On December 30, 2008, our H3C subsidiary, which operates our China-based business, renewed the lease for its Hangzhou, China headquarters, effective January 1, 2009 (the H3C Lease Agreement). The lease is for a three-year term from January 1, 2009 through and including December 31, 2011. Under the terms of the lease agreement with landlord Huawei Technologies, H3C will pay rent of approximately RMB 34,003,653 (or USD 5 million) per year for space totaling approximately 738,369 square feet. H3C will also pay a property management fee under a separate agreement. The facility will be used for headquarters functions as well as general administrative office uses and activities such as research and development, manufacturing, storage, sales and training. H3C has the option to renew the lease at the end of the term provided the parties agree on terms and Huawei intends to use the property as a leased property. H3C may terminate the lease at any time with six months prior written notice to Huawei and a penalty payment of two months rent. Huawei is a significant customer of H3C.

The foregoing description of the H3C Lease Agreement is only a summary and does not purport to be complete and is qualified in its entirety by reference to the H3C Lease Agreement. The H3C Lease Agreement, included as Exhibit 10.1 to this Current Report on Form 8-K, is incorporated herein by reference.
