2003 ANNUAL MEETING OF SHAREHOLDERS

OF

SYSTEMONE TECHNOLOGIES INC.

PROXY STATEMENT

This proxy statement contains information related to our annual meeting of shareholders to be held on Friday, June 27, 2003, beginning at 10:00 a.m. Miami time, at our corporate headquarters at 8305 N.W. 27th Street, Suite 107, Miami, Florida 33122, and at any adjournments or postponements thereof.

ABOUT THE MEETING

What is the purpose of the Annual Meeting?

At the annual meeting, shareholders will vote on the election of directors and vote on any other matters that properly come before the meeting. In addition, our management will report on our performance during 2002 and respond to questions from our shareholders.

Who is entitled to vote?

Only shareholders of record at the close of business on the record date, May 5, 2003, are entitled to receive notice of the annual meeting and to vote the shares of common stock and Series B, Series C and Series D convertible preferred stock that they held on that date at the meeting, or any postponement or adjournment of the meeting. Each outstanding share of common stock entitles its holder to cast one vote on each matter to be voted upon. Each outstanding share of Series B, Series C and Series D convertible preferred stock entitles its holder to cast 21.37, 28.57 and 28.57 votes, respectively, on each matter to be voted upon.

Who can attend the meeting?

All shareholders as of the record date, or their duly appointed proxies, may attend. Please note that if you hold shares in street name (that is, through a broker or other nominee), you will need to bring evidence of your share ownership, such as a copy of a brokerage statement, reflecting your stock ownership as of the record date and valid picture identification.

What constitutes a quorum?

The presence at the meeting, in person or by proxy, of the holders of a majority of the votes entitled to be cast at the meeting will constitute a quorum, permitting the meeting to conduct its business. As of the record date, May 5, 2003, 4,940,065 shares of our common stock held by 39 shareholders of record, 67,776 shares of Series B convertible preferred stock held by three holders of record, 89,774 shares of Series C convertible preferred stock held by one holder of record and 24,808 shares of Series D convertible preferred stock held by three holders of record were issued and outstanding. The shares of convertible preferred stock represent a total of 4,721,983 votes. Proxies received, but marked as abstentions, and broker non-votes will be included in the calculation of the number of shares considered to be present at the meeting, but will not be counted as votes cast for or against any given matter.

If less than a majority of outstanding shares entitled to vote are represented at the meeting, a majority of the shares present at the meeting may adjourn the meeting to another date, time or place, and notice need not be given of the new date, time or place if the new date, time or place is announced at the meeting before an adjournment is taken.

Table of Contents

How do I vote?

If you complete and properly sign the accompanying proxy card and return it to us, it will be voted as you direct. If you are a registered shareholder and you attend the meeting, you may deliver your completed proxy card in person. Street name shareholders who wish to vote at the meeting will need to obtain a proxy from the institution that holds their shares.

Can I change my vote after I return my proxy card?

Yes. Even after you have submitted your proxy, you may change your vote at any time before the proxy is exercised by filing with our Secretary either a notice of revocation or a duly executed proxy bearing a later date. The powers of the proxy holders will be suspended if you attend the meeting in person and so request, although attendance at the meeting will not by itself revoke a previously granted proxy.

What are the Board's recommendations?

Unless you give other instructions on your proxy card, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations of our Board of Directors. The Board recommends a vote for the election of the nominated slate of directors (see page 6).

The Board does not know of any other matters that may be brought before the meeting nor does it foresee or have reason to believe that the proxy holders will have to vote for substitute or alternate board nominees. In the event that any other matter should properly come before the meeting or any nominee is not available for election, the proxy holders will vote as recommended by the Board of Directors or, if no recommendation is given, in accordance with their best judgment.

What vote is required to approve each item?

Election of Directors. The affirmative vote of a plurality of the votes cast, either in person or by proxy, at the meeting by the holders of common stock (one vote per share) and Series B (21.37 votes per share), Series C (28.57 votes per share) and Series D (28.57 votes per share) convertible preferred stock, voting together as a single class, is required for the election of directors.

Other Items. For each other item, the affirmative vote of a majority of the votes cast, either in person or by proxy, at the meeting by the holders of common stock (one vote per share) and Series B (21.37 votes per share), Series C (28.57 votes per share) and Series D (28.57 votes per share) convertible preferred stock, voting together as a single class, is required for approval. A properly executed proxy marked ABSTAIN with respect to any such matter will not be voted, although it will be counted for purposes of determining whether there is a quorum. Accordingly, an abstention will have the effect of a negative vote.

If you hold your shares in street name through a broker or other nominee, your broker or nominee may not be permitted to exercise voting discretion with respect to some of the matters to be acted upon. Thus, if you do not give your broker or nominee specific instructions, your shares may not be voted on those matters and will not be counted in determining the number of shares necessary for approval. Shares represented by such broker non-votes will, however, be counted in determining whether there is a quorum.

Who pays for the preparation of the proxy?

We will pay the cost of preparing, assembling and mailing the proxy statement, notice of meeting and enclosed proxy card. In addition to the use of mail, our employees may solicit proxies personally and by telephone. Our employees will receive no compensation for soliciting proxies other than their regular salaries. We may request banks, brokers and other custodians, nominees and fiduciaries to forward copies of the proxy materials to their principals and to request authority for the execution of proxies and we may reimburse such persons for their expenses incurred in connection with these activities.

What committees has the Board established?

The Board of Directors has a standing Audit Committee and Compensation Committee. We do not have a nominating committee. Our Board of Directors performs the functions of a nominating committee.

Audit Committee

During 2002, the Audit Committee consisted of Messrs. Biddelman and Leung. We anticipate that if he is elected as a director, Mr. Poling will become a member of the Audit Committee. In the Board's business judgment, we believe Mr. Poling would meet the definition of an independent director under new Securities and Exchange Commission, or SEC, rules and as that term is currently defined in the New York Stock Exchange's listing standards described below as well as under pending rule proposals of other stock exchanges and stock quotation systems. In addition, Mr. Biddelman would not be reappointed to the Audit Committee. The Audit Committee held four meetings during 2002. The duties and responsibilities of the Audit Committee include (i) recommending to the Board the appointment of our auditors and any termination of engagement, (ii) reviewing the plan and scope of audits, (iii) reviewing our significant accounting policies and internal controls and (iv) having general responsibility for all related auditing matters. The Board of Directors adopted a written charter for the Audit Committee effective June 13, 2000. A copy of the charter was included as Appendix A to our Proxy Statement in connection with our 2001 Annual Meeting.

Compensation Committee

During 2002, the Compensation Committee consisted of Messrs. Biddelman and Leung. The Compensation Committee held one meeting during 2002. The Compensation Committee reviews and approves the compensation of our executive officers and administers our stock option plan.

REPORT OF THE AUDIT COMMITTEE

The following report of the audit committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any of our other filings under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended.

In accordance with its written charter adopted by our board of directors, the audit committee's role is to act on behalf of the board of directors in the oversight of our accounting, auditing and financial reporting practices. The audit committee presently consists of two members, each of whom has been determined in the Board's business judgment to be independent as that term is defined in Sections 303.01(B)(2)(a) and (3) of the New York Stock Exchange's listing standards. Although our common stock is not listed on the New York Stock Exchange, we have chosen the independence standard set forth in Sections 303.01(B)(2)(a) and (3) of the New York Stock Exchange's listing standards in accordance with Section 7(d)(3)(iv) of Rule 14A-101 of the Securities Exchange Act of 1934, as amended. A copy of the audit committee's written charter appeared as Appendix A to our Proxy Statement for our 2001 Annual Meeting. Our board of directors continues to assess the adequacy of the audit committee's charter and expects to adopt further revisions to it in connection with the implementation of new corporate governance standards by the SEC and the National Association of Securities Dealers regarding the responsibilities of the audit committee under the Sarbanes-Oxley Act of 2002.

Management is responsible for our financial reporting process, including our system of internal controls, and for the preparation of our financial statements in accordance with generally accepted accounting principles. Our independent auditors are responsible for auditing those financial statements. It is the audit committee's responsibility to monitor and review these processes. It is not the audit committee's duty or responsibility to conduct auditing or accounting reviews or procedures. The audit committee does not consist of our employees and it may not be, and may not represent itself to be or serve as, accountants or auditors by profession or experts in the

Table of Contents

fields of accounting or auditing. Therefore, the audit committee has relied, without independent verification, on management's representation that the financial statements have been prepared with integrity and objectivity and in conformity with accounting principles generally accepted in the United States and on the representations of the independent auditors included in their report on our financial statements. The audit committee's oversight does not provide it with an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies, or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the audit committee's considerations and discussions with management and the independent auditors do not assure that our financial statements are presented in accordance with generally accepted accounting principles, that the audit of our financial statements has been carried out in accordance with generally accepted auditing standards or that our independent accountants are in fact independent.

In fulfilling its oversight responsibilities, the audit committee reviewed the audited financial statements for fiscal 2002 with management, including a discussion of the quality of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements. The audit committee reviewed the financial statements for fiscal 2002 with the independent auditors and discussed with them all of the matters required to be discussed by Statement of Auditing Standards No. 61 (Communications with Audit Committees), as amended, including the auditors' judgments as to the quality, not just the acceptability, of our accounting principles. In addition, the audit committee has received the written disclosures and the letter from the independent auditors required by Independence Standard No. 1 (Independence Discussions with Audit Committees) and has discussed with the independent auditors their independence from our management and us. Finally, the audit committee has considered whether the provision by the independent auditors of non-audit services to us is compatible with maintaining the auditors' independence. The audit committee discussed with the independent accountants any relationships that may have an impact on their objectivity and independence and satisfied itself as to the accountants' independence.

The audit committee also discussed with management the process used to support certifications by our chief executive officer and director of finance and administration that are required by the SEC and the Sarbanes-Oxley Act of 2002 to accompany our periodic filings with the SEC.

Based on the review and discussions with management and the independent accountants, and subject to the limitations on its role and responsibilities described above, the audit committee recommended to our board of directors, and the board of directors has approved, that the audited financial statements be included in our Annual Report on Form 10-KSB for the year ended December 31, 2002. The undersigned members of the audit committee have submitted this report to us.

In May 2000, we issued an aggregate of 20,000 shares of Series D convertible preferred stock, par value \$1.00 per share, and warrants (the May Warrants) to purchase an aggregate of 363,636 shares of common stock, to Hanseatic Americas LDC, Environmental Opportunities Fund II, L.P. and Environmental Opportunities Fund (Institutional), L.P. for an aggregate purchase price of \$2,000,000. Subsequent to such date we issued an additional 4,808 shares of Series D Convertible Preferred Stock as paid-in-kind dividends. In connection with the execution of the Subordinated Loan Agreement and the issuance of the Lender Warrants (each as described below), the May Warrants were adjusted to be exercisable for an aggregate of 571,428 shares of Common Stock.

We are also party to a Shareholders Agreement dated May 2, 2000 with the holders of our preferred stock and Pierre Mansur, pursuant to which, Messrs. Paul A. Biddelman and Kenneth C. Leung were appointed to our Board of Directors on May 29, 2000. The holders of our preferred stock are also entitled to nominate one or more additional individuals to establish a controlling majority on our Board. In addition, among other things, the Shareholders Agreement provides that certain decisions to be made by our Board, including authorization of any merger or similar transaction or material acquisition, the issuance of certain securities or the employment of senior management, require concurrence of the directors designated by the holders of our preferred stock.

On August 7, 2000 (the Issuance Date), we entered into a Loan Agreement with Environmental Opportunities Fund II, L.P., Environmental Opportunities Fund II (Institutional), L.P. and Hanseatic Americas LDC (collectively, the Lenders), as amended on November 10, 2000, November 30, 2000, February 27, 2002, September 30, 2002 and December 9, 2002 (collectively the Subordinated Loan Agreement), under which we borrowed an aggregate principal amount of \$3,300,000. These borrowings are evidenced by promissory notes (the Subordinated Promissory Notes), maturing December 31, 2005 (extended from February 23, 2003 in connection with our 2002 debt restructuring described in Part I of our Annual Report on Form 10-KSB), subject to prepayment at any time at our option and mandatory prepayment to the extent of any proceeds received by us from the sale of any new securities or the borrowing of any additional money (other than purchase money debt and borrowings under

the Senior Revolver). The Subordinated Promissory Notes bear interest at the rate of 10% per annum (reduced from 16% in connection with our 2002 debt restructuring described in Part I of our Annual Report on Form 10-KSB) until final repayment in full of such Subordinated Promissory Notes. Our obligations under the Subordinated Loan Agreement are secured by a lien on substantially all of our assets other than our intellectual property although such obligations have been subordinated to the Senior Revolver. Pursuant to the Subordinated Loan Agreement we issued warrants to purchase an aggregate of up to 942,858 shares of our common stock at \$3.50 per share (the August Warrants). Interest accrued under the Subordinated Loan Agreement during 2002 amounted to \$466,696.

On November 30, 2000, we entered into a revolving credit loan agreement (the Senior Revolver) with Hansa Finance Limited Liability Company (Hansa), as amended on February 15, 2003, that provides us with a revolving line of credit for up to \$5,000,000 with a scheduled maturity date of May 30, 2005 (extended from May 30, 2003 pursuant to the amendment entered into on February 15, 2003). In connection with the Senior Revolver, we granted Hansa a security interest in substantially all of our assets including our intellectual properties. Pursuant to the Senior Revolver, we may borrow twice a month up to the Advance Limit. The Advance Limit is the lesser of \$5,000,000 or the sum of the Advance Supplement plus an amount based on our receivables and inventory. The Advance Supplement is \$2,500,000 until maturity. Amounts advanced under the Senior Revolver accrue interest at the rate of 14% per annum payable monthly in arrears commencing December 31, 2000. As of March 31, 2003, amounts advanced under the Senior Revolver totaled \$4,517,248 and interest paid to Hansa during 2002 amounted to \$662,208. Hansa is controlled indirectly by Hanseatic Corporation and Paul Biddelman, one of our directors, who is the President of Hanseatic Corporation.

On February 27, 2002, we entered into a Third Amendment (the Amendment) to the Subordinated Loan Agreement changing the terms upon which the Additional Warrants (as defined therein) would be issued.

In connection with the Amendment, on February 27, 2002, we and Lenders, Hanseatic Americas LDC, Environmental Fund II, L.P. and Environmental Opportunities Fund II (Institutional), L.P. (collectively, with the Lenders, the Investors), entered into a Letter Agreement suspending our registration obligations for shares of common stock issuable upon conversion of shares of Series B, C and D Preferred Stock which we issued to the Investors until we receive notification from the Investors holding shares with a current market value of at least \$1,000,000 requesting that we register such shares.

In connection with our debt restructuring on December 9, 2002, we issued 750,000 warrants to the holders of our 81/4% Subordinated Convertible Notes that would have triggered certain anti-dilution rights pursuant to the Company's outstanding (i) shares of Series D Preferred Stock, \$1.00 per share, (ii) the May Warrants and (iii) the August Warrants (collectively, the Outstanding Warrants). The holders of the Series D Preferred Stock and Outstanding Warrants waived their anti-dilution rights in exchange for warrants for the purchase of an aggregate of 250,000 shares of Common Stock at an exercise price of \$.01 per share expiring on December 31, 2005. Also in connection with the debt restructuring, the holders of the Company's outstanding shares of Preferred Stock agreed to extend the date upon which the Company must redeem such shares from May 17, 2004 to the earlier of the 90th day after all of the Subordinated Convertible Notes are paid in full or March 31, 2006. Additionally, pursuant to the debt restructuring described in Part I of our Annual Report on Form 10-KSB Gerlach & Co. and Whiting & Co. (named in the table of beneficial owners set forth above) exchanged then outstanding 81/4% Subordinated Convertible Notes due February 23, 2003 (Old Notes) in the aggregate principal amounts together with accrued interest of \$5,895,618 and \$7,516,913, respectively, for (i) 81/4% Subordinated Convertible Notes due December 31, 2005 in the aggregate principal amount of \$2,962,467 and \$3,777,146, respectively, bearing interest which when due was added at our option to the principal amount of such notes through December 31, 2002 and thereafter shall be paid in cash, plus (ii) 81/4% Subordinated Convertible Notes due December 31, 2005 in the aggregate principal amount of \$2,962,467 and \$3,777,146, respectively, bearing interest which when due may be added to the principal amount for the life of such notes and (iii) warrants for the purchase of an aggregate of 200,000 and 255,000 shares of our common stock at an exercise price of \$.01 per share expiring on December 31, 2005, respectively.

We are party to an Exclusive Marketing and Distribution Agreement with Safety-Kleen Systems, Inc., a wholly-owned subsidiary of Safety-Kleen Corp. (collectively, Safety-Kleen), under which Safety-Kleen acts as exclusive distributor for our parts washers in the United States, Canada, Puerto Rico and Mexico. During 2002 and 2001, we sold to Safety-Kleen 10,218 and 10,053 units and were paid by Safety-Kleen \$17,719,726 and \$17,045,312, respectively. The initial five year term of this agreement expires in December 2005 and provides for

minimum purchase amounts of 12,500, 15,000 and 18,000 units in 2003, 2004 and 2005, respectively. In connection with the execution of the Exclusive Marketing and Distribution Agreement, we issued Safety-Kleen warrants to purchase up to 1,134,615 shares of our Common Stock at a price of \$3.50 per share.

Compliance with Section 16(a) of the Securities Exchange Act of 1934

Such persons are required by SEC regulations to furnish us with copies of all such reports they file.

To our knowledge, based solely on a review of the copies of such reports furnished to us and written or oral representations that no other reports were required for such persons, all Section 16(a) filing requirements applicable to our officers, directors and greater than 10% beneficial owners have been complied with except that on December 23, 2002 Kenneth C. Leung acquired 3,000 shares of our common stock and such acquisition was inadvertently not disclosed within two business days following the date of the transaction on a Form 4, Statement of Changes of Beneficial Ownership of Securities. Mr. Leung filed a Form 4, Statement of Changes of Beneficial Ownership of Securities, disclosing the acquisition of the foregoing shares on January 6, 2003.
