 Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers

At its meeting on July 24, 2008, the Compensation Committee of the Board of Directors of Twin Disc, Incorporated (the "Company") (i) increased the base salaries and (ii) approved the targets for fiscal 2009 bonuses, for the Company's principal executive officer, principal financial officer, and certain of the Company's "named executive officers" (as used in Instruction 4 to Item 5.02 of Form 8-K), as follows:

Name and Position	New Base Salary	Target Bonus as % of Base Salary
Michael E. Batten Chairman and Chief Executive Officer	\$546,000	70%
John H. Batten President and Chief Operating Officer	\$300,000	50%
Christopher J. Eperjesy Vice President - Finance, Chief Financial Officer and Treasurer	\$286,000	50%
James E. Feiertag Executive Vice President	\$286,000	50%
H. Claude Fabry Vice President	\$264,179	40%

The above increases in base salary are effective October 1, 2008, except that the increase in Mr. John Batten's base salary is retroactive to July 1, 2008, the effective date of his promotion to President of the Company. A portion of Mr. Fabry's compensation is denominated in Euro, which has been translated at the July 24, 2008 exchange rate of 1.57531.

In each case, the target incentive bonus is based on the FY 2009 Corporate Incentive Plan, which the Committee adopted and approved on July 24, 2008. The Corporate Incentive Plan establishes the target bonuses for the named executive officers based on the following factors and relative weights for each factor: corporate economic profit (70%), reduction in inventory (15%) and sales growth (15%).

On July 24, 2008, the Compensation Committee also issued performance stock awards to named executive officers of the Company under the 2004 Long Term Incentive Compensation Plan. A target number of 44,500 performance shares were awarded to the named executive officers effective July 24, 2008, subject to adjustment as described below. The performance shares will be paid out if the Company achieves certain economic profit objectives (measured as the difference between the cumulative net operating profit after taxes and the cumulative capital charge) for the cumulative three fiscal year period ending June 30, 2011. If the Company achieves the maximum 3-year cumulative economic profit goal, a recipient will earn a maximum number of performance shares. If the Company achieves the target 3-year cumulative economic profit goal, a recipient will earn the target number of performance shares. If the Company achieves the threshold 3-year cumulative economic profit goal, a recipient will earn a threshold number of performance shares. No performance shares will be earned for performance below the 3-year cumulative economic

profit threshold and no additional performance shares will be earned for performance exceeding the 3-year cumulative economic profit maximum. In the event that the Company's economic profit is between the achievement levels set forth, the percentage of performance shares awarded shall be determined by interpolation. The maximum number of performance shares that can be earned by the named executive officers pursuant to this award is 53,400. A copy of the form of the Performance Stock Award Grant Agreement is attached hereto as Exhibit 10.1 and is incorporated herein by reference.

If the Company achieves the maximum 3-year cumulative economic profit goal, a recipient will earn a maximum number of performance stock units. If the Company achieves the target 3-year cumulative economic profit goal, a recipient will earn the target number of performance stock units. If the Company achieves the threshold 3-year cumulative economic profit goal, a recipient will earn a threshold number of performance stock units. No performance stock units will be earned for performance below the 3-year cumulative economic profit threshold and no additional performance stock units will be earned for performance exceeding the 3-year cumulative economic profit maximum. In the event that the Company's economic profit is between the achievement levels set forth, the percentage of performance stock units awarded shall be determined by interpolation.
