At the Annual Meeting of Shareholders of Goodrich Corporation (the Company) held on April 19, 2005 (the 2005 Annual Meeting), the Company's shareholders approved an amendment and restatement of the Goodrich Corporation 2001 Stock Option Plan (the Plan). The Plan provides for the issuance of a broad range of stock-based compensation awards to the Company's officers and other salaried employees, including stock options, stock appreciation rights, performance share and performance unit awards and restricted stock and restricted stock unit awards. The Plan was amended and restated to, among other things, change the name of the plan to the Goodrich Corporation 2001 Equity Compensation Plan, increase the number of shares of the Company's common stock available for issuance under the Plan from 6,500,000 to 11,000,000 and add to the performance measures that may be used under the Plan.

At the 2005 Annual Meeting, the Company's shareholders also approved an amendment and restatement of the Goodrich Corporation Senior Executive Management Incentive Plan (the SEMIP). The SEMIP provides for annual cash incentive compensation awards for the Company's executive officers based upon achievement of performance goals as described in the Plan. The SEMIP was amended and restated to, among other things, increase the maximum amount of any individual award from \$2,500,000 to \$3,500,000 and add to the performance measures that may be used under the SEMIP.

Copies of the Plan and the SEMIP are exhibits to this Current Report on Form 8-K and are incorporated herein by reference.
