Item 1.01 Entry into a Material Definitive Agreement.

The Company previously announced that the Company, along with its former CEO and former CFO, had been named in a class action lawsuit (Niederklein v. PCS Edventures!.com, Inc., et al., U.S. District Court for the District of Idaho, Case 1:10-cv-00479-CWD). The class action was brought on behalf of shareholders who purchased shares of the Company's common stock during the period between March 28, 2007 and August 15, 2007. A Memorandum of Understanding (MOU) containing the essential terms of a settlement of the class action was recently agreed upon, subject to further proceedings and approval by the Court. While the defendants deny the allegations made in the class action lawsuit, the MOU was entered to eliminate the burden and expense of further litigation. Moreover, neither the settlement nor any of its terms constitute an admission of any wrongful conduct by the defendants. If the settlement is approved, the Company and its insurance carrier will be obligated to deposit the sum of \$665,000 in full settlement of the class action. A copy of the MOU is attached hereto as Exhibit 10.1 and incorporated herein, with the foregoing summary be modified in all respects to such reference.
