**Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing**

On February 17, 2009 the New York Stock Exchange notified the Company that it has fallen below the NYSE's continued listing standard relating to the Company's total market capitalization and its stockholders' equity. The NYSE requires that the average market capitalization of a listed company be not less than \$75 million over a consecutive 30 trading-day period and that stockholders' equity be not less than \$75 million.

Libbey intends to provide the NYSE, within 45 days from the date of the NYSE notice, a business plan that demonstrates Libbey's strategy to return to compliance with these continued listing standards within 18 months. During this period, Libbey's common stock will continue to be traded on the NYSE, subject to the Company's compliance with other NYSE continued listing requirements.

On February 20, 2009 Libbey Inc. issued a press release related to this matter, which is attached hereto as exhibit 99.1 and is incorporated herein by reference.
