Item 2.01. Completion of Acquisition or Disposition of Assets.

On January 4, 2006, ProAssurance Corporation ("ProAssurance") completed the sale of MEEMIC Insurance Company ("MEEMIC") and MEEMIC Insurance Services Corporation (together with MEEMIC, the "Companies") to Motors Insurance Company, a wholly-owned subsidiary of GMAC Insurance Holdings, Inc. (the "Buyer"). The transaction is worth \$400 million to ProAssurance, before transaction expenses. Approximately \$325 million was paid by the Buyer at closing and approximately \$75 million was retained in MEEMIC's parent company, MEEMIC Holdings, Inc., which remains a part of ProAssurance and was renamed MEMH Holdings, Inc. as part of the transaction. Substantially all of the assets retained at MEMH Holdings

are cash and investment securities.

Item 9.01. Financial Statements and Exhibits.

(a) Pro Forma Financial Information.

The following unaudited pro forma condensed combined financial statements give effect to the sale and include Pro Forma adjustments which are described in the notes to these statements. This amendment on Form 8-K/A is filed to include unaudited pro forma condensed combined financial statements to reflect the historical results of continuing operations for ProAssurance for the year ended December 31, 2003 and 2002.

The unaudited pro forma condensed combined balance sheet presents the financial position of ProAssurance as of September 30, 2005, assuming that the sale had occurred as of that date. Such pro forma information is based on the historical balance sheet of ProAssurance at September 30, 2005.

The unaudited pro forma condensed combined statements of income reflect the historical results of continuing operations for ProAssurance for the periods presented. As required by Rule 11-02 of Regulation S-X, the unaudited pro forma condensed combined statements of income have been prepared assuming that the sale occurred as of the beginning of the period presented.

ProAssurance believes that the assumptions used in preparing the unaudited pro forma financial statements provide a reasonable basis for presenting all of the significant effects of the sale and that the pro forma adjustments give effect to those assumptions in the unaudited pro forma condensed combined financial statements. The unaudited pro forma financial information is presented for informational purposes only and is not necessarily indicative of the results of operations or financial position which would have been achieved had this transaction been completed as of the date indicated, nor is it necessarily indicative of ProAssurance's future results of operations or financial position.

The unaudited pro form condensed combined financial statements should be read in conjunction with the historical financial statements of ProAssurance, including the related notes thereto.
