Item 2.01 Completion of Acquisition or Disposition of Assets

On November 30, 2017, Global Marine Systems Limited (“GMSL”), an indirect subsidiary of HC2 Holdings, Inc. (the “Company”), consummated the previously announced transactions contemplated by a Business Purchase Agreement (the “BPA”) and a Warranty and Indemnity Agreement (the “W&I Agreement”), in each case by and among Fugro N.V., a public limited liability company incorporated in the Netherlands (“Fugro”), GMSL and Global Marine Holdings LLC, an indirect subsidiary of the Company and an indirect parent company of GMSL (“GMHL”). Pursuant to the BPA, GMSL acquired the trenching and cable laying business of Fugro (the “Acquisition”), consisting of, among other things, 19 employees, one vessel, two trenching systems, two work class remotely operated vehicles, and working capital.

As consideration for the Acquisition, (a) GMSL paid \$7,500,000 (the “Cash Consideration”) to Fugro for a Q1400 Trenching System (the “Trencher”), and (b) GMHL issued to a subsidiary of Fugro (the “Fugro Member”) membership units representing a 23.6% equity interest in GMHL (excluding management incentive units), valued at \$65,000,000. The limited liability company agreement of GMHL was amended and restated (the “Amended and Restated GMHL LLC Agreement”) upon consummation of the Acquisition to reflect such issuance and to provide the Fugro Member with certain rights, including the right to designate two out of the up to seven members of its board of directors, the right to approve certain actions outside the ordinary course of business, certain “tag-along” rights to participate in sales of membership units by other members and, after five years and subject to the Fugro Member first offering its membership units to the other members at a price based upon independent valuations, the right to cause GMHL to be put up for sale in a process led by an investment banking firm.

In order to finance the Cash Consideration, GMSL incurred a loan of \$7,500,000 from a subsidiary of Fugro pursuant to a Vendor Loan Agreement, dated as of November 30, 2017, by and between Fugro Financial Resources B.V. and GMSL (the “Vendor Loan Agreement”). The loan bears interest, payable quarterly, at 4% per annum through December 31, 2017, and at 10% per annum thereafter, and matures 363 days following the Acquisition. The Trencher will serve as collateral security for the repayment of the loan pursuant to the terms of a lien agreement.

Pursuant to the W&I Agreement, each party has certain rights to damages or indemnification in connection with breaches of certain representations, warranties and covenants given by the other party. The W&I Agreement includes, among other things, thresholds establishing the minimum amount of losses that must be incurred before damages may be claimed and caps with respect to the maximum amount of each party’s payment obligations.

In order to provide for transitional and general services between the parties after the Acquisition, Fugro and GMSL entered into a Transitional Services and Framework Services Agreement (the “FSA”) upon consummation of the Acquisition pursuant to which, among other things, (a) GMSL will use Fugro as a preferred provider for a range of survey, marine site investigation, asset integrity, ROV (operation) and other services required by GMSL in relation to the Acquisition, (b) Fugro and GMSL will cooperate on future work prospects in the “non-trenching”, “non-cable laying” market in the event that Fugro requires additional vessel capacity, and (c) Fugro will provide certain transitional services to GMSL for a period of time following the Acquisition.

The foregoing information is a summary of the agreements described above (collectively, the “Transaction Agreements”) and, as such, is not complete, and is qualified in its entirety by reference to the full text of the Transaction Agreements. Copies of the BPA and W&I Agreement were filed as exhibits to the Company’s Current Report on Form 8-K filed with the Securities and Exchange Commission on October 12, 2017. Copies of the Amended and Restated GMHL LLC Agreement, the Vendor Loan Agreement and the FSA are filed as exhibits to this Current Report on Form 8-K. Investors should review the Transaction Agreements for a complete understanding of the terms and conditions associated with this transaction.

The Transaction Agreements have been included to provide investors with information regarding their terms. They are not intended to provide any other factual information about the parties thereto or their respective subsidiaries or affiliates. The representations, warranties, and covenants contained in each Transaction Agreement were made only for purposes of such agreement and as of specific dates, were solely for the benefit of the parties thereto, may be subject to limitations agreed upon by the contracting parties, including being qualified by confidential disclosures made for the purposes of allocating contractual risk between the parties thereto instead of establishing these matters as facts, and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors. Information concerning the subject matter of representations and warranties may change after the date of the Transaction Agreements, which subsequent information may or may not be fully reflected in the Company's public disclosures.
