"On August 16, 2010, Casey's General Stores, Inc. (the "Company") reported July 2010 same-store sales results for stores open for one full year. Same-store sales for prepared food and fountain increased 1.7%, and grocery and other merchandise increased 4.5% in July 2010 compared to July 2009.

Same-store gasoline gallons sold increased 3.8% in July 2010 compared to July 2009. The gasoline margin was above the Company's fiscal 2011 goal of 13.5 cents per gallon. The average retail price of gasoline sold during July 2010 was \$2.58 per gallon.

Robert J. Myers, Casey's President and Chief Executive Officer, commented: "We are pleased with the continued momentum of Casey's performance, particularly in light of the challenging weather so far this fiscal year. We achieved solid gas volume increases, above-goal gas margins and a positive customer count in July, and our combined same-store sales results for May, June and July mark our 27th consecutive quarter of positive same-store sales."

#### Forward-Looking Statements

This communication contains various "forward-looking statements" within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. Forward-looking statements represent our expectations or beliefs concerning future events that may not prove to be accurate. The words "believe," "expect," "anticipate," "intend," "estimate," "project" and similar expressions are used to identify forward-looking statements. We caution you that these statements are further qualified by important factors that could cause actual results to differ materially from those in the forward-looking statements, including the risk that our cash balances and cash generated from operations and financing activities will not be sufficient for our future liquidity and capital resource needs, competition in the industry in which we operate, changes in the price or supply of gasoline, tax increases or other changes in the price of or demand for tobacco products, potential liabilities and expenditures related to compliance with environmental and other laws and regulations, the seasonality of demand patterns, weather conditions, future actions by Couche-Tard in connection with its unsolicited tender offer to acquire Casey's, the risk that disruptions or uncertainty from Couche-Tard's unsolicited tender offer will divert management's time and harm Casey's relationships with our customers, employees and suppliers; the increased indebtedness that the Company has incurred to purchase shares of our common stock in our self tender offer; the price at which we ultimately determine to purchase shares of our common stock in our self tender offer and the number of shares tendered in such offer; the price and time at which we may make any additional repurchases of our common stock following completion of our self tender offer as well as the number of shares acquired in such repurchases and the terms, timing, cost and interest rate on any indebtedness incurred to fund such repurchases; and the other risks and uncertainties included from time to time in our filings with the SEC. We further caution you that other factors we have not identified may in the future prove to be important in affecting our business and results of operations. We ask you not to place undue reliance on any forward-looking statements because they speak only of our views as of the statement dates. We undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events, or otherwise.
