional and limited circumstances, determines that membership on the committee by such individual is required by the best interests of the Corporation and its shareholders; provided further, however, that after May 12, 2004, such individual is not a current officer or employee or an immediate family member of such officer or employee. Such individuals may not serve on the Audit Committee for more than two years or chair the Audit Committee. Independence shall be determined pursuant to the standards set by the Securities and Exchange Commission (the Commission) and the requirements of the American Stock Exchange.

Independence

Directors who are affiliates of the Corporation, or officers or employees of the Corporation or of its subsidiaries who have been employed by the Corporation or subsidiaries within the past three years, will not be considered independent. No member of the Audit Committee may receive direct or indirect (as defined by the Commission) compensation of any kind (including consulting and advisory fees) from the Corporation, other than for services rendered as a member of the Board and as a member of committees of the Board.

In addition, Directors falling within any of the categories listed below will not be considered independent:

A Director who is, or during the past three years was, employed by the Corporation or by any parent or subsidiary of the Corporation, other than prior employment as an interim Chairman or CEO.

A Director who accepts (or whose immediate family member accepts) any payment from the Corporation (or any parent or subsidiary of the Corporation) in excess of \$60,000 during the current or any of the past three previous fiscal years, other than compensation specifically excluded under Section 121(b) of the American Stock Exchange Company Guide.

A Director who is a partner or has an immediate family who is a controlling shareholder or executive officer of any organization to which or from which the Corporation made or received payments that exceed 5% of the recipient's consolidated gross revenues, or \$200,000 (whichever is more) in any of the most recent three fiscal years; provided, however, that until December 4, 2004, such payments may not have been received in the last fiscal year.

A Director who is or has an immediate family member of an individual who is or has been employed by the Corporation (or any parent or subsidiary of the Corporation) as an executive officer during any of the past three years.

A Director who is or was or has an immediate family member who is or was an executive officer of another entity where at any time during the most recent three fiscal years any of the Corporation's executive officers serve on the compensation committee of that entity.

A Director who is or was or has an immediate family member who is or was a partner or employee of the Corporation's outside auditor and worked on the audit engagement during any of the past three years.

Qualifications for such financial expert would include, among other things, whether a member has:

experience applying generally accepted accounting principles in connection with accounting for estimates, accruals and reserves that are generally comparable to those used in the Corporation's financial statements;

experience preparing or auditing financial statements that present accounting issues that are generally comparable to those raised by the Corporation's financial statements;

experience with internal controls and procedures for financial reporting;

an understanding of audit committee functions;

past employment experience in finance or accounting; and

professional certification in accounting.

The Board shall make all determinations as to whether a Director is a financial expert, as defined by rules of the Commission.

The members of the Audit Committee are to be elected by the Board, which shall make all decisions with respect to whether an Audit Committee member is independent and/or a financial expert and shall serve until their successors are duly elected and qualified. Unless the Chair is elected by the full Board, the members of the Audit Committee may designate a Chair by majority vote of the full Audit Committee membership, which Chair shall be a financial expert.

Meetings

The Audit Committee shall meet no less than once per quarter. As part of its job to foster open communication, the Audit Committee should regularly with management and the independent accountants in separate executive sessions to discuss any matters that the Audit Committee or either of these groups believe should be discussed privately. In addition, the Audit Committee or its Chair should meet with the independent accountants and management quarterly to review the Corporation's financial statements.
