F-10

PCS EDVENTURES!.COM, INC.  
AND SUBSIDIARY  
Notes to the Consolidated Financial Statements  
December 31 and March 31, 2005

### NOTE 1 - BASIS OF FINANCIAL STATEMENT PRESENTATION

The accompanying unaudited condensed consolidated financial statements have been prepared by the Company pursuant to the rules and regulations of the Securities and Exchange Commission (SEC). The condensed consolidated financial statements include the results of PCS Edventures!.com, Inc. and its subsidiaries. The subsidiaries include PCS School, Inc. and PCS LabMentors, LTD., which the Company acquired in 1994 and November 30, 2005, respectively. Certain information and footnote disclosures normally included in financial statements prepared in accordance with accounting principles generally accepted in the United States of America have been condensed or omitted in accordance with such rules and regulations. The information furnished in the interim condensed consolidated financial statements include normal recurring adjustments and reflects all adjustments, which, in the opinion of management, are necessary for a fair presentation of such financial statements and presented on an unaudited basis. Although management believes the disclosures and information presented are adequate to make the information not misleading, it is suggested that these interim condensed consolidated financial statements be read in conjunction with the Company's most recent audited financial statements and notes thereto included in its March 31, 2005 Annual Report on Form 10-KSB, which is on file with the SEC, and the Company's current 8-K on file relating to the acquisition of PCS LabMentors dated December 9, 2005.

The financial statements previously presented are on a consolidated basis and include post-acquisition numbers of PCS LabMentors, LTD., which includes December 1, 2005 through December 31, 2005. The pre-acquisition net income(loss) and balance sheet accounts are not included herein.

The operating results for the three and nine month periods ended December 31, 2005 and 2004 are not necessarily indicative of the results that may be expected for the year ending March 31, 2006.

### NOTE 2 - GOING CONCERN

The Company's consolidated financial statements are prepared using generally accepted accounting principles applicable to a going concern that contemplates the realization of assets and liquidation of liabilities in the normal course of business. However, the Company does not have significant cash or other material assets, nor does it have an established source of revenues sufficient to cover its operating costs. Additionally, the Company has accumulated significant losses, has negative working capital, and a deficit in stockholders' equity. All of these items raise substantial doubt about its ability to continue as a going concern. Management's plans with respect to alleviating the adverse financial conditions that caused shareholders to express substantial doubt about the Company's ability to

## Edgar Filing: PCS EDVENTURES COM INC - Form 10QSB

continue as a going concern are as follows:

During the fiscal year ending March 2005, the Company opened discussions with several target companies for possible merger and acquisition activities. The Company has also entered into several strategic alliances with K'NEX, Science Demo, and GibsonTechEd for further product development and enhancement. The Company has also strengthened its international position by naming agents and installing Learning Labs in Egypt, Dubai, and Saudi Arabia. To date, the Company has continued to develop marketplace strategy for the US market, as well as the international market. Further, the Company is still pursuing merger and acquisition candidates and looking at different marketing strategies to realign products.

The ability of the Company to continue as a going concern is dependent upon its ability to successfully accomplish the plan described in the preceding paragraph and eventually attain profitable operations. The accompanying consolidated financial statements do not include any adjustments that might be necessary if the Company is unable to continue as a going concern.

### NOTE 3 - DILUTIVE INSTRUMENTS

#### a. Stock Options

We account for stock-based employee compensation in accordance with Accounting Principles Board Opinion (APB) No. 25, "Accounting for Stock Issued to Employees," and SFAS No. 148, "Accounting for Stock-Based Compensation - Transition and Disclosure an amendment of Financial Accounting Standards Board Statement No. 123." All of which requires the Company to provide pro forma information regarding net income (loss) and net income (loss) per share as if compensation costs for the Company's stock option plans and other stock awards had been determined in accordance with the fair value based method prescribed in SFAS No. 148. Had this method been in place for the Company, it would have resulted in additional expense of \$9,825 and \$10,291 for the nine months ended December 31, 2005 and 2004, respectively.

The Company would also like to note that the SEC issued SFAS 123(R), "Share-Based Payment." This new SFAS establishes how companies should account for transactions wherein the company issues equity instruments in exchange for services and/or goods. This is not a reporting requirement for the Company due to its small business filing status.

The Company estimates the fair value of each stock award at the grant date by using the Black-Scholes option pricing model with the following weighted average assumptions used for grants, respectively: dividend yield of zero percent for all years; expected volatility of 100% to 538% percent for all years; risk-free interest rates of 1% to 6%, and expected lives of 1 to 10 years.

	For the Nine Months Ended December 31,	
	2005	2004
Net income (loss):		
As reported	\$ (585,195)	\$ (625,551)
Pro Forma	(863,467)	(747,918)
Net income (loss) per share:		
As reported	\$ (0.02)	\$ (0.02)
Pro Forma	(0.03)	(0.03)

The pro forma amounts presented above may not be indicative of the expected results for the fiscal year ending March 31, 2006.

F-12

PCS EDVENTURES!.COM, INC. AND SUBSIDIARY  
Notes to the Consolidated Financial Statements  
December 31 and March 31, 2005

NOTE 4 - SUBSEQUENT EVENTS

On November 18 2005, the Company signed a Letter of Intent (LOI) for a stock purchase by the investment company known as Barron Partners, LP. Barron conducted due diligence and after a thorough analysis, continued with its investment in the Company. The investment is structured as stated in the Company's recent 8-K filed with the SEC on January 1, 2006. All details are outlined therein and any potential investee is encouraged to review such document.

In addition, one of PCS' Board Members has exercised stock options after the quarter close. The total number of shares purchased through exercising stock options is 25,000 with an exercise price of \$0.16 cents per share. The total amount received by PCS for these transactions was \$4,000, which was applied to a note payable principle and interest due to the Board Member.

NOTE 5 - BUSINESS COMBINATIONS

On November 30, 2005, the Company entered into a Stock Purchase Agreement with 511092 N.B. LTD. dba LabMentors, a Canadian Company, wherein the Company acquired all of the issued and outstanding shares of common stock of LabMentors. Since the acquisition the name has been legally changed to PCS

## Edgar Filing: PCS EDVENTURES COM INC - Form 10QSB

LabMentors, LTD. (LabMentors). The effective date was November 30, 2005 and as such the results of LabMentors operations are included in our consolidated financial information from December 1, 2005 forward. LabMentors virtual on-line labs are utilized by all sectors of education and business communities, particularly at the university level for educational curriculum. LabMentors will continue to operate as a Canadian company and based in Fredericton, New Brunswick. We will be renaming the LabMentors brand as "PCS LabMentors", since the company will be a wholly owned subsidiary of PCS.

The acquisition provides opportunities for expansion into the college market, as well as synergies to complement the educational whole learning lab solutions currently undertaken by the Company. We expect the acquisition to continue the growth of PCS into the educational markets. The products provided by LabMentors compliment the current Edventures! lab provided by PCS as well as incorporates new products into the product mix.

The aggregate purchase price was \$420,000, which consisted of 700,000 shares of PCS stock. There was no cash exchange for the acquisition. The purchase price was allocated to the assets and liabilities, as well as future earning potential with the Company's marketing staff, acquired by the Company. The fair value of the assets and liabilities of LabMentors as of the close of the acquisition is as follows:

Note that the pro forma results of operations are not necessarily indicative of what the actual results of operations of the Company would have been had the acquisition occurred at the beginning of fiscal year 2006, nor are they indicative of future results of operations of the Company.

The purchase of goodwill is normally deductible for tax purposes. However, since the acquisition was completed through the exchange of stock, goodwill is not deductible for such purposes.

F-13

### Item 2. Management's Discussion and Analysis or Plan of Operation.

-----

#### Overview.

-----

The Company is engaged in the business of developing and marketing educational learning labs bundled with related technologies and programs. Our products and technologies are targeted and marketed to the public and private schools classroom for grades pre-kindergarten through twelfth grade, after school market, and home market. Our products and technologies are delivered to the each of these markets through an inventory of hardware, software, books (both developed in-house and outside), and Internet access. Our technologies and products are delivered to the home user through Internet access via a subscription based website. Our products and technologies allow students ages 3-18 to explore the basic foundations of mechanical engineering, structures in architecture, robotics, math, and science.

We have developed several innovative technology based educational programs. Our "Academy of Engineering," "Academy of Science," "Academy of Robotics," "Edventures! Lab," and "Discover! Lab" products are site-license installations for classrooms and learning programs. Our "PCS BrickLab!" and "Young Learner Building Box" products are also for classrooms and learning programs, but are not licensed. Our "Edventures! Online" product is our comprehensive Internet delivered educational experience that supports our Edventures! Labs and our Discover! Labs site licenses and also serves as a stand-alone home usage

## Edgar Filing: PCS EDVENTURES COM INC - Form 10QSB

program. Our "Edventures! Online" program is delivered to the home user over the Internet on a monthly subscription basis. Separately, and in combination, these products present a platform for delivering educational services and support to classrooms, learning centers, and home users, and create a virtual community of learners and parents on the web. It is our business strategy that as this online community grows, it will become an education portal through which additional PCS programs and services can be marketed and delivered.

The results of operations discussed herein are on a consolidated basis and include post-acquisition numbers of PCS LabMentors, LTD., which includes December 1, 2005 through December 31, 2005.

### Foreign Currency Exchange Rate Risk.

-----

The Company sells many products throughout the international market, as well as having operations in Canada as a result of the acquisition of LabMentors. AS a result, our statement of cash flows and operating results could be affected by changes in foreign currency exchange rates or weak economies of foreign countries. Working capital necessary to continue operating our foreign subsidiary are held in local, Canadian currency, with additional funds utilized through the parent company being held in U.S. dollars. Any gains or losses from the foreign currency translation are presented in our statements of operations. The recently acquired subsidiary is not a significant component of our business and as such the risk associated therewith is minimal.

### Results of Operations.

-----

Three months ended December 31, 2005, compared to three months ended December 31, 2004.

-----

Revenues for the three-month period ended December 31, 2005, increased to \$284,638 or by \$30,477 (12.0%) as compared to \$254,161 for the three-month period ended December 31, 2004. This increase is due to increased sales and marketing efforts throughout the country, as well as increased international sales. In addition, the new subsidiary has contributed to the slight increase.

Cost of goods sold for the three-month period ended December 31, 2005, increased by \$240,970 (211.6%) to \$354,858 as compared to \$113,888 for the three-month period ended December 31, 2004. This increase is due to an increase in sales, as well as an increase in shipping costs. Included in the cost of goods sold figure is Sales Commissions, which have also increased due to the increase in sales and accrual of royalty payments for our distribution rights on the Academy of Science product line.

Operating expenses for the three-month period ended December 31, 2005, increased by \$182,190 (55.2%) to \$512,125 as compared to \$329,935 for the three-month period ended December 31, 2004. This increase is primarily due the Company experiencing an increase in legal and accounting expenses due to the due diligence associated with acquisition activity. In addition, the Company hired additional development personnel and had other increases from the acquisition of LabMentors.

Interest expenses for the three-month period ended December 31, 2005, decreased by \$3,838 (-23.9%) to \$12,209 as compared to \$16,047 for the

## Edgar Filing: PCS EDVENTURES COM INC - Form 10QSB

three-month, period ended December 31, 2004. This decrease was due to partial repayment of short term borrowing, and partially offset by the increase in interest rates.

Nine months ended December 31, 2005, compared to nine months ended December 31, 2004.

-----  
Revenues for the nine-month period ended December 31, 2005, increased to \$2,031,047 or by \$1,059,049 (109.0%) as compared to \$971,998 for the nine-month period ended December 31, 2004. This increase is due to increased sales and marketing efforts throughout the country, as well as increased international sales. The largest increase in sales occurred in our second quarter when several large lab orders were delivered.

Cost of goods sold for the nine-month period ended December 31, 2005, increased by \$827,629 (214.1%) to \$1,214,150 as compared to \$386,521 for the nine-month period ended December 31, 2004. This increase is due to an increase in sales, as well as an increase in shipping costs. Included in the Cost of goods sold figure is Sales Commissions, which have also increased due to the increase in sales and accrual of royalty payments for our distribution rights on the Academy of Science product line.

Operating expenses for the nine-month period ended December 31, 2005, decreased by \$50,762 (-3.6%) to \$1,375,022 as compared to \$1,425,784 for the nine-month period ended December 31, 2004. This decrease is primarily due the non-recurring expense we booked during last year's period for non-cash consulting expense of \$322,442. The decrease in consulting expenses booked were offset by increased legal and accounting expenses due to the due diligence associated with acquisition activity, as well as the hiring of additional personnel.

Interest expenses for the nine-month period ended December 31, 2005, decreased \$9,410 (-16.7%) to \$47,087 as compared to \$56,497 for the nine-month period ended December 31, 2004. This decrease is due to our efforts during the first quarter to convert debt to equity.

Liquidity and Capital Resources.

-----  
We had a consolidated cash balance of \$54,093 at December 31, 2005. Management believes that the cash received from delivered sales orders, continued limited offerings of our common stock, and the subsequent events noted in NOTE 4 above will be sufficient to meet our operating expenses for the foreseeable future.

Item 3. Controls and Procedures.

-----  
As of the end of the period covered by this Quarterly Report, we carried out an evaluation, under the supervision and with the participation of our President and Chief Financial Officer, of the effectiveness of our disclosure controls and procedures. Based on this evaluation, our President and Chief Financial Officer concluded that our disclosure controls and procedures are effectively designed to ensure that information required to be disclosed or filed by us is recorded, processed or summarized, within the time periods specified in the rules and regulations of the Securities and Exchange Commission. It should be noted that the design of any system of controls is based in part upon certain assumptions about the likelihood of future events, and there can be no assurance that any design will succeed in achieving its stated goals under all potential future conditions, regardless of how remote. In addition, we reviewed our internal controls over financial reporting, and

## Edgar Filing: PCS EDVENTURES COM INC - Form 10QSB

there have been no changes in our internal controls or in other factors in the last fiscal quarter that has materially affected or is reasonably likely to materially affect our internal control over financial reporting.
