Explanatory Note

This Amendment No. 1 to the Current Report on Form 8-K (“Form 8-K/A”) amends and supplements the Current Report on Form 8-K furnishing financial results of PG&E Corporation and its subsidiary, Pacific Gas and Electric Company (the “Utility”), for the quarter ended March 31, 2019, originally furnished to the Securities and Exchange Commission (“SEC”) on May 2, 2019 (the “Original Form 8-K”). Except as described herein, all other information in the Original Form 8-K remains unchanged.

Item 2.02 Results of Operations and Financial Condition

PG&E Corporation and the Utility have determined that an error was made in the calculation of Non-GAAP Adjusted EBITDA in Exhibit H to the slide presentation furnished as Exhibit 99.2 to the Original Form 8-K. “Chapter 11-related costs” of \$127 million for the three months ended March 31, 2019 should have been reflected as being already excluded from “Operating income” and should not have been added back to Operating income in calculating Non-GAAP Adjusted EBITDA. Accordingly, for the three months ended March 31, 2019, PG&E Corporation and the Utility’s Non-GAAP Adjusted EBITDA was \$1,422 million. The reconciliation of PG&E Corporation’s Non-GAAP Adjusted EBITDA in Slide 24 of Exhibit 99.2 to the Original Form 8-K is amended and restated as set forth in Exhibit 99.3 to this report. The Exhibit is posted on PG&E Corporation’s website at <http://investor.pgecorp.com>.

The information included in this Form 8-K/A is being furnished, and shall not be deemed to be “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), or otherwise subject to the liabilities of that section, nor shall it be deemed to be incorporated by reference in any filing under the Securities Act of 1933, as amended (the “Securities Act”).

Item 7.01 Regulation FD Disclosure

Exhibits

Public Dissemination of Certain Information

PG&E Corporation and the Utility routinely provide links to the Utility’s principal regulatory proceedings before the California Public Utilities Commission (“CPUC”) and the Federal Energy Regulatory Commission (“FERC”) at <http://investor.pgecorp.com>, under the “Regulatory Filings” tab, so that such filings are available to investors upon filing with the relevant agency. PG&E Corporation and the Utility also routinely post or provide direct links to presentations, documents, and other information that may be of interest to investors at <http://investor.pgecorp.com>, under the “News & Events: Events & Presentations” tab and links to certain documents and information related to the 2018 Camp fire, 2017 Northern California wildfires, and 2015 Butte fire which may be of interest to investors, at <http://investor.pgecorp.com>, under the “Wildfire Updates” tab, in order to publicly disseminate such information. It is possible that any of these filings or information included therein could be deemed to be material information. The information contained on such website is not part of this or any other report that PG&E Corporation or the Utility files with, or furnishes to, the SEC.
