Prospective purchasers of common stock should carefully review the detailed information and financial statements, including the notes thereto, appearing elsewhere in or incorporated by reference into this prospectus.

The Company

Overview

Kona Grill restaurants offer freshly prepared food, personalized service, and a contemporary ambiance that create an exceptional, yet affordable dining experience that we believe exceeds many traditional casual dining restaurants with whom we compete. Our high-volume upscale casual restaurants feature a diverse selection of mainstream American dishes as well as a variety of appetizers and entrees with an international influence, including an extensive selection of sushi items. Our menu items also incorporate over 40 signature sauces and dressings that we make from scratch, creating broad based appeal for the lifestyle and taste trends of a diverse group of guests, including everyday diners, couples, larger social groups, families, singles, and empty-nesters as well as special occasion customers. Our menu is standardized for all of our restaurants allowing us to deliver consistent, high quality meals.

Our restaurants accommodate approximately 275 guests and are comprised of multiple dining areas that incorporate modern design elements to create an upscale ambiance that reinforces our high standards of food and service. Our main dining area, full-service bar, outdoor patio, and sushi bar provide a choice of atmospheres and a variety of environments designed to appeal and encourage repeat visits with regular guests. We locate our restaurants in high-activity areas such as retail centers, shopping malls, urban power dining locations, lifestyle centers, and entertainment centers that are situated near commercial office space and residential housing to attract guests throughout the day. Our restaurants are designed to satisfy our guests' dining preferences during lunch, dinner, and non-peak periods such as late afternoon and late night.

We believe that our vast array of offerings and generous portions combined with an estimated average check per guest during 2006 of approximately \$22 offers our guests an attractive price-value proposition. This value proposition, coupled with our multiple day-part model and exceptional service, have created an attractive dining experience. Furthermore, our restaurant model provides us with considerable growth opportunities to develop the Kona Grill concept nationwide.

Our Competitive Strengths

We believe that the key strengths of our business include the following:

Innovative Menu Selections with Mainstream Appeal. We offer a freshly prepared menu that combines a diverse selection of mainstream American selections as well as a variety of appetizers and entrees with an international influence, and award-winning sushi to appeal to a wide range of tastes, preferences, and price points. We prepare our dishes from original recipes with generous portions and creative and appealing presentations that adhere to standards that we believe are much closer to fine dining than typical casual dining.

Distinctive Upscale Casual Dining Experience. Our upscale casual dining concept captures some of the best elements of fine dining including a variety of exceptional food, impeccable service, and an extensive wine and drink list, and combines them with more casual qualities, like a broad menu with attractive price points and a choice of environments to fit any dining occasion, enabling us to attract a broad guest demographic. Our innovative menu, personalized service, and contemporary restaurant design blend together to create our upscale casual dining experience.

Personalized Guest Service. Our commitment to provide prompt, friendly, and efficient service enhances our food, reinforces our upscale ambiance, and helps distinguish us from other traditional casual dining restaurants.

Table of Contents

Multiple Daypart Model. Our appetizers, pizzas, entrees, and sushi offerings provide a flexible selection of items that can be ordered individually or shared by our guests, allowing them to dine with us during traditional lunch and dinner meal periods as well as in between customary dining periods such as in the late afternoon and late night.

Attractive Unit Economics. During 2006, the average unit volume of our nine restaurants open for at least 12 months was \$4.8 million, or \$678 per square foot. We believe our high average unit volume helps us attract high-quality employees, leverage our fixed costs, and makes us a desirable tenant for landlords. We expect the average cash investment for our new restaurants to be approximately \$2.5 million, net of landlord tenant improvement allowances and excluding preopening expense. Our restaurant cash flow provides us the prospect of strong financial returns on this investment.

Growth Strategy

We believe that there are significant opportunities to grow our sales, our concept, and our brand throughout the United States. The following sets forth the key elements of our growth strategy.

Pursue disciplined new restaurant growth. We adhere to a disciplined site selection process and intend to continue expanding Kona Grill restaurants in both new and existing markets that meet our demographic, site location, and return on investment criteria. Over the next several years, we plan to open the majority of our restaurants in new markets to continue to build awareness of our concept and to establish Kona Grill as a national upscale casual brand.

Grow existing restaurant sales. Our goal for existing restaurants is to improve our unit volumes through ongoing local marketing efforts designed to generate awareness and trial of our concept and increase the frequency of guest visits.

Leverage depth of existing corporate infrastructure. As we continue to realize the benefits of our growth, we believe that we will be able to leverage our investments in corporate infrastructure and generate improving financial results as our sales increase.

November 2007 Private Offering

During November 2007, we completed a private offering of 650,000 shares of our common stock. We received gross proceeds of approximately \$10.6 million from the offering and plan to use the net proceeds of the private offering to fund new restaurant development and for general corporate purposes. We issued shares of our common stock at a purchase price of \$16.25 per share in the private offering to the selling stockholders listed on page 4 of this prospectus (except for William Blair & Company L.L.C.), all of whom were accredited investors. We are registering for resale all of the 650,000 shares that were sold in the private offering to the selling stockholders, as well as 300,000 shares held by William Blair & Company L.L.C. that were subject to registration rights.

Our Offices

We maintain our principal executive offices at 7150 East Camelback Road, Suite 220, Scottsdale, Arizona 85251. Our telephone number is (480) 922-8100.

PLAN OF DISTRIBUTION

Each selling stockholder and any of their pledgees, assignees, and successors-in-interest may, from time to time, sell any or all of their shares of common stock on any stock exchange, market, or trading facility on which the shares are traded or in private transactions. These sales may be at fixed or negotiated prices. The selling stockholders may use any one or more of the following methods when selling shares:

ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers;

block trades in which the broker-dealer will attempt to sell the shares as agent but may position and resell a portion of the block as principal to facilitate the transaction;

purchases by a broker-dealer as principal and resale by the broker-dealer for its account;

an exchange distribution in accordance with the rules of the applicable exchange;

privately negotiated transactions;

short sales;

broker-dealers may agree with the selling stockholders to sell a specified number of such shares at a stipulated price per share;

a combination of any such methods of sale; and

any other method permitted pursuant to applicable law.

The selling stockholders may also sell shares under Rule 144 under the Securities Act, if available, rather than under this prospectus.

Broker-dealers engaged by the selling stockholders may arrange for other brokers-dealers to participate in sales. Broker-dealers may receive commissions or discounts from the selling stockholders (or, if any broker-dealer acts as agent for the purchaser of shares, from the purchaser) in amounts to be negotiated. The selling stockholders do not expect these commissions and discounts to exceed what is customary in the types of transactions involved. Any profits on the resale of shares of common stock by a broker-dealer acting as principal might be deemed to be underwriting discounts or commissions under the Securities Act. Discounts, concessions, commissions, and similar selling expenses, if any, attributable to the sale of shares will be borne by a selling stockholder. The selling stockholders may agree to indemnify any agent, dealer, or broker-dealer that participates in transactions involving sales of the shares if liabilities are imposed on that person under the Securities Act.

The selling stockholders may from time to time pledge or grant a security interest in some or all of the shares of common stock owned by them and, if they default in the performance of their secured obligations, the pledgees or secured parties may offer and sell the shares of common stock from time to time under this prospectus after we have filed a supplement to this prospectus supplementing or amending the list of selling stockholders to include the pledgee, transferee, or other successors in interest as selling stockholders under this prospectus.

The selling stockholders also may transfer the shares of common stock in other circumstances, in which case the transferees, pledgees, or other successors in interest will be the selling beneficial owners for purposes of this prospectus and may sell the shares of common stock from time to time under this prospectus after we have filed a supplement to this prospectus supplementing or amending the list of selling stockholders to include the pledgee, transferee, or other successors in interest as selling stockholders under this prospectus.

The selling stockholders and any broker-dealers or agents that are involved in selling the shares of common stock may be deemed to be underwriters within the meaning of the Securities Act in connection with such sales. In such event, any commissions received by such broker-dealers or agents and any profit on the resale of the shares

Table of Contents

of common stock purchased by them may be deemed to be underwriting commissions or discounts under the Securities Act.

We are required to pay all fees and expenses incident to the registration of the shares of common stock. We have agreed to indemnify the selling stockholders against certain losses, claims, damages, and liabilities, including liabilities under the Securities Act.

The selling stockholders have advised us that they have not entered into any agreements, understandings, or arrangements with any underwriters or broker-dealers regarding the sale of their shares of common stock, nor is there an underwriter or coordinating broker acting in connection with a proposed sale of shares of common stock by any selling stockholder. If we are notified by any selling stockholder that any material arrangement has been entered into with a broker-dealer for the sale of shares of common stock, if required, we will file a supplement to this prospectus. If the selling stockholders use this prospectus for any sale of the shares of common stock, they will be subject to the prospectus delivery requirements of the Securities Act.

The anti-manipulation rules of Regulation M under the Securities Exchange Act of 1934 may apply to sales of our common stock and activities of the selling stockholders.

Item 15. Indemnification of Directors and Officers.

The Amended and Restated Certificate of Incorporation and the Amended and Restated Bylaws of the registrant provide that the registrant will indemnify and advance expenses, to the fullest extent permitted by the Delaware General Corporation Law, to each person who is or was a director or officer of the registrant, or who serves or served any other enterprise or organization at the request of the registrant (an "Indemnitee").

Under Delaware law, to the extent that an Indemnitee is successful on the merits in defense of a suit or proceeding brought against him or her by reason of the fact that he or she is or was a director, officer, or agent of the registrant, or serves or served any other enterprise or organization at the request of the registrant, the registrant shall indemnify him or her against expenses (including attorneys' fees) actually and reasonably incurred in connection with such action.

If unsuccessful in defense of a third-party civil suit or a criminal suit, or if such a suit is settled, an Indemnitee may be indemnified under Delaware law against both (i) expenses, including attorney's fees, and (ii) judgments, fines, and amounts paid in settlement if he or she acted in good faith and in a manner he or she reasonably believed to be in, or not opposed to, the best interests of the registrant, and, with respect to any criminal action, had no reasonable cause to believe his or her conduct was unlawful.

If unsuccessful in defense of a suit brought by or in the right of the registrant, where the suit is settled, an Indemnitee may be indemnified under Delaware law only against expenses (including attorneys' fees) actually and reasonably incurred in the defense or settlement of the suit if he or she acted in good faith and in a manner he or she reasonably believed to be in, or not opposed to, the best interests of the registrant except that if the Indemnitee is adjudged to be liable for negligence or misconduct in the performance of his or her duty to the registrant, he or she cannot be made whole even for expenses unless a court determines that he or she is fully and reasonably entitled to indemnification for such expenses.

Also under Delaware law, expenses incurred by an officer or director in defending a civil or criminal action, suit, or proceeding may be paid by the registrant in advance of the final disposition of the suit, action, or proceeding upon receipt of an undertaking by or on behalf of the officer or director to repay such amount if it is ultimately determined that he or she is not entitled to be indemnified by the registrant. The registrant may also advance expenses incurred by other employees and agents of the registrant upon such terms and conditions, if any, that the Board of Directors of the registrant deems appropriate.

Item 17. Undertakings.

A. The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or

decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the

Calculation of Registration Fee table in the effective registration statement.

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that clauses (1)(i), (1)(ii), and (1)(iii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference into the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

B. The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the

Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

C. Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

D. The undersigned hereby undertakes that:

(1) For purposes of determining any liability under the Securities Act of 1933, the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by the registrant pursuant to Rule 424(b)(1) or (4) or 497(h) under the Securities Act shall be deemed to be part of this registration statement as of the time it was declared effective.

(2) For the purpose of determining any liability under the Securities Act of 1933, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.
