PROXY STATEMENT

FOR ANNUAL MEETING OF SHAREHOLDERS
AUGUST 14, 2001

SOLICITATION OF PROXIES

This Proxy Statement is being furnished to the shareholders of SkyWest, Inc., a Utah corporation (the "Company"), in connection with the solicitation by the Board of Directors of the Company of proxies from holders of outstanding shares of the Company's common stock, no par value (the "Common Stock"), for use at the Annual Meeting of Shareholders of the Company to be held Tuesday, August 14, 2001, and at any adjournment or postponement thereof (the "Annual Meeting"). This Proxy Statement, the Notice of Annual Meeting of Shareholders and the accompanying form of proxy are first being mailed to shareholders of the Company on or about July 2, 2001.

The Company will bear all costs and expenses relating to the solicitation of proxies, including the costs of preparing, printing and mailing to shareholders this Proxy Statement and accompanying materials. In addition to the solicitation of proxies by use of the mails, the directors, officers and employees of the Company, without receiving additional compensation therefor, may solicit proxies personally or by telephone or telegram. Arrangements will be made with brokerage firms and other custodians, nominees and fiduciaries for the forwarding of solicitation materials to the beneficial owners of the shares of Common Stock held by such persons, and the Company will reimburse such brokerage firms, custodians, nominees and fiduciaries for reasonable out-of-pocket expenses incurred by them in connection therewith.

VOTING

The Board of Directors has fixed the close of business on June 20, 2001 as the record date (the "Record Date") for determination of shareholders entitled to notice of and to vote at the Annual Meeting. As of the Record Date, there were issued and outstanding 56,213,580 shares of Common Stock. The holders of record of the shares of Common Stock on the Record Date entitled to be voted at the Annual Meeting are entitled to cast one vote per share on each matter submitted to a vote at the Annual Meeting.

PROXIES

Shares of Common Stock which are entitled to be voted at the Annual Meeting and which are represented by properly executed proxies will be voted in accordance with the instructions indicated on such proxies. If no instructions are indicated, such shares will be voted FOR the election of each of the nine director nominees; FOR the ratification of the appointment by the Board of

Edgar Filing: SKYWEST INC - Form DEF 14A

Directors of Arthur Andersen LLP as independent public accountants of the Company for the transition period ending December 31, 2001; and, in the discretion of the proxy holder, as to any other matters which may properly come before the Annual Meeting. A shareholder who has executed and returned a proxy may revoke it at any time prior to its exercise at the Annual Meeting by executing and returning a proxy bearing a later date, by filing with the Secretary of the Company, at the address set forth above, a written notice of revocation bearing a later date than the proxy being revoked or by voting the Common Stock covered thereby in person at the Annual Meeting.

VOTE REQUIRED

The presence of a majority of the issued and outstanding shares of Common Stock entitled to vote, represented in person or by proxy, is required for a quorum at the Annual Meeting. Holders of shares of

1

4

Common Stock are entitled to one vote at the Annual Meeting for each share of Common Stock held of record on the Record Date. In the election of directors, shareholders will not be allowed to cumulate their votes. The nine nominees receiving the highest number of votes will be elected. Accordingly, abstentions and broker non-votes will not affect the outcome of the election. The ratification of the selection of the independent public accountants and any other matter presented for approval by the shareholders will generally be approved, in accordance with Utah law, if the votes cast in favor of a matter exceed the votes cast opposing such matter. As a result, abstentions and broker non-votes will not affect the outcome of any such matter.

PROPOSAL NO. 1 -- ELECTION OF DIRECTORS

The Board of Directors will consist of nine directors, all of whom will be elected at the Annual Meeting. Such directors will serve until the next annual meeting of shareholders and until their successors are duly elected and qualified. Shareholders do not have cumulative voting rights in the election of directors (each shareholder is entitled to cast one vote for each share held for each director). Unless authority is withheld, it is the intention of the persons named in the enclosed form of proxy to vote "FOR" the election as directors of the persons identified below as nominees for directors. Each of the nominees is currently serving as a director. If the candidacy of any one or more of such nominees should, for any reason, be withdrawn, the proxies will be voted "FOR" such other person or persons, if any, as may be designated by the Board of Directors. The Board of Directors has no reason to believe that any nominee herein named will be unable or unwilling to serve.

AUDIT AND FINANCE COMMITTEE REPORT

The following is the report of the Audit and Finance Committee of the Board of Directors with respect to the Company's audited financial statements for the fiscal year ended March 31, 2001.

The Audit and Finance Committee assists the Board of Directors in fulfilling its oversight responsibilities by reviewing the audit process, the financial information which will be provided to shareholders, the financial community and others and the systems of internal controls which management has established. The Committee is composed of four outside directors, each of whom is an independent director for purposes of the Marketplace Rules of the Nasdaq National Market. All members of the Committee are financially literate and the Chairman of the Committee has accounting or related financial management expertise.

Following the end of the 2001 fiscal year, the Audit and Finance Committee reviewed and discussed the Company's audited financial statements with the Company's management. The Committee also discussed with Arthur Andersen LLP, the independent public accountants of the Company, the matters required to be discussed by the American Institute of Certified Public Accountants' Statement on Auditing Standards ("SAS") 61, "Communication with Audit Committee." The Committee also received the written disclosures and a letter from Arthur Andersen LLP as required by Independence Standards Board's Standard No. 1, and has discussed with Arthur Andersen LLP the independence of Arthur Andersen LLP. In determining the independence of Arthur Andersen LLP, the Committee considered, among other factors, whether the non-audit services provided by Arthur Andersen LLP could impair the independence of Arthur Andersen LLP and concluded that such services were compatible with their independence.

Based upon the review and discussions referred to in the foregoing paragraphs, the Audit and Finance Committee recommended to the Board of Directors that the audited financial statements be included in the Company's

Annual Report on Form 10-K for the year ended March 31, 2001.

REPORT OF THE COMPENSATION COMMITTEE

Notwithstanding anything to the contrary set forth in any of the Company's previous filings under the Securities Act of 1933, as amended (the "Securities Act"), or the Securities Exchange Act of 1934, as amended (the "Exchange Act"), that incorporate by reference, in whole or in part, subsequent filings including, without limitation, this Proxy Statement, the following Report of the Compensation Committee and the Performance Graph set forth on page 11 hereof shall not be deemed to be incorporated by reference into any such filings.

The Securities and Exchange Commission's ("SEC") rules addressing disclosure of executive compensation in proxy statements require the Compensation Committee to include in this Proxy Statement a report from the Compensation Committee addressing, with respect to the most recently completed fiscal year, (a) the Company's policies regarding executive compensation generally, (b) the factors and criteria considered in setting the compensation of the Company's Chief Executive Officer, Jerry C. Atkin, and (c) any relationship between such compensation and the Company's performance.

The Company's executive compensation program is administered by the Compensation Committee, which is responsible for establishing the policies governing the Company's compensation program and the amount of compensation for each of the Company's executive officers. The Compensation Committee is currently composed of four non-employee directors and has oversight responsibility for all executive compensation and executive benefit programs of the Company.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee regularly reviews and approves decisions with respect to compensation of the Company's officers and other employees. The Board of Directors has appointed four of its non-employee members to serve on the Compensation Committee and empowered the committee to:

- Recommend to the Board CEO compensation;
- Approve all other executive officer compensation;
- Approve Company-wide and executive officer incentive/bonus plans, and profit sharing/retirement contributions;
- Review Company compensation packages as a whole; and
- Administer the Company's various stock-based incentive plans.

Executive Compensation Policies

The Company's executive compensation policies, as endorsed by the Compensation Committee, have been designed to provide a balanced compensation program that will assist the Company in its efforts to attract, motivate and

Edgar Filing: SKYWEST INC - Form DEF 14A

retain talented executives who the Compensation Committee and senior management believe are important to the Company's long-term financial success. The Company seeks to accomplish this goal by providing a compensation program that, in the judgment of the Compensation Committee and senior management:

- is competitive with compensation programs offered by the Company's primary competitors and by other comparable companies;
- integrates certain compensation elements with the Company's financial performance by linking an incentive plan to the Company's net income as well as other corporate and operational goals; and
- links certain compensation elements with an opportunity to own Common Stock so that Company executives will have a personal interest in the increase in share value and, as a result, have common interests with the Company's shareholders.

The Compensation Committee believes that each of these factors is integrally important to the long-term financial success of the Company. In designing and implementing the individual components of the

8

11

Company's executive compensation program, the Company seeks a balance among these factors that will vary depending on the level of policy-making and operational responsibility of the executive. The Compensation Committee and senior management annually review the structure of the Company's executive compensation program to ensure that these goals are being accomplished.

Executive Compensation Program

The components of the Company's current executive compensation program include salary, annual cash incentive bonus awards and long-term incentive plans in the form of stock option plans and deferred compensation plans.

Salaries and Cash Incentive Bonus Awards

The Compensation Committee establishes the salaries and bonus awards for all executive officers, except the CEO, whose salary and annual bonus award it recommends for approval by the full Board. The salary and bonus award levels are established and adjusted annually based on factors such as competitive trends, annual inflation rates, overall financial performance of the Company and individual performance of the executive officers. The base salary for the executive officers is generally fixed below industry average levels with the opportunity to receive annual bonuses that would make total compensation comparable. The Company's annual bonus awards to its executive officers, some of which are reflected in the Summary Compensation Table, are based on the financial performance of the Company together with subjective and objective performance criteria.

At the beginning of each fiscal year, the Compensation Committee establishes cash bonus award guidelines based on the Company's earnings. Commencing in fiscal 2000, the Company adopted an incentive plan for all officers, including executive officers, pursuant to which a bonus was paid to the Company's President, two Executive Vice Presidents, and six Vice Presidents; subject, however, to the discretionary authority of the Board of Directors and the Compensation Committee to vary the amounts or percentages paid based on extraordinary performance, achievement of (or failure to achieve) objectives and other similar factors. For fiscal 2001, bonuses were paid based on the incentive plan as adopted. A separate incentive bonus plan, paid quarterly, was in effect for all other employees employed at least two years.

Edgar Filing: SKYWEST INC - Form DEF 14A

Employee Retirement Plan -- 401(k)

The Company maintains the SkyWest Airlines Employee Retirement Plan (the "Retirement Plan"), which is a defined contribution plan, for the benefit of employees who have completed at least 90 days of service with the Company. The Retirement Plan is qualified under Sections 401(a) and (k) of the Internal Revenue Code (the "Code").

The Retirement Plan provides for pre-tax participant contributions and matching contributions by the Company, subject to the requirements of Section 401(k) of the Code. The Company may also make discretionary contributions for participants without regard to participant contributions. Matching contributions totaled \$2,885,000 and a discretionary contribution of \$2,855,000 was made for fiscal 2001. The Company's officers are not eligible to participate in matching contributions made by the Company.

Separate accounts are maintained for all contributions and directed by participants among 16 types of investment funds. All contributions to a participant's account under the Retirement Plan are non-forfeitable. The Retirement Plan permits certain withdrawals and loans during service. Distributions from the Retirement Plan are made upon termination either in a lump sum or in annual installments over a period of up to ten years (but in no event over a period exceeding five years following a participant's death).

Executive Deferred Compensation Plan

The Company's Executive Deferred Compensation Plan (the "Plan") was adopted by the Compensation Committee on August 7, 1990 and became effective January 1, 1991. Under the terms of the Plan, the Company contributes twelve percent of the compensation paid to the officers of the Company during the prior

9

12

calendar year to the Plan. Under the Plan, the Company maintains split dollar life insurance policies on the lives of participants. The officer is the owner of such policies and the Company is responsible for payment of premiums. The premiums are recoverable by the Company and will be paid to each participant as deferred compensation following termination of employment. The earnings under the policies and death proceeds of policies will be paid to participants or to a designated beneficiary. Participants in this Plan are not eligible for matching contributions under the Company's 401(k) Plan.

Stock Option Plans

The Company's Amended and Combined Incentive and Nonstatutory Stock Option Plan was adopted by the Board of Directors in April 1991 (the "1991 Plan") and approved by the shareholders of the Company in August 1991. The Plan provided for the grant of options to purchase shares of Common Stock, which were either incentive stock options ("Incentive Stock Options"), as that term is defined in the Code, or non-statutory stock options ("Non-statutory Options"). Options under the 1991 Plan were granted by the Compensation Committee.

In August, 2000, the Company's shareholders approved the adoption of the SkyWest, Inc. Executive Stock Incentive Plan (the "Executive Plan"). The Executive Plan became effective January 1, 2001. The Executive Plan replaced the 1991 Plan; however, all outstanding options under the 1991 Plan as of January 1, 2001 remained outstanding but no further grants will be made under the 1991 Plan. As of December 31, 2000, there were options outstanding under the 1991 Plan for approximately 2,424,000 shares of Common Stock. The Executive Plan provides for the issuance of up to 4,000,000 shares of Common Stock to officers, directors and other management employees.

Edgar Filing: SKYWEST INC - Form DEF 14A

The Compensation Committee has complete authority to determine the persons to whom and the time or times at which grants of Options under the Executive Plan will be made, whether such Options will be Incentive Stock Options or Non-statutory Options, the exercise price, term, restrictions on exercise and transferability and vesting schedules, all of which are set forth in a Stock Option Agreement. In no event, however, may the exercise price of an Incentive Stock Option be less than the fair market value of a share of Common Stock on the date of grant or exercisable after the expiration of ten years from the date of grant and no Option may be exercisable before six months have lapsed from the date of grant (except in the case of death or disability). In considering the grant of Options to executive officers, the Compensation Committee takes into consideration such factors as the projected value of the Common Stock in the future based on the Company achieving its performance goals, the executive officers' current salary and the overall performance of the Company. The Compensation Committee attempts to award Options in an amount that will provide executive officers with Options that will have a value in the future equal to a targeted percentage of the officers' base salary if the Company's performance goals are met during the vesting period.

Chief Executive Officer Compensation for Fiscal Year 2001

Using the process and criteria discussed above, effective July 1, 1999 the Compensation Committee recommended and the Board established Jerry C. Atkin's annual base salary at \$280,000 and established guidelines for the payment of an annual bonus award, based on the Company's net income and also subject to achieving other non-financial objectives. After the end of fiscal 2001, the Compensation Committee awarded Mr. Atkin a \$282,066 bonus based on the Company's exceptional performance during the year. During fiscal 2001, the Compensation Committee also awarded to Mr. Atkin options to purchase up to 208,000 shares of Common Stock, based on the criteria described above.

(the "Company") in fulfilling its responsibility to oversee management's conduct of the Company's financial reporting process. The Committee will assist the Board by overseeing (i) the financial reports and other financial information provided by the Company to governmental or regulatory bodies, the public or other users, (ii) the Company's systems of internal accounting and financial controls and (iii) the annual independent audit of the Company's financial statements.

Nor is it the duty of the Audit Committee to conduct investigations, to resolve disagreements, if any, between management and the independent auditor or to assure compliance with laws and regulations.

The Committee shall review the adequacy of this Charter on an annual basis.
