While Exide has been working diligently to complete its Form 10-Q for the quarter ended June 30, 2002 and a substantial part thereof has been completed to date, Exide is unable to complete and timely file the Form 10-Q without unreasonable effort or expense. This delay is due to (among other things) the recent departure of several key financial and accounting employees, which has disrupted the preparation of financial information necessary to completely and accurately prepare the Form 10-Q, preparation of the Company's Annual Report on Form 10-K for the fiscal year ended March 31, 2002 and preparation of additional financial reports occasioned by the Company's April 15, 2002 filing for protection under Chapter 11 of the U. S. Bankruptcy Code. The Form 10-Q will be filed no later than August 19, 2002, which is the fifth calendar day following the prescribed due date.
