Item 3. SOURCE AND AMOUNT OF FUNDS OR OTHER CONSIDERATION

The funds used to purchase the shares of Common Stock described in this statement were acquired through open market purchases and were derived from Catalyst's, LIL's, LPV's, LUV's, LILP's and Laxey's investment capital and funds provided by one or more discretionary accounts managed for unaffiliated third parties (the "Accounts"). The aggregate amount of the funds used to purchase all of the shares purchased by Catalyst, LIL, LPV, LUV, LILP, the Accounts and Laxey is \$3,688,675, \$44,000, \$3,584,320, \$2,576,000, \$1,384,269 and \$3,584,320, and \$3,780, respectively.

ITEM 4. PURPOSE OF TRANSACTION

On January 2, 2003, Laxey sent a letter to R.O.C. Taiwan Fund (the "Trust"), a copy of which is attached hereto as an exhibit and incorporated herein by reference. The letter requested that a proposal to terminate the Amended and Restated Investment Contract, among the Trust, International Investment Trust Company Limited and the Central Trust of China within sixty (60) days after the 2003 Annual Meeting of the Stockholders be submitted for consideration by the Trust's shareholders. As indicated in Laxey's letter to the Trust, the request was made in accordance with the notice provisions set forth in the Trust's April 29, 2002 proxy statement

applicable to proposals to be made for the Trust's 2003 annual meeting of shareholders. On December 10, 2002, the Trust's bylaws were amended to restrict the manner in which shareholder proposals could be submitted for consideration by the Trust's shareholders. The amendment was filed with the Securities and Exchange Commission on December 18, 2002. The amendment appears to be contrary to the April 29, 2003 proxy statement and may be construed as providing the trustees of the Trust with the discretion to preclude Laxey's proposal from being considered at the Trust's 2003 annual meeting of shareholders. On January 10, 2003, Laxey received a letter from the Trust stating that Laxey's proposal failed to comply with Rule 14a-8, which failure could provide the trustees of the Trust with discretion to preclude consideration of Laxey's proposal by the

Edgar Filing: R O C TAIWAN FUND - Form SC 13D

Trust's stockholders at the 2003 annual meeting. Laxey is hopeful that the trustees of the Trust will not seek to deprive the Trust's shareholders of the opportunity to vote on its proposal and that the trustees will submit Laxey's proposal for consideration by the Trust's shareholders. Laxey is reviewing various courses of action in light of the amendment to the Trust's bylaws.

Other than as set forth above, none of the Reporting Persons or, in the case of non-individual Reporting Persons, any of their directors or executive officers identified in Item 2, have any present plans or proposals which relate to or could result in, any of the matters referred to in paragraphs (a) through (j), inclusive, of Item 4 of Schedule 13D (although they reserve the right to develop any such plans or proposals).

RE: R.O.C. TAIWAN FUND: STOCKHOLDER PROPOSAL NOTICE

Gentlemen and Ladies,

In accordance with the notice provisions set forth in the Proxy Statement dated April 29, 2002 filed by R.O.C. Taiwan Fund (the "Trust") with the Securities and Exchange Commission and in accordance with Rule 14c-4(c)(i) of the Securities

Edgar Filing: R O C TAIWAN FUND - Form SC 13D

Exchange Act of 1934, as amended, we hereby request that a proposal to terminate the Amended and Restated Investment Contract, among the Trust, International Investment Trust Company Limited and the Central Trust of China (the "Investment Advisory Contract") be submitted to the Trust's shareholders at the next annual meeting of shareholders. We are the investment manager of the Value Catalyst Fund Limited, Laxey Investors Limited, Laxey Investors, L.P., LP Value Limited, and Laxey Universal Value Limited and, through such entities and unaffiliated third party discretionary accounts, we are the beneficial owners of an aggregate of 4,010,000 shares of the Trust's Common Stock. We intend to deliver a proxy statement and form of proxy to the voting shareholders of the Trust sufficient to carry the proposal pursuant to applicable law.

Our proposal and supporting statement to be presented to shareholders at the 2003 Annual Meeting is as follows:

"RESOLVED: The Investment Advisory Contract among the Trust, International Investment Trust Company Limited and the Central Trust of China shall be terminated in accordance with its terms, effective within 60 days after the 2003 Annual Meeting."

SUPPORTING STATEMENT: As a significant Trust shareholder, we have a vested interest in the Trust's performance and management decisions relating to shareholder value. The average discount to NAV over the last five years has been as follows: 1997--17%; 1998--18%; 1999--14%; 2000 -- 19%; 2001 -- 14.5%; and 2002 to date - 15%. We believe that the past efforts of the investment advisor have been insufficient in narrowing the discount to NAV. In 1991 the

Board of Trustees authorized a periodic share repurchase program under Rule 10b-18 under the Securities Exchange Act of 1934, pursuant to which purchases of shares may be made by the Trust when the shares trade at a discount to their NAV. However, according to the Trust's recent public filings, the Board of Trustees has no plan or intention of causing the Trust to make any further purchases. We note that the Trust's organizational documents provide that, if the Trust's shares trade on the New York Stock Exchange at an average discount from their net asset value ("NAV") of more than 10% during any twelve-week period, the Board of Trustees is required to submit to the shareholders at their next annual meeting a binding resolution to convert the Trust into an open-end investment company. The affirmative vote of a majority of the outstanding shares is required for the adoption of such a resolution. Since June 1, 1992 the shareholders have voted on such a resolution six times, in 1995 and each of the years from 1997 through 2001. Each time, the resolution did not pass because it did not obtain sufficient shareholder votes. In addition, the Board of Trustees may decide at any time to present to the shareholders the question of whether the Trust should be converted to an open-end investment company; however, such a voluntary submission would require the approval of two-thirds of the outstanding shares for its adoption. While we agree that allowing the shareholders to vote to open-end the fund in the case of a persistent discount of 10% or more for a 12-week period could theoretically help in narrowing the discount to NAV, we do not believe that it has been effective in doing so since the requisite vote for shareholder approval is set too high to be meaningful and historically has not been reached.

We need an investment advisor that will act in a manner which would expediently and effectively allow the shareholders of the Trust to maximize their investment. The persistent discount to NAV suffered by the stockholders and ineffective methods of narrowing such discount provides strong evidence that the International Investment Management Limited, the current investment advisor, has not acted in such a manner. Thus, we seek to terminate the current Investment

Advisory Contract with International Investment Management Limited.
