**Item 8.01. Other Events.**

On June 28, 2007, Metrotek Technologies, Inc., a Delaware corporation (the Company), issued a press release announcing that the Company had received a letter from the Securities and Exchange Commission (the SEC) advising the Company that the SEC's investigation has been completed and that the SEC does not intend to recommend any enforcement action. The letter concludes the SEC's informal, non-public inquiry commenced in May 2006 into certain events relating to announcements made by the Company in February and March 2006 of orders received by the Company's subsidiary PowerSecure, Inc. These events included events that had been the subject of a previous review by the National Association of Securities Dealers (NASD), on behalf of the American Stock Exchange.

The Company had fully cooperated with the SEC inquiry and the earlier NASD review, which had been previously disclosed by the Company in its SEC filings. The initial letter of inquiry by the SEC and the initial letter of review by the NASD had each advised the Company that such inquiry and review should not be construed as an indication that any violation of law had occurred.

A copy of the Company's press release is attached hereto as Exhibit 99.1 and incorporated herein by this reference.
