(unaudited)

NOTE 1 - ORGANIZATION AND DESCRIPTION OF BUSINESS

The consolidated financial statements presented are those of PCS Edventures!.com, Inc., an Idaho corporation, and its wholly owned subsidiary, PCS LabMentors, Ltd., a Canadian company (collectively, the Company).

On August 3, 1994, PCS Edventures!.com, Inc. was incorporated under the laws of Idaho to engage in web-based and site-licensable educational products.

In October 1994, an agreement was authorized allowing PCS to exchange, on a one-for-one basis, common stock for stock of PCS Schools, Inc. As a result of this agreement, PCS Schools, Inc. became a wholly owned subsidiary of PCS. In the late 1990s, the Company divested the stand-alone learning labs to focus more on a hands-on module coupled with web-based technology for use in the classroom.

On March 27, 2000, PCS changed its name from PCS Education Systems, Inc. to PCS Edventures!.com, Inc.

On November 30, 2005, PCS entered into an agreement with 511092 N.B. LTD. dba LabMentors to exchange PCS stock for stock of 511092 N.B. LTD. as disclosed in the 8-K as filed with the SEC on December 9, 2005 and amended on February 15, 2006. As a result of the Share Exchange Agreement, 511092 N.B. LTD. became a wholly owned subsidiary of PCS. In December 2005, the name of this subsidiary was formally changed to PCS LabMentors, Ltd. It remains a Canadian corporation.

NOTE 2 - UNAUDITED CONSOLIDATED FINANCIAL STATEMENTS

The September 30, 2010 consolidated financial statements presented herein are unaudited, and in the opinion of management, include all adjustments (consisting of only normal recurring accruals) necessary for a fair presentation of

financial position, results of operations and cash flows. Such financial statements do not include all of the information and footnote disclosures normally included in financial statements prepared in accordance with accounting principles generally accepted in the United States of America. This Quarterly Report on Form 10-Q should be read in conjunction with the Annual Report on Form 10-K for PCS Edventures!.com for the year ended March 31, 2010. The September 30, 2010, consolidated balance sheet is derived from the audited balance sheet included therein.

The operating results for the three-month and six-month period ended September 30, 2010, are not necessarily indicative of the results that may be expected for the year ending March 31, 2011.

NOTE 3 - GOING CONCERN

The Company's consolidated financial statements are prepared using accounting principles generally accepted in the United States of America applicable to a going concern that contemplates the realization of assets and liquidation of liabilities in the normal course of business. The established sources of revenues are not sufficient to cover the Company's operating costs. Although the Company has positive working capital, it has accumulated significant losses and payables. The combination of these items raises substantial doubt about its ability to continue as a going concern. Management's plans with respect to alleviating this adverse position are as follows:

During the fiscal quarter ended September 30, 2010, the Company continued to develop and enhance the Strategic Business Units (SBUs) that were established during the fourth quarter of fiscal year 2010. The SBU strategy has allowed for increased penetration of our robotics and engineering programs throughout the state of Idaho in addition to other Technical Education programs within the United States. The Afterschool SBU established a national level pilot program with the YMCA as well as gained momentum with our newest product, the Discovery STEM lab. The domestic market strategy is to continue building upon and adding to our strengths through product development along with the continuance and addition of partnership alliances that will allow for the advancement of market share and to increasingly work with current and future customers in fulfilling needs within this market segment.

PCS EDVENTURES!.COM, INC

Notes to the Consolidated Financial Statements

September 30, 2010

(unaudited)

NOTE 3 - GOING CONCERN (Continued)

The Company also continues to focus efforts on the Middle East and is actively working towards expansion into Central and South America. The Company has developed alliances and relationships with the Al Khaymah Establishment, an organization with a diverse network of affiliates and associations across the Middle East-North African Region (MENA) as well as Africa and Central Asia. The Company plans to continue its efforts in establishing market share and growth within the International Market. PCS EDVENTURES!.COM, INC

The ability of the Company to continue as a going concern is dependent upon its ability to successfully accomplish the plans described in the preceding paragraphs, raise capital as and when needed, and eventually attain profitable operations. The accompanying consolidated financial statements do not include any adjustments that might be necessary if the Company is unable to continue as a going concern.

NOTE 5 - EDUCATIONAL SOFTWARE

Educational software was purchased by the Company as a part of the acquisition of 511092 N.B. LTD. and consists of internally developed education computer programs and exercises to be accessed on the Internet. In accordance with financial accounting standard pertaining to internally developed software, the costs associated with research and initial feasibility of the programs and exercises are expensed as incurred. Once economic feasibility has been determined, the costs to develop the programs and exercises are capitalized until they are ready for sale and customer access and are reported at the lower of unamortized cost or net realizable value. Capitalized program and exercise inventory are amortized on a straight-line basis over the estimated useful life of the program or exercise, generally 24 to 48 months.

NOTE 6 - GOODWILL

The entire goodwill balance of \$202,688 at September 30, 2010 and March 31, 2010, which is not deductible for tax purposes due to the purchase being completed through the exchange of stock, is related to the Company's acquisition of PCS LabMentors in November 2005. Included within this amount of goodwill are capital costs associated with the acquisition. The capitalized costs are for accounting, consulting and legal fees associated with the transaction. With the acquisition of PCS LabMentors, the Company gained LabMentors' significant interest in the technical college market and increased the products available to educational outlets. The Company also obtained the information technology and programming expertise of LabMentors' workforce, gained additional cost optimization and gained greater market flexibility in optimizing market information and access to collegiate level sales.

Generally accepted accounting standards require that a two-step impairment test be performed annually or whenever events or changes in circumstances indicate that the carrying value of an asset may not be recoverable. The first step of the test for impairment compares the book value of the Company to its estimated fair value.

We undertook an impairment review during fiscal year 2010. After reviewing current operating losses and future growth potential of the subsidiary, the Company determined that impairment was not necessary.

NOTE 8 - COMMITMENTS AND CONTINGENCIES (Continued)

b. Litigation

(i) Status of SEC Proceedings: The Company announced that on August 27, 2010, it obtained a copy of a complaint filed by the U.S. Securities and Exchange Commission (SEC) commencing a civil lawsuit against PCS, its Chief Executive Officer Anthony A. Maher, and its former Chief Financial Officer Shannon Stith (Parties). The complaint (Case 1:10-cv-00433-CWD) was filed in the United States District Court For The District Of Idaho. The lawsuit involves disclosures made by the Company concerning its March 26, 2007 License Agreement with Global Techniques dba PCS Middle East (PCS ME). The complaint alleges: 1) the Parties violated Section 10(b) of the Exchange Act [15 U.S.C. § 78j(b)] and Rule 10b-5 thereunder [17 C.F.R. § 240.10b-5] And, in doing so, the Parties are alleged to have committed fraud in connection with the purchase and sale of securities; 2) the Parties violated of Section 13(a) of the Exchange Act [15 U.S.C. § 78m(a)] and Rules 12b-20, 13a-1, and 13a-11 thereunder [17 C.F.R. 240.12b-20, 240.13a-1, and 240.13a-11] by making alleged false filings with the SEC and aiding and abetting false filings with the SEC; and 3) Mr. Maher and Ms. Stith violated Section 13(a) of the Exchange Act [15 U.S.C. § 78m(a)] and Rule 13a-14 thereunder [17 C.F.R. § 240.13a-14] in making false certifications of an annual report. The complaint seeks among other items, to require the Parties to pay civil money penalties pursuant to Section 21(d)(3) of the Exchange Act, and permanently bar Mr. Maher and Mrs. Stith from serving as an officer or director of any issuer that has a class of securities registered pursuant to Section 12 of the Exchange Act, as amended, or that is required to file reports pursuant to Section 15(d) of the Exchange Act. On November 9, 2010, the Company filed a Motion to Dismiss (and/or for Summary Judgment), and a Motion to strike the SEC s Amended Complaint.

Under its bylaws, PCS is obligated, subject to certain exceptions and conditions, to indemnify and advance expenses to current and former officers and directors in connection with the SEC suit. The costs incurred by PCS in addressing the SEC suit will likely have a material adverse effect on PCS business, financial position, results of operations and cash flows (including its liquidity and its plan of operation as outlined in management s discussion and analysis in PCS most recent 10-K and 10-Q reports).

PCS directors and officers insurance carrier has denied coverage of any claims relating to the SEC investigation, including defense costs, based on its contention that PCS did not give the insurer timely notice of the SEC s non-public investigation or the related issuance of subpoenas by the SEC. PCS disagrees with the carrier s coverage position. The Company engaged the legal services of Briane Nelson Mitchell of Mauk & Burgoyne, Attorneys at Law, to provide legal services, including legal counsel, advice and representation services in matters relating to the refusal of

Navigators Insurance to honor contractual obligations under its 2007-2008 and 2008-2009 Insurance Policies. In June 2010, the Company initiated suit against the insurer (PCS Edventures!.com Inc. v. Navigators Insurance Company in the District Court of the Fourth Judicial District of the State of Idaho, in and for the county of Ada, Case NO. CV-OC 1012105) for among other things, breach of contract and bad faith.

(ii) The Company, along with its current CEO have been informed that three class action lawsuits involving allegations similar to the SEC case have or will be filed. The one case that has been filed and served (Niederklein v. PCS Edventures!.com, Inc., et al., U.S. District Court for the District of Idaho, Case 1:10-cv-00479-CWD) was brought on behalf of shareholders who purchased shares of the Company's common stock during the period between March 28, 2007 and August 15, 2007. Under its bylaws, PCS is obligated, subject to certain exceptions and conditions, to indemnify and advance expenses to current and former officers and directors in connection with this suit. The costs incurred by PCS in addressing this suit may have a material adverse effect on PCS's business, financial position, results of operations and cash flows (including its liquidity and its plan of operation as outlined in management's discussion and analysis in PCS's most recent 10-K and 10-Q reports).

c. Contingencies

The Company is currently working with the state of California regarding the review of sales and use taxes due for sales to California customers during certain prior periods. The estimated amount due to the California State Board of Equalization with respect to those periods currently under review is approximately \$9,000. The Company will pay this amount and attempt to recoup it from the pertinent customers. At this point, the Company cannot determine what other prior periods might be reviewed or the amount of sales and use taxes that might be due to the California State Board of Equalization as a result of any such further review.

NOTE 12 - DILUTIVE INSTRUMENTS

Stock Options and Warrants

The Company is required to recognize expense of options or similar equity instruments issued to employees using the fair-value-based method of accounting for stock-based payments in compliance with the financial accounting standard pertaining to share-based payments. This standard covers a wide range of share-based compensation arrangements including share options, restricted share plans, performance-based awards, share appreciation rights, and employee share purchase plans. Application of this standard requires significant judgment regarding the assumptions used in the selected option pricing model, including stock price volatility and employee exercise behavior. Most of these inputs are either highly dependent on the current economic environment at the date of grant or forward-looking over the expected term of the award.

The Company assumes no duty to update forward-looking statements to reflect events or circumstances after the date of such statements.

The following discussion should be read in conjunction with our audited consolidated financial statements and Management's Discussion and Analysis of Financial Condition and Results of Operations (MD&A) contained in our Form 10-K for the year ended March 31, 2010.

Plan of Operation

The Company continues to evaluate and re-evaluate various means of operations. In an effort to continue the development and support of the SBUs, the Company reorganized its development department during the second quarter of fiscal year 2011, to formally implement the Agile management processes and to align team functions. In addition, the accounting department has reorganized in order to maximize efficiency and effectiveness.

The Technical Education SBU expanded its reach throughout the state of Idaho through direct sales efforts and saw deployments of PCS robotics and engineering programs expand to a total of six school districts. PCS has been selected as one of four approved vendors to provide comprehensive professional technical education solutions for Idaho schools. Outside the state of Idaho, PCS Tech Ed programs were established and expanded in Iowa, Oklahoma, and Kentucky. Tech Ed also established its first university implementation of its Mindsi solution into Philadelphia University for use in an advanced mechatronics course, and also held its first International Robotics Invitational, hosting visiting teams from King Saud University and Al Riyadh Schools in Saudi Arabia, as well as a number of local Idaho teams.

The Afterschool SBU established a national level pilot program in the YMCA, sold into multiple new Kentucky 21st Century Community Learning Center sites, completed and launched the first module of the Discover STEM lab, a new program that was specifically designed by PCS to address critical STEM needs in the afterschool marketplace. As of September 30, 2010, the program has sold multiple units confirming its strong appeal to the market. Additional modules to

further expand the program are under development. The SBU has continued to develop a strong relationship with the US military, delivering and managing hands-on summer programs to students at seven bases within the USAF PACAF and cultivating a relationship with various US Army programs to support youth service initiatives around the world.

The International SBU has focused its efforts on two primary areas, expanding Middle East capacity and laying groundwork for expansion into Central and South America. To expand Middle East capacity, PCS retained Al Khamayh Establishment on September 8, 2010. With offices in Saudi Arabia, Egypt, and the United States, Al Khaymah Establishment USA maintains a diverse network of affiliates and associates across the Middle East-North African region (MENA), with a reach into Africa and Central Asia. Al Khaymah provides discrete services for clients and affiliated firms based on diverse experience, practical analysis, atmospheric, and personalized interaction. PCS began the development of a business plan and funding solution for increasing resources and support for IntelTech, the Company's distributor in Mexico, and a similar plan for expanding operations into South America.

Results of Operations

The quarter ended September 30, 2010 resulted in a net loss of (\$761,123) as compared to the net loss during the quarter ended September 30, 2009 of (\$444,868). The Company's losses increased from the prior fiscal year, same three-month period by \$316,255, or approximately seventy-one percent (71%). The increase can be attributed to a planned marketing initiative, increased legal fees related to the U.S. Securities and Exchange Commission (SEC) commencing a civil lawsuit against PCS, its Chief Executive Officer Anthony A. Maher, and its former Chief Financial Officer Shannon Stith, and increased non-cash compensation costs during the three months ended September 30, 2010. The Basic Loss per Share for the quarter ended September 30, 2010, is (\$0.02), which is a \$0.01 increase in loss per share from the three-month period ended September 30, 2009, of (\$0.01) per share.

The six-month period ended September 30, 2010, resulted in a net loss of (\$1,156,497) as compared to the net loss during the six-month period ended September 30, 2009 of (\$894,570). The Company's losses increased from the prior fiscal year, same six-month period by \$261,927, or approximately twenty-nine percent (29%), primarily for the same reasons cited above relating to the three month year over year change. The Basic Loss per Share for the six-month period ended September 30, 2010, is (\$0.03), which is equivalent to the six-month period ended September 30, 2009, of (\$0.03) per share.

Three-month period ended September 30, 2010, compared to three-month period ended September 30, 2009.

Revenues for the three-month period ended September 30, 2010, decreased to \$475,444 or by approximately \$324,277, or forty-one percent (41%) as compared to revenues of \$799,721 for the three-month period ended September 30, 2009. This decrease is attributable to the fear surrounding the general economy, a change in federal and state funding schedules, as well as a decrease in the expenditure of grant monies by some school districts.

Operating expenses for the three-month period ended September 30, 2010, increased by approximately \$149,588 or seventeen percent (17%) to \$1,033,392 as compared to operating expenses of 883,804 for the three-month period ended September 30, 2009.

Six-month period ended September 30, 2010, compared to six-month period ended September 30, 2009.

Revenues for the six-month period ended September 30, 2010, decreased to \$960,685 or by approximately (\$303,918), or twenty-four percent (24%) as compared to revenues of \$1,264,603 for the six-month period ended September 30, 2009. This decrease is attributable to the hesitation surrounding the general economy, a change in federal and state funding schedules, as well as a decrease in the expenditure of grant monies by some school districts.

Operating expenses for the six-month period ended September 30, 2010, increased by approximately \$132,547 or eight percent (8%) to \$1,733,737 as compared to operating expenses of \$1,601,190 for the six-month period ended September 30, 2009. This increase is due to additional marketing expenses related to the increase in market focus and a customer centric orientation.

Liquidity

As of September 30, 2010, we had \$182,063 in cash, with total current assets of \$1,242,541 and total current liabilities of \$517,307. We have an accumulated deficit of (\$33,835,446) and stockholders equity of \$725,234.

The Company has a current ratio of 1.3. The ratio, while lower than in the past, indicates that we have worked hard

managing debt, and have utilized available resources well in an effort to continue Company growth through internal and external means. We have utilized the current ratio over a quick ratio due to the fact that most items in inventory are easily saleable should the need to liquidate arise.

The Company has working capital of \$176,274 at September 30, 2010. The working capital indicates that our ability to pay current debt obligations through our current assets is favorable.

PART II - OTHER INFORMATION

Item 1. Legal Proceedings.

(i) Status of SEC Proceedings: The Company announced that on August 27, 2010, it obtained a copy of a complaint filed by the U.S. Securities and Exchange Commission (SEC) commencing a civil lawsuit against PCS, its Chief Executive Officer Anthony A. Maher, and its former Chief Financial Officer Shannon Stith (Parties). The complaint (Case 1:10-cv-00433-CWD) was filed in the United States District Court For The District Of Idaho. The lawsuit involves disclosures made by the Company concerning its March 26, 2007 License Agreement with Global Techniques dba PCS Middle East (PCS ME). The complaint alleges: 1) the Parties violated Section 10(b) of the Exchange Act [15 U.S.C. § 78j(b)] and Rule 10b-5 thereunder [17 C.F.R. § 240.10b-5] And, in doing so, the Parties are alleged to have committed fraud in connection with the purchase and sale of securities; 2) the Parties violated of Section 13(a) of the Exchange Act [15 U.S.C. § 78m(a)] and Rules 12b-20, 13a-1, and 13a-11 thereunder [17 C.F.R. 240.12b-20, 240.13a-1, and 240.13a-11] by making alleged false filings with the SEC and aiding and abetting false filings with the SEC; and 3) Mr. Maher and Ms. Stith violated Section 13(a) of the Exchange Act [15 U.S.C. § 78m(a)] and Rule 13a-14 thereunder [17 C.F.R. § 240.13a-14] in making false certifications of an annual report. The complaint seeks among other items, to require the Parties to pay civil money penalties pursuant to Section 21(d)(3) of the Exchange Act, and permanently bar Mr. Maher and Mrs. Stith from serving as an officer or director of any issuer that has a class of securities registered pursuant to Section 12 of the Exchange Act, as amended, or that is required to file reports pursuant to Section 15(d) of the Exchange Act. On November 9, 2010, the Company filed a Motion to Dismiss (and/or for Summary Judgment), and a Motion to strike the SEC s Amended Complaint.

Under its bylaws, PCS is obligated, subject to certain exceptions and conditions, to indemnify and advance expenses to current and former officers and directors in connection with the SEC suit. The costs incurred by PCS in addressing the SEC suit will likely have a material adverse effect on PCS business, financial position, results of operations and cash flows (including its liquidity and its plan of operation as outlined in management s discussion and analysis in PCS most recent 10-K and 10-Q reports).

PCS directors and officers insurance carrier has denied coverage of any claims relating to the SEC investigation,

including defense costs, based on its contention that PCS did not give the insurer timely notice of the SEC s non-public investigation or the related issuance of subpoenas by the SEC. PCS disagrees with the carrier s coverage position. The Company engaged the legal services of Briane Nelson Mitchell of Mauk & Burgoyne, Attorneys at Law, to provide legal services, including legal counsel, advice and representation services in matters relating to the refusal of

Navigators Insurance to honor contractual obligations under its 2007-2008 and 2008-2009 Insurance Policies. In June 2010, the Company initiated suit against the insurer (PCS Edventures!.com Inc. v. Navigators Insurance Company in the District Court of the Fourth Judicial District of the State of Idaho, in and for the county of Ada, Case NO. CV-OC 1012105) for among other things, breach of contract and bad faith.

(ii) The Company, along with its current CEO have been informed that three class action lawsuits involving allegations similar to the SEC case have or will be filed. The one case that has been filed and served (Niederklein v. PCS Edventures!.com, Inc., et al., U.S. District Court for the District of Idaho, Case 1:10-cv-00479-CWD) was brought on behalf of shareholders who purchased shares of the Company's common stock during the period between March 28, 2007 and August 15, 2007. Under its bylaws, PCS is obligated, subject to certain exceptions and conditions, to indemnify and advance expenses to current and former officers and directors in connection with this suit. The costs incurred by PCS in addressing this suit may have a material adverse effect on PCS' business, financial position, results of operations and cash flows (including its liquidity and its plan of operation as outlined in management's discussion and analysis in PCS' most recent 10-K and 10-Q reports).
