PROXY STATEMENT

This proxy statement is furnished to the holders of the common stock, par value \$0.01 per share, of L-3 Communications Holdings, Inc. in connection with the solicitation of proxies for use at the 2004 Annual Meeting of Stockholders to be held at the Rihga Royal Hotel, 151 West 54th Street, New York, New York at

Edgar Filing: L 3 COMMUNICATIONS HOLDINGS INC - Form DEF 14A

2:30 p.m., eastern daylight time, on Tuesday, April 27, 2004 (the "Annual Meeting").

RECORD DATE

The board of directors has fixed the close of business on March 19, 2004 as the record date for the Annual Meeting (the "Record Date"). Only stockholders of record at the Record Date (the "Stockholders") are entitled to notice of and to vote at the Annual Meeting or at any adjournments thereof, in person or by proxy. At the Record Date, there were 105,659,493 shares of our common stock outstanding. This proxy statement, the accompanying proxy card, our Summary Annual Report and our Annual Report on Form 10-K are intended to be mailed on or about March 30, 2004 to each Stockholder entitled to vote at the Annual Meeting.

PROXIES

The proxy accompanying this proxy statement is solicited on behalf of our board of directors for use at the Annual Meeting and any adjournments of the Annual Meeting, and the expenses of solicitation of proxies will be borne by us. The solicitation will be made primarily by mail, but our officers and regular employees may also solicit proxies by telephone, telegraph, facsimile, via the Internet or in person. We also have retained Georgeson Shareholder Services to assist in soliciting proxies. Each holder of common stock is entitled to one vote for each share of our common stock held. The holders in person or by proxy of a majority of the common stock entitled to be voted at the Annual Meeting shall constitute a quorum.

Each Stockholder may appoint a person (who need not be a stockholder) other than the persons named in the enclosed proxy to represent him or her at the meeting by completing another proper proxy. In either case, such completed proxy should be returned in the enclosed envelope provided for that purpose for delivery before the meeting or should be delivered to our Secretary at 600 Third Avenue, New York, New York 10016, not later than 5:00 p.m., eastern daylight time, on Monday, April 26, 2004.

Any proxy delivered pursuant to this solicitation is revocable at the option of the person(s) executing the proxy upon our receipt, prior to the time the proxy is voted, of a duly executed instrument revoking it, or of a duly executed proxy bearing a later date, or in the case of death or incapacity of the person(s) executing the proxy, of written notice of such death or incapacity, or by such person(s) voting in person at the Annual Meeting. Unless revoked, all proxies representing shares entitled to vote that are delivered pursuant to this solicitation will be voted at the Annual Meeting and, where a choice has been specified on the proxy card, will be voted in accordance with such specification. WHERE A CHOICE HAS NOT BEEN SPECIFIED ON THE PROXY CARD, THE PROXY WILL BE VOTED IN ACCORDANCE WITH THE RECOMMENDATIONS OF OUR BOARD OF DIRECTORS.

Assuming a quorum is present, a majority of the shares of common stock present in person or represented by proxy at the Annual Meeting is required for the election of directors and for approval of all other items submitted to Stockholders for their consideration. Abstentions and instances where brokers are prohibited from exercising discretionary authority for beneficial owners who have not returned a proxy (so-called "broker non-votes") will be counted for purposes of determining a quorum, but will not be counted as either voting for or against any proposal.

Edgar Filing: L 3 COMMUNICATIONS HOLDINGS INC - Form DEF 14A

VOTING BY TELEPHONE OR INTERNET

Instead of submitting your vote by mail on the enclosed proxy card, you can vote by telephone or over the Internet. The telephone and Internet voting procedures, which comply with Delaware law, are designed to authenticate Stockholders' identities, to allow Stockholders to vote their shares and to confirm that their instructions have been properly recorded.

Voting your proxy by mail, telephone or the Internet will not limit your right to vote at the Annual Meeting if you later decide to attend in person. If your shares are held in the name of a broker, bank or other record holder, you must obtain a proxy from the record holder as to how to vote your shares or obtain a proxy from the record holder to vote at the Annual Meeting.

Stockholders with shares registered directly in their name in our stock records maintained by our transfer agent, EquiServe Trust Company, N.A., may vote their shares (1) by making a toll-free telephone call from the U.S. and Canada to EquiServe at 1-877-PRX-VOTE (1-877-779-8683), (2) by submitting their proxy over the Internet at the following address on the World Wide Web: <http://www.eproxyvote.com/lll>, or (3) by mailing their signed proxy card. Specific instructions to be followed by registered Stockholders are set forth on the enclosed proxy card. Proxies submitted by telephone or over the Internet as described above must be received by 5:00 p.m., eastern daylight time, on April 26, 2004.

REVOCAION OF PROXIES SUBMITTED BY TELEPHONE OR INTERNET

To revoke a proxy previously submitted by telephone or over the Internet, you may simply vote again at a later date, using the same procedures, in which case your later submitted vote will be recorded and your earlier vote revoked, or by attending the meeting and voting in person.

PROPOSAL 1. ELECTION OF DIRECTORS

Our Amended and Restated Certificate of Incorporation and the Bylaws provide for a board of directors whose number shall be fixed from time to time exclusively pursuant to a resolution adopted by the board of directors. We currently have eight directors. Our Amended and Restated Certificate of Incorporation provides for a classified board of directors divided into three classes. Frank C. Lanza, Robert V. LaPenta and John M. Shalikhvili constitute a class with a term that expires at the annual meeting in 2005 (the "Class I Directors"); Thomas A. Corcoran, Claude R. Canizares and Alan H. Washkowitz constitute a class with a term that expires at the upcoming annual meeting (the "Class II Directors"); and Robert B. Millard and Arthur L. Simon constitute a class with a term that expires at the annual meeting in 2006 (the "Class III Directors"). The full board of directors has considered and nominated, the following slate of Class II nominees for a three year term expiring in 2007: Thomas A. Corcoran, Claude R. Canizares and Alan H. Washkowitz. Action will be taken at the Annual Meeting for the election of these Class II nominees.

It is intended that the proxies delivered pursuant to this solicitation will be voted in favor of the election of Thomas A. Corcoran, Claude R. Canizares and Alan H. Washkowitz, except in cases of proxies bearing contrary instructions. In the event that these nominees should become unavailable for election for any presently unforeseen reason, the person named in the proxy will have the right to use his discretion to vote for a substitute.

PROPOSAL 2. SELECTION OF INDEPENDENT AUDITORS

The audit committee of the board of directors has selected PricewaterhouseCoopers LLP to act as our independent auditors for the 2004 fiscal year, and a proposal to ratify this selection will be submitted to the Annual Meeting. PricewaterhouseCoopers LLP has acted as our independent auditors since our formation in 1997 and the audit committee and the board of directors believe it is desirable and in our best interests to continue to retain that firm. Representatives of PricewaterhouseCoopers LLP will be present at the Annual Meeting. Such representatives will have the opportunity to make a statement if they desire to do so, and are expected to be available to respond to appropriate questions.

If the foregoing proposal is not approved by the holders of a majority of the shares represented at the Annual Meeting, the selection of independent auditors will be reconsidered by the audit committee and the board of directors.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR RATIFICATION OF THE APPOINTMENT OF PRICEWATERHOUSECOOPERS LLP AS INDEPENDENT AUDITORS.

PROPOSAL 3. AMENDMENT OF THE 1999 PLAN

Currently, under our 1999 Long Term Performance Plan (the "1999 Plan"), the maximum number of shares of our common stock that may be issued pursuant to all

Edgar Filing: L 3 COMMUNICATIONS HOLDINGS INC - Form DEF 14A

awards granted under the 1999 Plan is limited to eight million shares (as adjusted for the two-for-one stock split declared by our board of directors on April 23, 2002 ("2002 Stock Split")). As we have granted awards in the aggregate equaling nearly the full eight million shares previously authorized, the compensation committee has recommended to the board of directors that the 1999 Plan be amended to increase the maximum number of shares of common stock that may be issued pursuant to all awards granted under the 1999 Plan to 14.5 million shares, out of which up to three million may be issued as "incentive stock options" (as defined under Section 422 of the Internal Revenue Code of 1986, as it may be amended from time to time, the "Code"). The 1999 Plan permits the board of directors to amend the 1999 Plan at any time, subject to stockholder approval of any amendment where required by applicable law, as discussed below. Accordingly, pursuant to authority delegated to it by the board of directors at its February 10, 2004 meeting, the compensation committee has amended the 1999 Plan, subject to receipt of the approval of stockholders representing a majority of the shares represented at the Annual Meeting, to reflect such increase in the number of shares.

5

We are submitting the amendments to the 1999 Plan for stockholder approval for the following reasons:

- o If we want to continue to have the ability to grant "incentive stock options," as currently contemplated under the 1999 Plan, Section 422 of the Code requires that any increase in the number of shares available for awards that may be "incentive stock options" be approved by our stockholders.
- o Section 162(m) of the Code generally limits the corporate deduction for compensation paid to the named executive officers to \$1 million, unless certain requirements are met. One of those requirements is to receive stockholder approval of the material terms under which performance-based compensation (which may include the grant of stock options) is to be paid.
- o The New York Stock Exchange (the "NYSE") requires that all material revisions to the terms of an equity compensation plan, which includes changes in the number of shares available for issuance, be approved by stockholders.

UPON APPROVAL BY THE STOCKHOLDERS OF THE AMENDMENT TO THE 1999 PLAN INCREASING THE NUMBER OF AVAILABLE SHARES, WE INTEND TO REGISTER UNDER THE SECURITIES ACT OF 1933 THE ADDITIONAL SHARES OF OUR COMMON STOCK AUTHORIZED FOR ISSUANCE UNDER THE 1999 PLAN.

The compensation committee also amended the 1999 Plan to delete provisions permitting repricing and/or reloading of options under such plan, to make such conforming changes to the 1999 Plan as may be necessary to reflect the 2002 Stock Split, and to make certain other administrative changes to the 1999 Plan.

DESCRIPTION OF THE 1999 PLAN

ELIGIBILITY

Awards under the 1999 Plan may be granted to any of our, or any of our subsidiaries', employees, including any officer, and to any other individual who provides services to us or any of our subsidiaries or on our behalf or on behalf of any of our subsidiaries, subject to the discretion of a committee of our board of directors to determine the particular employees and other individuals

Edgar Filing: L 3 COMMUNICATIONS HOLDINGS INC - Form DEF 14A

who, from time to time, will be selected to receive awards.

TYPES OF AWARDS

Awards under the 1999 Plan may be in the form of non-qualified stock options, incentive stock options, stock appreciation rights, restricted stock and other incentive awards, such as performance units. Awards may be granted singly or in combination with other awards, consistent with the terms of the 1999 Plan. Each award will be evidenced by an award agreement entered into between us and the recipient setting forth the specific terms and conditions applicable to that award. Awards under the 1999 Plan generally will be nontransferable by a holder (other than by will or the laws of descent and distribution) and rights thereunder generally will be exercisable during the holder's lifetime only by the holder, except that awards, other than awards of incentive stock options, may be transferred to and exercised by a family member or family members of a participant or transferred to an irrevocable trust established for the benefit a participant's family members during the participant's lifetime. The maximum term of unvested or unexercised awards under the 1999 Plan is ten years from the initial date of grant.

Stock options authorized under the 1999 Plan are rights to purchase a specified number of shares of our common stock at an exercise price of not less than 100% of the fair market value of the stock on the date of grant during the period set forth in the award agreement. Stock options that are granted as incentive stock options will be granted with such additional terms as are necessary to satisfy the applicable requirements of Section 422 of the Code. The fair market value of our common stock for which incentive stock options are exercisable for the first time by an optionee during any calendar year can not exceed \$100,000 (measured as of the date of grant) under current tax laws. Other awards are not limited in this manner.

6

Stock appreciation rights entitle the recipient to receive, upon exercise of the stock appreciation right, an amount (payable in cash and/or stock or other property) equal to the amount of the excess, if any, of the fair market value of a share of our common stock on the date the stock appreciation right is exercised (or some lesser ceiling amount) over the base price of the stock appreciation right, which cannot be less than the fair market value of a share of our common stock on the date the stock appreciation right was awarded or the exercise price of a related stock option. Stock appreciation rights may be granted on a freestanding basis, in relation to a stock option or in "tandem" with a stock option, such that the exercise of either the option or the stock appreciation right cancels the recipient's rights under the tandem award with respect to the number of shares so exercised.

Restricted stock is common stock issued to the recipient, typically for minimal lawful consideration and subject to certain risks of forfeiture and restrictions and limitations on transfer, the vesting of which may depend on individual or corporate performance, continued service or other criteria.

Other incentive awards might include phantom stock or units, performance stock or units, bonus stock or units, dividend equivalent units, similar securities or rights and other awards payable in or with a value derived from or a price related to the fair market value of our common stock, payable in our common stock and/or cash, all on such terms as the committee may approve. Such awards may be granted, become vested or be payable based upon the continued employment of a participant, or upon the attainment of specified corporate or individual performance goals (as in the case of performance stock or units).

Edgar Filing: L 3 COMMUNICATIONS HOLDINGS INC - Form DEF 14A

Under Section 162(m) of the Code, we may not deduct certain compensation over \$1,000,000 in any year to our Chief Executive Officer or any of the four other of our most highly compensated executive officers unless, among other things, this compensation qualifies as "performance-based compensation" under Section 162(m), and the material terms of the plan for such compensation are approved by stockholders. With reference to awards intended to qualify as performance-based compensation under Section 162(m), the material terms of the 1999 Plan include the eligible class of participants, the performance goal or goals and the maximum annual amount payable thereunder to any individual participant. Stock options and stock appreciation rights that are granted under the 1999 Plan at a fair market value exercise price are intended to qualify as performance-based compensation ("qualifying options and stock appreciation rights"). In addition, other awards (such as restricted stock and performance units) may be granted under the 1999 Plan to qualify as performance-based compensation under Section 162(m).

The eligible class of persons for performance-based awards under the 1999 Plan is all of our employees and employees of our subsidiaries. Awards that are intended to qualify as performance-based awards under the 1999 Plan (other than qualifying options and stock appreciation rights) may be granted only in accordance with the performance-based requirements of Section 162(m), as set forth below.

The performance goals for performance-based awards under the 1999 Plan are any one or a combination of earnings per share, return on equity, total stockholder return and cash flow (each as defined in the 1999 Plan) or such other performance goal or goals that the committee, in its discretion, establishes in accordance with the requirements of Section 162(m). These goals will be applied over either consecutive or rolling cycles of more than one but not more than five fiscal years. Specific cycles, weightings of more than one performance goal and target levels of performance upon which actual payments will be based, as well as the award levels payable upon achievement of specified levels of performance, will be determined by the committee not later than the applicable deadline under Section 162(m) and in any event at a time when achievement of such targets is substantially uncertain. These variables may change from cycle to cycle. Appropriate adjustments to the performance goals and targets in respect of performance-based awards may be made by the committee based upon objective criteria in the case of significant acquisitions or dispositions by us, extraordinary gains or losses, material changes in accounting principles or practices, or certain other events that in any case were not anticipated (or the effects of which were not anticipated) at the time goals were established, in order to neutralize the effect of such events on the performance-based awards. We

7

believe that specific performance targets (when established) are likely to constitute confidential business information, the disclosure of which may adversely affect us or mislead the public.

The committee must certify the achievement of the applicable performance goals and the actual amount payable to each participant under the performance-based awards prior to payment. The committee may retain discretion to reduce, but not increase, the amount payable under a performance-based award to any participant, notwithstanding the achievement of targeted performance goals. Awards may be accelerated in the event of a change in control, as described below.

Subject to adjustment as described below, (i) the maximum number of shares of our common stock with respect to which options and stock appreciation rights may be granted to any of our employees or an employee of any of our subsidiaries

Edgar Filing: L 3 COMMUNICATIONS HOLDINGS INC - Form DEF 14A

in any fiscal year shall not exceed 500,000 and (ii) the maximum number of shares of our common stock with respect to which performance-based awards (other than qualifying options and SARs) may be granted to any of our employees or an employee of any of our subsidiaries in any fiscal year shall be 500,000 or, in the event such performance-based award is paid in cash, the equivalent cash value thereof as of the date of payment of such performance-based award.

The committee also has the authority to grant awards under the 1999 Plan in substitution for or as the result of the assumption of stock incentive awards held by employees of other entities who become our employees or employees of a subsidiary of us as a result of a merger or acquisition of the entity.

ADMINISTRATION; CHANGE IN CONTROL

The 1999 Plan provides that it shall be administered by the compensation committee or another committee of the board of directors, constituted so as to permit the plan to comply with the "non-employee director" provisions of Rule 16b-3 under the Exchange Act and the "outside director" requirements of Section 162(m). The committee has the authority within the terms and limitations of the 1999 Plan to designate recipients of awards, determine or modify the form, amount, terms, conditions, restrictions, and limitations of awards, including vesting provisions, terms of exercise of an award, expiration dates and the treatment of an award in the event of the retirement, disability, death or other termination of a participant's employment with us, and to construe and interpret the 1999 Plan. Such authority includes the discretion to accelerate or extend outstanding awards.

The committee is authorized to include specific provisions in award agreements relating to the treatment of awards in the event of a "change in control" and is authorized to take certain other actions in such an event. Change in control under the 1999 Plan is defined generally to include a change in ownership involving 51 percent or more of our outstanding voting securities (or a combined entity), a transfer of substantially all of our assets, or of L-3 Communications Corporation or any successor thereto, or a change, during any period of 24 months or less, of 50 percent or more of the members of our board of directors.

The committee may delegate to our officers or employees or those of our subsidiaries the authority to execute and deliver such instruments and documents and to take actions necessary, advisable or convenient for the effective administration of the 1999 Plan. It is intended generally that the awards under the 1999 Plan and the 1999 Plan itself comply with and be interpreted in a manner that, in the case of participants who are subject to Section 16 of the Exchange Act and for whom (or whose awards) the benefits of Rule 16b-3 are intended, satisfy the applicable requirements of Rule 16b-3, so that such persons will be entitled to the benefits of Rule 16b-3 or other exemptive rules under that Section. The 1999 Plan provides that neither we nor any member of our board of directors or of the committee shall have any liability to any person for any action taken or not taken in good faith under the 1999 Plan.

AMENDMENT AND TERMINATION

Subject to any stockholder approval that may be required under applicable law or stock exchange listing requirements, the board of directors has the authority to amend, suspend or discontinue the

Edgar Filing: L 3 COMMUNICATIONS HOLDINGS INC - Form DEF 14A

1999 Plan at any time, provided that no such action will affect any outstanding award in any manner adverse to the participant without the consent of the participant. In the case of amendments that materially increase the available number of shares under the 1999 Plan, such stockholder approval is required to satisfy tax laws and regulations applicable to performance-based compensation under Section 162(m) of the Internal Revenue Code or to subsequent grants of incentive stock options in accordance with Section 422 of the Internal Revenue Code, or to satisfy other legal requirements. In addition, rules established by the NYSE require stockholder approval of all equity compensation plans as well as all material revisions of such plans, which would include amendments that materially increase the available number of shares under the 1999 Plan. Further, because the compensation committee retains the discretion to set and change the specific targets for each performance period under a performance-based award intended to be exempt from Section 162(m), stockholder ratification of the performance goals is required, in any event, at five-year intervals to exempt awards granted under the 1999 Plan from the limitations on deductibility. The remaining amendments made by the compensation committee and discussed above do not require shareholder approval.

AUTHORIZED SHARES; OTHER PROVISIONS; NON-EXCLUSIVITY

The number of shares of our common stock that may be issued in respect of awards under the 1999 Plan currently may not exceed eight million shares (as adjusted for the 2002 Stock Split), including awards of incentive stock options. The number of shares that may be issued in respect of restricted stock awards under the 1999 Plan may not exceed 2% of the outstanding shares of our common stock at the time of a grant. Shares of common stock subject to awards (whether at our discretion or of the participant) will initially be counted against each of the share limit and the share unit limit. When payment is ultimately made in respect to the award in either shares or cash, a number of shares or share units relating to the alternative form of consideration not so paid will be recredited to the applicable limit.

The number and kind of shares available for grant and the shares subject to outstanding awards (as well as individual share and share unit limits on awards, performance targets and exercise prices of awards) may be adjusted to reflect the effect of a stock dividend, split, recapitalization, merger, consolidation, reorganization, combination or exchange of shares, extraordinary dividend or other distribution or other similar transaction. Any unexercised or undistributed portion of any expired, cancelled, terminated or forfeited award, or alternative form of consideration under an award that is not paid in connection with the settlement of any portion of an award, will again be available for award under the 1999 Plan, whether or not the participant has received benefits of ownership (such as dividends or dividend equivalents or voting rights) during the period in which the participant's ownership was restricted or otherwise not vested. Although shares subject to repriced or cancelled options or stock appreciation rights will be counted against the individual award limits to the extent required by Section 162(m), only shares actually issued or share units actually paid will be charged against the aggregate share or share unit limits, respectively, under the 1999 Plan.

Full payment for shares purchased on exercise of any option, along with payment of any required tax withholding, must be made at the time of such exercise in cash or, if permitted by the committee, in exchange for a promissory note in favor of us, in shares of our common stock having a fair market value equivalent to the exercise price and withholding obligation, or any combination thereof, or pursuant to such "cashless exercise" procedures as may be permitted by the committee. Any payment required in respect of other awards may be in such amount and in any lawful form of consideration as may be authorized by the committee.

Edgar Filing: L 3 COMMUNICATIONS HOLDINGS INC - Form DEF 14A

The 1999 Plan does not impose any minimum vesting periods on options or other awards. However, shares of stock acquired after exercise of an option may not, in the ordinary course, be sold before the expiration of six months from the date of grant. The maximum term of an option or any other award is ten years.

The 1999 Plan is not exclusive and does not limit the authority of our board or directors or its committees to grant awards or authorize any other compensation, with or without reference to our common stock, under any other plan or authority.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE APPROVAL OF THE AMENDMENT TO THE 1999 PLAN INCREASING THE NUMBER OF SHARES AVAILABLE FOR ISSUANCE UNDER THE 1999 PLAN.

PROPOSAL 4. RATIFICATION OF THE TERMS OF PERFORMANCE-BASED COMPENSATION UNDER THE 1999 PLAN.

Section 162(m) of the Code generally limits the corporate deduction for compensation paid to the named executive officers to \$1 million, unless certain requirements are met. One of those requirements is to receive stockholder approval of the material terms under which performance-based compensation (which may include the grant of stock options) is to be paid. Incentive awards under the 1999 Plan (a complete description of which is included in Proposal 3 above) may be granted or be payable based upon the attainment of specified corporate or individual performance goals (as in the case of performance stock or units), which performance goals are set forth in the 1999 Plan.

The material terms of the 1999 Plan and, specifically, of the performance goals set forth in the 1999 Plan were disclosed to and approved by the stockholders at the time of the adoption of the 1999 Plan. No proposal is being made to change or amend any of the terms of such performance goals. The compensation committee is authorized, in its discretion, to set and change the specific targets under those performance goals for each performance period under a performance-based award under the 1999 Plan. Therefore, in order for any such performance-based award to be exempt from the limitations on deductibility contained in Section 162(m) of the Code, the material terms of the performance goals must be ratified by the stockholders no later than the fifth year following the year in which those performance goals were previously approved. Five years has expired since the 1999 Plan was adopted, and a proposal to ratify such goals is hereby submitted for approval at the Annual Meeting. Please see the section entitled "Description of the 1999 Plan" included under Proposal 3 for a complete discussion of the material terms of the 1999 Plan.

If such ratification is not approved by the holders of a majority of the shares represented at the Annual Meeting and voting on the ratification proposal, performance-based awards made to the named executive officers under the 1999 Plan will not be exempt from the limitations on deductibility contained in Section 162(m) of the Code.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE PROPOSAL TO RATIFY THE PERFORMANCE GOALS AND OTHER TERMS OF PERFORMANCE-BASED AWARDS UNDER THE 1999 PLAN.

THE BOARD OF DIRECTORS AND CERTAIN GOVERNANCE MATTERS

Edgar Filing: L 3 COMMUNICATIONS HOLDINGS INC - Form DEF 14A

Our board of directors directs the management of our business and affairs, as provided by Delaware law, and conducts its business through meetings of the board of directors and three standing committees: the audit, nominating/corporate governance and compensation committees. In addition, from time to time, special committees may be established under the direction of the board of directors when necessary to address specific issues. Each executive officer serves at the discretion of the board of directors.

The board of directors has affirmatively determined that all of the directors other than Messrs. Lanza and LaPenta, including those who serve on the three standing committees of the board of directors, have no material relationship with us (either directly or as a partner, shareholder, or officer of an organization that has a relationship with us) and are, therefore, "independent" for purposes of the NYSE listing standards. In addition, the board of directors has determined that Professor Canizares and Messrs. Corcoran and Simon, members of the audit committee, are also "independent" for purposes of Section 10A(m)(3) of the Securities and Exchange Act of 1934. In May 2003, John Montague resigned as a member of the board of directors and was replaced by Claude Canizares. Professor Canizares had been recommended to the board of directors as a potential member by one of our independent directors. Following such recommendation, Professor Canizares met several times

10

with our Chairman and Chief Executive Officer and with other members of our board of directors. Following such meetings, in May 2003 the board of directors elected Professor Canizares as a member of the board by unanimous written consent.

Directors are expected to attend board meetings, meetings of the committees on which they serve, and to spend the time needed, and meet as frequently as necessary, to properly discharge their responsibilities. In addition, to the extent reasonably practicable, directors are expected to attend shareholder meetings. During the fiscal year ended December 31, 2003, the board of directors held four regularly scheduled meetings in person and three special meetings by telephone. Each director attended at least 75% of the combined number of meetings of the board of directors and meetings of committees on which he served during the past fiscal year. All of our directors attended our annual shareholder meeting in April 2003.

In accordance with applicable NYSE listing requirements, our independent directors will hold regular executive sessions at which management, including the Chief Executive Officer, is not present.

AUDIT COMMITTEE

The audit committee currently consists of Professor Canizares and Messrs. Corcoran (Chairman) and Simon. In April 2003, General Shalikashvili resigned as chairman and member of the audit committee because he served on the audit committee of three other public companies. General Shalikashvili continues to serve as a member of the board of directors and on the compensation and nominating/corporate governance committees. Upon such resignation, Mr. Corcoran was appointed chairman of the audit committee. In July 2003, Professor Canizares was appointed a member of the audit committee. This committee met eleven times during 2003, including six meetings by telephone. The audit committee is generally responsible for, among other things:

- o selecting, appointing, compensating, retaining, and terminating our independent auditors;

Edgar Filing: L 3 COMMUNICATIONS HOLDINGS INC - Form DEF 14A

- o overseeing the auditing work of any independent auditor employed by us (including the resolution of any disagreement between management and the auditor regarding financial reporting) for the purpose of preparing or issuing an audit report or performing other audit, review or attest services;
- o pre-approving both audit and permitted non-audit services to be performed by the independent auditors and related fees;
- o meeting with our independent auditors to review the proposed scope of the annual audit of our financial statements;
- o reviewing the findings of the independent auditors with respect to the annual audit; and
- o reviewing and discussing with management and the independent auditors our periodic financial reports prior to our filing them with the SEC and reporting annually to the board of directors with respect thereto.

The board of directors has determined that all of the members of the audit committee are financially literate and meet the independence requirements mandated by the NYSE listing standards. In addition, the board of directors has determined that Mr. Simon is an "audit committee financial expert," as defined by Item 401(h) (2) of Regulation S-K.

COMPENSATION COMMITTEE

During 2003, Messrs. Robert Millard (Chairman), John Montague and Alan Washkowitz served as members of the compensation committee of the board of directors. In May 2003, Mr. Montague resigned as a director and member of the compensation committee and in July 2003 General Shalikashvili was appointed a member of the committee. The compensation committee currently consists of Mr. Millard, General Shalikashvili and Mr. Washkowitz. This committee, which had one meeting and acted by written consent four times during 2003, is responsible for administering our 1997 Stock Option Plan for Key Employees (the "1997 Plan"), our 1998 Directors Plan and our 1999 Plan and has limited authority to adopt amendments to those plans. In accordance with applicable NYSE listing requirements, the board of directors will adopt a written charter on or prior to the date of the Annual Meeting, which charter will set forth the committee's purpose and responsibilities.

11

NOMINATING/CORPORATE GOVERNANCE COMMITTEE

The nominating/corporate governance committee currently consists of General Shalikashvili and Messrs. Simon and Washkowitz (Chairman). The committee was formed in February 2004. During 2003, we had no nominating/corporate governance committee; however, the audit committee effectively performed certain of the functions of this committee. The nominating/corporate governance committee monitors corporate governance policies and procedures and serves as the nominating committee for the board of directors. Following the formation of the nominating/corporate governance committee, a draft charter for the committee was prepared. In accordance with applicable NYSE listing requirements, the board of directors will adopt a written charter on or prior to the date of the Annual Meeting, which charter will set forth the committee's purpose and responsibilities.

The nominating/corporate governance committee will consider candidates for nomination as a director recommended by stockholders, directors, officers, third party search firms and other sources. In identifying candidates for membership

Edgar Filing: L 3 COMMUNICATIONS HOLDINGS INC - Form DEF 14A

on the board of directors, the nominating/corporate governance committee takes into account (a) minimum individual qualifications, including strength of character, mature judgment, industry knowledge or experience and an ability to work collegially with the other members of the board of directors, and (b) all other factors it considers appropriate. After conducting an initial evaluation of a candidate, the committee will interview that candidate if it believes the candidate might be suitable to be a director and may also ask the candidate to meet with other directors and management. If the nominating/corporate governance committee believes a candidate would be a valuable addition to the board of directors, it will recommend to the full board that candidate's election.

The nominating/corporate governance committee will review all candidates in the same manner, regardless of the source of the recommendation. Individuals recommended by stockholders for nomination as a director will be considered in accordance with the procedures described under "Stockholder Proposals and Nominations."

COMMITTEE CHARTERS AND CORPORATE GOVERNANCE GUIDELINES

The board of directors has adopted a charter for its audit committee. In accordance with applicable NYSE listing requirements, on or prior to the date of the Annual Meeting, the board of directors will adopt a written charter for each of the compensation committee and the nominating/corporate governance committee and approve corporate governance guidelines that address the make-up and functioning of the board of directors. On or prior to the date of the Annual Meeting, you will be able to find links to these materials on our website at: <http://www.L-3com.com>. A copy of such materials may also be obtained without charge upon request from our Secretary.

CODE OF ETHICS AND BUSINESS CONDUCT

The board of directors has adopted a code of ethics and business conduct that applies to all of our employees, officers and directors. You can obtain a copy of such code without charge upon request from our Secretary. On or prior to the date of the Annual Meeting, you will also be able to find a link to such code on our website at <http://www.L-3com.com>. We intend to post on our website all waivers or implied waivers (as such terms are defined in Item 10 of Form 8-K of the Securities and Exchange Act of 1934) and amendments of the code of ethics and business conduct that apply to any of our directors, executive officers (including our principal executive officer and principal financial officer), principal accounting officer, controller or other persons performing similar functions.

COMPENSATION OF DIRECTORS

The directors who are also our employees or employees of our subsidiaries or affiliates do not receive compensation for their services as directors. The non-employee directors receive annual compensation of \$50,000 for service on the board of directors, of which \$40,000 is paid in cash on a quarterly basis, and \$10,000 is paid in shares of our common stock. The chairman of the audit committee receives additional cash annual compensation of \$7,500. The chairman of the compensation committee receives additional cash annual compensation of \$5,000. In addition, non-employee directors each receive annual stock options to purchase 2,500 shares of our common stock, which vest in three equal annual installments. The non-employee directors are entitled to reimbursement for their

Edgar Filing: L 3 COMMUNICATIONS HOLDINGS INC - Form DEF 14A

reasonable out-of-pocket expenses in connection with their travel to and attendance at meetings of the board of directors or committees thereof. In addition, the non-employee directors will be compensated \$1,500 per board meeting attended, \$2,000 per audit committee meeting attended, \$1,500 per compensation committee meeting attended and \$1,000 per telephonic audit or compensation committee meeting in which they participate.

Non-employee directors may defer up to 100 percent of the cash portion of their annual cash compensation (including meeting fees) otherwise payable to the director. Subject to certain limitations, a participating director's deferred compensation will be distributed in a lump sum on, or distributed in annual installments commencing on, the 30th day following the date he or she ceases to be a director. Deferral elections are irrevocable during any calendar year and must be made before the beginning of the calendar year in which his/her compensation is earned. Interest is accrued on deferred amounts. Depending on a director's investment election, deferred amounts earn interest at a rate based on the 90-day U.S. Government Treasury Bill or the performance of our common stock.

STOCKHOLDER COMMUNICATIONS WITH DIRECTORS

Anyone who would like to communicate with, or otherwise make his or her concerns known directly to, the chair of any of the audit, nominating/corporate governance and compensation committees, or to the non-management directors as a group, may do so by addressing such communications or concerns to the Secretary of L-3 Communications Holdings, Inc., 600 Third Avenue, New York, New York 10016, who will forward such communications to the appropriate party. Such notice must include the name, address, and class and number of shares owned by the shareholder making such recommendation; the name, age, business address, residence address and principal occupation of the nominee; and the number of shares beneficially owned by the nominee. It must also include the information that would be required to be disclosed in the solicitation of proxies for election of directors under the federal securities laws. You must submit the nominee's consent to be elected and to serve. L-3 may require any nominee to furnish any other information, within reason, that may be needed to determine the eligibility of the nominee.

In computing the percentage ownership of any person, the amount of shares outstanding is deemed to include the amount of shares beneficially owned by such person (and only such person) by reason of these acquisition rights. REPORT OF THE AUDIT COMMITTEE

The directors who serve on the audit committee are all "independent" in accordance with the NYSE listing standards and the applicable SEC rules and regulations. We have reviewed and discussed with management the Company's audited financial statements as of and for the year ended December 31, 2003.

During 2003, the audit committee fulfilled all of its responsibilities under its charter existing during 2003. As part of our governance practices, the audit committee reviews its charter on an annual basis and, when appropriate, recommends to the board of directors changes to its charter. The board of directors adopted changes to the audit committee charter in February 2004, in part to comply with new SEC rules and new listing standards of the NYSE. The revised audit committee charter is included in this proxy statement as Exhibit A.

We have discussed with the independent auditors, PricewaterhouseCoopers LLP, the matters required to be discussed by the Sarbanes-Oxley Act of 2002 and Statement on Auditing Standards No. 61, Communication with Audit Committees, as amended, by the Auditing Standards Board of the American Institute of Certified Public Accountants.

We have received and reviewed the written disclosures and the letter from PricewaterhouseCoopers LLP, required by Independence Standard No. 1, Independence Discussions with Audit Committees, as amended, by the Independence Standards Board, and have discussed with the auditors their independence. Based on the activities referred to above, we recommended to the board of directors that the financial statements referred to above be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2003.

During 2003, Thomas A. Corcoran (Chairman), John M. Shalikhshvili and Arthur L. Simon served as members of the audit committee. In April 2003, General Shalikhshvili resigned as chairman and member of the audit committee because he served on the audit committee of three other public companies. General Shalikhshvili continues to serve as a member of the board of directors and on the compensation and nominating/corporate governance committees. Upon such resignation, Mr. Corcoran was appointed chairman. In July 2003, Professor

Canizares was appointed a member of the audit committee.

AUDIT-RELATED FEES(1)	501,000	491,000

 - (2) Represents fees incurred for local and foreign income tax compliance, acquisition related tax services and state tax planning services.
 - (3) The amount for 2003 represents fees incurred for services provided in connection with the final purchase price determination for an acquired business. The amount for 2002, represents fees incurred for a business process review, business continuity planning and litigation support.

The audit committee has considered and determined that the provision of the services covered under the captions "Audit-Related Fees", "Tax Fees" and "All Other Fees" is compatible with maintaining the auditor's independence.

It is the audit committee's responsibility to review and consider and ultimately pre-approve all audit and permitted non-audit services to be performed by our independent auditors. In accordance with its charter, the audit committee has established pre-approval policies with respect to audit and permitted non-audit services to be provided by our independent auditors. The following sets forth the primary principles of the audit committee's pre-approval policies:

- o The independent auditors are not permitted to perform consulting, legal, book-keeping, valuation, internal audit, management functions, or other prohibited services, under any circumstances.
- o The engagement of our independent auditors, including related fees, with respect to the annual audits and quarterly reviews of our consolidated financial statements is specifically approved by the audit committee on an annual basis.
- o The audit committee reviews and pre-approves a detailed list of other audit and audit-related services annually or more frequently, if required. Such services generally include services performed under the audit and attestation standards established by the AICPA and regulatory

Edgar Filing: L 3 COMMUNICATIONS HOLDINGS INC - Form DEF 14A

authorities or standard setting bodies and include services related to SEC filings, acquisition-related audit services, employee benefit plan audits, foreign statutory audits and subsidiary audits.

- o The audit committee reviews and pre-approves a detailed list of permitted non-audit services annually or more frequently, if required. The approval is subject to a maximum dollar amount equal in the aggregate to the approved audit fees for the current year plus the fees paid in the prior year for audit-related services.
- o The audit committee pre-approves each proposed engagement to provide services not previously included in the approved list of audit and non-audit services and for fees in excess of amounts previously pre-approved. The audit committee chairman or another designated committee member may approve these services and related fees and expenses on behalf of the audit committee.

Since May 6, 2003, all of the services covered under the captions "Audit Fees", "Audit-Related Fees", "Tax Fees" and "All Other Fees" were pre-approved by the Audit Committee.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The compensation committee is responsible for reviewing the design of, and pay levels generated by, our compensation and benefit programs for our executive officers. The committee is also responsible for administering our stock option program.

The committee is committed to ensuring an executive compensation program that supports our mission -- to maximize stockholder value. Thus, the executive compensation is structured around the following tenets:

- o Total compensation programs should strengthen the relationship between pay and performance by emphasizing variable, at-risk compensation that is dependent on our achievements and individual performance goals.
- o Management should be focused on the long-term interests of stockholders. Thus, a significant portion of the compensation opportunity should be long-term, at-risk pay in the form of stock options.
- o We must maintain our ability to attract, retain, and encourage the development of qualified, capable executives. Total compensation opportunities will mirror those offered by comparably sized organizations within the aerospace and defense industries -- for those positions where the labor market is not limited to these industries, we will reference broader general industry information for similarly sized organizations.

The comparative group used for compensation purposes will generally be broader than the group that comprises the published industry index in the performance graph included in this proxy statement. The compensation committee believes that our competition for executive talent is not limited to the companies included in the published industry index established for comparing stockholder returns.

The key elements of our compensation program are base salary, annual incentives, and long-term compensation. These key elements are addressed separately below.

Edgar Filing: L 3 COMMUNICATIONS HOLDINGS INC - Form DEF 14A

BASE SALARIES

The compensation committee will regularly review the base salary for the Chief Executive Officer and the President. We have established internal relationships of other senior executive positions to those of the Chief Executive Officer and the President, and base salaries for these other positions flow from those relationships. Base salaries will be targeted at the median of market levels with adjustments above or below market to recognize varying levels of responsibility, prior experience, breadth of knowledge, as well as external pay practices.

Increases to base salaries will be driven primarily by individual performance. Individual performance will be evaluated based on sustained levels of individual contribution.

As reflected in the Summary Compensation Table, Mr. Lanza's base salary was \$875,000 in 2003 and \$825,000 in 2002, as provided for in his employment agreement. In determining future increases to Mr. Lanza's base salary, the compensation committee will consider his individual performance as measured by short-term achievements as well as his contributions to long-term organizational success. The compensation committee will also compare Mr. Lanza's base salary to base salaries of chief executive officers among comparable companies.

ANNUAL INCENTIVES

The annual incentive plan is structured to provide a variable pay opportunity based on performance. Actual bonuses are based on an assessment of the participant's contributions toward organizational success.

Mr. Lanza received a bonus of \$975,000 in 2003 and \$850,000 in 2002. Mr. LaPenta received a bonus of \$865,000 in 2003 and \$750,000 in 2002.

22

LONG-TERM INCENTIVES

Long-term incentives are provided pursuant to the 1997 Plan and the 1999 Plan.

Stock options will be granted at a price not less than the fair market value of our common stock on the date of grant. The ultimate value of an option grant to the recipient depends on the stockholder value created between the date of grant and the date of exercise. Option award size is based primarily on competitive practice but may also be adjusted to reflect factors such as individual and our company's performance.

Mr. Lanza and Mr. LaPenta were each granted options to purchase 75,000 shares of our common stock in 2003.

POLICY WITH RESPECT TO THE \$1 MILLION DEDUCTION LIMIT

Section 162(m) of the Internal Revenue Code generally limits the corporate deduction for compensation paid to the named executive officers to \$1 million, unless certain requirements are met. The compensation committee will consider the impact of this provision when making compensation decisions. However, the compensation committee will weigh all pertinent factors to determine appropriate plan design and incentive awards.

STOCK PERFORMANCE GRAPH

The graph below compares the cumulative total return of our common stock, as adjusted for the two-for-one stock split declared by our board of directors on April 23, 2002, with the cumulative total return of the Standard & Poor's 500 Composite Stock Index and the Standard & Poor's 1500 Aerospace & Defense Index, for the period from December 31, 1998 to December 31, 2003. We are one of the companies included in the Standard & Poor's 1500 Aerospace & Defense Index. These figures assume that all dividends paid over the performance period were reinvested, and that the starting value of each index and the investment in our common stock was \$100 on December 31, 1998. The starting point for the measurement of our common stock cumulative total return was our stock price of \$23.28 per share, on December 31, 1998, as adjusted for our stock split. The graph is not, and is not intended to be, indicative of future performance of our common stock.

EMPLOYMENT AGREEMENTS

We entered into an employment agreement (the "Employment Agreements") effective on April 30, 1997 with each of Mr. Lanza, our Chairman and Chief Executive Officer, and Mr. LaPenta, our President and Chief Financial Officer. The Employment Agreements provided for an initial term of five years, which would automatically renew for one-year periods thereafter, unless a party thereto gave notice of its intent to terminate at least 90 days prior to the expiration of the term. Mr. Lanza's employment agreement was renewed in April 2003. Mr. LaPenta's employment agreement expired in April 2002.

Upon a termination without cause or resignation for good reason, we will be obligated, through the end of the term, to (i) continue to pay the base salary and (ii) continue to provide life insurance and medical and hospitalization benefits comparable to those provided to other senior executives; provided, however, that any such coverage shall terminate to the extent that Mr. Lanza is offered or obtains comparable benefits coverage from any other employer. The Employment Agreements provided for confidentiality during employment and at all times thereafter. There was also a noncompetition and non-solicitation covenant which was effective during the employment term and for one year thereafter; provided, however, that if the employment terminated following the expiration of the initial term, the noncompetition covenant would only be effective during the period, if any, that we paid the severance described above.
