EXPLANATORY NOTE

This Amendment No. 1 to the Annual Report on Form 10-K for Safeway Inc. (the Company) for the fiscal year ended December 28, 2002 as filed with the Securities and Exchange Commission on March 27, 2003 is being filed to restate Item 9A of Part II in its entirety (formerly Item 14 of Part III).

PART II

Item 9A. Controls and Procedures.

The Company maintains disclosure controls and procedures that are designed to ensure that information required to be disclosed in the Company's Exchange Act reports is recorded, processed, summarized and reported within the time periods specified in the SEC's rules and forms, and that such information is accumulated and communicated to the Company's management, including its President and Chief Executive Officer and Chief Financial Officer, as appropriate, to allow timely decisions regarding required disclosure. Management necessarily applied its judgment in assessing the costs and benefits of such controls and procedures which, by their nature, can provide only reasonable assurance regarding management's control objectives. As of the end of the period covered by this report, management believes that there are reasonable assurances that the Company's controls and procedures will achieve management's control objectives. The Company also has investments in certain unconsolidated entities, including Casa Ley. As the Company does not control or manage these entities, its disclosure controls and procedures with respect to such entities are necessarily more limited than those it maintains with respect to its consolidated subsidiaries.

Within 90 days prior to the date of this report, the Company carried out an evaluation, under the supervision and with the participation of the Company's management, including the Company's President and Chief Executive Officer along with the Company's Chief Financial Officer, of the effectiveness of the design and operation of the Company's disclosure controls and procedures pursuant to Exchange Act Rule 13a-14. Based upon the foregoing, the Company's President and Chief Executive Officer along with the Company's Chief Financial Officer concluded that the Company's disclosure controls and procedures are effective in timely alerting them to material information relating to the Company (including its consolidated subsidiaries) required to be included in the Company's Exchange Act reports. There has been no change in the Company's internal controls or in other factors which has materially affected, or is reasonably likely to materially affect, the Company's internal controls subsequent to the date the Company carried out its evaluation.
