PROXY STATEMENT

2003 ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON MARCH 12, 2003

January 31, 2003

GENERAL INFORMATION

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Valley Forge Scientific Corp., a Pennsylvania corporation (the "Company"), in connection with the Company's Annual Meeting of Stockholders (the "Annual Meeting"), which is scheduled to be held at 10:30 a.m., local time, on Wednesday, March 12, 2003, at the Hampton Inn, Route 422 and Egypt Road, Oaks, Pennsylvania, and at any adjournments or postponements thereof. At the Annual Meeting, stockholders will be asked to vote upon (i) the election of five directors of the Company; and (ii) any other matters properly brought before the Annual Meeting.

VOTING

This Proxy Statement and the accompanying Notice of Annual Meeting and Proxy Card are first being sent to stockholders on or about February 10, 2003. The Board of Directors has fixed the close of business on January 28, 2003 as the record date for the determination of stockholders entitled to notice of and to vote at the Annual Meeting (the "Record Date"). Only stockholders of record of the Company's common stock, no par value, (the "Common Stock"), at the close of business on the Record Date will be entitled to notice of and to vote at the Annual Meeting. As of the Record Date, there were 8,004,712 shares of Common Stock outstanding and entitled to vote at the Annual Meeting. Holders of Common Stock outstanding as of the close of business on the Record Date will be entitled to one vote for each share held by them.

The presence, in person or by proxy, of holders of at least a majority of the total number of outstanding shares of Common Stock entitled to vote is necessary to constitute a quorum for the transaction of business at the Annual Meeting. Directors are elected by a plurality of the votes cast at the Annual Meeting. Votes may be cast FOR or WITHHOLD FROM each nominee. Votes cast FOR the nominees will count as "yes votes"; votes that are WITHHOLD FROM the nominees will be excluded entirely from the vote and will have no effect. Abstentions and

Edgar Filing: VALLEY FORGE SCIENTIFIC CORP - Form DEF 14A

broker non-votes are each included in the number of shares present at the Annual Meeting for purposes of establishing a quorum. Abstentions and broker non-votes will have no effect on the outcome of the election of directors.

STOCKHOLDERS OF THE COMPANY ARE REQUESTED TO COMPLETE, DATE, SIGN AND PROMPTLY RETURN THE ACCOMPANYING PROXY CARD IN THE ENCLOSED POSTAGE-PREPAID ENVELOPE. SHARES REPRESENTED BY A PROPERLY EXECUTED PROXY RECEIVED PRIOR TO THE VOTE AT THE ANNUAL MEETING AND NOT REVOKED WILL BE VOTED AT THE ANNUAL MEETING AS DIRECTED ON THE PROXY. IF A PROPERLY EXECUTED PROXY IS SUBMITTED AND NO INSTRUCTIONS ARE GIVEN, THE PROXY WILL BE VOTED FOR THE ELECTION OF THE FIVE NOMINEES FOR DIRECTORS OF THE COMPANY NAMED IN THIS PROXY STATEMENT. IT IS NOT

-1-

ANTICIPATED THAT ANY MATTER OTHER THAN THAT SET FORTH IN THIS PROXY STATEMENT WILL BE PRESENTED AT THE ANNUAL MEETING. IF OTHER MATTERS ARE PRESENTED, PROXIES WILL BE VOTED IN ACCORDANCE WITH THE DISCRETION OF THE PROXY HOLDERS. THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMEND A VOTE FOR THE NOMINEES.

A stockholder of record may revoke a proxy at any time before it has been exercised by filing a written revocation with the Secretary of the Company at the address of the Company set forth above; by filing a duly executed proxy bearing a later date; or by appearing in person and voting by ballot at the Annual Meeting. Any stockholder of record as of the Record Date attending the Annual Meeting may vote in person whether or not a proxy has been previously given, but the presence (without further action) of a stockholder at the Annual Meeting will not constitute revocation of a previously given proxy.

The Company's 2002 Annual Report, including the Company's audited financial statements for the fiscal year ended September 30, 2002, is being mailed to stockholders concurrently with this Proxy Statement.

REPORT OF THE COMPENSATION COMMITTEE

Objective of the Company's Compensation Program. The Company's executive compensation program is intended to attract, retain and reward executives who are capable of leading the Company effectively and continuing its growth in the competitive marketplace for electrosurgical equipment. The Company's objective is to utilize a combination of cash and equity-based compensation to provide appropriate incentives for executives.

Like many other public companies, the Company will use a three-pronged approach to its compensation for its executives for the following twelve months. First, the executive's base salary is intended to create a reasonably

Edgar Filing: VALLEY FORGE SCIENTIFIC CORP - Form DEF 14A

competitive minimum level of compensation for each executive for the following twelve months. Second, the Company will maintain an incentive bonus program for executive officers and certain other members of management under which discretionary bonuses may be offered based upon the achievement of corporate and individual performance goals. The objective of the incentive bonus program is to reward executives for their past twelve months' performance. Finally, the Company utilizes stock options granted under its 2001 Stock Plan as a long-term incentive for the executive officers as well as for many other employees of the Company. The Company believes that stock options are important in aligning management and stockholder interests and in encouraging management to adopt a longer-term perspective. Accordingly, options generally provide for incremental vesting over a four-year period.

Compensation Committee Procedures. The Company's executive compensation program is administered under the direction of the Company's Compensation Committee, which is currently composed of the Company's three non-employee directors. The Compensation Committee meets periodically and may consult by telephone at other times.

Factors Considered in Setting Compensation of the Chief Executive Officer and President. Mr. Malis has served as President and Chief Executive Officer of the Company since 1989. The Compensation Committee considers the Company's financial performance, as measured by sales and earnings growth, to be a significant determinant in Mr. Malis' overall compensation package. In making its determination, however, the Compensation Committee also considers a number of other factors which are not subject to precise quantitative measurement and which the Committee believes can only be properly assessed over the long term.

Compensation Decisions for Chief Executive Officer. Each year the Compensation Committee reviews the performance of the Company's Chief Executive Officer. The Committee concluded that Mr. Malis achieved significant success in meeting several key strategic goals and was instrumental to the financial performance of the Company in fiscal 2002. In particular, the Committee noted Mr. Malis' contributions to the Company's profit growth, improved return on sales, strengthening of the Company's management team, entering into a development agreement with Stryker Corporation, and consolidating the operations of the Company and its wholly-owned subsidiary Diversified Electronics Company, Inc. Accordingly, the Committee awarded Mr. Malis a bonus of \$25,000, for fiscal 2002. In addition, the Compensation Committee increased Mr. Malis' annual salary by \$20,000 to \$220,000 effective on October 1, 2002.

REPORT OF THE AUDIT COMMITTEE

Edgar Filing: VALLEY FORGE SCIENTIFIC CORP - Form DEF 14A

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements in the Annual Report with management including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

The Audit Committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Audit Committee under generally accepted auditing standards. In addition, the Audit Committee has discussed with the independent auditors the auditors' independence from management and the Company, including the matters in the written disclosures required by the Independence Standards Board and considered the compatibility of nonaudit services with the auditor's independence.

The Audit Committee discussed with the Company's independent auditors the overall scope and plans for their respective audits. The Audit Committee met with the independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting. The Audit Committee held seven meetings during fiscal 2002.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors (and the Board has approved) that the audited financial statements be included in the Annual Report on Form 10-K for the year ended September 30, 2002 for filing with the Securities and Exchange Commission.
