PROXY STATEMENT

GENERAL INFORMATION

The enclosed proxy is solicited by and on behalf of the Board of Directors of iLinc Communications, Inc., (the "Company"), for use at the Company's 2006 Annual Meeting of Stockholders (the "Meeting" or the "Annual Meeting") to be held at 9:00 a.m., local time, on August 18, 2006, at 2999 North 44th Street, Suite 650, Phoenix, Arizona 85018, and at any and all adjournments thereof. This Proxy Statement and the accompanying form of proxy are first being mailed or given to the stockholders of the Company on or about July 17, 2006.

The Company is mailing its 2006 Annual Report to Stockholders, including consolidated financial statements, simultaneously with this Proxy Statement to all stockholders of record as of the close of business on June 30, 2006. That report does not constitute a part of this proxy solicitation material.

INFORMATION CONCERNING SOLICITATION AND VOTING

All voting rights are vested exclusively in the holders of the Company's common stock, par value \$0.001 per share. Each share of the Company's common stock is entitled to one vote. Cumulative voting in the election of directors is not permitted. Holders of a majority of shares entitled to vote at the Meeting, when present in person or by proxy, constitute a quorum. On June 30, 2006, the record date for stockholders entitled to vote at the Meeting, 32,909,703 shares of the Company's common stock were issued and outstanding.

Proxies in the enclosed form will be effective if properly executed and returned prior to the Meeting in the enclosed envelope either to ADP Investor Communication Services, 51 Mercedes Way, Edgewood, NY 11717 or to the Company at 2999 N. 44th Street, Suite 650, Phoenix, Arizona 85018. The Company's common stock represented by each effective proxy will be voted at the Meeting in accordance with the instruction on the proxy. If no instructions are indicated on a proxy, all common stock represented by such proxy will be voted (a) FOR election of the two nominees named in the proxy as Class B directors; (b) FOR approval and ratification of the appointment of Epstein Weber & Conover, PLC as the Company's independent accountants for the fiscal year 2007; and (c) as to any other matters of business which properly come before the Meeting, by the named proxies at their discretion.

Any stockholder signing and mailing the enclosed proxy may revoke it at any time before it is voted by giving written notice of the revocation to the Company, by voting in person at the Meeting or by filing at the Meeting a later executed proxy.

If a quorum is present, in the election of directors, the nominees having the highest number of votes cast in favor of their election will be elected to the Company's Board of Directors. With respect to the proposal to ratify the appointment of Epstein Weber & Conover, PLC as the Company's independent accountants for the fiscal year 2007, the affirmative vote of a majority of the shares present or represented by proxy at the meeting is required. With respect to any other matter which may properly come before the Meeting, unless a greater number of votes is required by law or by the Company's restated certificate of incorporation, a matter will be approved by the stockholders if the votes cast in favor of the matter exceed the votes cast in opposition.

Edgar Filing: ILINC COMMUNICATIONS INC - Form DEF 14A

Abstentions, broker non-votes (i.e., shares held by brokers or nominees as to which the broker or nominee indicates on a proxy that it does not have discretionary authority to vote) and any other shares not voted will be treated as shares that are present and entitled to vote for purposes of determining the presence of a quorum. Abstentions and broker non-votes which may be specified on the proposal to ratify the appointment of Epstein Weber & Conover, PLC as the Company's independent accountants for the fiscal year 2007, will have the same effect as a vote against that proposal. For purposes of determining the outcome of the election of the directors, or of any other matter which properly may come before the Meeting, abstentions and broker non-votes will not be considered as votes cast for or against the matter. Thus, abstentions and broker non-votes will have no impact in the election of the two Class B directors, or any other matter which properly may come before the Meeting so long as a quorum is present.

-4-

The Company will pay the cost of soliciting proxies in the accompanying form. The Company has retained the services of ADP Investor Communication Services to assist in distributing proxy materials to brokerage houses, banks, custodians and other nominee holders. The estimated cost of such services is approximately \$8,000 plus out-of-pocket expenses. Although there are no formal agreements to do so, proxies may be solicited by officers and other regular employees of the Company by telephone, telegraph or by personal interview for which employees will not receive additional compensation. Arrangements also may be made with brokerage houses and other custodians, nominees and fiduciaries to forward solicitation materials to beneficial owners of the shares held of record by such persons, and the Company may reimburse such persons for reasonable out-of-pocket expenses incurred by them in so doing.

PROPOSAL ONE: ELECTION OF DIRECTORS

GENERAL

The Company's restated certificate of incorporation provides for the classification of the Company's Board of Directors into three classes. The term of office of the Class B directors expires at this Annual Meeting of Stockholders; the term of office of the Class C directors expires at the Company's 2007 Annual Meeting of Stockholders and the term of office of the Class A directors expires at the Company's 2008 Annual Meeting of Stockholders. Two Class B nominees are nominated to be re-elected at this Annual Meeting to serve for a three-year term to last until the 2009 Annual Meeting of Stockholders or until their successors are duly elected and have been qualified. The nominees for Class B directors will be elected by a plurality of the votes cast, assuming a quorum is present at the Annual Meeting. Accordingly, abstentions and broker non-votes will have no effect on the election of the nominee director.

Proxies cannot be voted for a greater number of persons than the number of nominees named therein. Unless authority to vote is withheld, the persons named in the enclosed form of proxy will vote the shares represented by such proxy for the election of the nominee for director named below. If, at the time of the Meeting, the nominee shall have become unavailable for any reason for election as a director, the persons entitled to vote the proxy will vote for such substitute nominee, if any, as they determine in their discretion. Management is currently unaware of any circumstances likely to render the nominee unavailable for election or unable to serve.

NOMINATING AND CORPORATE GOVERNANCE COMMITTEE

The Nominating and Corporate Governance Committee (the "Nominating Committee") is authorized to develop policies on the size and composition of the Board and criteria relating to candidate selection, propose to the Board a slate of director nominees for election at annual meetings of stockholders, propose candidates to fill vacancies on the Board and recommend board members to serve on the various committees of the Board. The members of the Nominating Committee are Mr. Robinson (Chairman), Mr. Collins and Mr. Petzold. During the fiscal year 2006, the Nominating Committee held three (3) meetings. The members of the Nominating Committee are independent within the meaning of Section 121(A) of the American Stock Exchange's listing standards. A copy of the Charter of the Nominating Committee may be obtained from the Company by visiting the Company's Web site located at www.ilinc.com, or upon written request to the Secretary of the Company at the principal executive offices of the Company located at 2999 N. 44th Street, Suite 650, Phoenix, AZ 85018.

The Nominating Committee will consider nominees proposed by stockholders in accordance with guidelines for such consideration set forth in the Company's bylaws. Article II, Section 12 of the Company's Bylaws provides that persons nominated by stockholders shall be eligible for election as directors only if nominated in accordance with the following procedures. Such nominations shall be made pursuant to timely notice in writing to the Secretary of the Company. To be timely, a stockholder's notice shall be delivered to or mailed and received at the principal executive offices of the Company (2999 N. 44th Street, Suite 650, Phoenix, AZ 85018) not less than ninety (90) days nor more than one hundred eighty (180) days prior to the meeting. Such stockholder's notice to the Secretary must set forth (a) as to the stockholder proposing to nominate a person for election or re-election as director, (i) the name and address of the nominator, (ii) the class and number of shares of capital stock of the Company which are beneficially owned by the nominator, (iii) the name and address of any person with whom the nominator is acting in concert and their beneficial ownership of the Company's capital stock, and (b) as to the nominee, (i) the information relating to the nominee that is required to be disclosed in solicitations for proxies for election of directors pursuant to Regulation 14A

Edgar Filing: ILINC COMMUNICATIONS INC - Form DEF 14A

under the Exchange Act and (ii) a notarized affidavit executed by each such nominee to the effect that, if elected as a member of the Board, he will serve and that he is eligible for election as a member of the Board. The Company may require any proposed nominee to furnish such other information as may reasonably be required by the Company to determine the eligibility of such proposed nominee to serve as a director of the Company.

The Nominating Committee has not developed specific, minimum qualifications that must be met by a committee recommended director. Neither has the Nominating Committee specified a particular set of qualities or skills one or more directors must possess other than the need for the Board to include at least one director who is a financial expert. The Nominating Committee does not currently utilize the services of any third party search firm to assist in the identification or evaluation of Board member candidates. The Nominating Committee may engage a third party to provide such services in the future, as it deems necessary or appropriate at the time in question. The Nominating Committee determines the required selection criteria and qualifications of director nominees based upon the needs of the Company at the time nominees are considered. A candidate must possess the ability to apply good business judgment and must be in a position to properly exercise his or her duties of loyalty and care. Candidates should also exhibit proven leadership capabilities, high integrity and experience with a high level of responsibility within their chosen fields, and have the ability to quickly understand complex principles of, but not limited to, business and finance. Candidates with potential conflicts of interest or who do not meet independence criteria will be identified and disqualified. The Nominating Committee will consider these criteria for nominees identified by the Committee, by stockholders, or through some other source. When current Board members are considered for reelection, the Nominating Committee also takes into consideration their prior Board contributions, performance and meeting attendance records.

The Nominating Committee conducts a process of making a preliminary assessment of each proposed nominee based upon the resume and biographical information, an indication of the individual's willingness to serve and other background information. This information is evaluated against the criteria set forth above as well as the specific needs of the Company at that time. Based upon a preliminary assessment of the candidate(s), those who appear best suited to meet the needs of the Company may be invited to participate in a series of interviews, which are used for further evaluation. The Nominating Committee uses the same process for evaluating all nominees, regardless of the original source of the information.

No candidates for director nominations were submitted to the Nominating Committee by any stockholder in connection with the 2006 Annual Meeting.

DIRECTOR COMPENSATION

Directors who are employees of the Company do not receive additional compensation for serving as directors. Each director who is not an employee of the Company receives a fee of \$3,000 for attendance at each regular Board meeting and \$1,000 for each committee meeting (unless held on the same day as a Board meeting). The Chairman of the Audit Committee receives \$2,000 per quarter, but no other chairman of a committee receives compensation as chairman. All directors of the Company are reimbursed for out-of-pocket expenses incurred in attending meetings of the Board or committees thereof, and for other expenses incurred in their capacity as directors of the Company. Under the Company's Stock Plan each non-employee director is eligible to receive non-qualified

Edgar Filing: ILINC COMMUNICATIONS INC - Form DEF 14A

options to purchase shares of the Company common stock. Each newly elected non-employee director automatically is granted nonqualified options to purchase 25,000 shares of the Company's common stock on the date that the person first becomes a director of the Company. The vesting for the initial grant of 25,000 is 10,000 vested immediately on the Date of Grant with 5,000 shares of the remaining shares vesting on the date of subsequent annual meeting of stockholders each year from year to year until fully vested. Thereafter, each non-employee director each year automatically is granted nonqualified options to purchase 15,000 shares of the Company's common stock on the date of the Company's annual meeting of stockholders. Each option has an exercise price per share equal to the fair market value of the Company's common stock on the date of grant. All the options granted to the non-employee directors have a term of ten years and options granted after the initial grant are fully exercisable on the date of grant.

CODE OF ETHICS

Our Board has adopted a code of ethics for the Company. While no code of conduct can replace the thoughtful behavior of an ethical director, officer or employee, we feel the code of ethics will, among other things, focus our board and management on areas of ethical risk, provide guidance in recognizing and dealing with ethical issues, provide mechanisms to report unethical conduct and generally help foster a culture of honesty and accountability. Any amendment or waiver of the code of ethics may only be made by the Board or an authorized committee of the Board. A copy of the Code of Ethics may be obtained from the Company by visiting the Company's Web site located at www.ilinc.com, or upon written request to the Secretary of the Company at the principal executive offices of the Company located at 2999 N. 44th Street, Suite 650, Phoenix, AZ 85018.

STOCKHOLDER COMMUNICATIONS

The management of the Company and the Board welcome communications from the Company's stockholders. Stockholders who wish to communicate with the Board, or one or more specified directors, may send an appropriately addressed letter to the Chairman of the Board of the Company, at 2999 North 44th Street, Suite 650, Phoenix, Arizona 85018. The mailing envelope should contain a clear notation indicating that the enclosed letter is a "Stockholder-Board Communication." All such letters should identify the author as a security holder, and, if the author desires for the communication to be forwarded to the entire Board or one or more specified directors, the author should so request, in which case the Chairman will arrange for it to be so forwarded unless the communication is irrelevant or improper.

EMPLOYMENT AGREEMENTS

The Company is a party to employment agreements with Mr. Powers, Mr. Dunn, and Mr. Moulton. All are or were officers of the Company, and Mr. Powers is also Chairman of the Board of Directors. Mr. Cocozza was a party to an employment agreement with the Company, but that employment agreement expired on January 6, 2006. Each of these agreements provides for an annual base salary in an amount not less than the initial specified amount and entitles the employee to participate in all of the Company's compensation plans. Each agreement establishes a base annual salary and provides the eligibility for an annual award of bonuses based on the management incentive compensation plan (as adopted and amended by the Compensation Committee of the Board of Directors from year to year), and is subject to the right of the Company to terminate their respective employment at any time without cause. Mr. Powers' and Mr. Dunn's employment agreements provide for continuous employment for a one-year term that renews automatically unless otherwise terminated. Mr. Dunn's employment agreement permits Mr. Dunn to work outside the corporate offices, and Mr. Dunn relocated to Houston in June of 2005. Mr. Moulton's agreement provides for continuous employment for a two-year term. Under each of the employment agreements, if the Company terminates the employee's employment without cause (as therein defined), Mr. Powers, Mr. Dunn, and Mr. Moulton will be entitled to a payment equal to 12 months' salary. Additionally, Mr. Powers' and Mr. Dunn's employment agreements

Edgar Filing: ILINC COMMUNICATIONS INC - Form DEF 14A

provide for a severance payment equal to one (1) year's compensation in the event of termination of employment following a "change in control" of the Company (as defined therein) except that should Mr. Dunn obtain employment with the successor organization in a comparable position, then the Company shall not be responsible for the severance payment. Each of the foregoing agreements also contains a covenant limiting competition with iLinc for one year following termination of employment except for Mr. Moulton's which limits competition with iLinc for nine months following termination.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

No executive officer of the Company currently serves as a member of the board of directors or compensation committee of any entity that has one or more executive officers serving as a member of the Board of directors or as an executive officer of the Company. See "Director and Executive Compensation" and "Certain Transactions" for a description of any transactions between the Company and members of the Board of Directors.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

OVERVIEW

The Compensation Committee is responsible for establishing a general compensation policy for officers and employees of the Company, preparing any reports that may be required relating to officer compensation and approving any increases in director's fees. The Compensation Committee consists of Mr. Petzold, Chairman, and Mr. Stull. In the fiscal year 2006, the Compensation Committee approved, or in some cases recommended to the Board for the Board's approval, remuneration arrangements and compensation plans involving the Company's directors, executive officers and certain other employees whose compensation exceeds specified levels. The Compensation Committee recommends to the Board the level of stock options that should be granted to employees, including executive officers under the Company's Stock Plan.

The Company's executive compensation program has been designed by the Compensation Committee to assist the Company in attracting, motivating and retaining the executive talent necessary for the Company to maximize its return to stockholders. To this end, this program provides competitive compensation levels and incentive pay levels that vary based on corporate and individual performance.

The Company's compensation program for executives consists of three key elements: a base salary, a performance-based annual bonus, and periodic grants of stock options.

The Compensation Committee believes that this three-part approach best serves the interests of the Company and its stockholders. It enables the Company to meet the requirements of the highly competitive environment in which the Company operates while ensuring that executive officers are compensated in a way that advances both the short-term and long-term interests of its stockholders. Under this approach, compensation for these officers involves a high proportion of pay that is dependent on maximizing returns to stockholders. The annual bonus payable for the fiscal year 2006 had not yet been determined or accrued as of March 31, 2006, but will depend on the Company's operational performance in the fiscal year 2006 and other individual factors including certain revenue targets.

-14-

BASE SALARY

Edgar Filing: ILINC COMMUNICATIONS INC - Form DEF 14A

Base pay is designed to be competitive with salary levels for comparable executive positions at other companies and the Compensation Committee reviews such comparable salary information as one factor to be considered in determining the base pay for the Company's executive officers. Other factors the Compensation Committee considers in determining base pay for each of the executive officers are that officer's responsibilities, experience, leadership, potential future contribution and demonstrated individual performance. The Company has employment agreements with its Chief Executive Officer and certain of the other Named Executive Officers. These agreements provide for a minimum annual base salary the Company may increase, but cannot decrease. Any increase in these base salaries of the Company's executive officers will be based on recommendations by the Company's Chief Executive Officer, taking into account such factors as competitive industry salaries, a subjective assessment of the nature of the position and the contribution and experience of the executive officer. Performance for base salary purposes will be assessed on a qualitative, rather than a quantitative, basis. No specific performance formula or weighting of factors will be used in determining base salary levels.

ANNUAL BONUS

For the fiscal year 2006, the Compensation Committee determined to compensate the executive officers both with cash bonuses and in the form of long-term, equity-based compensation through the award of stock options. Cash bonus payments related to fiscal 2006 performance had not yet been determined or accrued as of March 31, 2006. The Compensation Committee expects to base future annual bonuses on the Company's financial performance and the individual performance of the employees, and intends to use qualitative and quantitative factors for this purpose that will include the level of revenues, operating profit and other financial measures appropriate to each position.

STOCK PLAN

The objectives of the Stock Plan are to (i) attract and retain superior personnel for positions of substantial responsibility and (ii) provide employees, non-employee directors and advisors with an additional incentive to contribute to the success of the Company.

Stock options align the interests of employees and stockholders by providing value to option holders through stock price appreciation only. The Compensation Committee expects that it will make future stock option or other long-term equity-based incentive awards periodically at its discretion based on recommendations of the Chief Executive Officer. Stock option grant sizes, in general, will be evaluated by regularly assessing competitive market practices, the overall performance of the Company, the size of previous grants and the number of options held. In addition, the Compensation Committee may consider factors including that executive's current ownership stake in the Company, the degree to which increasing that ownership stake would provide the executive with additional incentives for future performance, the likelihood that the grant of those options would encourage the executive to remain with the Company and the value of the executive's service to the Company. This posture with regard to stock options is intended to focus management's efforts on maximizing stockholder returns. The number of options granted to a particular participant will also be based on the Company's historical financial success, its future business plans and the individual's position and level of responsibility within the Company, but these factors will be assessed subjectively and not weighted.

During fiscal year 2006, the Company issued 630,500 incentive and 125,000 non statutory stock options to employees under the Stock Plan providing for the purchase of shares of the Company's common stock, par value per share of \$0.001 as follows: options to purchase 479,500 shares were issued at an exercise price of \$0.25 per share; options to purchase 16,000 shares were issued at an exercise

Edgar Filing: ILINC COMMUNICATIONS INC - Form DEF 14A

price of \$0.26 per share; options to purchase 250,000 shares were issued at an exercise price of \$0.38 per share; and options to purchase 10,000 shares were issued at an exercise price of \$0.43 per share. All the options granted vest as follows: twenty-five percent (25.000%) of the options shall be vested six (6) months from Date of Grant; and thereafter beginning on the first day of the following month one thirty-sixth (1/36) of the remaining portion shall vest on the first day of each month, from month to month, until fully vested.

FISCAL YEAR 2006 CHIEF EXECUTIVE OFFICER PAY

As described above, the Compensation Committee considers several factors in developing an executive compensation package. For the Chief Executive Officer, these factors will include competitive market pay practices, performance level, experience, contributions toward achievement of strategic goals and the overall financial and operations success of the Company.

The Company entered into an initial employment agreement with Mr. Powers, the Company's Chief Executive Officer, in November 1998. The Company entered into a subsequent employment agreement with Mr. Powers in November 2000 upon expiration of the initial agreement. That agreement has a continuous two-year term at an initial base compensation rate of \$225,000 per annum. The Compensation Committee

-15-

increased the base pay of Mr. Powers to \$240,000 per annum effective May 24, 2006. Pursuant to his employment agreement, Mr. Powers is eligible to receive an annual cash bonus in an amount up to 35% of his base salary upon achievement of certain performance targets. The Compensation Committee monitors trends in this area, as well as changes in law, regulation and accounting practices, that may affect either its compensation practices or its philosophy. Accordingly, the Committee reserves the right to alter its approach in response to changing conditions.

The Company recognized a \$179,000 charge to income at the date of the grant.
