GENERAL INFORMATION

This Proxy Statement is being furnished to the stockholders of Atrion Corporation (the "Company") in connection with the solicitation of proxies by the Board of Directors of the Company to be voted at the annual meeting of stockholders to be held at the Company's offices, One Allentown Parkway, Allen, Texas on Thursday, May 27, 2004 at 10:00 a.m., Central Time, and at any adjournment of such meeting. This Proxy Statement and the accompanying proxy card are being first sent or given to stockholders on or about April 8, 2004. The Company's 2003 Annual Report is being mailed to stockholders with this Proxy Statement.

PURPOSE OF THE MEETING

At the annual meeting, the Company's stockholders will consider and vote upon the following matters: (i) the election of two Class III directors and (ii) a proposal to ratify the appointment of Grant Thornton LLP as independent accountants to audit the Company's financial statements for the year 2004.

VOTING SECURITIES AND RECORD DATE

Stockholders of record at the close of business on March 31, 2004 (the "Record Date") will be entitled to notice of, and to vote at, the annual

Edgar Filing: ATRION CORP - Form DEF 14A

meeting and at any adjournment thereof. At the close of business on the Record Date, the Company had outstanding and entitled to vote 1,708,107 shares of common stock, the only voting securities of the Company. Holders of record of shares of common stock outstanding on the Record Date will be entitled to one vote for each share held of record on that date upon each matter presented to the stockholders to be voted upon at the meeting.

If the enclosed proxy card is properly executed and received in time for the annual meeting, unless previously revoked, shares of common stock represented thereby will be voted at the annual meeting as specified by the stockholder on the proxy. If no such specification is made, shares represented by such proxy will be voted FOR the election as directors of the nominees of the Board of Directors named herein and FOR ratification of the appointment of Grant Thornton LLP as independent accountants to audit the Company's financial statements for the year 2004. In addition, in their discretion the persons designated in the proxy card will vote upon such other business as may properly come before the meeting, including voting for any adjournment of the meeting proposed by the Board of Directors. A proxy may be revoked at any time before it is voted at the meeting by delivering to the Company a later-dated proxy, by voting by ballot at the meeting or by filing with the Inspectors of Election an instrument of revocation.

REQUIRED VOTE

The presence, in person or by proxy, of the holders of a majority of the shares of common stock outstanding on the Record Date is necessary to constitute a quorum at the annual meeting. Abstentions and broker non-votes will be counted as present and represented at the annual meeting for purposes of determining a quorum. Directors will be elected at the annual meeting by a plurality of the votes cast by the stockholders present in person or by proxy and entitled to vote. Abstentions and broker non-votes will have no effect on the outcome of the election of directors.

ELECTION OF DIRECTORS

The Company's Board of Directors is divided into three classes: Class I, Class II and Class III. Two Class III directors are to be elected at the annual meeting to serve until the annual meeting of stockholders to be held in 2007 and until the election and qualification of their respective successors in office. Both of the nominees for election as Class III directors who are named below are members of the Board of Directors and were previously elected by the stockholders. It is intended that the persons named in the proxy card will vote for the election of these nominees. If either of the nominees listed below, each of whom has indicated his willingness to serve as a director if elected, is not a candidate when the election occurs, proxies will be voted for election of the remaining nominee and may be voted for the election of any substitute nominee.

INFORMATION REGARDING BOARD OF DIRECTORS AND COMMITTEES

Director Independence. The Company's Board of Directors has determined that the following directors are "independent" within the meaning of the National Association of Securities Dealers, Inc. ("NASD") listing standards: Richard O. Jacobson, John H.P. Maley, Hugh J. Morgan, Jr., Roger F. Stebbing and John P. Stupp, Jr.

Meetings. The Board of Directors held four meetings during 2003. Each director attended at least 75% of the aggregate of the number of meetings of the Board of Directors and the number of meetings of all committees on which he served held in 2003 during the time he served as a director or as a member of such committees.

Nominating Process. In light of its small size, the Board of Directors has determined, and has adopted a resolution providing, that nominees for election to the Board of Directors will be selected by a majority vote of the directors meeting the NASD independence requirements and, consequently, does not have a separate nominating committee or a nominating committee charter. In accordance with resolutions adopted by the Board of Directors, in selecting nominees for election as directors, the Board of Directors, with the assistance of the Corporate Governance Committee, will review and evaluate candidates submitted by directors and management and by the Company's stockholders pursuant to the procedures set forth in the Company's Bylaws and described in "STOCKHOLDERS PROPOSALS -- Stockholder Nominations for Directors" below. The Board of Directors, in considering possible nominees, will take into account the following: (a) each director should be an individual of the highest character and integrity; (b) each director should have substantial experience

Edgar Filing: ATRION CORP - Form DEF 14A

that is relevant to the Company; (c) each director should have sufficient time available to devote to the affairs of the Company; and (d) each director should represent the best interest of all stockholders. All possible nominees are to be reviewed in the same manner, regardless of whether they have been submitted by stockholders, directors or management.

Committees. The Board of Directors has four standing committees, the Executive Committee, the Corporate Governance Committee, the Compensation Committee and the Audit Committee. The Executive Committee is currently comprised of Emile A. Battat, Richard O. Jacobson, John H. P. Maley and Hugh J. Morgan, Jr. The Corporate Governance Committee, which is currently comprised of Richard O. Jacobson, John H. P. Maley, and Roger F. Stebbing, is to assist in the evaluation of possible nominees for election to the Board of Directors as requested by the Board of Directors, review annually and advise the Board of Directors with respect to the compensation of directors and recommend to the Board of Directors (a) the number of directors to be fixed in connection with each annual meeting of stockholders, (b) the directors to be appointed to each of the committees of the Board, (c) corporate governance guidelines and (d) proposed changes to the charter of the Corporate Governance Committee. The Corporate Governance Committee met one time in 2003. The Compensation Committee, which is currently comprised of Richard O. Jacobson, Hugh J. Morgan, Jr. and John P. Stupp, Jr., makes recommendations to the Board of Directors as to the remuneration of all executive officers of the Company, administers the Atrion Corporation 1994 Key Employee Stock Incentive Plan (the "1994 Stock Incentive Plan"), and the Atrion Corporation 1997 Stock Incentive Plan (the "1997 Stock Incentive Plan") and reviews and makes recommendations regarding the Company's other incentive compensation plans. The Compensation Committee met one time in 2003. The Audit Committee, the current members of which are Hugh J. Morgan, Jr., Roger F. Stebbing and John P. Stupp, Jr., appoints, determines the appropriate compensation for and oversees the work of the Company's independent auditors, and assists the Board of Directors in its oversight of the Company's accounting and financial reporting principles and policies and internal audit controls and procedures and oversees related party transactions. The Audit Committee also reviews, at least annually, the Audit Committee Charter and is to recommend any changes to the Audit Committee Charter to the Board of Directors. The Board of Directors has determined that each member of the Audit Committee is independent within the meaning of the NASD listing standards and is financially literate and that Mr. Stupp is an audit committee financial expert. The Audit Committee met five times in 2003.

4

Board Compensation. Each outside director is paid a fee of \$1,000 per month and \$750 per day for each meeting of the Board of Directors at which he is in attendance. In addition, the Chairman of the Audit Committee is paid a fee of \$333 per month. The Company reimburses each such director for travel and out-of-pocket expenses incurred in connection with attending meetings of the Board of Directors. The 1997 Stock Incentive Plan provides that on July 10 of each year each outside director is to be granted automatically an option to purchase 2,000 shares of common stock, at an exercise price equal to the fair market value of the common stock on the date of grant. Each such option is fully exercisable on the date of grant and expires on the first to occur of (i) the tenth anniversary of the date of grant; (ii) six months after the date the outside director ceases to be a director of the Company other than as a result of his death; or (iii) one year after the outside director ceases to be a director by reason of his death.

Stockholder Communications to the Board of Directors. Any stockholder wishing to communicate with the Board of Directors about any matter should send the communication, in written form, to Emile A. Battat, Chairman and President, at the Company's principal office in Allen, Texas. Mr. Battat will promptly

Edgar Filing: ATRION CORP - Form DEF 14A

send the communication to the other members of the Board of Directors.

Attendance at Stockholder Meetings. The Board of Directors has adopted a policy encouraging each director to attend, if practicable, the annual meeting of stockholders of the Company. The 2003 annual meeting was attended by five directors.

APPROVAL OF APPOINTMENT OF INDEPENDENT ACCOUNTANTS

Subject to stockholder ratification, the Audit Committee has appointed the firm of Grant Thornton LLP as independent accountants to audit the financial statements of the Company for the year 2004. A representative of Grant Thornton LLP will attend the annual meeting, will have an opportunity to make a statement, and will be available to respond to appropriate questions. If the stockholders do not ratify the appointment of Grant Thornton LLP, the selection of independent accountants will be reconsidered by the Audit Committee.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE PROPOSAL TO RATIFY THE APPOINTMENT OF GRANT THORNTON LLP AS INDEPENDENT ACCOUNTANTS TO AUDIT THE FINANCIAL STATEMENTS OF THE COMPANY FOR THE YEAR 2004.

CHANGE OF INDEPENDENT ACCOUNTANTS IN 2002

On April 5, 2002, the Board of Directors, on the recommendation of its Audit Committee, dismissed Arthur Andersen LLP as the Company's independent accountants and appointed Grant Thornton LLP to serve as the Company's independent accountants for the year ended December 31, 2002, subject to stockholder ratification.

Arthur Andersen LLP's report on the Company's consolidated financial statements for the year ended December 31, 2001 did not contain an adverse opinion or disclaimer of opinion, nor was the report qualified or modified as to uncertainty, audit scope or accounting principles.

During the year ended December 31, 2001 and through the date of the dismissal of Arthur Andersen LLP, there were no disagreements with Arthur Andersen LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure which, if not resolved to Arthur Andersen LLP's

7

satisfaction, would have caused it to make reference to the subject matter in connection with its report on the Company's consolidated financial statements for such years; and there were no reportable events as defined in Item 304(a)(1)(v) of Regulation S-K.

During the year ended December 31, 2001 and through the date of the dismissal of Arthur Andersen LLP, the Company did not consult Grant Thornton LLP with respect to the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's consolidated financial statements, or any other matters or reportable events as set forth in Items 304(a)(2)(i) and (ii) of Regulation S-K.

The Audit Committee has determined that the provision by Grant Thornton LLP of the above referenced services is compatible with maintaining its independence.

The Audit Committee has adopted policies and procedures for pre-approval of audit and non-audit services in order to ensure that the provision of those services does not impair the auditor's independence. In accordance with those policies and procedures, the Company is not to engage the independent auditors to render any audit or non-audit services unless either the service is approved in advance by the Audit Committee or the engagement to render the service is entered into pursuant to the Audit Committee's pre-approval policies and procedures. In the fourth quarter of each year, the Audit Committee is to review the services expected to be performed by the independent auditor. The Audit Committee will pre-approve fee levels for the up-coming fiscal year for each of the following categories: audit, audit-related and tax compliance/planning services (individual projects less than \$10,000). Tax compliance/planning projects exceeding \$10,000 and all other services not pre-approved in the categories above will require specific pre-approval from the Audit Committee on an individual project basis. Approval for such services may be requested at the next Audit Committee meeting or, if earlier approval is necessary, it may be obtained in accordance with the Audit Committee's delegation to the Audit Committee Chairman as described below. The Audit Committee will not delegate its responsibilities to pre-approve services performed by the independent auditor to management. However, the Audit Committee has delegated pre-approval

authority to the Audit Committee Chairman for unplanned services that arise during the year. The Chairman has the authority to review and approve

Edgar Filing: ATRION CORP - Form DEF 14A

permissible services up to \$10,000 per service, provided that the aggregate amount of such services does not exceed the prior-year audit fee. The Audit Committee Chairman must report, for informational purposes only, any pre-approval decisions to the Audit Committee at its next scheduled meeting. During 2003, no services were provided by Grant Thornton LLP other than in accordance with the pre-approval policies and procedures then in place.

AUDIT COMMITTEE REPORT

The Audit Committee of the Board of Directors has reviewed and discussed with management the Company's audited financial statements as of and for the year ended December 31, 2003. The Audit Committee has discussed with Grant Thornton LLP, the Company's auditors, the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as amended, by the Auditing Standards Board of the American Institute of Certified Public Accountants. The Audit Committee has received and reviewed the written disclosures and the letter from the Company's auditors required by Independence Standard No. 1, Independence Discussions with Audit Committees, as amended, by the Independence Standards Board, and has discussed with the auditors their independence.

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the financial statements referred to above be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2003.

RETIREMENT PLAN

The Company maintains a "cash balance" retirement plan (the "Cash Balance Plan") that includes all full-time active employees of the Company and its subsidiaries other than Quest Medical, Inc. Each participant has an account balance which represents his or her benefit under the Cash Balance Plan. The Cash Balance Plan provides for the Company to make annual allocations to a participant's cash balance account in an amount equal to 3% of the participant's eligible compensation up to the Social Security wage base and 6% in excess thereof and for an interest credit each plan year equal to the rate on 30 year U.S. Treasury bonds during November of the preceding plan year. For the 2003 plan year, the interest rate was 4.96%. For purposes of the Cash Balance Plan, "eligible compensation" is the participant's salary as included in the Summary Compensation Table above, subject to an annual limitation imposed by law which for 2003 was \$200,000 and is \$205,000 in 2004. Generally, each participant becomes fully vested in the benefits under such plan after five years of employment. Benefits may be paid, subject to certain limitations under the Internal Revenue Code of 1986, as amended, upon termination of employment, retirement or death. The Cash Balance Plan specifies various options that participants may select for the distribution of their accrued balance, including forms of annuity payments and lump sum distributions. All of the Named Executive Officers participate in the Cash Balance Plan. The estimated annual retirement benefits payable to the Named Executive Officers under the Cash Balance Plan at normal retirement age of 65, assuming 4% annual increases in eligible compensation until retirement, no change from 2004 levels of maximum includable compensation and Social Security wage base, and a 30 year U.S. Treasury bond rate of 5.5%, are as follows: Mr. Battat, \$6,209; and Mr. Strickland, \$74,557.

CERTAIN AGREEMENTS AND PLANS

The Company has an employment agreement with Emile A. Battat, the Company's Chairman, President and Chief Executive Officer, that provides for his employment for an initial term that expires on December 31, 2006. The base salary for each calendar year is \$500,000. In addition, Mr. Battat is entitled to receive a cash bonus each year that is not less than \$100,000. If Mr. Battat's employment is terminated during the term by the Company for other than "just cause" or by Mr. Battat for "good reason" (as those terms are defined in the agreement) or upon Mr. Battat's death or disability, Mr. Battat will receive (1) a cash payment equal to the sum of (i) all cash

compensation accrued but not paid and (ii) the base salary and the annual bonus for the remainder of the term, (2) immediate vesting of all stock options or equity granted to him, and (3) continued participation in the Company's health benefit plans for the remainder of the term. In addition, the Company will reimburse Mr. Battat for excise taxes imposed on him in the event payments or benefits received by him result in "parachute payments" under the Internal Revenue Code and for income taxes on such reimbursement.

The Company has a severance plan pursuant to which Jeffery Strickland, Vice President and Chief Financial Officer, Secretary and Treasurer of the Company, will be entitled to severance compensation if his employment is terminated under certain conditions set forth in the plan. The severance pay is to be equal to Mr. Strickland's annual base salary for the 12 months preceding

the termination of employment.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee, which is currently comprised of Richard O. Jacobson, Hugh J. Morgan, Jr. and John P. Stupp, Jr., establishes the overall executive compensation program for the Company and makes recommendations for base salaries, salary increases and bonuses for the Company's executive officers. In addition, the Compensation Committee administers the Company's incentive programs that cover the Company's executive officers. The executive compensation program, which is periodically reviewed and modified, as necessary, by the Compensation Committee, is designed to attract, retain and motivate management personnel and includes compensation that is tied to enhanced stockholder value.

Compensation Policies

The principal components of compensation for the Company's executive officers are base salaries, cash bonus and incentive compensation and stock awards. Base salaries of the Company's executive officers are reviewed annually and adjustments made generally on the basis of the Company's performance as measured by certain financial and non-financial criteria, various survey information respecting compensation of executive officers, compensation levels for executive officers in a broad range of companies (which range is broader than the group of companies included in the peer group index used in comparing cumulative stockholder return), cost-of-living information and individual performance of the particular executive officer. The Compensation Committee has not assigned relative weights or values to any of such criteria. With respect to all executive officers, the Compensation Committee takes into consideration a review of individual performance. With respect to the financial performance of the Company, the Compensation Committee generally takes into consideration the Company's earnings from continuing operations, earnings per share and total stockholder return. Executive officers of the Company are eligible for discretionary bonuses as determined by the Compensation Committee. At the recommendation of the Compensation Committee, the Company and its subsidiaries have implemented cash incentive plans covering certain key employees. These plans are intended to foster a corporate culture focused on bottom line results by providing key employees with a substantial stake in reducing costs and increasing sales and productivity while conserving capital resources.

Stock awards are designed to motivate executives to improve the long-term performance of the Company's Common stock in the market, to encourage them to achieve superior results over the long term and to align the interests of executive officers with those of stockholders. Decisions respecting restricted stock awards are made on the basis of the criteria referred to above, and decisions respecting the grant of stock options are made using the same criteria as well as the number of unexercised options held by key employees.

Compensation of Chief Executive Officer

In early 2002, the Company entered into an employment agreement with Mr. Battat having a term expiring at the end of 2006. The employment agreement was amended in late 2002. (For a description of the terms of Mr. Battat's employment agreement, as amended, see "EXECUTIVE COMPENSATION - Certain Agreements and Plans.") Under the employment agreement, Mr. Battat's base salary is fixed for each year of the term at \$500,000 and he is to receive an annual bonus of not less than \$100,000. In making determinations regarding the amount of such bonus, the Compensation Committee generally reviews the performance of the Company, Mr. Battat's
