**Item 7.01. Regulation FD Disclosure**

BankAtlantic Bancorp, Inc. (the Company) is furnishing presentation materials included as Exhibit 99.1 to this report pursuant to Item 7.01 Form 8-K. The Company is changing its presentation materials furnished on its November 2, 2006 Form 8-K to include a \$26.6 million loan in non-performing assets and the presentation materials filed herewith supercede the materials filed with the November 2, 2006 Form 8-K. The Company will incorporate these presentation materials in its investor presentations during the fourth quarter of 2006. The information in this report (including Exhibit 99.1) is being furnished pursuant to Item 7.01 and shall not be deemed to be filed for the purposes of Section 18 of the Securities Exchange Act of 1934 or otherwise subject to the liabilities of that section. This report will not be deemed an admission as to the materiality of any information herein (including Exhibit 99.1). The presentation also contains financial information determined by methods other than in accordance with GAAP. The Company's management uses these non-GAAP measures, which it defines as operating measures, in their analysis of the Company's performance. These operating measures adjust GAAP net income to exclude the reserve for fines and penalties related to a compliance matter, an impairment charge related to the Company's former headquarters, and costs and gains associated with debt redemptions. The operating measures also adjust BankAtlantic's GAAP net interest margin to exclude interest income and interest expense associated with loan participations sold that are accounted for as secured borrowings. The Company believes that these non-GAAP operating measures supplement our GAAP financial information and provide useful measures of evaluating the Company's operating results and any related trends that may be affecting the Company's business. These disclosures should not be viewed as a substitute for operating results determined in accordance with GAAP, nor are they necessarily comparable to non-GAAP performance measures that may be presented by other companies. The Company is not undertaking to update this presentation in subsequent periods.
